

Are You Marked for survival?

Issue date: 26 Aug 2007

It can be generally said that if we were faced with a life-threatening situation, then we would want to do something about it!

Normally people would wish to help and so make preparations for themselves and their family and friends.

An article in an American magazine gave some advice:-

When society breaks down it always turns to mob rule!

It is always survival of the fittest or strongest!

So you should all learn to protect yourselves. Teach your children to be accurate with a gun!

Stock-pile your house with food and water in case of a siege!

Many Religious Cults speak of The Time of the End, commonly called Armageddon and thus likewise call for protection – being based upon what man can give – essentially ‘the weapons of war’. However Armageddon is actually God's war and so True Christians should take no part in this ‘worldly war’, because it is between the Anti-Christ together with His earthly followers and God's Angels led by Jesus Christ who has now been given The Authority and The Power (= The Holy Spirit) from Yahweh (= The Almighty God).

Clearly all the Gold and all the weapons on this earth are not likely to help or protect us in God's war!

Matt. 24 This whole chapter gives us a detailed account of what we are likely to expect! It will be mob rule, war and pestilence.

An Oxfam report was quoted in an article of a 1991 issue of New Scientist gave interesting details on worldly disasters.

In 1960 There were 523 natural disasters.

In 1970 There were 707 natural disasters.

In 1980 There were 1387 natural disasters.

(In 2007 we can look backwards over the subsequent decades and through audited records demonstrate a progressive increase – now as a further factor with global warming, the number and strength of hurricanes/typhoons have ratcheted ever steadily upwards).

It did say that the increase in figures may be explained by more openness in reporting (within the Russian / Chinese Block) but even so, the increase could not be fully explained away!

Matt. 24v42 Watch therefore; for you do not know what hour the Lord comes.

A definite action of Taking Note and watching for the signs given in this chapter (see also Glossary).

However to survive we must have strong faith/fidelity/assurance in the accurate word of Yahweh being The Whole Bible rather than something being minced up into some unrighteous message given by worldly Christian Leaders .

Consequently there are some questions that we should ask ourselves **about our relationship with The Almighty God!**

2Pet. 3v9-14 The Lord is not slow concerning His promise, as some men consider slowness: But is long-suffering towards us, not willing that any should perish, but that we should come to repentance. But the day of the Lord *(being the 1st signs of The Millennium)* will come as a thief in the night *(being the 1st 2nd C of Jesus)*; in the which the heaven/sky shall pass away *(being Satan's old 6000 year system dying in its last 3.5 years)* with a great noise *(= the implosion of society followed by The Wrath of God)*, and the elements *(being the authorities and make-up of the old world system)* shall melt with intense heat *(implode and then be removed by Yahweh's Power of The Wrath of God)*, and the earth also and the works in it shall be burned up *(the old system of Satan's World removed)*. Seeing then that all these things shall be dissolved, what sort of persons ought you to be in all holy conversation and godliness *(thus aim to be a True Christian – so that you may be taken at the 1st 2nd C – or part of The Great White multitude to come through later during the 3.5 years of mayhem)*.

Looking for and keeping close in mind the coming of the Day of God *(thus imitate Jesus' lifestyle and character)*,

through which the heaven/sky will be dissolved in fire and the elements melt with intense heat *(as explained)*!

Nevertheless we, according to his promise, look for new heavens and a new earth for us to dwell within

righteousness *(this being a new controlling system that operates in this world brought in by The Millennium under Jesus' control)*.

Therefore, beloved, seeing that you look for such things, be diligent that you may be found finally by him in

peace, without spot and blameless *(thus imitate Jesus with the oil of works spreading into the world the light of Yahweh's Word as the 5 virgins awaiting their bridegroom of Jesus during the 1st part of their life)*.

Verse 11 saying: What sort of person will you be?

Verse 12 saying: Looking and keeping in mind!

Last verse saying: In peace using Yahweh's Word (- not war using weapons of man to kill people)!

We must have God's view point when this war comes; and do not rely on Man's ideas of what is required! The above example is man's material requirements and is consequently no good because it is going to get 'burnt up'!

Eze. 18v25 Yet you say: The way of the Lord is not equal!

Hear now, O house of Israel: Is not my way equal? Are not your ways unequal?

See how Israel had deviated from God's way of living according to His Desire of them. They said that they were correct but they were not viewing it from God's point of view.

A few prophets and others did take steps to take note of what was God's way and what He said about the destruction of Jerusalem that was to occur a few years later.

Eze. 8v5-18 These were examples of very sinful things happening by the leaders of Jerusalem.

v5 The symbol of Jealousy would be the worship of another god in the place of Yahweh. This would be the breaking of the first two out of the Ten Commandments. God withdrew His spiritual presence from the Temple and withdrew from the whole of Israel (except the very few faithful prophets). This is so true of the times now, where people are using the **pretence** of Godly worship, but in reality have their own gods that they worship through their worldly actions.

v8 Here is an example of humans worshiping creation and not The Almighty God who was in reality The Author of Creation. Again this is similar to our times where humans are worshiping animals now. Survival examples are given:- Nationalism could be used. Humans worship their country represented by the eagle (America), lion (England), bear (Russia).

Evolution is the worship of 'mother nature' and the suggestion that lower forms of life are our ancestors! Suggesting that these lower forms indirectly created us!

This all take worship from God and directs it to worthless principals.

These are abominable and detestable to Almighty God.

Do we think along the same lines that God does?

Do we find these things abominable and detestable as well?

Women weeping over Tamas. This was associated with the 'vegetation god' of the Babylonians. Plants grow, live and die, coming from the 'under-world'. It was also a lover of another Babylonian god. It was also identified with Nimrod a ruthless world leader who came to predominance just after The Flood. He authorised the building of The Tower of Babel as a solution to avoid another Flood!

Again this concept of idol/god worship is copied today with people relying on the 'Cross' shape to protect them, or to idolise it. The 'cross' means absolutely nothing, but it **is** Jesus that should mean everything to us!

We should have nothing that distracts our faith/fidelity/assurance in Jesus – and **not** something created by man whatever it may be!

The mystic letter 'T' is also associated with the pre-Christian period of Tanaldi.

Other examples would be:-

1. Mary stated as the 'mother of God' - a daft statement designed to confuse people! People are directed to pray through Mary, even though Jesus says: That people can only go to God through Jesus, himself alone! Other people elevate her above Jesus in their worship! *(This is all an anathema to Yahweh – especially when it was **not** The Almighty God who was killed – but rather His most beloved son – this I meticulously explain the most righteous logic using The Original Greek. I welcome the very best obviously worldly and utterly errant Christian 'scholars' to defend their most ridiculous and illogical understanding as displayed incompetence! They have my email address to contact me – and I will analyse against The Bible Text in context and then publicise the results on this website for The World to see).*

So **is** this the correct view of God - the 'mother' of The Almighty God!!!! (Please see "God" in Glossary),

2. Trinity is another teaching designed to confuse and is written **nowhere** in The Bible! It is just something orchestrated by Satan just to confuse people – to keep them in a fog of confusion so that they do not know how to pray! Again there is **no** teaching in The Bible where it is written about saints or relics holding privileged positions or have power that may be used by others. All this came about a few centuries after Jesus' resurrection.

(Please see "Trinity (The)" in Glossary),

2Cor. 6v14 Do not be unequally yoked together with unbelievers, for what fellowship has righteousness with the unrighteousness? And what communion has light with darkness?

Deut. 4v19 And you should not lift up your eyes unto heaven, and then you see the sun, and the moon, and the stars, even all the host of heaven and because you may actually become seduced to worship them, and serve them ...

Eze 8v16 In a physical sense these people had turned their back to God's alter and were worshiping the sun!

This is exactly what God had commanded them **not** to do!

This could again be extended to the worship of science. It takes peoples time away from devotion to God, and instead of acknowledging: God created the science that they are studying; they are in actuality, worshiping the science itself! Because we do not follow God's ways or His Desire of us, the technology, the spin-off from the study of science is being misused and abused - leading to pollution, arms race, new moralities decreed – being the immorality/violence/spam/viruses that The Internet and DVDs can pump into our lives to bend our reasoning away from Yahweh's Desire of us.

Higher education must be treated carefully by the student, though not wrong in itself, but like everything it can be abused:-

Human philosophies – supposedly the 'correct way' of life, can be in conflict with God's way.

Get-ahead in life - opposite to being content with life, also can abuse those below us.

Fosters independence - I can have what I want. This also leads to sexual/material immorality.

Eze. 9v2-11 These people will be destroyed and only those that have been marked on the forehead by 'the man clothed with linen, which had the writer's inkhorn by his side'.

Who were these men?

These men who carried out God's command to kill those who did not have a mark may have been the Babylonians at that time, but these can be other human armies who (without realising it) are actually carrying out God's will at the time. But obviously it does not rule out them being God's army of angels being called in to administer God's will.

Are we crying over the detestable things that are occurring in 'Jerusalem' (= 'the present' worldly authority given the responsibility to accurately preach Yahweh's Word now = The Christian Nation). Because just as God was then, and so is He now when He sees the utter mess that the worldly representatives are purporting to do in His "Name" – but certainly **not** His "Character" and "Authority".

So thus this can be extended to the Spin-off religions from Jerusalem now with us, principally false worldly Christianity that as a whole now covers The World.

God is being dishonoured now by those giving The Pretence of working in His Name but 'behind the scenes' working the opposite!

Many worldly Christians are making a mockery of God and of His beloved son Jesus!

Let us see some examples to justify what I state is True:-

Practicing Homosexuals called 'gay Christians'

Mary the mother of God!

The virgin birth did not really happen!

Jesus did not really rise from the dead!

Do not believe everything in the Bible - (But this **IS** God's Word that is infallible, written for our edification).

They are just stories and not to be trusted!

Beliefs are twisted to suit Religious doctrines:-

Women may lead church services.

Priests must not be married.

Pope is next to God!

Priests may forgive sins!

Baptism of babies.

Paying penitence for dead ancestors.

Making saints of men – but even Jesus said that he was not able to do this!

In Christian times we must put a mark on our forehead. Though this may not be an ink mark, it should be something that is just as visible. Clearly this "Mark" is the way we live our lives. Our life must be Christ-like (thus imitate Jesus) and so set us aside and away from the worldly Christians who are defiling God's and His beloved Son's names.

Jesus had all the information in his head, but he also lived his life according to the information in his head. This is what we should endeavour to do. This is called "Wisdom" – this is why Jesus was called "The Wisdom of God".

So it is The Evidence of behaving like Christ. So it is this Christ-like appearance being as The Bible calls "Clothing" being our personality, which is something that other people can readily see.

Eph. 4v22 That you should put away the old personality which was corrupt according to deceitful lusts (*by following after the worldly things for all many of self-gratification*); and be renewed in spirit of your mind; and that you put on the new personality, after which God has created in righteousness and true holiness.

Clearly we must put on this new personality. It is this that becomes visible as an ink mark 'on our forehead'. It becomes observable by others around us. This new personality should then 'rub-off' onto our family and friends.

This mark should be something that when we get up in the morning we look into the mirror and think: "the mark" has worn down a little, I had better touch it up to make it just as prominent as it was before, particularly if it is going to be for your survival. Keep looking at it and be conscious of it being there.

Also we must hate what is happening on this earth - just as God hates the misrepresenting of The Truth by so many groups and organisations that claim to come in His "Name" but sow distortions and mysteries that they proudly claim not to understand! Jesus tells us that those who do come in his name/character/authority do understand and know – so that there are no mysteries. Thus clearly these ones who create mysteries and distort God's Word because they do not understand it are not coming in Jesus' "Character and Authority". Because Jesus has not his **presence** within them dispensing Yahweh's Holy Spirit within them

Thus we should **accurately** take the message to other people by preaching/teaching, by our actions and our behaviour. We must show other people what is happening around us so that they may be calmed, knowing that this is really all part of God's Plan before the final culmination. We see the system is collapsing, thus material things like gold, weapons or the stock piling food is **not** going to help us; but it learning about God and putting on a Christ-like appearance by going about being utterly neutral in all worldly political affairs (as we are told to be blind to them) with True Christianity and preaching so that we are all marked for survival.
