

Judgement Day – a Time of Fear or Rejoicing

Issue date: 30 Oct 2007

When you think of Judgement Day – what images appear within your mind?

Some think it shall never occur.

Others think it may end in a nuclear war.

Worldly Christians believe a long list of humans will line up in front of a Throne where some will go to *(the)* heaven(s) and the remainder fall down a hole to hell where they shall be tormented for an eternity

So we have many concepts before us, however the most irrational comes from the three Monotheistic religions through Jerusalem principally worldly Christianity, followed by Islam and Judaism where the future for the sinner is most dire - being torture in everlasting flames! The fact that we are **all** sinners seems to escape the reasoning centres of these devotees! And further: How can a most loving and merciful God desire to righteously balance some 40 years of sinful actions with an eternity of pain and suffering – this is not logical, nor is it just!

So there we have it:

1. Do nothing and we exist in pain and suffering (as we have experienced during the previous 6000 years – accelerating to a forthcoming climax in the last 100 years).
2. Destroy ourselves and the world in a nuclear war (perhaps initiated by a minor country run by a despot).
3. Eternal torture for what someone may have done for a period of 10 or 20 years – hardly righteous!

Now let us turn to The Bible and see what it tells us about Yahweh – The Almighty God of The Universe.

1John.4v8 For he that *(principally)* loves not, knows not God *(Yahweh)*; for God is *(principled)* Love.

Thus we understand that God *(Yahweh)* is the pinnacle of love by Principal = to edify ‘the other person’.

Thus we reason that The God of *(principled)* Love would not assign millions of humans to everlasting torture based upon what they may have done for 20 years or so, during their previous life!

We are also told that Yahweh through Jesus’ actions is a forgiving God and does not choose to remember our sins.

Does this mean Yahweh forgets our sins?

No! The Bible records many people’s sins for our instruction – so Yahweh does not forget our sins and obviously knows of our sins.

But rather Yahweh is able to choose to “Not to Recall” our sins **only** because of Jesus’ Underserved Gift of his ransom sacrifice to cover/atone the sins of the 1st part of our two part life.

This choosing “Not to Recall” by Yahweh is different to the “forgiveness of sins”, which is what Jesus as “the specific god” of us chooses to do in his covering/atonement of us (= forgiving our sins).

This subtle, but crucial differentiation is utterly lost in the worldly Christian doctrine.

In films you may have heard the expression: “I will remember!” Said in a menacing tone suggesting that when the opportune time arrives then the person will reap revenge/retribution for whatever may have occurred in the past.

Because we know that Yahweh is The God of *(principled)* Love then He shall not operate in such a manner as just described above.

But we are warned in The Bible that His son Jesus is monitoring us dispensing Yahweh’s Holy Spirit as appropriate thus in context (speaking of a spiritual lifestyle) we read:-

Gal.6v7 Be not deceived: *(the specific)* god *(Jesus as our intercessor)* is not mocked; for whatsoever a man sows, that shall he also reap *(thus Jesus will ignore this type of person as they reap retribution, and thus Jesus will not place his Father’s holy spirit within these double-minded people)*.

We see that popular worldly beliefs and ideas do not stand up to scrutiny.

Thus we shall examine The Bible to see what it tells us about:

1. Yahweh God’s past judgements
2. The coming of The Day of Judgement.
3. The Day itself.

1. Yahweh God’s past judgements

We could think of a time when Yahweh God judged The World.

What immediately springs to mind is “The Flood”.

Why did God destroy that old worldly system?

We read in The Bible that it was not too long before the human species went seriously wrong in their thinking.

Gen.4v26 And to Seth (*Adam's son*), to him was born a son; and he called his name Enos; then began men to call upon the name of Yahweh.

Thus we read here that by the time of Adam's grandson, men had started "to call upon Yahweh's name". This does **not** mean they revered Yahweh's name, but rather, they blasphemed or profaned Yahweh's name. The original Hebrew text strongly promotes this understanding of disrespect and abuse.

It is like that today. We hear very many people speak of our Creator and Saviour's Name in profanity or abuse, having no respect for what he has personally done for us, first by creating all life on this planet – including us, and then further offering us a route to salvation – even to those who profane/curse/swear his name in ignorance.

When do we hear the name of Jesus said publicly in a loving and respectful manner today?

Never! Thus the defamatory use is pandemic within The World – said by those who are ignorant of his wonderful qualities.

So from The Bible we understand that within 600 years or so (while Adam was still alive) the world had sunk into false worship and been polluted by foreign influences as we shall read of shortly.

Thus from the initial Creation of Mankind that was perfect, we then read of its demise:-

Gen.6v11,12 And the earth was corrupt before God, and the earth was filled with violence, and God saw the earth, and behold, it was corrupt; for all flesh had corrupted their way upon the earth.

God made the earth as described and His son Jesus put all forms of life upon this planet – termed in The Bible as "The World" meaning "The Adornment" and finally mankind was The Culmination of his creative powers. It was initially described as "Good", but now Satan was allowed to influence The World then it became ruined (only because our ancestors chose to follow the route of self-gratification by choosing Satan's word over and above Yahweh's Word).

There was no law enforcement prior to The Flood, and humans were freely allowed by Yahweh to go their own way (but always knowing there was His plan of salvation working through in the next stage of human development after The Flood).

Then some of the angles (being those pertaining to this planet during its creation) witnessed Satan's apparent upper hand and chose to side with him and also bring their influence upon and within Jesus' Creation.

As I state elsewhere this occurred because it suited Satan's aim to corrupt/pollute Jesus' creation so that "the seed through the woman" (Gen.3v15 and "woman" in Glossary) could not be used against Satan at anytime in the future as fulfilment of prophecy.

However Yahweh allowed this to occur:-

1. To demonstrate humans fail without Him and choosing to have no knowledge of Him, even while they still had Adam living with them to try and correct them with his personal 1st hand knowledge! They also chose to ignore Enoch and also Noah being two other righteous individuals!
2. It sifted out those angels pertaining to this planet – did they choose Yahweh or a renegade Satan? They showed their true colours and The Bible tells us that about a third chose to follow Satan. This quantity is important and referred to later with regards to humans.

Gen.6v4 The Nephilim were in the earth in those days, and also after that, when the sons of God came in unto the daughters of men, and they bare children to them: the same were the mighty men that were of old, the men of renown.

Thus "Men of Fame" roamed the earth, did what they desired and no one stopped them. They were mighty (having powerful minds), and being that "knowledge is power" they exercised this over fellow humans. They chose to become violent and exercised their self-indulgence so that as we are told "the world was filled with violence". "The men of renown" and that is why we have The Hindu worldly religion today, being the folk-law carried through after the flood – principally given by Noah as a warning – but Satan quickly turned that warning into a religion within a generation or two – being the very opposite to what Yahweh desired!

So what does "full of violence" bring to mind?

Think of a cup, full with water. There is no room to put another drop in, without it flowing over the edge.

Likewise with the Earth. There was so much violence within The World that no more violence could be added, with the catastrophic results witnessed by The Creators and recorded for our edification by Moses under instruction by God.

We have witnessed what this "full of violence" means in different countries when Law and Order breaks down. It occurred in Canada when the Police went on strike, and also in third-world countries during civil conflicts. An example would be in Iraq when The Western alliance allowed members of the population to ransack shops and

public places. There were museums and hospitals utterly emptied – even baby incubators taken, something that was working would now be permanently broken by someone who could not even use it!

Thus what we term “fallen angels” forsook their spiritual bodies and became fleshly, perhaps by putting their personalities within compliant human men. Some women chose to become wives to these ‘Lords over men’, for the prestige and fame that this union brought to them, and produced progeny called Nephilim.

These “fallen angels” were wicked (meaning harmful/malicious/hurtful) because they were instrumental to this violence that filled the earth and thus directly accountable for their actions – especially when they personally knew of the background before Adam and Eve were created. Thus they had the power and knowledge to stabilise The World and guide people to come to know of Yahweh’s Desire, but chose instead to create mayhem - therefore they had no excuse.

But now look at what is reported today within The World.

The News on the radio, television and papers is full of violence every day. It progressively increases faster than the population growth, ever-younger children are contributing to this violence and disgusting men perform acts of sex on ever-younger children. Rape increasing within world, civil wars within communities are now common place around The World with ‘ethic cleansing’. What may have been something low level occurring a few times a century ago in the world is now common place being simultaneous occurrences during the last few decades.

All this is true irrespective of what data worldly authorities may massage to present as The ‘Official’ Statistics!

Would the reader then not believe that The World is “full of violence”?

Noah saw all this and questioned what he saw. So he listened to Yahweh’s instruction and built an Ark.

Another example of Yahweh’s Judgement:

The twin cities of Sodom and Gomorrah located on the south side of The Dead Sea near the fault line of The Rift Valley.

Would God destroy the good people with the wicked?

Today in war time there is a phrase “Collateral damage” meaning humans get caught in the crossfire and suffer the consequences. But commanders state: “We kept it sufficiently low in numbers”.

And thus “the means justified the end result” for “the common good”.

Does Yahweh think like this in His judgements?

Lot, his wife and three daughters were living in Sodom and the hospitable Abraham was informed by two strangers that Yahweh was going to destroy these two cities. Afterwards they left and went towards Sodom (to obviously warn Lot and his family – but Abraham was not to know this at the time).

So Abraham had time to question Yahweh about this impending destruction (obviously fearful for the future of his nephew Lot).

Gen.18v23-33. This gives the account where Abraham tries to negotiate Lot’s well-being. Starting off with: “Would Yahweh destroy a city that had 50 righteous people in it?” Yahweh agreed He would not.

Abraham knowing there was certainly not 50 righteous people in Sodom, then suggested what about sparing the cities for perhaps 45 righteous people?

And the conversation continued until Abraham whittled it down to 10 righteous people. But as we read there was only 5 who departed from Sodom and one of those being Lot’s wife who lusted after the things that she was leaving, so that in her iniquity, she was turned to a pillar of salt.

Thus we understand Yahweh sent His two angels to extract what ultimately was only 4 righteous people from the city Sodom.

And likewise there are humans who shall ultimately desire to follow Yahweh’s instruction in their lives, and that is why we all were not condemned to an everlasting death of annihilation, but rather - Jesus so loved his own personal creation that he volunteered his own existence to give each one of us a second opportunity to come and know of a most wonderful society to occur within The Millennium. Thus we have been saved from being destroyed based upon the bad decision of our forebears on Yahweh’s everlasting decree being: “The Day you sin you shall (begin to) die (everlastingly).”

2. The coming of The Day of Judgement.

How do the things that we have seen recorded for us in The Bible refer to what we witness around us and how should it effect us personally today?

Yahweh God always allows things to occur until they cannot get any worse (to demonstrate to us with our “stiff-necks” that we cannot improve things by our own worldly wisdom). Thus He steps in when “enough is enough”. Perhaps in these examples it is interesting to note that:

1. Only 8 were saved from out of the whole world in the day of Noah!
2. Only 4 people were ultimately saved from out of 2 cities in the day of Lot!

Thus we have insight on this from Yahweh's angle.

1. We see that He **is** prepared to save those whom He considers worthy.
2. The ratio of righteous humans to unrighteous humans in Yahweh's sight is very large. Thus we can conclude that most humans are unrighteous and thus unworthy in their **present** worldly state. Which is why we are to have The Millennium for **all** humans to learn how to become righteous. Thus Jesus offered himself to become The Ransom Sacrifice to enable us **all** to have a 2 part life, and become judged upon all of our life – but with the 1st part covered by Jesus' atonement.

Zeph.2v2-3 Oh nation that has no shame; before The Decree bring forth, before The Day pass as the chaff, before the fierce anger of Yahweh come upon you, before The Day of Yahweh's anger come upon you. Seek you Yahweh, all you meek of the earth, that have kept His ordinances; seek righteousness, seek meekness,; it may be you will be hid in The Day of Yahweh's anger.

Note in this quotation the words:

“Before” these things occur, then **“Seek the Lord”** that you **“may”** escape The Lord's Anger in His Day.

Thus we are told to act now and seek the Lord.

This is directed to us personally (being all those of the world now at the end of The Gospel Age, but principally The Christian Nation who, like the old Israel **knew, but did not act** – and thus severely culpable) so that a personal response is required – no one else can do it for us!

Thus we are personally told to seek Yahweh, come to know about Him, imitate The Golden Standard set by His son Jesus that we might escape The Lord's Anger in His Day.

This is prophetic for what is to occur at what I term the 1st 2nd C of Jesus (see Glossary) about 3.5 years prior to The Wrath of God and the subsequent coming in of The Millennium and General Resurrection. This 1st 2nd C is where Jesus shall come to collect what The Bible terms his Bride being made up of 144000 True Christians taken out (elected/chosen) from The Christian Nation during The Gospel Age of 2000 years. The number of 144000 is commensurate with the ratio of 12 Billion or so humans who have lived during the last 2000 years since the time of Jesus' ministry, being a ratio of 1:83000 being perhaps typical in magnitude with what we saw in the examples given earlier.

Those elected cannot be The Christian Nation (as a whole) out of The World (as falsely preached by worldly Christian Leaders), because elected/chosen can only occur out of a pool of like thinking people – else they shall not even be on the short list! This pool of like-thinking people are the ones who know (to varying degrees) about Jesus and Yahweh which can only be The Christian nation as a whole – it cannot include heathen who know nothing about Jesus nor Yahweh. This also adds credence to 144000 being a real number.

Thus those elected can **only** be out of The Christian Nation as a whole and **not** The World at large.

Clearly all this stated above makes a complete mockery of what worldly Christian Leaders preach in their sermons – where they just seem to ignore many Bible passages that explain what is soon to occur.

Thus The Bible is telling us to learn about what Yahweh's Desire is of us, thus we become “a friend of God” (just as Moses and other righteous people where as stated in The Bible) and as such we are moved to ‘principal love’ Yahweh and thus ‘weld’ (to become like-minded) ourselves to Him inasmuch our thoughts detest the present worldly system (which makes us “holy”) – this present world hurts our thinking, repulses us away from its current standard practices – being the very practices that most people accept and partake within - as seen by what they practice in their lifestyle for entertainment!

A True Christian by ‘principal love’ shall know righteousness and keep away from becoming personally spoilt/blemished/spotted by the filth of current practices operating as “the norm” within the present worldly system. By having this knowledge a True Christian can spot hypocrisy like a **6th sense** from other humans who pretend to represent Yahweh through His son Jesus, only because a True Christian knows The Bible so well and is thus in the fortunate position to immediately recognise when The Bible is being misquoted to support errant worldly wisdom.

Thus if we are aiming to become recognised by Yahweh as a True Christian, then we shall keep our life clean and thus be protected from the defilements of The World. We should also be meek and humble in our attitude, but not becoming proud from arrogance - thus keeping out of all forms of worldly politics where the very opposite is regularly practiced (being the ‘knife in the back’ to gain some advantage over your competitors in any issue) so that your way/desires hold sway. This mental attitude is utterly alien to that expected of a True Christian and thus just fosters a self-indulgent personality (= the incorrect mindset within the synapse construction) through interfering with other peoples' affairs – something that The Bible distinctly instructs us not to do!

However notice the word in verse 3 “**Probably/May**” which means it becomes conditional on earlier events depending upon some type of standard.

Let us take a simple example – going on a holiday.

You as a person do everything you can to prepare yourself, insured for the unexpected illness or accident, pack everything required, travel with plenty of time to get to the airport, go through customs and enter the departure lounge ready to board the airplane. But you are surprised that before you board the airplane you are handed parachutes by The Pilot of the airplane; You ask why do I need these?

The Pilot replies on balance we “**probably/may**” reach our destination, but the airplane engines could stop working in mid-flight!

Would we board the airplane on that information?

Clearly not, thus we would do something about it – we would gain the knowledge to find an airline who would make this flight a certain success, rather than the earlier “probably/may” be successful.

But this is because we have taking in knowledge to find out how we are to be successful in reaching our destination.

And exactly likewise with our journey in life to reach Yahweh’s Desire of us.

We do not want to enter our journey if there is uncertainty in its outcome, but rather we should do something about our life to bring the ‘odds’ more in line to our favour of success. That is why we must read The Bible daily and try understand to implement within our lives precisely what Yahweh’s Desire is of us.

Thus we understand that the uncertainty is not on God’s side, but rather ours. Yahweh has made the statement that guaranteed life is available for True Christians being the 144000, but the uncertainty is with us – do we desire to imitate Jesus’ lifestyle to be part of this 144000 grouping?

It is this particular grouping that Yahweh is calling/electing out of The Gospel Age to be part of Jesus’ Bride to then teach The World of humans righteousness in the 2nd part of their lives upon their resurrection.

And yet that number is not completed – because The Millennium has not yet started (irrespective of what some false worldly Christian Leaders might claim) – so there is still a place for you - as the reader.

Thus we must constantly read The Bible and inculcate it within our hearts and display it in our lives by precisely imitating Jesus – just as Paul said “Copy me as I copy Jesus.” This can only be done by regularly imitating precisely what Jesus and Paul did – by going out and telling humans of The Lord’s Acceptable Year, when and how it is to be implemented and what type of behaviour is expected to be successful within it. Not only tell humans by word everyday, but demonstrate it in your works everyday being The Fruits of The Spirit displayed to your neighbour. That is all that is asked of a True Christian (certainly not the worldly forms of worship, duties and customs see Glossary on works, worship) – but how many humans actually display this in their lives?

Perhaps only 1 in 83,000 – just as the approximation we calculated earlier!

But all this is a continuous process and must not be left – else we slip back. Likened to Lewis Carol’s “Alice through the Looking Glass” where the Red Queen is continuously running to just stand still – else you go backwards! This is just so true in everything we do in life and exactly the same is true with fulfilling Yahweh’s Desire of us. The Bible distinctly tells us that we must constantly be maintaining our required standard before Yahweh, else we slip back into The World’s Standard and Yahweh shall remove His holy spirit from us, Sadly worldly Christian leaders put out The Lie that: “Once you have the holy spirit it can never leave you!”, but this erroneous statement contradicts so many verses in The Bible – thus it can only be a deceptive lie from Satan.

I am most desirous for errant worldly Christian ministers to contact me by email stating how they can justify such a lie! And I in turn shall use The Bible scriptures in context to demonstrate their lie!

The Bible also tells us:

Gal.6v4 But let each man prove/assay/audit his own work, and then shall he have his {own glorying}/{self pride} (in knowing that he has fulfilled Yahweh’s Desire) in regard of himself alone, and not of his neighbour.

Thus we are to constantly check ourselves against what The Bible states to find out if we are shifting towards Worldly lures in our internal mental processing during our judgements and assessments on what we should be doing with our time during the 1st part of our life.

Going back to the examples given in the first section, we know they were given instruction – but they refused. But other people were given instruction and they repented (Nineveh when warned by Jonah) - so what is our attitude going to be?

Today we have absolutely no excuse – we are warned by the numerous examples within The Bible. And we have the example of The Israelite Nation typifying The Christian Nation of The Gospel Age. We have all the ‘end of this present age’ prophecies coming to fulfilment in front of our very eyes. So are we going to take note?

Jesus gave us instruction about what we should be doing to fulfil Yahweh's Desire:-

Mark.13v10 And the gospel must **first** be (*accurately*) preached unto all the nations.

But this is **not** being done! The worldly Christian Leaders are just **not** doing it!

At the time of this writing (2007): When did the reader last hear their worldly Christian leader teach them of The Millennium, when/how/why it must be installed?

This surely speaks volumes in 'dereliction of duty' – because this is the first thing that we are told to do!

This is most important thing that any human can do because:

1. We need to pass this knowledge to those around about us, to prepare The World.
2. This will give us personal protection from Satan's attacks.

How/Why?

It is difficult to have a passion for worldly things when you have a passion for fulfilling Yahweh's Desire.

Jesus actually tells us this when the disciples spoke to Jesus commenting how they reprimanded a person casting out demons and this person was not in 'their group'. Jesus replied (paraphrasing): "Do not stop him – for if he is doing that then he is unlikely to be working against Yahweh at the same time!"

Thus while we too are imitating Jesus in our preaching work, speaking of this wonderful new system under Christ Jesus' rule, then we are unlikely to be desiring to fill our lives with the repugnant things that this present worldly system can give us!

Thus we by 'principal love' choose to do this – it is this that is motivating us – to become deeply embedded in our hearts, and it is this that gives us protection from Satan's machinations operating within this present worldly system.

Mark.13v33-37 Take heed you, watch and pray, for you know not when the time is, For the son of man is a man taking a far journey, who left his house, and gave authority to his servants, and to every man his work, and commanded the porter to watch. Watch therefore you, for you know not when the master of the house comes, at evening, or at midnight, or at the cockcrowing, or in the morning: Lest coming suddenly he may find you sleeping. And what I say unto you I say unto all, Watch.

Thus while we look at the signs around us, this piece is principally directed to ourselves as stated above in Gal.6v4 where we are to constantly audit ourselves against Yahweh's Standard of us. This piece is speaking of Jesus' 1st 2nd C where he comes unannounced to take those 144000 who watched, half of whom are dead now. But also, we are told that the remainder shall be alive "who shall be changed (into a heavenly/celestial body) in a twinkling of an eye", where we are told by The Bible "two people at a mill, and one shall be taken and one left" behind because they were not watching.

These ones taken early during the 1st 2nd C are to be part of Jesus' bride and shall escape The Wrath of God at the end of The Gospel Age before the herald in of The Millennium.

Thus we are to keep alert upon what we do, keep preaching (in both words and works) and thus in this manner be preparing our oil like the five wise virgins awaiting their bridegroom because we do not know when Jesus shall appear. Thus we become spiritually strong to face the traumas of this present evil world, but also protected from them, always knowing that we are fulfilling Yahweh's Desire of us - as we imitate Jesus' lifestyle. Thus we come/speak to others in The **Name** of Jesus, but also come/speak in The **Character** and **Authority** of Jesus, only because we are imitating his lifestyle.

3. The Day itself.

Acts.17v31 Inasmuch as He (*Yahweh*) has appointed a day in which He will judge The World in righteousness through the man (*Jesus Christ*) whom He has ordained; whereof He has given assurance unto all men, in that He has raised him from those dead (*plural*).

This actually means 'The World of Christians' being only The Christian Nation who are going to be judged by Yahweh in The Greater/Special Judgement being the question: "Did they imitate Jesus in their lifestyle?" If they did then they shall be collected at the 1st 2nd C of Jesus to become his bride – all 144000 of them.

(Note: Worldly Christian doctrine is utterly confused to what this "Greater/Special Judgement" actually means).

This Greater/Special Judgement can only be The Christian Nation because the 'heathen' (being non-Christians) could not be judged through Jesus – because they did not know of him to be judged against him! Thus the heathen shall be resurrected in The General Resurrection and enter what shall be for them The 2nd Part of their life where they shall be taught to imitate his lifestyle during The Millennium by the 144000 Kings/Priests. The Christian Nation who failed to imitate Jesus Christ shall also learn how to imitate Jesus during the 2nd part of their life – but they missed The Prize spoken of by Paul – being one of Sonship to Yahweh.

Being that the vast majority of The Christian Nation entered The Race (as described by Paul), did not win - but most of them still crossed the finishing line into The Millennium. Those who do not - I explain in great detail elsewhere are iniquitous worldly Christian Leaders who like Judas – perhaps shall never be resurrected! So we understand that Jesus and the 144000 shall judge (see Rev.20v4 below) all the resurrected humans in fleshly bodies during and at the end of The Millennium where some shall meet their/The 2nd Death of annihilation only because they refused to learn and inculcate righteousness in their heart and lifestyle to edify their neighbour's needs. This shall be mutual in a righteously operating society.

If Judgement Day was to occur in a day, then God would be destroying the present 6 billion humans at the rate of some 7000 humans per second!

However this is not His style – He desires to allow humans do it to themselves as we are witnessing during the closing period of The Gospel Age as frenzied humans grasp at the last remaining resources in a polluted world. Which is why Yahweh is forced to step in (when enough is enough) as we are told: “Else no flesh be saved”. So clearly we reason that it is for a longer period and we are told that:

2Pet.3v8 But forget not this one thing, beloved, that one Day is with the Lord as a thousand years, and a thousand years as one Day.

So we understand that Judgement Day is over a period of 1000 years, (further supported in Rev.20 – see later) but we also know that ‘a day’ is made up of different sections, dawn, morning, afternoon and dusk.

Thus likewise Yahweh's Day is made up of these periods.

We are told that Jesus is The Morning Star and thus we understand like the Morning Star (as the first thing visible in the day) visible to those who watch in the early morning shall see him. Thus this is when Jesus comes at his 1st 2nd C to collect those as we have just read who are watching and alert to Yahweh's Desire operating within their lifestyle. After this period we move in to the early morning when the Sun rises (often linked to Yahweh in The Bible) when Yahweh shall display His Wrath upon Mankind. Then we enter The Morning proper where The Millennium starts and humans shall be resurrected to learn righteousness through this day of some 1000 years. The dusk comes of this day when the 3.5 year assay period occurs to assay what the humans have learnt during this 1000 years period.

Matt.12v41-42 The men of Nineveh shall stand up in the judgement with this generation/age/nation, and shall condemn it: for they repented at the preaching of Jonah and behold, a greater than Jonah is here. The Queen of the south shall rise up in the judgement with this generation/age/nation, and shall condemn it: for she came from the ends of the earth to hear the wisdom of Solomon; and behold a greater than Solomon is here.

This is Jesus speaking of himself and of those in Israel at that time who would take no note of him. But also look at the Greek word used for “generation”, it also means “age” and “Nation”, thus the link to The Christian Nation throughout The Gospel Age – where the vast majority of those who took “no note” when they had the knowledge before them shall be condemned by those who much earlier than Jesus “took note” of lesser people! Thus many people who were dead at the time of Jesus' ministry shall be resurrected into The Millennium based upon the single passport/{credit life} that Jesus has given to each human who has ever lived (See essay entitled “What is the difference between having Life and being Saved”). So these ones are to be resurrected after this destructive (part of The) Day being what we call The Wrath of God.

But when The Bible refers to what some humans know as Armageddon, then this refers to a different time right at the end of The Millennium where all evil is finally removed.

Rev.20v4-9 And I saw thrones, and they (144000 former True-Christians now resurrected as Kings/Priests) sat upon them, and judgement was given unto them; and I saw the life/souls of them (referring to the 144000 earlier) that were beheaded (meaning earthly head replaced by Jesus as The Head of his body of made up of TCs) for the witness (being the display of their lifestyle) of Jesus, and for The Word of God, and which had not worshipped the beast (Satan), nor his image (being a worldly manifestation), nor had received his (Satan's) mark upon their foreheads (corrupted lifestyle/personality), or in their hands (work done) and they reigned with Christ a thousand years.

[But the rest of the dead lived not again until the thousand years were finished = Copyist Addition of the 14th Century (this was not in the original text and is utterly out of context – please read it as such)]

This is the first resurrection (at 1st 2nd C being where Jesus collects his Bride).

Blessed and holy is he that has part in the first resurrection; on such The 2nd Death has no power (because these 144000 are resurrected into heavenly/spiritual bodies), but they shall be priests (as Sons) of God (Yahweh) and of

Christ (as his Bride), and shall reign with him a thousand years (over the resurrected populace in The General Resurrection teaching them righteousness).

And when the 1000 years are expired, Satan shall be loosed out of his prison (constrained by Yahweh's Power), and shall go out to deceive the nations (being all humans who have now experienced righteousness for 1000 years) which are in the four quarters of the Earth, Gog (being rebellious leader(s) and Magog (of areas within The World hostile to Yahweh's Desire), to gather them together in battle: the number of whom is as the sand of the sea (about 1/3 of the population revert back to the former selfishness of the 1st part of their life – perhaps about 6 billion people). And they went up on the breadth of the Earth, and encompassed the camp of the saints (now as Sons of God with all Yahweh's power at their disposal) round-about, and the beloved city (New Jerusalem representing God's Organisation); and fire (= the power of Yahweh's holy spirit) came down from God out of heaven (being singular thus = sky) and devoured them (This is The 2nd Death that can only occur to fleshly bodies and not spiritual bodies).

Thus we read that the 144000 shall rule and kings/Priests in The Millennium over the resurrected humans who shall be taught righteousness during this whole period (as 2Pet3.v8 told us twice in the same verse so that we should not be ignorant of this fact) and we will 'get to like it', thus we shall be 'set fair' for a good start ready for the final assay period when Satan is released for 3.5 years to mimic Jesus' assay period during his ministry period. This is true righteousness and seen to be by all the entities within The Universe.

Some people may ask why 1000 years? – It is a long period of time!

While we are in perfect fleshly bodies then this is no problem, especially when we shall have all the time in the world! But also Yahweh is ensuring that all humans have the maximum amount of time to reform their personality. Some will rapidly take to this new system – because it is so much better than the old system of the 1st part of their life, but others who had it easy 'living on the backs of others' during the 1st part of their life will find it difficult to reform, and may need 1000 years to get their personality changed from the type that stimulated the climbing into leadership (either side of worldly Law) for the self-gratification to control others in this present world during the 1st part of their life, to something alien, being a required personality demonstrating humility and meekness in the 2nd part of their life.

It is these practicalities that creates this requirement for 1000 years according to how people should be judged upon what standards.

Let me illustrate this with an example.

We feel very secure under the particular Laws that England has instituted through government over the last several hundred years. And thus it would be relatively easy to judge the present populace on these laws – because people have lived with them all their life.

But just suppose you resurrected ancient Romans into "The English way of life", it would be an enormous cultural shock for them – they would require time to adjust to this foreign standard, and it would be most unrighteous to judge a newly resurrected ancient Roman on our present laws.

And likewise for all human resurrected into The Millennium. This is going to be an almighty culture shock like no other cultural shock that any human will have experienced. Where this present worldly system will be destroyed (as The Bible tells us about "the earth and sky being dissolved") and a new system built upon Jesus' Two Laws found at Mark.12v30-31 shall be instituted. Then obviously people will need time to adapt to these new laws and standards that were utterly alien to them during the 1st part of their life.

New laws shall be brought in to assist us in mastering what Yahweh Desires of us to be successful in His Universe.

Rev.20v11-15 ([MOST Important to grasp – this is The Absolute Crux of understanding God's Plan] This passage is now speaking of our TWO part life, the 1st being under Satan's system of 6000 years and the 2nd part when we take up righteousness in The Millennium, or for a TC it was during the 2nd part of their life within the last 2000 years after Jesus' ministry)

And I saw a great white (= perfection) throne and Him (Yahweh) that sat upon it, from whose face the Earth (representing the evil practices in the earlier 6000 year period) and the heaven (singular thus = sky/atmosphere = Satan as the spirit of the air = the inept management during the last 6000 years) fled away (when Jesus' Millennial rule occurs – fully supported by Yahweh); and there was found no place for them (Satan being restrained and Jesus now ruling teaching righteousness).

And I saw the dead, small and great, (humans who metaphorically) stand before God (this being "The Greater/Special Judgement" to whom is worthy to become a Son of God taken only from The Christian Nation); and the books were opened (being the retained synapse construction stored as "The Heaven Treasure where moth and thief cannot harm"); and another book was opened, which was of (Guaranteed) life (being "The Scroll of Life" thus applicable only to the 144000 TCs – see Rev.5v2) and the dead were judged out of those things which were written in the books according to their works (this is only of The Christian Nation and the question is asked: Which ones of The Christian Nation out of The Gospel Age are to be part of the 144000? = worthy to be a Son of God – a decision only made by Yahweh).

And the sea (= all humans who lived through the 6000 years) gave up the dead (= The General Resurrection) which were in it and death (= "Asleep" because of Jesus' Ransom Sacrifice) and Hell (= hole in the ground where the body rots) delivered up the dead (being "asleep") which were in them; and they (humans in The General Resurrection) were judged every man according to their works (during the 2nd part of their life being the whole of The Millennium of 1000 years).

And death and hell (at the start of The Millennium) were cast into the Lake of Fire (= contained area of Yahweh's Power exercised – See Glossary). This is The 2nd Death (to tell us that this terminology merely = annihilation, thus death here = "asleep" because of Jesus' Gift, and Hell = a hole in the ground where the body rots = shall be no more. Because it shall be either a future of Life or Annihilation and nothing between).

And whosoever was not found in the book of life (now created during The Millennium – because nothing in the text tells us that it is exactly the same "book of life" quoted earlier with only 144000 places in it, but rather an new one fulfilling the same function) (thus those not found in the book of life were) cast into the lake of fire (= The 2nd Death of annihilation through Yahweh's Power).

That is why judgement shall not be immediate as the most unrighteous worldly Christian leaders teach as 'fact' but is rather illogical fiction – because Yahweh in His righteousness is allowing humans to fully acclimatise themselves to His righteous standards, because these humans were only operating under unrighteous standards in the 1st part of their life.

Thus the Most Righteous Yahweh is to allow humans plenty of time while being covered under Jesus atonement and also with the instigator of evil being Satan fully restrained, so his inept management style over this planet is curtailed. Clearly we now see that no human is resurrected to an unrighteous "everlasting torment in the flames of hell" (See "Gehenna" in Glossary) as the very false worldly Christian leaders preach, but rather, they are given a righteous opportunity to learn how to become righteous to be then assayed at the end of The Millennium where it is possible they may face annihilation if they chose to return to the operating style of selfishness as demonstrated in the 1st part of their life and thus chosen to throw off Jesus' Ransom Sacrifice covering for them.

Ultimately those humans who desire to imitate Jesus' lifestyle as demonstrated during his ministry shall come through The Millennium successfully after having experienced the evil part (during the 1st part of their life during Satan's present worldly system) and the good part during the 2nd part of their life in The Millennium) and made their personal choice, rather than have the death sentence thrust upon them by their forebears Adam and Eve.

Can the reader see the utter righteousness of what is written here?

It is utterly fair (righteous) for every human who has existed – irrespective of their present position during the 1st part of their life.

To ultimately become perfect then people must experience the hardships, knocks and bangs of life so that they know how to avoid these problems in the future. So it is wise to teach them how to avoid these problems to become perfect later based upon the knowledge of the bad experiences they had earlier.

Let me use another example:

You have a perfect car and give a beginner the keys and they drive it and then have an accident which 'writes-off' the car in a disastrous accident.

Would you give them the keys to a new car without first training them first how to drive?

Else what would the result be – They would 'write-off their 2nd car' in another accident.

Likewise with humans and their resurrection.

Adam and Eve 'wrote-off' their 1st life and likewise we inherited their faulty DNA fleshly frame so we too have only a limited life to learn how badly we 'drive our life' before our impending crash (some humans have theirs earlier than others). But when we are resurrected then we too shall be taught, given instruction how not to "write-off our second opportunity to life", which now could be extended to become everlasting life as a perfect driver knowing how to avoid accidents within what is now given to us - a perfect DNA fleshly framed body!

This solution was only made possible by the gracious gift of Jesus' Ransom Sacrifice that allowed Yahweh to righteously (and so not contravene His Decree on Sin) to resurrect us into a perfected DNA body through the gracious gift being the use of His holy spirit.

However to ensure that we are fully competent then we need to have a driving test to ensure that we shall not have any future accidents. This is The Assay period that we are told of in Rev.20v7-8 (earlier) where Satan is loosed to assay humans for a period of 3.5 years to mimic the period that Jesus had to maintain righteousness during Satan's attacks when He knew Good from the period that he was alongside Yahweh in The Heavens as The Bible tells us in many places.

At the end of this assay period (end of The Millennium) then this is Armageddon where Yahweh removes all wickedness from the face of this planet forever because all entities both in the spirit realm (Satan and his Demons) and those humans who choose to follow after self-centred indulgence to the detriment of their

neighbour shall be permanently removed (after having experienced both good and evil, and (“like the dog returning to its own vomit” - to quote The Bible), thus returning to practice self-indulgent selfishness. Note also that these ultimately rebellious entities (both spiritual and human) shall **not** be attacking the 2/3 of the human population that are proving themselves righteous (by edifying their neighbour rather than themselves), but rather these rebellious ones are attacking Yahweh’s organisation (being The Police Force) who maintained righteousness during The Millennium. Basically because of the 1000 years of restrictions upon their inherent selfish nature, then this sudden freedom gives forth the desire to get their ‘own back’ upon Yahweh’s Organisation who have stepped back for 3.5 years during this last assay period. This is all pointless because they are renegades with no power to succeed – but so eaten up with suppressed selfishness, that this just spills out. However it is as we are told, one-sided, because Yahweh’s Organisation comprising of Jesus and his bride (of 144000) have full access to Yahweh’s power of the holy spirit which they use to completely remove this one final uprising/rebellion – which becomes Armageddon.

Thus we see this wonderful scenario **is** righteously possible, and those humans who succeed are, as The Bible tells us, those who enter Yahweh’s Granary at the end of The Harvest having passed through The Lord’s Acceptable Year.

How can we do it?

Well we cannot by ourselves!

It is first through the ‘principled love’ that Jesus had for The World that he was prepared to leave his Father’s side to save his personal creation from the Satan’s curse of a Death sentence. This could only be done by an exact equivalence being a ‘like for like’ ransom sacrifice by someone who was perfect. This was demonstrated by Jesus during his 3.5 year assay ministry period before his most **un**righteous murder (based upon Yahweh’s Decree on sin) by the worldly authorities – purporting to represent Yahweh’s Interests – being The Pharisees! Secondly, it is through Yahweh desiring to use His holy spirit being His Expressed Desire made manifest to resurrect us all into the 2nd part of our lives to come to know what living within a most righteous society is like – because we only had a taster of it some 2000 years ago in a small locality called Israel when Jesus showed us what it was to be like. Where humans were to put their neighbours’ interests before their own, and further, all ailments of the faulty DNA body shall be corrected so that there will be no human operating within a malfunctioning fleshly frame.

We are told that we have been made in the likeness of God, thus we can make moral decisions to assist our neighbour based upon the ‘principled love’ that Jesus and Yahweh have for those humans who ultimate choose to imitate Jesus.

Thus we all have this promise to be saved from Satan’s curse of Death, but it is ultimately our personal decision whether we choose to remain in this most wonderful society (personally decided upon during The Assay period of 3.5 years).

Psm.96v12-13 Let the fields exult, and all that is therein; then shall all the trees of the wood sing for joy before Yahweh; for He comes, For He comes to judge the earth; He will judge The World with righteousness, and the peoples with truth.

Let us be like these open trees, because Yahweh has come to judge The World with love and righteousness during His Acceptable Year being His Millennial Day of 1000 years.

Could we state a time in one year hence, where we could claim to be operating at our very best. Let us set ourselves this goal to please Yahweh.

Perhaps it would be much better if we were able to say that now – I am doing to the very best of my ability that I possibly can - only to please Yahweh in my lifestyle – to the point were I cannot do any more - like that very full cup we spoke of in the beginning.

But rather than being brimming full of violence, it is brimming full with personal witness in the fulfilment of Yahweh’s Desire of us.

So going back to an earlier quotation of The Bible:

Acts.17v31 Inasmuch as He (*Yahweh*) has appointed a day in which He will judge The World in righteousness through the man (*Jesus Christ*) whom He has ordained; whereof He has given assurance unto all men, in that He has raised him from those dead (*plural*).

Yahweh **has** given us a ‘cast-iron’ guarantee to remove all pain and suffering as demonstrated by His Son Jesus by “nearness” in application some 2000 years ago – it all being done in His Principled Love that He and His son operate under.

So let us rejoice to enjoy that day when we greet each other and state that we have seen Judgement Day and have never been happier!
