

The Only Cure for Sick Mankind

Issue date: 20th Aug 2007

We hear and read in the media many vile things and year on year they increase in number. For example mugging of an old woman, school-boy stabbing, school-girl gang rape, Somalia war-lords steal food aid, animals killed by pollution and also that AIDS will reach 14 million people by 1995 and 100 million by the turn of the century!

(This was written in 1994 – now at 2007 it is so much worse, we then had Rwanda, then up to 40,000 people dying per month in The Congo from civil war for 8 years, AIDs in some groups is greater than 40% of the population, drug resistant diseases, some 100,000+ children younger than 10 years old forced labourers as slaves, much more than this are those forced/sold into the sex trade around the world, generalised selfishness, and the list just goes on and on).

The media have to come up with attention seeking headlines to grab our attention because we have become so desensitised to the problems around us - we causally accept everything around us. Almost 200 babies starving to death every hour in the world!

This is brought about by mankind's intolerance between each other, this may be skin colour, race, religion - surely this is a sickness that pervades throughout The World.

If we asked anybody in the world:- "Is this acceptable behaviour?"

They would all say: "No!"

But it is still happening!

We have a new President of America who said that He would bring about better things - but is this through looser moral standards, abortion and homosexuality.

The sole aim of the UN is to bring peace within the world, but look at the results; they always get caught in the crossfire!

How can global selfishness, solve these problems?

Surely we have not come this far to destroy ourselves now!

There is someone who can, and this is The Entity who created us in the beginning, and an Entity who cares for us.

Deut. 32.4 He is The Rock, His work is perfect; for all His ways are justice. A God of faithfulness and without iniquity, just and right is He.

Just when we thought we could rule ourselves problems started to build up on this planet.

The animals did not threaten the earth, but it was man!

Gen 1.26-28 Here the passage describes 'The Divine Mandate': God made man in His own image and made the whole earth subject unto him *(all this is precisely explained elsewhere in many places on this website).*

This was not a licence to do as you desired, to be dictatorial masters or despots. It was Controlled Care of the planet that was intentioned under the acknowledgment of God as the Creator of all things - deserving absolute respect and worship. In my experience over several generations I have witnessed those people having the drive to become leaders over men are hardly likely to acknowledge Yahweh in their hearts – but naturally make all the 'right external noises' to their doting admirers!

Isaiah 45.18 For thus says the Lord, who created the heavens (He is God!), who formed the earth and made it (He established it; He did not create it for chaos or for nothing. He formed it to be inhabited!): I am the Lord, and there is no other.

It was the evil lie in the beginning and the consequences of it, is why we are in the state we are at the moment.

Eve thought what she knew best, despite what her Creator had said. She chose to do the opposite. And Adam accepted it! This is the root cause because we wish to do what we want, and rather not to listen to Divine instruction - we are free to do what we desire to fulfil our worldly self-gratification and consider it correct!

Rom 5.12 Just as sin came into The World through one man and death through sin, and so death spread to all men because all men sinned - sin indeed was in the world before the law was given, but sin is not counted where there is no law.....

Perfection could not be passed down because our parents were not perfect (this was reflected in their faulty and now 'junk DNA' that now has no capacity to give eternal life).

Why has God left it so long?

Each generation must ask the question:-

"Why - so long before we can be relieved?"

The lie Satan gave to her was: That she would become like God and perhaps not die!

The lie suggested that God was not Trustworthy!

Satan just posed the point: So it would be better to trust in you own 'wisdom' – find out yourself – do what you want!

Man could free themselves from God and rule themselves - we do not need God!

However we see how each decision man makes is worse than the previous one. We have to learn that life can be exceedingly unpleasant if we ignore God's Word through reaping the 'rewards' of what we have sown.

Ex 9.16 This is the period of the plagues in Egypt.

This pharaoh did not like the idea of this cheap Israelite labour leaving. God is all-powerful and pharaoh had to accept it. That is why there were ten plagues on the people. The pharaoh would without doubt know Who was God.

So when God had to act in way He did, it would be with complete righteousness!

In the Garden of Eden, God could have splat Adam and Eve like we do to a fly, and make them and their descendants like robots.

If He had done that then all the descendants would ask:-

"Can we get on better without God?"

We are in a time where during these 6000 years of Satan's jurisdiction, Yahweh God says:-

"If you think you can do better - then 'Have a go'!"

You are in Satan's world

'Do as you wish – just use other people and climb to the top on their labours'!

Every way of authority has been tried!

Dictatorship, Democracy, Presidency, Communism, Feudal, Autocracy, Papal, Religious, Islamic, Empires, Aztec, Let the reader name just but one system, to say here is an example where there was peace, security, no rich nor poor, no disease, generous help and assistance to all members of society, and where they all pulled together to help each other – and finally no crying nor tears!

Take the example of a child with a lighted match.

The flame looks so nice and attractive as it flickers and grows along the match, but suddenly it burns your finger!

This is like other events and actions of real life. They all look so attractive and inviting, but letting it go through to the end, then we get burnt and it hurts!

Some people keep on doing it - they just never learn!

Jer. 10.23 I well know, O Lord, that to earthling man his way does not belong. It does not belong to man who is walking to direct his step.

Do we know what the interest or currency exchange rate will be in two months from now? Let alone six months!

Insurance companies are able to operate because of uncertainty; they would go out of business over night if people knew what was going to happen.

God did not say:- "They chose what they wanted let them get on with it!"

And so abandon them, and leave the species to die out.

God did say:- "They chose what they wanted, they made their decision but I will help them out of their troubles in time!"

He had compassion, and His beloved Son Jesus Christ had compassion on us and between Them both, They gave us an opportunity to extricate ourselves out of our present mess in a most righteous manner that does not countermand Yahweh's Universal Decree throughout all The Universe – if any Entity sins then they shall surely die!

Often we spend more on a vehicle for example, to get it through a test, than perhaps it is worth. This happened to us God spent more on us than we are worth to get us back to Him.

Matt 20.28 Even as the Son of man came not to be served but to serve, and to give His life as a ransom for many. His soul was a ransom for many (humans) - this is the backbone of Christianity.

Can we say that our life is as valuable as Jesus Christ's?

He did not come to us and say get on with it.

He gave his life for us on a like for like basis! Please read many section in the Glossary that explains this.

Ps 49. 7-9 Truly no man can ransom himself, or give to God the price of his life, for the ransom of his life is costly, and can never suffice, that he should continue to live on for ever, and never see the pit.

We cannot do anything to save people's lives from eternal death, only Jesus Christ and the ultimate belief and trust on him (*which most people do not realise, actually means 'imitate his lifestyle' – which we either do during the 1st part of our lives to become part of the 144,000 or leave it to our 2nd and last opportunity in The Millennium when Jesus is ruling over The World*).

If it were money, it would only be all the rich people (or their family members) who would be saved!

Clearly it is not.

Would you do something to save your child if you could?

Clearly we would - if we could, but very often we cannot and they die.

We may even like to take their place, but it may still not help!

1John 3.16 By this we know love, that he laid down His life for us; and we ought to lay down our lives for the brethren.

But Jesus gave his life for every single person forever - but they must want it (now, or in The Millennium).

Jesus was so powerful but he gave his life for principles.

Martyrs can find a way out but victims cannot!

The victims must live with the consequences of these unprincipled people.

Jesus had every opportunity to walk away because he knew precisely how, when and when he would be murdered to fulfil all the prophecies concerning him, but we are told that “he set his face towards Jerusalem”
“who had *(been responsible by giving orders)* killed all the prophets”

Jesus could bring people to life, cure disease, still the storms.

If he could do all these things and many more, then he did not need to allow himself to be nailed to a wooden pole!

Just think how God's 'heart' was filled with pride - because his beloved Son had prepared to carry out God's Desire, for him to balance the righteous decree for all those who ultimately desired to imitate Jesus' righteous lifestyle.

God was so proud that He has now given The World to Jesus for him to do as he sees fit. That is why Jesus shall judge all the fleshly humans in The Millennium, and why Yahweh judges humans now during The Gospel Age to become His 144000 'Sons of God (*Yahweh*)' to assist Jesus (Son of God) in The Millennium.

Contrast this with Satan who tried to destroy Jesus' creation!

Matt 6.10 Thy kingdom come, Thy will be done, On earth as it is in the heavens.

It will happen for all of us, he passed the test and carried our sins with his death.

Luke 23.43 And he said to him, "Truly, I say to you today, you will be with me in Paradise (= *Park*)."

Something radical must occur before we will see God or Jesus in this paradise. All the foes of God must be removed.

These people must be destroyed at the end of the final testing, before this everlasting paradise occurs.

Gen 6. 5-8 Earth wide flood. The people who had to be removed were bad all the time. Whatever was disgusting, degrading and vile would be tried out on themselves and each other. That is rather like some amongst us now!

1Pet 3.18-20 Noah did not just build the ark, but he also preached (verbally and by his actions) to the life/souls before the flood and Jesus did likewise to the spirits now held in Tartarus condition, their fate is the darkness of the abyss.

He tried to persuade them but in the end only eight people were saved in the ark. The rest preferred to carry on as they wished without God. If you do not change your ways, you will die.

Gen. 19.24-25 Sodom and Gomorrah was destroyed by God because they preferred to follow Satan's ways rather than Yahweh (*just as they do today – now is no different from Sodom and Gomorrah*).

But God will save those who long for Him and His ways. God saved Lot and his family. However his wife still yearned for the old ways (sick and lucid practices) and was turned to a pillar of salt. Much of Israel was like this and God abandoned these people twice, in the years 607 BCE and 70 CE the nation of Israel was dispersed.

Rev 17 and 18 The harlot woman is false Christianity, and Babylon being false worldly religion will be destroyed.

We see how those who self-claim to represent Christ will be destroyed, because they refuse to use The Bible as a guide book, they misquote and say that Jesus loves all (but really he only loves those who ultimately wish to accept him) - hence people believe that they can do what they want - with impunity! Nationalistic, blessing wars, etc.

How could God tolerate this utter hypocrisy?

2Tim 3. 1-5 But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

We see it happening to us more so now as the years roll on. Especially respect for parents and the blaspheming that occurs. The number of people who now use words such as 'God', 'Jesus' and 'Christ'. Also having no respect for authority especially The Ultimate Authority of Yahweh.

People who argue with everything and people now – even those who have so little knowledge think that they are so wise! Those who will not change now or during their last opportunity in The Millennium will be annihilated.

This is what those who desire to ultimately imitate Jesus shall face:-

Rev 21. 3-4 And I heard a great voice from the throne saying, Behold; the dwelling of God is with men. He will dwell with them, and they shall be his people, and God Himself will be with them; He will wipe away every tear from their eyes and death shall be no more, neither shall there be mourning nor crying nor pain any more, for the former things have passed away.

And those who oppose will be done away with.

1Cor 15.24,25 Then comes the end, when he delivers the kingdom to God the Father after destroying every rule and every authority and power. For he must reign until he has put all his enemies under his feet. The last enemy to be destroyed is death.

John 17.3 And this is eternal life, that they know Thee the only true God, and Jesus Christ whom Thou hast sent.

How do you want to live your life?

Is it to be subject to Yahweh God and Jesus Christ?

Or to be enslaved to Satan with “Death” being the only reward!

1Pet. 3 10-12 For he that would love life and see good days, let him keep his tongue from evil and his lips from speaking guile; let him turn away from evil and do right; let him seek peace and pursue it. For the eyes of the Lord are upon the righteous, and his ears are open to their prayer. But the face of the Lord is against those that do evil.

We need to change our lives. We must not look back as Lot's wife lusting for the past, but look forwards to the new kingdom and persevere to that goal.

May you be one of those who will persevere and reap the benefits from what God provides for us as the cure for mankind!
