

## ASK

Issue date: 10 Aug 2007

This piece is just kept to quotations as given - then at the end we shall discuss: “Of what should be asked!” The discussion may be painful for some readers as it cuts through layers of worldly wisdom promulgated by those religious leaders desiring worldly self-indulgence from their congregations at the expense of Yahweh turning His ears away from their slothful activities in fulfilling His Desire of all humans!

Mat 6v8

‘Be not therefore like unto them; for your Father knows what things you have need of before you ask Him.’

Mat 7v7

‘Ask and it shall be given to you.’

Luke 11v9

‘Ask and it shall be given to you’

Mat 21v22

‘And all things whatsoever you shall ask in prayer; believing shall receive.

John 14v13

‘And whatsoever you shall ask in My name, that will I do, that the Father may glorify in the son.’

John 14v14

‘If you ask anything in My name, I will do it.’

John 15v7

‘If you abide in Me and My words abide in you, You shall ask what you will and it shall be done unto you.’

John 15v17

‘That whatsoever you shall ask the Father in my name He shall give it to you.’

John 16v23

‘Whatsoever you shall ask the Father in my name, He will give it to you.’

John 16v24

‘In My name, ask and you shall receive, that your joy may be complete.’

1 John 3v22

‘And whatsoever we ask, we receive of Him, because we keep the commandments and do things pleasing in His sight.’

1 John 5v14

‘And this is the confidence which we have in Him, that if we ask anything according to his will he hears us.  
v15

And if we know that he hears us in whatever we ask, we know that we have obtained the requests made of Him.

And then we have:-

James 4v3

‘You ask and receive not because you ask wrongly, to spend it on your passions – Unfaithful creatures!

So now given all these examples we can ask the question:

Does this mean that whatever we ask of The Almighty God, we then receive it!

This is the **WRONG** conclusion!

The clue is in the last example given.

First to answer this statement we must ask:-

**Why** was Jesus on this planet in a perishable fleshly DNA body some 2000 years ago?

I answer it in detail elsewhere on this website [www.FutureLife.Org](http://www.FutureLife.Org) but principally it was for two reasons only, with a supporting third!

1. To provide The Ransom Sacrifice (known as The Undeserved Gift), so that all who believe (means demonstrating Trust through Works) in Jesus will ultimately be saved (either **now** for a “very few” **or later** for the majority of humans following).
2. To collect the “very few” 144000 humans during this 2000 year Gospel period to later become “Jesus’ Bride” as “The Faithful Stewards given responsibility of much”.
3. To demonstrate to all entities in The Universe that Jesus is Worthy and is totally committed to his Father = The Almighty God (Yahweh / Jehovah).

So where does this understanding take us?

And what about the rest of all the inhabitants of The World who share not in “Christianity” – because they are not implicitly mentioned above?

“The World” being all the inhabitants are mentioned above in section (1) but the “**now**” refers to the 144000 during this 2000 year period called The Gospel Age and the “**or later**”, refers to everyone else during The Millennium.

So if Jesus is leaving the saving of everyone else to The Millennium period, then God (through Jesus) is **not speaking to most people here** when he was here on Earth for the first time some 2000 years ago!

In fact he is only just casting the seed out and about into the field (being The World) for those specific humans who personally desire to make it grow within themselves as shown in the parable of The Sower. It is for these people who, if they develop sufficient fruitage then become the 144000 individuals (to be metaphorically The New Spiritual Israel of The Gospel Age) to become the future Bride of Christ during The Millennium to teach The World righteousness.

What are these individuals doing (in their lives) to be part of the 144000?

**They are making The Word of God grow in their hearts and producing fruit through Works demonstrated.**

This single sentence is made up from so many verses in The New Testament and is totally indisputable. I have to put it like this because so many modern worldly Christian churches state that: “Works are unnecessary”. They say “You only need to ‘believe’ to be saved” !!!

**Well this is exactly what Satan wants them to say!**

Quite simply and logically, Satan does not desire humans to produce fruit which can only come about through works – because that means converting more humans from his side to that of Jesus !!!

Please read “Yahweh’s Desire” and “Satan’s Desire” in the Glossary.

So I repeat:-

Jesus is only speaking to those who are **actively trying – through works** to carry out and thus fulfil The Desire of The Almighty God (Yahweh / Jehovah).

And Jesus (fulfilling The Desire of his Father) said to his disciples:-

“Go out into the world and make disciples of men”

This **is** the work required – It does not mean going to church for once or twice a week, having a ‘good sing song’ and then living your normal life again!

At the end of your life The Almighty God will make a decision at “The Greater/Special Judgement” about your future: “Are you to be part of the 144000 or not?”

Clearly If you have done nothing to further The Desire of The Almighty God and can only say:-

“I have **not** gone out into the world to make disciples of men”

Then you do **not** qualify to become a Bride of Christ. It is as simple as that!

You have effectively become that 1 talent man who buried what he was given in the soil as we are clearly told in Jesus’ parable on this subject.

So what do these quoted passages really mean?

We have established that these passages refer to those individuals who have started “The Race” (see elsewhere on this website for what this race is speaking of) that the Apostle Paul speaks of.

So what do these special individuals ask for?

Is it for a nice life, earthly wealth, great friends, plenty of drink, win the lottery, win a game, or even to win a war against another nation?

Again the answer is a resounding **NO!**

These are most certainly not the things The Bible instructs us to ask for from Yahweh and it is utterly bogus for any worldly Christian Leader to even suggest that these things for the vanity of self-indulgence should be the subject of our prayers. I strongly encourage the very best worldly theologians to contact me by email as given on this website if they can find anything in The New Testament within context that supports their most errant teaching. I would be surprised if they are able for I have translated The Original Greek and thus placing me in the position to know with certainty there is no evidence anywhere within The New Testament that endorses their practiced falsehood!

So if it does not mean this – then what does it mean: “We are to ask for things?”

Is there a contradiction somewhere?

I fully answer this in my dissertation on “Why do we pray” but let me give a shortened answer here.

Firstly we must understand to whom The New Testament is written.

Irrespective of what any worldly Christian Leader tells us, The New Testament is written for precisely one reason:

It is to set The Ideal Standard Yahweh is looking for in those entities that He desires to exist within His Universe.

**Thus to achieve everlasting life then precisely imitate Jesus!**

– it is as simple as that statement!

However we all fall away from that ideal standard and thus as we stand do not deserve eternal life for our personality is too far removed from The Ideal Standard.

And again, irrespective of what any worldly Christian Leaders state – we shall not achieve everlasting life!

With the understanding – we shall not achieve everlasting life as with our present worldly personality.

With the understanding – our present worldly personality promotes ‘the self’ before one’s neighbour!

Thus with this background we understand that The New Testament screams out for a personality change within each one of us so that we change our personality from that which The World gave to us as a child, to a new personality that as mature adults we learn from The Bible where we are instructed to imitate precisely Jesus’ lifestyle driven by a similar synapse construction.

If we take this new knowledge into our brain insomuch we practice what The New Testament teaches us, so that our heart becomes enthused with passion/drive/zeal/ardour to drive forward to precisely imitate Jesus’ lifestyle, then we are coming very close to fulfilling Yahweh’s Desire of us.

As Jesus told us – we become blind to the worldly inducements that pull us away (by consuming our time in self-indulgences) from fulfilling Yahweh’s Desire which is to precisely imitate Jesus.

I keep stating “imitate Jesus” – so what do I mean?

It means that during The Gospel Age we are to accurately spread The Gospel of The Good News to The World – which means that we preach to The World (every stranger that we meet) of “The Acceptable Year of The Lord” (see Glossary). This is a full time business over and above the very basic needs of our fleshly body to survive into the next day and any responsibilities gained if a parent where quality time must be spent with one’s own children.

All other time is to be devoted to imitating Jesus in broadcasting this message of The Good News to The World.

This is a very different to just stating “I believe in Jesus” to people you know please see John.6v64 especially when placed into context with the rest of John chapter 6!

And certainly has nothing to do with the fanfare and hype created by certain very worldly leaders to ‘move’ their congregation ‘into ecstasy’ for that ‘most wonderful religious experience’. I would be most interested if those worldly Christian leaders who practice such deception would like to contact me with quotations from The Bible to substantiate what they do! To allow me to use The Bible in context to destroy their false practices that Paul warns us about within his letters – where these leaders say all the things that their audiences desire to hear and bears no resemblance to what Yahweh actually Desires from each one of us! Which is why I need to keep stating “Imitate Jesus” in all that we are able to do, because that gives us the best standard and Goal to achieve within our life.

As the reader is starting to appreciate what is being written here is ‘a million miles’ away from what is said and done in most worldly Christian assemblies to which we are told in very many places in The Bible that Yahweh closes His ear to them and their practices.

So we can conclude that however much the people in most of these very worldly Christian congregations pray and ask Yahweh for things – Yahweh just closes His ear to what they ask for because to paraphrase James: “They are asking for the wrong things for the wrong reasons!” It is as simple as that! But because Yahweh has closed His ear then the worldly Christian leaders through pretence feign ‘happenings’ to keep the audience captivated, entranced ‘in the experience’ claiming Yahweh is working through them!

And the watching atheists who correctly stand back and ‘thank God’ that they are not part of that most unrighteous crowd! And it is just this response to those outside that brings Yahweh’s Name into shame and Paul tells us I quote: And someone coming in and look at this crowd thinking them to be mad! (1Cor.14v23)

**These false Christian Leaders (of which there are many) shall be severely disciplined in The Millennium – if they are resurrected at all! They have been forewarned!**

Now I have got that off my chest – for what should we be praying? – So that Yahweh might listen and respond to our fervent requests?

The crux of this piece is the personality change from The World to become Christ-like so that selfishness becomes a thing of the past and we are utterly devoted to place our neighbour’s needs before our own. Now there are many people who sincerely do this!

But ‘sadly’ it is focussed in the wrong direction being towards the fleshly body.

The heart is correctly motivated and exemplary within these particular people – but the knowledge contained within the brain is diverting them from maximising their full potential with regard to fulfilling Yahweh’s Desire.

To explain this we need to return back to imitating Jesus and what this really means.

If the reader was taught or knew The Bible then they would realise that Jesus’ primary Goal was to preach/teach The Word of God to their neighbour. Jesus went further and demonstrated his God (Yahweh) given authority of The Holy Spirit to immediately repair DNA, cure illnesses, etc being that is what will occur throughout all The Earth during The Millennium rather than just the immediate locality of Jesus. We do not have (nor are we given) this full responsibility but just presently as “stewards over smaller things” – hence our responsibility is just for publicising Yahweh’s Word to our neighbour. Those who are successful in smaller things will be given greater responsibility over greater things of 5 or 10 cities to quote The Bible (when resurrected as kings/priests in The Millennium).

Jesus also taught us in The Good Samaritan parable that ‘by perchance’ (being the Greek wording used) The Good Samaritan found the victim on the road – not that he was actively searching for victims on the road to physically help.

Thus helping the fleshly body is a secondary requirement, the hurt body being the fallout because society has not The Knowledge of The Goal, being The Millennium resulting in Yahweh’s Acceptable Year. If The Knowledge of God’s Plan was accurately known throughout The World then there would be less selfishness practiced within The World. But sadly just much waffle is taught by all worldly religions, including worldly Christianity so that everyone is befuddled by ridiculous myths – thus people generally resort to self-indulgence resulting generally to the physical hurt of their neighbour.

Thus the primary requirement to fully fulfil Yahweh’s Desire is to accurately teach and preach The Word of God to all humans within The World of the forthcoming Millennium that will soon be upon us. That is why we are commanded by Jesus to go out and preach The Gospel of The Good News of The Millennium and then The End (of this present evil/hurtful/malicious system) will end.

So for what are we to pray?

Quite simply we are to ask Yahweh for external assistance in the following areas:-

1. To maintain our health – so that we might have more time evangelising.
2. To manoeuvre the environment to make us more efficient and effective in our preaching work.
3. To inhibit the authorities (religious/secular) from stopping our preaching work

At present these are the only things I can recall to mind that are worthy subjects to ask for in our prayers – there are examples in The Bible to substantiate what I have written here. Please read my essay on “Why do we Pray” and also my robust analysis on sample sermons located on this website. There are **no** examples anywhere within The Bible of prayer topics that we hear so often prayed about within worldly Christian gatherings.

Therefore we understand that prayer is **not** for any form of self-indulgency but merely to fulfil Yahweh’s Desire of **accurately** spreading His Word to **all** members of The Human Species, so that to those we speak are also enthused to repeat our work to those people they meet also with, so that imitating Jesus becomes a chain reaction throughout humanity. That resultant **is** Yahweh’s Desire of all humans and it is the responsibility of Christian Leaders to instil this attitude within their congregations – else they are **failing** Yahweh’s Desire!

Carefully considering everything above fulfils all quotations within The Bible regarding our attitude to Yahweh and our fellow neighbour. If we take this lower position in society constantly exhibiting humility to our neighbour during our preaching work and bringing them towards imitating Jesus then all this fulfils Yahweh’s Desire of His faithful Stewards during The Gospel Age training for Greater Responsibility in The Millennium.

None of this is taught in worldly Christian communities – thus they are not ideally fulfilling Yahweh’s Desire. I welcome dissenters to comment on this thought provoking statement through the email section provided for just that purpose noting the terms and conditions attached to this website.

Clearly as Paul teaches us – we all have different abilities some are researchers, some speakers, some multilingual as translators, others as support staff, etc and all are necessary to actively and **accurately** promote The Word of God to our neighbour, none are better than the other but we must **all work** to the very best of our capability for **no** worldly return **of any description**.

So we are able to understand that really we are only asking for help to edify the synapse construction of our neighbour to imitate Jesus’ lifestyle, being the personality change so that they too might understand the reasons why they too must accurately preach The Word of God to their neighbour.

Thus making it perfectly clear:

We are praying to The Almighty God to **ASK** that He may help us convert more people to Him to bring more people to come to know about His Glory and deserved magnificence.

We should be asking for **no** more than this simple request!

Yahweh God knows what is in their heart and He so grants them their prayers.

Yahweh as we are told knows of what we ask before we ask because He is able to see the efforts driving us forward to fulfil His Desire – thus He warmly responds as a Father proud of a future Son-in-Law who is to be grafted into “The Family” for “The Inheritance”.

We are told this at 1John.5v14-15 that must be placed into context to fully endorse what I state here.

So in conclusion, I kindly warn the reader, if their preacher, or minister suggests ‘The **Asking** of God’ to be anything else other than what I have stated within this essay specifically for the righteous reasons I state - then these **worldly** Christian Leaders are fulfilling Satan’s desires of self-indulgence, because anything else is part of this world and we told to build treasure in the heavens (safely kept with Yahweh) and **not** here on Earth in the physical or self-indulgent form that will rot and perish!
