

The logical 'Error of Doctrine'!

I feel the strong desire to expose "The Emperor's New Cloths!" by shouting out: "He has no clothes!"
Being a reference to one of Aesop's famous fables.

This consideration has been presented to provide the very necessary 'kick-start' within our logical reasoning processes, 'to wake us up from our present slumber' (as The Bible mentions several times) so that we might review "The Evidence" presented by The World in 'a much different light'. We all presently appear to be 'sleep-walking into oblivion' having no conscious Goal to strategically aim towards!

Within the last 50 to 100 years of what I term "Modern Christianity" as shaped by 'The Modern Enlightenment Period' of the last century, a gestated falsehood has been carefully nurtured by worldly Christian Leaders (principally to be 'all inclusive' for personal self-indulgence) to skew 'the reasoning' of the whole Christian Nation.

And as such pulled the whole Christian Nation (with few exceptions) away from fulfilling Yahweh's Desire of the individuals within it!

What is this "Conundrum" spoken of within the title?

Actually it is a multi-faceted conundrum that I need expose over the next few paragraphs.

We are told by worldly Christian Leaders that "God is Holy" to mean "God is separate from sin", thus perfect to mean faultless, and that "God loves us all" on the one hand, but we are also told by The Bible that "we are all sinners and have come short of the Law". Then, how can God love us and still remain perfect?

I explain The Most errant spin worldly Christian Leaders would place upon this statement within "Quote 1".

To add further confusion the religious leaders embellish this to say that some of us are so sinful (of which Jesus makes no distinction) to be "eternally damned" – thus by inference "some of us are so bad that we are to be tortured in hell for an eternity"

To get around this apparent 'problem' the worldly Christian Leaders preach:

"Only believe in Jesus to be saved", but by default we can assume that if you do 'not believe' then you are 'not saved' – and thus must by logical deduction, "unbelievers" die at the end of this present life – as we know it!

To confuse things further, worldly Christian Leaders throw in terms like "life/soul" for the same Greek word as 'the fancy takes them' to infer some mystic quality that 'floats around in the afterlife' – these interpretations are completely alien to anything stated in The Bible (please see "Life" and "Soul" in Glossary to explain what these terms really mean).

So it begs the statement:

For those humans who have never been 'blessed' with the opportunity to "believe in Jesus" then logically they must die having no future, for there is nothing in The Bible to save them – being the natural fall-out within the reasoning of these worldly Christian Leaders!

This is hardly righteous from a righteous God, Whom I call "Yahweh", 'who(?)' according to the very worldly Christian Leaders "God loves us all!"!

Interestingly; I hear worldly Christian Leaders' state that their primary responsibility is "To save lives" (I would assume they mean that it is in 'a spiritual manner' – which if it is, then they are wrong in one thing), but Jesus tells us that it is only "he who has saved The World" and I assume that also means those humans who existed on this planet before his ministry and subsequent murder. Clearly Christian leaders were not around before Jesus' ministry and death – so logically what is their primary function? Thus they have got it wrong now on a second point – because quite clearly they do not know what it is – however this exposé further supported by the rest of this website makes clear what their primary function should be – but sadly they do not do it!

When they have been told – perhaps they shall change personality. – Or will they be like The Pharisees?

And finally to the 'crowning glory of ineptitude', worldly Christian leaders in answer to the valid question:

"Why does the loving God allow all this pain and suffering in the world", they effectively state: 'it is to show God operating in people who try to clear the mess up'! Which shows to me that they really have not the faintest idea of The Greater Plan operating around them that is clearly explained in The Bible!

With such a useless answer, they could equally be countered – was it God operating within those who initiated the pain in the first instance! Or perhaps He is powerless to intervene! Or perhaps He is not aware that this pain and suffering is occurring because He 'has more important things to worry about'! Or finally, perhaps He does not exist! To which answer the worldly Christian leaders might say: 'it is a mystery'! Being about the limit of their knowledge that false ambassadors would have representing their master (I just have been reading Ezekiel)! This website clearly explains The Logic of what we witness within The Presented Historical Evidence to show that The Almighty God Yahweh is in perfect control and we all are part of a most righteous unfolding Plan.

I would strongly desire the **very best worldly** Christian scholars and theologians to defend their errant doctrine to me in writing by the routes, terms and conditions as given on this website www.FutureLife.Org to then enable me, line by line, pull apart their ‘justification as they see it’ by my reasoning supported by quotations from The Bible taken within context.

I will publish the results of any analytical critical dissertation on this website for The World to examine!

So as usual when there is a conundrum, then there is a reason for it – especially as in this instance The Bible is utterly accurate and thoroughly demonstrates to every entity in The Universe the indisputable fact that Yahweh is utterly righteous and perfect. However something that is just not considered by The World at large upon what we all witness, being the worldly Christian Leaders stating to us: “You cannot believe everything in The Bible” (because they claim it was written for an older generation) would be the following logical reasoning:

In The Culmination when everything has been perfectly resolved and Satan removed, then those successful humans remaining must be able to look back and see that **no** verse in The Bible was/is flawed in any possible manner else the claim could be made:

“The Bible was wrong, and if it came from You, Yahweh, then You are fallible because You were not able to maintain The Truth to guide us.”

This last statement shall never occur, and thus we can backwards ‘assume’ that The Bible is infallible and utterly accurate – irrespective of what demonstrably false Christian teachers/prophets/leaders claim today. The Bible’s detail, authority, authenticity, demonstrable accuracy, archetypical time/place/people/events, together with hundreds of prophecies made, fulfilled by time/place/people/events through millennia far beyond the realms of coincidence give me The Assurance and thus confidence to make the previous statement.

So the worldly Christian Leaders have got it wrong – and clearly they have ‘got it **very** wrong’ - again! Because it is possible to use inductive reasoning to understand that the fallout from this errant message/teaching is very devastating for any entity that in reality, should be fulfilling Yahweh’s Desire to ultimately survive. However this preached errant message of theirs naturally suits Satan’s aims being to “Oppose/frustrate/resist” (being the very Definition of “Satan”) Yahweh’s Desire of making ‘The Absolute Truth’ known to The World.

Thus this stance is blaspheming against Yahweh’s “Desire made manifest” = Yahweh’s “Holy Spirit”, and consequently this is precisely what these worldly Christian Leaders are doing (see “blasphemy” in Glossary)! Let us just consider some of these quotations:

Quote 1.

Surprisingly, nowhere in The Bible does it say “God loves us all”. However The Bible does tell us that He finds certain “people an abomination”, and “He hates certain people for their actions”! And further we read He goes out specifically killing people because of their actions – so clearly worldly Christian Leaders’ statement:

“God loves us **all**” is an utterly **deviant falsehood**!

But because worldly Christian Leaders do not understand “The Core Message” within The Bible, then they have misinterpreted two words in John 3v16 and then further, placed a spin on that entire verse to be utterly ‘deviant to the truth’ – just as Satan ‘spun the truth’ to Eve in The Garden of Eden and also to Jesus during his temptations in The Wilderness.

And further to get out of this apparent contradiction worldly Christian Leaders spin “The Truth” even further to state in error:

“God loves the person but hates their works”.

This is an utter lie, because quite simply: “It is the mind that drives the body”, as an Eastern Maxim states: “The Body follows the Mind” and because “The Heavenly Treasure” (see Glossary) stored by Yahweh is in actuality our personal synapse construction mapping then Yahweh logically hates our present synapse construction that causes our ‘failed works’ in the first instance! Any psychologist knows “The Person” is defined by their thoughts and not by their actions, it is only “The Actions” that become a manifestation of their thoughts – else they would not do what they had done! That is why Jesus gave us his guiding laws at Mark 12v30-31 – that govern “The Mind” and then thoughts follow through in works as we read in The Bible where Jesus became The Witness of his Father - Yahweh.

Thus we reason that it is Jesus who loves us, being his presently failed creation, but it will also be Yahweh who will ultimately love those perfected humans who successfully reach His Granary after The Millennium.

Thus ‘by principal’ Love to mean a reciprocity of mutual engagement to ‘edify the other’ in whatever way is possible by the two parties then we understand how this is truly applicable without logical error, in the previous sentence.

Then Jesus ‘by Principal’ loves his personal Creation even though it has come short of Yahweh’s Law on Sin and so it has missed the mark of perfection (thus as a whole it becomes subject to death because of Yahweh’s Law on sin to maintain stability within The Universe) and is clearly **not** ‘by Principal love’, **not loved** by

Yahweh while in this present state. However Jesus was ‘by Principal’ loved by Yahweh, and likewise the 144000 humans elected/chosen by Yahweh in The Greater/Special Judgement during The Gospel Age become ‘by Principal’ loved by Yahweh through their imitation of Jesus during the 1st part of their life, hence their resurrection as Sons of God ready to become The Teachers of righteousness in The Millennium. Thus after teaching The World how to imitate Jesus in their thoughts, then those resurrected humans who successfully practice this within their lives shall become ‘by Principal’ loved by Yahweh as the children of “The Special Marriage” (between Jesus and his Bride – being the 144000 sons of God).

This now becomes a logically viable concept – which is a ‘million’ miles away from what we are taught by worldly Christian/Religious Leaders! Further, it is fully supported by specifically what The Bible tells us being exactly what Jesus taught during his ministry period and what he commanded his apostles to teach The World!

Quote 2.

The Bible is naturally correct: “We all have come short of The Law” and thus we are all sinners and we all deserve to die an everlasting death (= annihilation) at the end of our present life. That is why “Jesus so loved his creation that as The Begotten Son of God, he volunteered/dispatched himself to this earth so that those who imitate him shall not perish/lost/annihilated but have everlasting life” = the true translation/interpretation of John 3v16. Please see the rest of this website where I thoroughly explain all these terms.

Quote 3.

‘Hell’, ‘Gehenna’, ‘Afterlife’, etc are words whose meanings are so grossly distorted by worldly Christian Leaders that I needed to put these terms in my Glossary to explain what words really mean – because they are most certainly not what the false religious leaders tell us they mean!

Quote 4.

“Believe in Jesus to be saved.” This is the most distorted statement based upon a ‘half truth’ (but not explained) made solely because worldly Christian Leaders never tell us what this statement really means in our life now, or because of Jesus’ Underserved Gift of The Ransom Sacrifice, then what this term really means in The Future. This website fully explains what this means and I even have a dissertation entitled “What is the difference between Saved and having Life” being many pages entirely devoted to clearly explain this subject.

So:-

It does not look very good for worldly Christian Leaders – when just about everything they state is wrong!
I wonder how Yahweh feels when He is auditing their efforts with what is stated in The Bible?

So what do they get biblically correct?

They state

1. “Jesus is all important for us humans to be saved” and thus we are able to be put into a position to become reconciled to Yahweh, but then they spoil all this ‘good’ work by preaching the falsehood of “The Trinity” being shrouded in “a mystery” (of their own making) leading to all forms of illogical Biblical contradictions, when The Bible is perfectly clear about it – as I very carefully explain while I logically untangle this worldly sourced myth on this website.
2. We must “Love one another” which is Absolutely True, but sadly they do not state what The Bible really means on this subject, they do not state that there are at least four Greek words for Love, each meaning different things. But they just preach a wish-washy “we must love each other” with no real explanation – except perhaps ultimately for some form of ‘mutual self-indulgence’!
3. “We must repent of our former sins” – this is fairly safe ground, because logically we have all sinned (as The Bible tells us) and so we all have something to repent about! However again this is all spoilt because the worldly Christian Leaders never explain what real repentance actually means, but rather insinuate repentance means ‘I am sorry for what I have done’ – but I can do it again if I get stressed, because there are always mitigating circumstances to why I should do it again!
No! - It means far more than that statement, as this website clearly explains.

These are the only three things that worldly Christian leaders state correctly, but even mess up these three pronouncements with worldly reasoning destroying ‘the heart’ of The True Christian message!
But they much rather preach/teach to us on the subject of ‘worldly religious works’ through their worldly sourced words and actions, of which Yahweh finds an anathema, thus Yahweh turns His ears and eyes away from them – as The Bible clearly tells us that He will!

So then:-

An Atheist musing from the side lines would look at these self-claimed representatives of 'Christianity' and consider their doctrine to be intrinsically no different from Sikhism, Buddhism, Hinduism, Islam, where all have their 'front man' just as "Jesus" is to "Christianity" being a person of 'self-denial for a cause', with that wonderful quality of 'Love Expressed' thrown-in, because we should be sorry for our past sins to other people – which is the same sentiment for all of these worldly religions. In fact perhaps many devotees of these other religions express "love" more 'perfectly' than those who claim to be part of the worldly Christian religion! And further, many atheists and agnostics demonstrate wonderful qualities of Love within the community.

Thus:

What is the defining difference between "Christianity" and all these other worldly religions that we see operating here on this planet?

We must ask ourselves this question, because our worldly Christian leaders show no defining quality that separate themselves from these other religions either in what they speak, or do! In fact they fawn over themselves to 'get into bed with each other' by supporting each others' traditions and roots – perhaps likened to a harlot with many bedfellows!

But as this website very carefully explains there is a defining difference, being The Essence of **True** Christianity that I meticulously explain of which Satan wants to remain hidden, else this knowledge hastens the inevitability of his future impending constraint and thus demise (I carefully explain later, here and elsewhere).

So while I maintain that these four exemplified religions are worldly and thus fulfilling the desires of Satan to distract humans from fulfilling the true desire of Yahweh, then:-

What does the worldly Christian leader then think Yahweh is reasoning when auditing the actions of His 'self-claimed representatives' when they have the luxury of The Full Knowledge but misrepresent it so badly – inasmuch to be more badly portrayed than some of these other worldly religions?

They become far more culpable and accountable than any misled religious leader of another religion who themselves have a very limited core of factual information! So perhaps we can reason:-

"A gnashing of teeth" may occur when 'the dawn of realisation' falls upon these false Christian representatives at "their separation" after their resurrection, being they missed "Sonship to Yahweh" (by 'preferring to operate within the darkness') when they had "The Truth" within their hands during the 1st part of their life and they deliberately withheld it from the populace (through their actions) just like the Rich man did with Lazarus in Jesus' parable!

Quite simply a worldly Christian Leader does:-

1. **Not** know what Yahweh's Desire really is of them – and thus have no focus/goal to guide their 'flock' towards.
2. Most would have **no** intention on actually fulfilling Yahweh's Desire – even if they did know what the Real Goal was during the present Gospel Age (because it is not for eternal life – though itself being a wonderful by-product of The Goal that Jesus has presented to all – but "only a few will Win the Race")!

These attributes do not apply to all Christian Leaders but just most of them – particularly those higher up in the bastions of worldly religious power (as I carefully explain elsewhere), however it becomes incumbent upon the reader to audit their personal leader to what the contents of The Bible instructs them on how they are to behave. But to be in this position then the reader must intimately know The Bible by reading it daily – else how are you in the position to know that you are being misled (or not misled) – as The Bible often warns its readers – being the **only** religious Master Document to give out repeated warnings about slipping away from fulfilling Yahweh's Desire – especially if entrusted as a leader. This attribute in The Bible alone speaks volumes 'of logic' in itself about maintaining fidelity to "The Absolute Truth"!

However this website gives many tools and 'the inductive logic' having been carefully explained to instruct the reader what specifically to observe – if and only if, the reader is interested in finding out! Else sadly, if you do not, then plainly speaking you 'deserve what you get' – being what you obviously desire from your religious leaders – is what 'they give you' by return! Both sides are serving a mutual interest!

But is what you are receiving from this Christian Leader instructing you to fulfil Yahweh's Desire? The Bible constantly tells us it is a personal effort to strive and find "The Truth", thus it can only be "a personal effort" and we cannot be 'laid back' constantly 'fed by the spoon' through the actions of someone else. Only in the early days 'as a babe', is this true, but then there comes a day when you should be 'of age' where you, personally, actively 'take in solids for more nourishment' to thus become mature in "The Truth" – just as Paul instructs us in The Bible. This must become a **personal commitment to fulfil Yahweh Desire**, and for worldly Christian Leaders to insinuate that it is 'only through them' – because we always need them for 'our spiritual development', precisely means that they are **not** fulfilling Yahweh's Desire – for which they shall be made to answer!

It is this very fact that they desire themselves to be needed on a ‘worldly level’ for thus worldly returns (of many things), that makes the worldly Christian Leaders those particular people who have forsaken ‘Yahweh’s Desire of them’ for the immediacy of self-indulgence before and from the populace. It is this very populace that they are supposed to be educating to indeed fulfil Yahweh’s Desire - but sadly these leaders keep “the populace” down below them in lethargy, apathy and thus are not inspired for Yahweh’s Real Work during The Gospel Age to thus fulfil the requirements to achieve “The Goal” on an individual basis. So we witness these worldly Christian leaders motivate/titivate all the senses of their congregations for worldly pleasure seeking on a frivolous level being “Oh – that was a nice experience today at our grouping” of whatever/wherever - in the pretence that it is ‘worshiping God’ (see “Worship” in Glossary). In this manner the leaders receive by return a worldly recompense – being their worldly reward from their worldly work! ‘Professional’ worldly recompense! However they shall receive no heavenly reward (being later a resurrection to “Sonship of Yahweh”) from this work put in during the 1st part of their life, because they have not put in any heavenly work for which Yahweh can pay them! Quite simply, they remained as “Sons of Adam” (being of The World, for The World) and have not become “Sons of Abraham” by ‘the adoption process’ of being “grafted into The Vine” but rather “have been cut-out by Yahweh” during ‘the pruning process’. I explain all these terms in the Glossary, please see “The Vine” as a good starting place. We are further warned of what occurred at the end of The Age of Judaism now mirrored at the end of The Age of Christianity (being the closing of The Gospel Age now) the split occurs at Matt.24v14. where “The end” of v13 represents the end of a True Christian’s 1st part of their life and “the end” of v14 represents the end of The Gospel Age and succeeding verses explain v14 (see also Glossary to understand what those words used in The Bible really mean).

But this now pandemic false preaching I was speaking about earlier is mirrored by the Pharisees misrepresenting Yahweh’s Word for their self-indulgence (being statistically no difference in characters then and now) in Matt Chap.23 particularly at Matt.23v15-16 (and this is not an incorrect quotation – if the reader fully understands Yahweh’s Desire as I so carefully explain on this website). Thus we see this mirrored today!

So just as “Jerusalem” (see Glossary for what this multi-faceted name really means) was the representation of Yahweh’s closure with The Israelite Nation representing His Word by the worldly forces destroying it in AD70, then likewise the mirrored prophecy by Jesus expanded to include The Christian Nation to be destroyed by worldly forces at the end of The Gospel Age to then herald in The Millennium (as we are told in Rev.chap18 – see Glossary on “Harlot”) – we are starting to see it occurring now in its universal debasement!

But this cannot occur until Yahweh has His full quota of “Sons of God” being The First-Fruits Harvest (being the early waving of the sheaths), as we are told being the ‘two seasoned’ harvest who have precisely imitated Jesus during what I term as “The 1st Part of their life” during The Gospel Age. It is precisely this number of “Sons of God” that Satan is trying his utmost to curtail, because that is his only ‘last card’ to play back against Yahweh being:

“I shall stop You reaching that number of 144000 humans to become Your “Sons of God”, being those who You consider as having imitated Jesus during the 1st part of their life”.

For the reader must understand that Satan has no other leverage against Yahweh except using Yahweh’s spoken word against Yahweh Himself (because we are told ‘Yahweh does not change’ and is perfect in His pronouncements), and thus Satan uses us humans, the vast majority being as unknowing but compliant pawns, to stop his imminent confinement from occurring.

That is why this ‘Modern Enlightenment Period’ has occurred, being in actuality the ‘Modern Darkening Period’ where Satan is trying to pull people away from fulfilling Yahweh’s Desire of them – just because they do not really know what Yahweh’s Desire is of them on an individual basis during The Gospel Age! They do not know what “The Goal” is really all about – because it is never preached, solely because those self-claimed representatives do not know themselves what it is! Else logically they surely would – if they were true ambassadors/housemasters for their “master who is away in a far country”!

But the requirement of Yahweh will change as we move from The Gospel Age into The Millennium – being relaxed during The Millennium period. However “The Requirement” is very tight now (being “the narrow gate”) because Yahweh is only pulling out by choosing/electing now those faithful stewards for the more intensive work of The Millennium – based upon The Standard Jesus set during his ministry.

Can the reader fully understand the logic behind all of this?

This is never explained, because quite simply worldly Christian Leaders do not understand it!

When did the reader hear of The Millennium being preached and what it will be like?

When did the reader hear about “The Special Marriage”?

When did the reader hear about two judgements, one of which is The Greater/Special Judgement?

When did the reader last hear what the credentials are of those who are to become Jesus’ Bride?

When did the reader hear about the Heavenly/Celestial Body?

And further: Has the reader heard any of these terms?

The answers to these questions speaks volumes about what worldly Christian Leaders do not understand because they just do not preach about them - because they have lost ‘their focus’, become distracted by the things of The

World and thus missed 'The Target' being "The Goal" that Yahweh has presented as being possible for any individual who is prepared to imitate His son Jesus Christ!

Please would YOU now like to learn about these new terms, because you are presently within a parched wilderness, perhaps not fully realising that YOU are 'spiritually poor' and thus literally 'starving for The Truth' withheld from you by those who are personally squandering The Lavish Feast that Yahweh has presented to you in The Bible. Please would you read this website www.FutureLife.Org to gather more information about that most wonderful Goal made available to you – being to become a possible future "Son of God" – which is still open to you because at the time of writing 2008 CE, Jesus Christ as "the specific god" of us has not yet come to collect his Bride for that Special Marriage.

But as a word of warning, The Bible told us it would be hard work as Paul demonstrated by example because he copied Jesus, but the reward of payment is stupendous, as he told us in 2Tim.4v7-8:

"I have fought a good fight (against the adversity of Satan via The Religious Leaders of the time seeking his demise), I have finished my course (being the 1st part of his life), I have kept the fidelity/assurance/faith (of precisely imitating Jesus to the very best of Paul's ability); henceforth there is laid up for me a crown of righteousness (to become a king/priest = Son of God), which The Lord (Yahweh), The Righteous Judge (being at The Special/Greater Judgement) shall give to me at That Day (being the start of The Millennium 'Day'); and not to me only, but all those (being a total of 144000 individual humans taken out of The Gospel Age) who (by Principled) love his (Jesus as "the specific god" of us) appearing (at the 1st 2nd C – because they yearn to be Jesus' physical 'mate' alongside rather than just have his "Presence" which will be transformed as "Coming" upon their resurrection where a new society based upon Jesus' rule will then begin).

Please see Glossary to explain what many of these words mean as used in that one quotation.
