

Outline of God's Plan

Issued date: 01 Aug 2007

BASIC OUTLINE:- (Never taught by worldly Christian Leaders because they do not understand it!)

The period of **Satan's** tenure (a total of 6 'days' = 6000 years).

Adam and Eve

Perfect Man sins and fails by choosing Satan's Principal of 'Life' of self-indulgence, rather than following Yahweh's instruction to edify one's neighbour that would ultimately lead onto better things (society) later.

4000 years to pass *Pre Jesus' Ministry Period*

Then the 'RANSOM SACRIFICE'

Jesus comes as a lamb to the slaughter. (Being The Perfect Lamb – without blemish – fulfils many prophecies /allegories of Jesus' ministry and death).

2000 years to pass *Post Jesus' Ministry Period (= The Gospel Age)*

That concludes Satan's 6 'days' of tenure (= 6 x 1000 years)

Then starts:

The period of **Christ Jesus' Legitimate Rule** (as The Lord of the Sabbath [7th] Day)

(Coded at Matt.12v8, Mark.2v8, Luke.6v5, 2Pet.3v8 and Heb.4v3-9 legitimized in context of following chapters).

'Two stage' Second Coming

1st stage To His 'own', he comes as 'a thief in the night' to collect only these very few people who are watching for him. He becomes The Bridegroom collecting his Bride.

Those who have been watching are those 144000 humans during The Gospel Age who have had "**The Presence**" of Jesus within them (a "presence" – as The Bible tells us, because The World generally cannot see Jesus which only these special ones are able because they have had supper with Jesus (Rev.3v20) and he has imbued them with Yahweh's Holy Spirit).

2nd stage Jesus now comes as a 'mature lion' (Gen.49v9) for the majority of earth's people. The 1000 year Millennium Rule starts.

(See Glossary for the explanation of many of these terms).

EXPLAINING THESE TIME PERIODS:-

Firstly 4000 years

God's plan to 'expose' his 'fleshly creation' in His image (having the capacity to make rational decisions based upon morality), to the 'corrupt rule of Satan' for 6000 years.

Secondly 2000 years

To extract "the salt from the earth", or put another way "Refine the Gold out from the minerals of the earth, as it is done in a fire"
Thus by so doing is obtaining His 144000 'selfless loving Sons'.

Thirdly 1000 years

To teach **all** of mankind righteousness for 1000 years **without Satan's** corrupting influence (so that it may go easy upon mankind to start with – get the people to **like the new system first** before the final 3.5 year assay period at the end of The Millennium.

This shall occur under the **perfect King** (Jesus) and his 144000 Priests (termed by The Bible as "The Bride of Christ"). Producing children from "The Special Marriage" as The Bible calls it).

This is why Jesus called himself "The Lord of The Sabbath" = 7th Day.

Finally 'A little time' (3.5 years).

This becomes 'The Assay Period' (that **righteously** 'mimics' Jesus' ministry period of 3.5 years) where Satan is a catalyst to finally separate out the still wickedly inclined people (even after they have been taught The Truth and how to behave in a perfect world but are still iniquitous – thus desire to be sinful now that they have known/experienced both good and evil societies) for God to finally destroy at what The Bible terms as The 2nd Death of utter annihilation.

Thus this is now becomes their second death (for which, no Ransom has been paid) and is thus permanent. Satan is put into the 'Lake of fire' symbolically to mean **put out of the way forever** (the permanent fire symbolising Yahweh's total power of confinement = destruction).

Then:-

Jesus hands a 'Perfect Earth' over to (Yahweh / Jehovah) God who pronounces it good.

It has now come full circle. **But** with every entity (human and spiritual) assayed (tested) and those remaining having been proven righteous with no desire to sin again in the future.

God's plan has worked in a logical way using all entities that have been involved (at the various levels) to exercise their own free will and choice.

That shows God's true qualities of mercy and perfection. And moreover it shall be seen by others when in The Culmination that The Most Righteous Plan to extract humans who desire to imitate Jesus has succeeded to produce righteous humans as The Children from the special marriage of Yahweh's Sons of God (Jesus + his bride of 144000 True Christians).

Yahweh/Jehovah God now has:-

1. A planet populated by people (in fleshly bodies) who now, know and love God.
2. Ancient Worthies taking on princely roles (in fleshly bodies) – to rule areas of the world. A worthy prize for their dedication to God in the 4000-year period. King David will be The Fleshly King of The World while Christ Jesus is The Heavenly/Celestial/Spiritual King of The World.
3. Heavenly/Celestial/Spiritual priests now Sons of God taken from the human race (a total of 144000) during The Gospel Age. A worthy prize for their meekness in the 2000 year period.
4. A clean and unpolluted planet populated by people living in harmony, no pain or suffering using superior technology from God. Merely perhaps controlled fusion reactors?
5. Jesus is now King over the whole population of the planet – resuming his role from creation.
6. Yahweh God has been proved to be:- Perfect, Wise, Truthful, Faithful, Loving, All Powerful.

It is a wonderful prospect for all of us. I long for this. The wonderful thing is that it is so close to us; within a few decades Satan will be removed for 1000 years and mutually neighbours now as brothers and sisters will be putting the interest of each other before their own.

If the reader does not desire this wonderful scenario, then you are unlikely to get past the next 1000 years! But that is between you and God.

After The Millennium of 1000 years (of "judgement" = Greek for "crisis") then we shall enter Yahweh's Granary being all The Universe.

We shall be introduced and be open to communicate (and fully interact) with all the myriad of life forms that now co-exist with Almighty God on other planets within this wonderful Universe. Our sinful and hence quarantined state that made this Earth a pariah community, will now have been removed. We will also be able to continually advance to much higher levels within all the sciences (so that when we look back to our time now – it will be recognised that we were totally ignorant! These humans who are surviving during this new period of time will be those who will advance science (being the application of God's Holy Spirit) to **assist The World** and not to destroy it to fulfil self-indulgent aspirations

Again what a wonderful world that will for all those who survive through to eternity!
