

Hello FutureLife,

Date: 23th August 2013

I am very concerned with what you write about your suggestion of a “2 part Life” - this is not true!

You must understand that God loves his creation and is not someone standing there watching to see if we misbehave so that he can smack us with a big stick. I could not love a god like that but because I know he is forgiving merciful, and desperately loves mankind I worship Him. And because I worship Him I find I naturally want to live the lifestyle He has ordained for me.

At the start of the 1000 years Satan is bound and the first-Fruits/saints are raised from the dead to live and reign with Christ during the 1000 years. The rest of the dead are not resurrected until the end of the 1000 years. Therefore, they will not be allowed a second chance to learn righteousness during the millennium – they will not be there!!! If you read from Rev.20v11–15 you will notice that the dead from the earth and sea are raised but only for judgement – and if their names are written in the Book of Life they are placed on His right side for life but if not on the left for the Lake of Fire. The people who live during the millennium and whom Jesus and his saints rule over are those people who manage to survive the endtime time of trouble which is to come upon the earth. They will have children and these people will live in a righteous kingdom, with Satan vanquished for a 1000 years. At the end of the 1000 Satan will be released to test these people who have not lived in a sinful world to see whether they choose Christ or Satan and we read that some will choose Satan and follow him to try and destroy the holy city but they shall be consumed by fire. After this, is the resurrection of the dead, (those who have lived and died since Adam) and when the judgement of everyone has taken place the new heavens and new earth will come into being. So people live once, and are then judged at the end of the 1000 years – there is no “2<sup>nd</sup> part to our lives” - that is a fiction (a teaching from those charlatan Christians!).

It worries me that you are putting this teaching out to an unsuspecting public. You are putting out “old wine” erroneous at that – which you must have gained by people who had not the correct revelation themselves. “It is given for a man once to die and then the judgement” (Heb.9v27), The 2<sup>nd</sup> Death comes after a person has been judged and is thrown into the lake of fire. Not after he has been given a 2<sup>nd</sup> chance.

Now I know you state that we do not have all the same start in life but a poor person can behave honestly or dishonestly, as can a rich person. All our MPs are rich but most of them are corrupt and unbelievers so their wealth will not help them on judgement day. I believe people who have had wretched lives but lived kind lives will have their names written in the book of life. I believe the saints in the first resurrection are those who received Christ while they were living on the earth. And for those persons who lived before Jesus died, such as the Hebrew patriarchs who believed in God, such as Abraham, David, etc. they too will sit down at the marriage supper of the Lamb. The bible says “shall not the the God of the whole earth deal justly?” I say yes, so He is able to sort these things out. He says: “Lean not on your own understanding but in all your ways acknowledge God .....” I think you try to sort out too much yourself instead of leaving the things we cannot answer to Him.

I have come to the conclusion reading some of your material is pointless. I know what I believe, and your writing only confirms some of the things I believe or else is information which I have to reject as not being in keeping with my understanding of the bible so I do not gain anything from reading your works either one way or the other.

I really think you would take your website off the internet and go to a good church and get some good teaching!

“FutureLife’s” reply:-

Firstly I do thank you for your letter – it is heart-felt and passionate. I sincerely understand that you genuinely have affection for Yahweh – and must say so within your prayers to Him. As you state you want to be a good person because He has given you the ability to come to know of Him.

While all the above is true – there is a much, much greater depth to what is occurring on this planet of which I need to explain. Because what you state is just so very superficial – and there is so very much more going on throughout society which is unsaid – being “The Big Elephant in the room – about which no one really speaks”!

But “**The Big Elephant**” being what must be spoken about is “**The New Creature/Creation within us that is to precisely fulfil Yahweh’s Desire**” (Rom.8v19-21, 2Cor.5v17, Gal.6v15).

And this “Big Elephant” is slightly different depending upon which Epoch of “Israel” we are within – being three epochs:

- (1) pre Christ (The Jewish Nation),
- (2) post Christ (The Christian Nation) and
- (3) The Millennium (The Resurrected World).

What I am to write in the next some 38 pages is forceful because I must break through your natural defences that support your present reasoning, so together we can speak about that “Big Elephant” for The Gospel Age to achieve **The Goal** in

absolutely fulfilling Yahweh's Desire.

Surely a person like you would like to fulfil Yahweh's Desire – **if** you truly worship Him?

I repeat:

What you are to read is challenging and penetrating – but it is done in true agapao/{edifying love} (noting that 'straightening out' reasoning can be painful – people resist "change" – "change" is always unpleasant – it requires mental adjustment – being work in our brain to learn a "new procedure" - being what The Bible tells us throughout). Where true agape/{charity love} is expressed by the freely giving of my time to carefully reason through your points given in your correspondence – of which I am truly grateful – because it gives a platform upon which to build further understanding unto thousands of other people who read this website, so they too might personally gain new enlightenment when originally thinking in the same manner as you have so clearly expressed in your writings.

I have read your letter and just wondering where to start in untangling your thinking to be in line with precisely what The Bible tells us! I shall be using many Bible citations within context by virtue of perhaps you might be unfamiliar with them as it seems to appear within your stated correspondence.

Firstly I think we can all agree that "Christianity" has been through many ideological changes through its some 2000 year history. We have (the more notorious examples) Roman Catholic (old and new 'doctrines'), Church of England (old and new 'doctrines'), Coptic, Greek Orthodox, Lutherans, Calvinism, to mention but a tiny fraction – and then within the last century "Christianity" has mushroomed into being perhaps some 42,000 schisms beholding to their own beliefs today (as you state at the end of your letter: "I know what I believe" and 'you will not change me').

Hopefully we can start off together by agreeing: These variations have occurred throughout history.

If you have studied the history of "Christianity" then you will realise that many facets of "Christianity" have been magnified according to the age which pulls "Christianity" into one direction or the other. And with hindsight we realise that there were distortions that effectively corrupted the central core of taught "Christianity" allowing the leaders of "Religion" to gain out of their devotees according to The Era within which The Distortion was introduced.

If you disagree with me, then please do not switch-off from reading this, but just do a little bit of homework yourself to validate from elsewhere what I state here.

If we can agree that "Christianity" has morphed throughout the ages – then why should it not have morphed now?

Please would you give me a good reason why it should be any different now?

So what do I mean?

In the last 50 or so years great emphasis has been placed on "love" and this aspect has thus pulled Christianity into that direction almost to such an extent – for us to believe that: "Christians" have a monopoly of "Love".

But this is just not so (at a simplistic level) - please let me explain:-

Muslims speak of "love" with respect to Allah being one of his 99 qualities ("Al Wadud").

They revere The Prophet Mohammed as being Allah's last messenger and sacrificed his life for The Cause.

The congregational members are taught to "love one another".

Hindus speak of "Love" being attributed to Brahma (in his Creation – being The Creator).

They revere Krishna as the god Vishnu incarnate here upon The Earth intervening in The World for The Cause.

The congregational members are taught to "love one another".

And I could go on and on with all the various worldly religions – which are basically 'the same' as "Christianity" on the surface, having many customs and stories – with different names substituted and a spin placed upon what they did.

So the crux is this:-

What truly separates World Religion from "Christianity" as taught by our worldly Christian leaders?

Quite simply:-

**Nothing!**

However we might ask the same question again:-

What truly separates World Religion from "1<sup>st</sup> Century Christianity" as taught by JC and The Apostles?

Quite simply:-

**Everything!**

The point I am trying to make: There is a huge gulf between "Christianity" now, and "1<sup>st</sup> Century Christianity"! But unless we deeply penetrate what is being spoken in The New Testament and understand The Motives of all The Individuals mentioned in The New Testament – then quite simply the "1<sup>st</sup> Century Christianity" – being what is behind The Written Text is lost – being all the variations we witness within the constantly morphing worldly Christianity we have seen over the last some 2000 years. And at the time of The 21<sup>st</sup> Century we are witnessing one such change – where huge sections of The Bible are ignored (Rev.22v18-19) – just as they were in previous generations throughout the some 2000 years of The Gospel Age to yield the respective perspective of "Christianity" distorted for that particular age. This is The Real Background – and we must not ignore this reasoning by just looking through very blinkered glasses! Worldly Christianity is in a new phase of distortion – and that is where we enter the word: "Love".

Please meditate upon that word for a few minutes and determine what this word really means.

"LOVE"

What does this word really mean to you, to society itself, and between the members of society?  
Can you qualify it?  
Can you quantify it?

Please note that I am fully aware of **all** the places in The Bible where the translated word “love” is used, having produced a most faithful and transparent translation over two revisions, together with the most exhaustive inter-verse commentary available for The World to use - ready for my electronic “Concordance of Topics” to be compiled. But the Crux is this:

What does “love” really mean in relation to (1) what is said, (2) why it is said and (3) what is done? Incidentally – I have recently listened to a CD freely supplied by a person recommending that I should listen to a wonderful sermon on “Love” and what occurred in The Garden of Eden. It lasted for about 40 minutes and given by the most endearing and eloquent spokesperson (having a large Christian following and own personal Internet blog) – speaking perhaps as might a reporter, stating merely what we could have read in The Bible – but with all the added sales patter! The only offering for our edification was the explaining of a “Redeemer” - but I could have read that in a dictionary! But it oozed with repetitive “Love” to draw-in the congregation to enjoy what he was saying – especially when he kept saying: They were The Ones “loved” by God. Being told they were the sons and daughters of God! But we are told in The Bible that **only** Yahweh makes that decision (Matt.20v23) – so how could he state it? Likewise - just as The Pharisees thought of themselves (John.8v25-58). But did anyone learn anything – being how to personally fulfil Yahweh's Desire – sadly, absolutely not! Nothing was given to instruct how we personally should become like the preacher (perhaps not) to become personally “The Ecclesia” – nor giving us The Solid Bedrock (Matt.7v24-27) to clearly understand Yahweh's Methodology to bring about The Salvation of Mankind – to educate those persons outside that grouping (Heb.5v12-14). And had numerous errors – particularly when speaking about The Book of Laminations referring to the time when The Jews were slaves under The Egyptians when actually they were slaves to The Babylonians. I could go on – but I felt myself whelming up with righteous anger inasmuch what was said had been given in such a seductive manner to self-indulge the listeners (2Tim.4v3-4) - but left me entirely empty because I could see right through it, being utterly weak in its exegesis and having technical errors within it – where also it could have been equally given by an Imam teaching about Allah in The Garden of Eden – or if simplified, change a few names and a nation, then perhaps it could have been read out of the Vedas endorsing Brahman as The Creator.

However the congregational members enjoyed having their ears flattered – it gave them good entertainment!

But after that digression, then let us now begin to understand what “Love” really means:-

**Love** = An innermost feeling of affection or personal attachment.

The English reader can easily become confused when the word ‘love’ is used because The Greek has four variations of the word ‘Love’ and worst still, false religious leaders mix all forms together in their speeches to justify their Machiavellian activity behind a polished façade. The four types are:-

1. The principled affection that Yahweh and His son, Jesus has for us and reciprocated love from us back to Them.
2. A kind, mutual supportive help towards our neighbour.
3. ‘The close, very deep and warm mutual affection between family members (fleshly or spiritual).
4. A passionate, erotic, sexual affection for the opposite sex designed in specifically for procreation.

1. ‘**Agapao**’ (Strong's<sup>TM</sup> = 25) being ‘love by principal to derive the best for all entities within a society’ = The Principal/Law was shown by Yahweh and JCg to all of us from the beginning that must be instilled/followed between all members within a successful future society. The “best for all in society” is that “the members’ know-of”, and are personally instructed in how they are each to fulfil Yahweh’s Desire – this is the point I extensively make on this website – because it is just so important. Thus to “agapao” love someone means that we actively preach/teach individuals what **is** Yahweh’s Desire and that they are to fulfil it (appropriate to The Epoch). In this manner you edify the individual’s mind so that they too might imitate JC’s ministry/lifestyle and thus they **then** become part of our 40, 60 and 100 fold yield by dying to The World of self-indulgence. Please see “Yahweh’s Desire” in glossary – because sadly worldly Christian leaders do **NOT** fulfil Yahweh’s Desire only because they do not know what it is – and thus by default, worldly and iniquitous Christian Leaders fulfil Satan’s Desire – please see “Satan’s Desire” in glossary to understand precisely what is occurring at this momentous time in the last 6000 years, only second to JC’s ministry.

A subdivision of this being **Agape** (Strong's<sup>TM</sup> = 26) meaning benevolence being what we would term ‘charity love’ where we help each other and support our deserving neighbour as we are best able – again a variation of edifying our neighbour but more in the physical sense. Thus Agapao is for the mind, and Agape is for the body – I explain this at Rom.13v8-10 where both are used in close proximity.

2. ‘**Phileo**’ (Strong's<sup>TM</sup> = 5368) from **Philos** (Strong's<sup>TM</sup> = 5384) being the very close warm affection that deep friendship would have between each other – being very close neighbours. Thus this term is used between those outside a family having this uniting friendship – very much like the friendship between (future king) David (Son of Jesse) and Jonathan (King Saul’s son) in The Old Testament (1Sam.18v1-4).
3. ‘**Storge**’ being a “natural affection” that will bind and hold a family together – perhaps likened to the maxim: “Blood is thicker than water”. Actually this word does not exist in its base form in The New Testament but rather has modifiers bolted upon it for example; **astorgos** (Strong's<sup>TM</sup> = 794) = “without natural affection” (2Tim.3v3) that we see today. Another example would be **philostorgos** (Strong's<sup>TM</sup> = 5387) = “kindly affection” (Rom.12v10) that Paul is exhorting to occur within The Brethren (as an intimate family).
4. ‘**Eros**’ being a sensuous erotic love that is utterly self-centred and carried out for self-gratification (thus fleshly and of the world – heavily exploited by Satan within his operations of the world).

For this reason ‘Eros’ is not used in The Bible scriptures for a TC to operate under.

But we hear preached by worldly Christian leaders the following:-

1. “We must ‘love’ all humans irrespective of what they do.” – But which love do they mean?
2. “I ‘love’ my same sex partner, and being ‘love’ it is OK with ‘god!’” – But which love (and ‘god’) do they mean?
3. “I ‘love’ my country.” – But which love do they mean – and to the exclusion of what love?

And there are many, many more examples I could give for the reader to ponder and reason upon.

My point is to draw the reader’s attention to what The Bible is really telling us, rather than what false religious leaders may be preaching to us out of any worldly religion.

Now naturally, we would state:

“Love” being The One Ideal version is “Agapao” (operating in the mind) yielding “Agape” (in works).  
And Yes – I would agree with you – but what does this **really mean** in practice?

At this point I want to take a break, and move off onto another subject and then bring it back to “Agapao” later.  
We (as The Human Species) are overwhelmed by “Religion” - and the protagonists are all teaching:-

- (1) Essentially the same thing, and yet
- (2) They are all different!

What do I mean?

They have (1) key 'supernatural' entities of which we cannot physically grasp – but yet we can communicate with them in (2) some fashion or other (through The ['required'] Purveyors = the leaders of “Religion”).

There are (1) all manner of customs – being things we ‘must do’ – to appear favourable to these entities and yet (2) what we ‘must do’ (in customs) is different.

They have (1) influences upon us – (2) in differing ways.

And I could go on ..... !

So we should ask the following question:-

Why is my specific “belief” (religion) any better than some other person's “belief” (religion)?

What makes my religion any more viable than my neighbour's religion?

A simple answer: Mine is right and theirs is wrong – is a nonsense retort!

Thus we must ask:-

How is any person able to substantiate their religion by strength of argument over another person's religion?

Just repeating a few 'stories' – like a reporter might of an incident (often, by my experience [of newspapers], it is invariably inaccurate) is not substantiating anything – it is merely repeating hearsay thereby creating nothing more than perhaps unsubstantiated myth (as given in in the manner of the earlier CD sermon example).

We now reach an impasse – all subsets of “Religion” equally blackened on the rational front!

How would you personally move forward “Christianity” in the light of “agapao/{edifying love}”?

Being supposedly to edify our neighbour (and thereby fulfilling The Almighty God’s Desire)?

Which must be the point of our existence – to fulfil The Almighty God’s Desire - rather than our own desire?

- Where in all religions we are taught to be the slave to The Almighty God (being an interesting concept when we carefully examine our leaders of “Religion” and what they do)!

Just repeating “stories” out of The Bible in the same manner as do our worldly Christian leaders – could be equally countered by “stories” out of The Qur’an – our perhaps “stories” out of The Vedas, and suchlike in all the other religious 'holy books' scattered around The World!

Therefore again, we reach another impasse!

What would be your next move?

Give up and 'write-off' the recipient individual as being: ‘stupid’?

How is this “agapao/{edifying love} our neighbour” – especially if we are supposed to have 'the correct ideology'!

How are we, as individuals, fulfilling Yahweh's Desire if we cannot communicate The Bedrock (Matt.7v24-25)?

How can we fulfil Yahweh's Desire if what we say can be seen as having holes in its exegesis, like a colander?

Who is “stupid” – (1) the recipient or (2) the supposed teacher? (Noting how Paul, behaved at 1Cor.9v19-23).

How will Yahweh view us, as individuals, in His Judgement of representing His Interests in fulfilling His Desire?

And:- Do we actually know of what The Almighty God's (Yahweh's) Desire might be?

At this point, what must we do?

We must go deeper into The Knowledge – and that is where JC and Paul can draw deep into The Sub-Structure.

Luke.2v46-47 – and obviously it did not stop there! Also Paul Acts.22v3, 26v3-6 had great understanding of The Scriptures – of which Timothy being the next generation of apostles was commended by Paul at 2Tim.3v14-17.

**What does this tell us? What does The Bible tell us?**

Let us see!

Here are a few more citations: Luke.22v36, 2Cor.10v4, Eph.6v14-17, etc - where we understand that these weapons are The Weapons supplied by Yahweh through JC as The Word of God (Rev.19v13) – who personally came upon 'The Word of God' as supplied by The Prophets in their prophesy to yield JC at the appointed time for The 1<sup>st</sup> Advent, being an important analogy for later use.

In Yahweh’s Omniscience, He wrote down through His faithful scribes (the Prophets and 1<sup>st</sup> century apostles) a most wonderful structure of prophecies and allegories that operated like a network mesh throughout the Millennia to explain how He was to Righteously bring about The Salvation of Mankind over 3 Epochs of “Israel” (= “Persevere with Subjector/God” – see later). JC learnt The Old Testament, and he thoroughly knew it – and he was able to thoroughly explain how this network mesh operated (Mark.1v22) and thereby in so doing, he carefully explained how Yahweh's Plan was working through The Prophets and how it linked-in with The Future Millennium. He also explained how they, the recipients, were to be involved in this and how “Yahweh Saved” (= “Jesus”) through The Office of Appointment being “The Anointed” (= “Christ”) by Yahweh through the 3 Epochs of “Israel” is to make all this possible. This is why all the people flocked to him – to listen how The Religion “Judaism” was being expanded out into The New Faith being

“1<sup>st</sup> Century Christianity” in a manner that the Scribes and Pharisees could never do – because quite simply they were **not** interested in pulling all this knowledge together (as I explain later), and to carefully expound **how** The Knowledge given to the 1<sup>st</sup> Epoch “Israel” (= Jews) was to yield Yahweh's Plan for Mankind's Salvation to separate it from all the other religions at the time in the area (some examples: Greek and then Roman Gods, Hindu and Zoroastrianism). We know that Jerusalem was a mix of cultures else why write “Jesus the Nazarene, The King of The Jews” in three languages (John.19v20) and thus we can reason that a various mix of religions would be circulating within the populace at the time. Yahweh's True Representatives are prepared to accurately represent Yahweh's Interests – and because of this, they **truly** bring Glory/Honour/Dignity within the mind of The Recipient to Yahweh – and **not** to themselves. Because The Plan and how it operates is focussed entirely on Yahweh and **not** The Slave, being merely the “messenger/{Bringer of Tidings}” (= “angel”). Thus it is Yahweh Who receives genuine praise by the recipient and **not** the messenger – because all this knowledge is opened up within The Mind of The Recipient who is now building up Real Faith built upon a solid rock mass within their mind – that separates “1<sup>st</sup> Century Christianity” from “Religion” (= everything built upon unsubstantiated and unreasoned/unquestioned recorded hearsay).

It is very important to precisely understand the contents within the above paragraph because it helps us later to recognise the motive behind what is given out to The World by some very eloquent “messengers”.

Now The Apostles having JC as their immediate teacher would have been taught the critical and key areas of The Old Testament being the allegories and prophecies which create The Network Mesh upon which Yahweh's Plan was being meticulously built (Acts.4v13), and they too could explain this (hence the Paul's comment to Timothy 2Tim3v14-17) and thus Paul with his understanding of The Tanakh could teach in the same manner as JC and The Original '12' (noting that Paul was to replace Judas [and Matthias]) when he understood what was to occur – hence his cryptic comment at 2Cor.12v1-3 (see my local commentaries that thoroughly explain this). Hence Peter's interesting comment at 2Pet.3v15-16 noting very carefully Peter's end comment which is very telling – being precisely what is occurring today (when it has been through The Mincer of Rev.22v18-19 within the mind of our worldly Christian leaders). Of which I show **100s** of errors being taught by people like The Scribes and Pharisees within my commentaries (and as I am also to show here within these writings), being people who personally claim to come in Yahweh's Name or JC's Name, and yet they bring dishonour/ignominy to Yahweh within a Sane/Reasoning mind (Titus.2v2-8) when examining their supposed ‘take’ of The Scriptures taught, if compared with Yahweh's most wonderful plan for Human Salvation carefully explained. But all these worldly Christian leaders are ‘competently’ able to state: “God is love”, just as The Muslims state of Allah and likewise The Hindus state of Brahman – just as The Pharisees no doubt equally stated to their congregations about Yahweh. And what did JC say about them (Matt. chapter 23)!

So we might ask (based upon this afore reasoning):-

Who really agapao{edifying loves} Yahweh out of all these groupings?

And thus we understand that these people who supposedly come in Yahweh's Name or JC's **Name** do **NOT** come in Yahweh's or JC's **Character** or **Authority** because they do **not** have the one/same “spirit/personality/desires/traits which is pure/{separate from this world of sin} to make Yahweh's Desire manifest within The Environment” (= the “HS”) where we must realise that it is **only** by thinking in the one/same manner as Yahweh (that is by viewing the holistic activities of mankind on this planet) that we then gain the HS – it is **not** by viewing worldly activity from worldly eyes! And this can only occur by absolutely imbuing **ALL** The Word of God and **not** censored ‘bits of it’, noting Rev.22v18-19.

So where am I going in this reasoning?

The Crux of this is the following:-

**If** Yahweh exists, and is Truly All Powerful, **then** likewise is His Word of God as contained in His Reference Manual. And we must be in the position where we are to accurately know this and be competently able to use His Word like the sword in battle to give substantive argument to The World (Heb.5v12-14) through solid exegesis so that we **are** able to quench and squash worldly religious manuals by The Power of The Word of God (Eph.6v17) which is able to show Yahweh's position of Glory/Honour/Dignity as being so far above what Satan is able to deliver through his innumerable manuals throughout “Religion”.

Can you, The Reader, do this?

Can our worldly Christian leaders do this?

So we might ask:-

If not, then **why** not?

And:-

If not, then how are we able to competently represent Yahweh in the same manner as Paul exhorted us to imitate him as he imitated JC (1Cor.4v16, 11v1, Gal.4v12, Phil.3v17, etc)?

How would Yahweh desire to be represented within a wicked world that by needs, must to be converted to His Methodology, for its members to ultimately have everlasting life? Just saying “Love” will **not** do this!

Would He desire a person who:-

- (1) Makes Yahweh appear to be honourable/dignified within a recipient's mind to bring them into The Fold?
- (2) Makes Yahweh appear to be ridiculous/silly within a recipient's mind to push them away from The Fold?

The answer is obvious!

But what do we witness within The World?

Surely you – The Reader can carefully assay (1Thes.5v21) what occurs within Christendom where (1) virtually everything stated has huge holes within its exegesis – (2) rampant hypocrisy – (3) trickery and machinations practised

throughout!

How does this bring glory/honour/dignity within a sane/reasoning mind (1Thes.5v6, Titus.2v2-8)?  
But what about “The Depth” - being The Substance of what makes “1<sup>st</sup> Century Christianity” just so much superior to “Religion” (as The **Mother** we are instructed to leave [Rev.18v4]) and its subset **daughter** “worldly Christianity” of the same spiritual DNA operating within its leaders (Matt.7v15-22)?

And how can we personally be that individual who Yahweh desires to represent Him?

And why does He desire this from us?

Does the reader know why – from The Scriptures being The Word of God – as taught by JC and The Apostles?

Perhaps let us go through a few citations from just one gospel:-

An exhortation:-

Matt.20v1-12, 25v15-20,

Contrasts between groupings:-

Matt.21v28-31, 22v1-10, 25v1-12,

Condemnations of one grouping:-

Matt.21v19-20, 22v11-13

Does the reader understand precisely what these citations really mean?

Especially when considered in harmony with what we are told throughout The Whole Bible.

Rather than what we are told by our worldly Christian leaders (who on past performance do **not** agapao us)!

Please read my in depth inter-verse commentaries to these citations as given on “FutureLife.Org”.

So we have our worldly Christian leaders teaching us about “love” in precisely the same manner as do leaders generally throughout “Religion” and yet when it comes to The Salvation of Mankind – about which all these citations teach us, but yet they never teach us about these citations and how The Salvation of Mankind **is** to really occur with all the supportive substructure of both these citations of (1) The New Testament and what is within (2) The Old Testament that reinforces Yahweh’s Omniscience within a sane/reasoning mind that He really does have The Power/Capability to:

“Make become who/what He chooses to become” = “Yahweh”

This is what JC taught, this is what The Apostles taught, this is what TCs have taught and continue to teach during the last some 2000 years – and this is what I understand “FutureLife.Org” equally teaches.

So I must ask the question:-

Who really agapao/{edifying loves} who?

Do our worldly Christian leaders really agapao/{edifying love} their congregations and The World at large if they:-

Do **NOT**:-

Precisely and righteously explain The Word of God to their congregations in its entirety.

Teach The Word of God with all its support structure to make it stand out as being so much superior than all the ‘reference master books’ of “Religion” collectively put together!

And yet:-

They keep speaking about “love” - but why?

What do their congregations really gain of substance from this teaching about “love”?

It makes them feel good – but for what reason?

Is it to edify:-

Yahweh (how)?

Jesus Christ (how)?

The World (how)?

Themselves as The Leaders (how)?

Themselves as The Congregations (how)?

Is the reader able to answer these questions?

Upon what basis and raw material are they able to correctly call upon, to accurately answer these questions?

All I am trying to do is:-

Get the reader to personally think and carefully reason/examine and search (Matt.7v7, Luke.11v9).

And further, my point is: **Beware of the utter LACK of precision in what is generally taught!** (1Thes.2v3, etc)

Get underneath what is taught and go back to The Bible by using a transparent and accurate translation.

How does “inaccuracy” concord with The Perfection that best describes Yahweh, at which point we might add another quality absolutely ignored by worldly Christian leaders in their exegesis is “Righteousness” when witnessing their efforts in their sermons – of which I must rewrite for them, and issue Corrective Action Reports as might any competent Auditor!

And this is a good point to return back to “agapao”.

How is “agapao” and “righteousness” to come together – in Yahweh's Plan (as explained on “FutureLife.Org”).

How is “love” and “righteousness” to come together – in the mind of worldly Christian leaders?

It is utterly incumbent upon The Reader to fully assay/test/prove what is being stated here – because it substantiates Yahweh’s Wholesome Central Position within our mind – and thus becomes The Driver to ensure that we never desire to leave (come what may) what Yahweh “makes become to be within The Environment”. And it is all this that becomes The Basis to yield the “HS” within fully compliant individuals as correctly explained on “FutureLife.Org” where the

composite definition of the “HS” is best given as:-

1. Spirit/Personality/Desires/Traits which is pure/{separate from this world of sin}.
2. Yahweh’s Desire made manifest within The Environment.

It is absolutely **not** as our errant worldly (and worse, charlatan) Christian leaders tell us (for their own indulgent reasons)! I invite the reader to disagree with the composite definition given above by using suitable citations to support a different definition. However over my study of The New Testament over the last some 15 years (4+ hours a day outside a 9 hour secular work) then I can produce perhaps at least 100 citations to support that given composite definition – especially using the few examples that Trinity protagonists errantly deem as supportive, which when correctly explained (rather than being twisted) precisely support the composite definition given above!

And this I will do in my electronic “Concordance of Topics” that will allow the reader to quickly step through all the citations – together with my in-depth inter-verse commentaries that will once and for all time quash the worldly Trinity myth that yields confusion – where Yahweh is **not** a God of confusion (1Cor.14v33) nor mystery!

It is my aim that this work will yield The Indisputable Master Reference Document for The World to use. And before I leave this section just one more question:-

What answer do we get from a worldly Christian when we ask: What is The Gospel?

The usual response is:-

“JC died for us!”

And I return:-

“Yes! - We know that – but what does “The Gospel” (= The Good News) **really** mean?”

And the usual response to that question – is a blank face!

This is utterly appalling!

And yet that is the result of our utterly useless and delinquent worldly Christian leaders!

Do Christians of The World know anything else – being The **Real** Gospel about what JC and The Apostles taught?

It is absolutely **not**:

“JC died for us!”

Why?

Because that is only an infinitesimal part of The Real Gospel – but yet a very important part!

I ask the reader:-

What was JC speaking for the first 3 years of his 3.5 year ministry?

It most certainly was **not** about his death – because JC only brought this subject up on his final return to Jerusalem!

And when he brought this subject up in conversation (Matt.16v21-23, Luke.18v31+) – it stunned his disciples!

So obviously he had **never** mentioned it in the first 3 years of his ministry!

So I must ask the reader again:-

About what was JC speaking – when teaching: “**The (Real) Gospel**”?

Does the reader know about what JC spoke – perhaps 8 hours a day, 365 days a year, for 3 years?

Because it certainly was **not** about his death!

So can I ask the reader again:-

What have our worldly Christian leaders been teaching us about The **Real** Gospel – if they supposedly “love” us?

Might it just be:-

They are not given to know (Matt.13v11-13)?

Perhaps they just do not care to find out – not interested to seek and search The Scriptures to discover The Truth?

Is this Real “Love”? To Yahweh, or to those persons who are sincerely trying to get to Yahweh (Matt.23v13)?

The answer is obviously - No!

They are a rebellious and ultimately self-seeking – having precisely the same mindset as The Pharisees before them! But they put on the most wonderful façade for public consumption (Matt.23v27-32) for a worldly return!

It is utterly appalling! And absolutely hypocritical (Matt.6v2-5, Luke.11v44, 12v1).

JC started his ministry to teach of: “The Acceptable Year of The Lord” (Luke.4v16-19).

While all this is utterly unintelligible to our worldly Christian leaders (because they **never** explain it – else if they do know, and remain silent – then they stand doubly accused) it is really quite simple:-

JC came to teach about “The Growth of Human Individual upon The Word of God”.

Where “The Year” starts in **Winter** when we live in The World having no knowledge of The Word of God. Then the year progresses to become: The Growth of humans from The Seed (of The Word of God) planted in **Spring**, after germination underground represented by the 1<sup>st</sup> part of our physical life away from the sunlight for a nominal 70 years.

Then in the 2<sup>nd</sup> part of our physical life (resurrection into The Millennium) we are ‘the plant’ growing above ground and the plant (from the seed of God’s Word) is now basking in The Sunlight of The Specific God (1Cor.3v6) to hasten its growth in **Summer** for much of its growth in about 1000 years of The Millennium being taught The Word of God by the kings/priests (= 144000 TCs). And finally it is The Plant’s assay/testing/proving at The Harvest in the **Autumn**, if being acceptable to enter Yahweh’s granary in the Autumn at the final assay at the end of The Millennium (Rev.20v7+ for about 3.5 years).

All as JC told us in Matt.13v24-30 and elsewhere (please see my local commentaries).

And “The Year” is “**Acceptable**” to Yahweh because it is The Most Righteous Route to assay humans unto perfection. JC explained how this was to occur, being: “**The Remnant** taken out of Israel to return back to The Lord” (Isa.10v20-22)

over the 3 Epochs of "Israel" (noting Jer.31v31-34 speaking of The New Covenant for The Christian Nation of "Israel") being:

- (1) pre 1<sup>st</sup> Advent of JC to yield The Prophets to yield JC's 1<sup>st</sup> Advent,
- (2) post 1<sup>st</sup> Advent of JC to yield The 144000 TCs to yield JC's 2<sup>nd</sup> Advent (1<sup>st</sup> Resurrection for the Sons of God)

And finally

- (3) The Millennium of "The Great Sabbath" "made for man" under "The Lord of The Sabbath" **Day** (Mark.2v27-28, **2Pet.3v8**) where Yahweh will finally achieve The 3<sup>rd</sup> Remnant that returns to The Lord out of The 3<sup>rd</sup> Epoch Israel (being The Resurrected World separated into the two groupings – after being taught righteousness for 1000 years by those individuals proven to be perfected as "The Early Adopters" (Prophets and 144000 TCs – being the **two** flocks of JC as accurately representing The Word of God – John.10v16).

This is The **Real** Gospel that JC was teaching as 1<sup>st</sup> Century Christianity!

Worldly Christian leaders refuse to accept it because they **cannot** get any worldly return from teaching it!

Their congregations do not accept it because it is **not** what their worldly Christian leaders teach them!

And thus as Paul tells us at Rom.16-17-18 this very same thing because he could see starting to occur then (Gal.1v6-8, 3v1) – just as The Apostle John saw likewise (at 1John.2v18 [originally being part of the TCs v19], 4v1-3, 3John.9-10) occurring in the fledgling congregations – and they were both warning of this to become more manifest in The Future (= The Gospel Age of some 2000 years)!

So we realise that this "1<sup>st</sup> Century Christianity" **would morph** into something acceptable for worldly Christian leaders to make 'a nice little earner' (money/power/influence/leverage/pension/glory/prestige/sex/{or whatever worldly}) as do all (being as inclusive as JC made it to the "Pharisees", and John to "The Jews" in his Gospel) leaders of "Religion" and yet 1<sup>st</sup> Century Christianity as taught by JC is supported by 100's upon 100's of Old and New Testament citations – of which ultimately, my electronic "Concordance of Topics" will reveal to The World; – to utterly bypass The Nonsense Exegesis spoken by worldly Christian leaders!

It was these 100's of citations that JC was explaining in his teachings (Mark.1v22) and the public loved it, and the Leaders of "Religion" detested it – because it nullified their position in society – effectively they were shown as to be absolutely redundant to Yahweh's Plan, if He was **only** drawing out by election/selection "The Early Adopters" (Prophets and TCs) who precisely fulfilled Yahweh's Desire without Hypocrisy! The leaders of "Religion" by contrast, were shown to be merely parasites living on 'the back of society' – offering nothing to The Salvation of Mankind – because Yahweh was working outside them, through His 3 part plan of "Israel" and for this reason they wanted to remove all trace of 1<sup>st</sup> Century Christianity (John.11v47-53). And that is precisely why (being The Driver of these person climbing into power) after the 1<sup>st</sup> century (when The Custodians [Apostles] of The 1<sup>st</sup> Century Christianity had died) – then it was 'essential' for worldly gain to have "1<sup>st</sup> Century Christianity" **morph** into The Worldly Christianity that we have today into "The Acceptable Face of Christianity" (that was then to become a subset of "Religion" as The Book of Revelations precisely tells us)!

All as defined by leaders of "Religion" having a common objective (driven by their spirit/personality/desire/traits [2Tim.3v5] of the world [Eph.2v2, 1John.5v19]) – being for all the many worldly reasons (Matt.6v24, 22v21) - same mindset, but different names/faces throughout The Generations filling those respective positions as they appear within The Worldly Religious Edifices!

And yet interestingly, this does **not** nullify Yahweh's Plan – but the very opposite – because it is those very specific persons becoming martyrs "For The Cause" perhaps like William Tyndale, who personally strived to fulfil Yahweh's Desire that enabled them to be elected/selected by Yahweh from out of 'The Pool of Christians at large' to be part of "The (2<sup>nd</sup>) Remnant (of the 2<sup>nd</sup> Epoch) of Israel that returns to The Lord" (Isa.10v20-22) just as JC tells us at Matt.20v16, 22v14, being:-

"Many are called/invited (to become Christians), but few (TCs) are elected/selected (to become sons of God)".

And you speak about "love"!

**Who really "loves" who?**

The many who hide 1<sup>st</sup> Century Christianity behind the mask of worldly Christianity that has persecuted martyrs?

Or those few individuals who actively teach 1<sup>st</sup> Century Christianity for absolutely **no** worldly return, but abuse?

May I ask The Reader:-

Which group would Yahweh "agapao/{edifying love}"?

And aside on "The 144000" (Rev.7v4-8, 14v1-4 to mean specifically a number and not a allegoric number as we are errantly taught by our worldly Christian leaders – for their self-indulgent worldly reasons).

*It is important for the reader to understand at Gen.37v5-11 and later Gen.40v5-23, 41v1-32, when Joseph explains the Butler's, Baker's and The Pharaoh's Dreams (and likewise in the book of Daniel) all being prophecies that "The Numbers" are **not** allegories (hence 144000 **is** a literal number of TCs) and it is **only the nouns that become allegories** - thus it is "The Numbers" which become The Links that join the allegoric nouns together. And it is this methodology that must be used when interpreting The Book of Revelations as I have done within my commentaries. This **universal** understanding immediately destroys the mythical interpretation our worldly Christian leaders self-indulgently place upon the 144000 (Rev.7v4-8, 14v1-4) where they ignore Bible instruction for their own worldly gain/justification.*

Let me now move onto the second line in your letter (at this rate I could make this reply a 200 page book)!

What do you mean by: "God loves his Creation"?

The technical inaccuracies of that statement should not be ignored, because just as it stands creates many unrighteous inconsistencies within standard worldly Christianity which is perhaps what our intelligent Religious Leaders recognise, but do not care to resolve within their own mind (not caring “to seek and find”) – hence they acquiesce to substandard exegesis (effectively nullifying its power within their mind [2Tim.3v5]).

But to The Contrary, I cannot leave inconsistencies to go unchallenged – I must have a perfectly logical and righteous understanding of Information/Knowledge and it is to this end that I am able to thoroughly substantiate elsewhere through very detailed exegesis (with all the supportive citations to be given in my “Concordance of Topics”) the following:-

It was actually JCg who created us (John.1v1-3) using his Father’s HS (noting its correct composite definition).

**Yahweh** created JCg (and other sons of God – Job.1v8-12, etc) and The Laws of Nature.

**JCg** used The Laws of Nature (created by his Father) to create DNA and then ultimately the pinnacle of JCg’s creation (“Kosmos” Strongs™ = 2889 = World/Adornment/Decoration = The “LIFE” on this planet), JCg created us in his, and Father’s image to mean that we have “cognitive powers and empathy between species and thus able to recognise deities”. All this is absolutely unintelligible to our worldly Christian leaders for two reasons:-

1. They do not care – else they would do something about their “choosing not to know” (Strongs™ = 50)!

Because:-

2. They ‘worldly gain’ more out of their congregational members by keeping them in “Darkness” and “Mystery”!

And be tossing out titbits, tantalising seductive lures – just as The Rich Man did to Lazarus (Luke.16v19-21+).

JC brought The Light to The World (to expose deviant behaviour – and the works that humans like to keep hidden in the dark), and certain individuals throughout The Gospel Age shine this light (= “The Disclosing Truth” of “Knowledge” to open our minds to deviancy) out into The World so that there is progressively no darkness and mystery!

They become The Martyrs for The Cause!

And again:-

What do you mean by the word: “Love”?

I have written over eight pages to give some personal motivation to think about what it really means:-

Essentially there are **two** definitions for “Love” here:-

1. The Worldly Definition!

2. Yahweh’s Definition!

The first definition is actually **self-indulgent** (hence worldly), while the second is **edifying** (sourced by Yahweh)!

Where I presume by what you said alongside your statement shows that perhaps you have chosen to understand the word “Love” in the worldly self-indulgent manner – and **not** in the manner that Yahweh would like us to understand “Love” for the future well-being of society!

And this is The Problem – being The Twist that worldly Christian leaders insidiously “slide-in alongside” ‘their gospel’ rather than The Real Gospel of the “Christ/Anointed” (Gal.1v6-8).

So I must ask The Obvious Question:-

What do I mean?

How can there be a “worldly definition” and “Yahweh’s definition” for the ‘same’ word: “Love”.

The point behind this is all about “**motive**” and “**outcome**”!

And it is getting behind these two words that exposes **the difference** between Worldly “Love” and Yahweh’s “Love”.

Before we continue – can I throw in something for our mind to reason upon as we work through the exegesis:-

Let me ask a very revealing question to help us explain The Difference between the **‘two’** words we call: “Love” - “Motive and Outcome”:-

What does Yahweh ultimately want out of humanity – for The Eternity?

Carefully consider this before we move on together – because it is utterly crucial to unpick: “The Difference”!

And what do humans want?

Actually it depends upon who we are, and where we are in the ‘pecking order’ within society (as we witness)!

Where what defines us as individuals (being our spirit/personality/desires/traits) takes us, to where we end up in society!

And this then becomes The Motive behind what we as individuals **do and say** !

However what Yahweh Desires for each of us is absolutely common between all of us - being no differentiator.

The reader might ask:-

Where is this taking us?

It is absolutely crucial for the reader to understand this basis of ‘human character’ that drives what we do and say.

Being what JC calls: The Fruit from The Tree (Matt.7v16-20).

It is important to realise that “God loves his Creation” – is general statement and cannot be recklessly translated to imply:- ‘God loves all individuals within his creation’ – else this is fraudulent. And sadly again, worldly Christian leaders imply this falsity into their sermons – skew the sensibilities of their indulgent flock – because this is what “The Flock” want to hear as: a justification for being a “Christian” – other than those people ‘outside’! We are safe inside – they are outside – but we remember them in our Prayers: “Yahweh, **You do something** about them .....”! What utter insolence!

This is **not** what JC and The Apostles taught by both word and deed!

We read both in The Old and New Testaments that Yahweh detested many people - but “Christians” are so competently able to ignore those parts of The Bible as not being applicable to “us”! My electronic “Concordance of Topics” will list perhaps a hundred examples to counter the nonsense exegesis taught by worldly Christian leaders on this subject. And I

explain later, precisely **why** they teach such inaccuracies – which sadly brings shame and disrepute within our tainted minds when trying to understand the route in Yahweh’s Plan to bring about The Salvation of Mankind.

Also **worldly** Christianity as taught by our leaders does **not** carefully explain the difference between JC and Yahweh – because in their **un**righteous doctrine they see **no** difference which nullifies The Whole Righteous Plan how Salvation righteously operates without yielding inconsistencies within the required supporting exegesis.

I do not wish to expand to another 100 pages here to be giving supportive minutia detail to explain how JCg was our creator and thus he becomes “the specific god” of his creation, and Yahweh becomes The Specific God” of what He has created – being JCg and the future 144000 sons of God built upon The Word of God (= JC – Rev.19v13) yielding a mind worthy to be accepted by The Adopting Father. I do touch on this later (but thoroughly explain all this in my commentaries appropriate to the applicable verses in The New Testament).

But importantly “God loves his Creation” noting how it operates at The **Two** Levels (1) JC bringing out the successful people who ultimately imbue The Word of God over their 2 part physical life (= the Remnant out of The Resurrected World). (2) Yahweh bringing out the successful people who correctly imbue The Word of God (to personally create a new Creature within – Gal.6v15) during the 1<sup>st</sup> part of their physical life – thereby purifying the 2<sup>nd</sup> part of their spiritual life upon The Word of God (JC) so that JC operates as a presence/parousia within them (= The Remnant out of The Christian Nation). Hence Paul’s warnings using the earlier Epoch to be **mirrored** in the 2<sup>nd</sup> Epoch of “Israel (Christian Nation) at Rom.10v17-21 – precisely the same occurs today! And JC said the same at Luke.4v23-27, with the same reaction at v27+, because the recipients choose not to reason as JC teaches us (Matt.7v3-5, Luke.6v41-42).

The **common denominator** is that ultimately there **is** the **required internal Reform** which **must be made** within our **2** part life (because there is **no** 3 parts to our life – Heb.6v4-6, 10v26-28, 2Pet.2v18-22, etc). And those persons who have not made this required transformation over their 2 part life (comprising of 2 part spiritual and 2 part physical) are absolutely **not** part of The Creation being loved! And by what we witness **certain** “Christians” are part of that grouping who are **not** loved (hence Matt.8v12, 22v13, etc) – because they have **not** internally grown that new creation within (Gal.6v15) – entirely built upon The (spiritual RNA) Word of God (= JC who knocked at the door to our reasoning and sensibilities – Rev.3v20). I carefully explain this much more thoroughly later when specifically answering your points. You stated:-

“Someone there watching us ready to hit us with a big stick”

Can I draw your attention to some citations that you have clearly not digested (within “His” people in four examples)!

Let me take three examples that spring to my mind from The Old Testament, and two from The New Testament:-

Old Testament:-

Num.12v1-11, 16v1-49, 2Kings.5v27 (noting previous verses)

New Testament:-

Acts.5v1-11, 13v10-11

Noting that Yahweh is **not** changing – He is **The Same** in both The Old and New Testaments Mal.3v6, James.1v17.

How do these five examples concord with what you have just told me?

I assume you have perhaps forgotten these examples?

Does this mean the methodology that you 'believe' (within your mind) may have come through Rev.22v18-19?

And Yes, – Yahweh **does** “agapao” those persons who **are** righteous to Yahweh:

= Those specific persons being **Just/Equitable to His requirements of them (as individuals)!**

This is precisely what The Bible tells us throughout (Rom.4v1-5, Heb. chapter 11, James.2v21-26, as a few examples).

So what is occurring here from these contrasting examples?

Quite simply:

The people in the 1<sup>st</sup> section opposed Yahweh and thus His HS (of the composite definition given earlier).

The people in the 2<sup>nd</sup> section worked with Yahweh and thus His HS (of the composite definition given earlier).

Thus the people of the 2<sup>nd</sup> section fulfilled Yahweh's Desire to **'bring-on' His Plan for Mankind's Salvation.**

And **only** to “bring-on” His Plan for Mankind’s Salvation – and **not** some ‘other plan’ for personal worldly gain!

Now we are coming to understand “The Motive” and “The Outcome”.

I might ask:

How does what I state concord with what you said?

Surely The Crux must be:

We must know what Yahweh's Desire might be – so that we know what to fulfil – and thereby to be “agapao” by The Adopting Father because we **are** precisely imitating JC (Luke.3v22, 9v35) to become his brothers/sisters as we are taught at Matt.12v48-50 – as selected by Yahweh (Matt.20v23) to become future sons of God!

As precisely instructed by Paul at 1Cor.4v16, 11v1, Gal.4v12, etc.

Do we ignore what The Bible tells us – or do we learn The Bible so that we **are** in The Position to understand precisely what Yahweh's Desire might be? Being how He desires to **Righteously** bring about **The Salvation of Mankind.**

Again we must ask ourselves:-

What would Yahweh desire of us?

I explained all this in pages 2 to 9 and need not repeat them verbatim here.

Thus Yahweh **desires** His **demonstrably** proven tools (Matt.19v28, 1Cor.6v1-3) as “The Early Adopters” to become the kings/priests (2Tim.4v6-8, 1Pet.2v9, 5v4, Rev.1v6, etc) to bring about The Righteous Salvation of The Resurrected World. Are you aware of the content within these citations – and if you are, then how can you apply them within **your** reasoning?

We might ask of ourselves:

Do we “choose to remain ignorant” (Strongs™ = 50) over what these citations really mean?

Are we prepared to open our mind to what is being righteously explained from demonstrably reliable sources! –

We must take care not to have our mind stolen, thereby bewitching our reasoning faculties, hence Paul's continual warnings (Gal.3v1, 1Thes.2v4-5) and thus to be of sane/reasoning mind (1Thes.5v6,7, Titus 2v2-8, etc)!

We must understand Yahweh's RIGHTEOUS plan for every individual on this planet – so that no intelligent reasoning entity in The Culmination into The Eternity can justifiably look back and righteously ‘point a finger’ at Yahweh and state:-

You did not righteously give that specific individual an opportunity to be saved for an eternity – especially when You state that You desire the destruction of no human (Eze.33v11, 2Pet.3v9)!

See specifically why Yahweh states what He does at Rev.5v1-5, He is challenging Satan: ‘Make your claim’ – just as Satan made his claim against Job at Job.1v8-12, etc.

But it goes much beyond this:-

Every successful individual within the human species in The Culmination of The Eternity must be able to look back and personally recognise that perhaps some of their closest friends in the 1<sup>st</sup> part of their life were:-

**“Righteously annihilated” !**

These successful persons of the future age shall feel no antagonism for the annihilation of their former friends!

How is your exegesis able to explain this most difficult of all conundrums?

I suggest virtually no human has even considered this 'backwards looking' scenario!

Because this scenario will absolutely occur – just as I write it down now for you to read!

And yet Yahweh in His Righteousness has foreseen all this and provided a route that righteously makes all this occur (as originally started at the first prophesy in The Bible at Gen.3v15) absolutely and so precisely explained as given on this website: “FutureLife.Org”.

I challenge any human on this planet to contest, – and in the process replace it with something more righteous for every individual who has existed on this planet over the last 6000 years. A bold request, and yet I state it with no fear!

For example those individuals who righteously must be given an opportunity to prove themselves righteous to Yahweh's Desire being:-

1. Children who died before they could even make a conscious decision about “Religion”
2. People with mental health problems – being unable to reason upon The Knowledge.
3. Tribes of people in isolated areas of The World, not physically positioned to receive The Word of God.
4. Persons who have become intense atheists – because they have been sodomised by Christian leaders.
5. All humans before The 1<sup>st</sup> Advent of JC – obviously not able to: “Believe in JC”!

How does your “Religion” righteously accommodate these people – especially when as you state:

They are to resurrected at the end of the 1000 years (so very much more later) and judged immediately for life or death!

Where, as you state: We are saved only if we have faith in JC (and perhaps ignoring James.2v14-26)!

Can you not see how utterly unrighteous is what you state!

Have you no thought about these people as individuals – where these people are humans with the same right to exist for an eternity – just as might you – where, if you were born into their position, then you would be precisely like them!

And yet these persons as individuals – just as you could have been by accident of birth, are being ‘written-off’ to everlasting destruction by yourself!

Can you not see this “Religion” of yours does not come from: The Righteous God – Yahweh!

Noting again the citations at Eze.33v11, 2Pet.3v9, etc!

So from whom might this exegesis of yours and millions upon millions of other “Christians” be coming, if it is not righteous as given in my two citations describing The Righteous Yahweh?

Are you really expressing “Love” to your fellow man – if you have just unrighteously annihilated them within your mind – from the errant exegesis operating within your mind?

What is the matter with your reasoning?

Start using your mind and imbue precisely what The Bible is telling us (instead of selective bits)!

Do not just dismiss this as being Yahweh's Decision (because firstly – it is not – but JC's and the 144000 TCs, because of Matt.19v28, 1Cor.6v1-3, etc) being merely you have disregarded this very important event which will occur.

And I repeat:-

Every successful individual within the human species in The Culmination of The Eternity must be able to look back and personally recognise that perhaps some of their closest friends in the 1<sup>st</sup> part of their life were:-

**“Righteously annihilated” !**

These successful persons of the future age shall feel no antagonism for the annihilation of their former friends!

You must rationalise within you mind, the answers to these situations which will occur in The Most Righteous Manner. Only then are you starting to operate with the one/same “spirit/personality/desires/traits which is holy/pure/{separate from this world of sin} to make Yahweh's Desire manifest within The Environment” (= the “HS”).

And in this manner you are beginning to “agapao” your neighbour – in the precisely same manner as Yahweh agapao us!

This website “FutureLife.Org” fully explains all this in The Most Righteous Manner!

And in the process, The Righteous Knowledge presented - utterly condemns “Religion”!

Where “Religion” is anything other than “1<sup>st</sup> Century Christianity (as taught by JC).”

Can you see how all this is folding in within itself – to explain what “agapao” means when viewed by Yahweh? And it is Yahweh's {edifying love}/agapao that ultimately yields a perfect society where there is no more pain and suffering for what reason? Because all the successful humans have utterly reformed their mind upon The Word of God and made an educated\* decision to become Christ-like – so that they can then be deemed entirely worthy to exist for an eternity in Yahweh's Environment - which encompasses The Universe.

\*“Educated” because:-

All humans have had an opportunity to experience “The Word of God” (= “JC”, Rev.19v13) individually within their life that can only occur if they have 2 parts to their physical life. Where all individuals have had the 1<sup>st</sup> part of their life in Satan's world (of 6000 years – working/slaving under The 6 Day week of Satan) and in this period of time they have experienced the pain and suffering – being the results of rampant exercised worldly methodology (= to self-indulge to our neighbour's hurt) that shall ultimately bring down The World at The End of The Gospel Age – being precisely what The Bible tells us in many places.

And then all humans shall have The Word of God accurately taught in a perfected society in The 7<sup>th</sup> Day – being The Sabbath Day made for man (to purify man) where JC is The Lord of The Sabbath (Mark.2v27-28).

In that future “Day of The Lord JCg” (of 1000 years – 2Pet.3v8) then all humans shall have the opportunity to truly: “Believe in JC” by having The Word of God operating within them. Because they will witness (by being part of, and experiencing) a perfect society operating within “Paradise” because its members operate according to Yahweh's Methodology based upon “agapao” that yields {charity love}/agape in works “to edify our neighbour to our own hurt”.

Thus when being educated within both societies – we personally have the opportunity to make an intelligent and personal decision (not made for us by our ancestors [Adam/Eve]) at the end of The 1000 years based upon The Witnessed and Experienced Evidence – where reformed humans have been trying to help everyone else – including those persons who still rebel, preferring their former lifestyle “to self-indulge to their neighbour's hurt” (= Satan's sourced methodology) just as we are told at Rev.22v15. If these rebellious individuals being outside “Jerusalem” (= outside Yahweh's City/Organisation and rulership = “outlaws”) have rejected everything, being all the help to reform – then society will only be too pleased to see them go in The 2<sup>nd</sup> Death of annihilation.

Does this sound like righteous common-sense?

Can your reasoning of The Scriptures compete against mine in its righteousness?

Can you cite “original” (much more later on Rev.20v5) scripture to support your understanding?

What situation shows true “agapao/{edifying love}” where Yahweh desires all humans possible to be saved (2Pet.3v9), noting that Yahweh has no pleasure in the death of the wicked (Ez.33v11).

So that every opportunity has been explored with every individual to bring them back, being Luke chapter 15 then operating at its 2<sup>nd</sup> level in The Millennium to all renegades – after its operating in its 1<sup>st</sup> level in The Gospel Age to charlatan Christian leaders (all as I carefully explain elsewhere – see “2 Part Life” in glossary and my commentaries), having likewise rejected The Word of God when thoroughly exposed to it – thereby displaying their Iniquity.

How else can “Righteousness” operate?

Please will you send me future correspondence to carefully explain how your thinking is to righteously operate?

Thereby enabling the process to untangle within your mind what The World has errantly previously taught you!

Especially when what you state does not concord with virtually anything The Bible tells us in its entirety, as I presently show and will continue to show – as I untangle what you have told me in your correspondence!

Let me return to “The Motive” and “The Outcome”.

Yahweh's “Edifying Love” (= agapao) “builds people up” so that He might achieve a perfect society for us to exist within for an eternity. Where a perfect society has perfected members within it driven by The Same/One spirit/personality/desires/traits which operates within JC, so that he was able “to edify us to his own hurt” and we do likewise to our neighbour. That is how we obtain JC's presence/parousia operating within us – because we have thoroughly imbued “The Word of God” (Rev.19v13) and inculcated “The Word of God” into our deportment/lifestyle. In a future society where there is no fraud, pain, suffering, phish, scam, keys, locks, passwords, hunger, war, back-biting, whisperings, slander, lies, distortions, filth (physical and mental), etc., created by our present mind.

That explains Yahweh's Motive and also explains The Outcome where all entities operate in “agapao”.

This is Yahweh's form of “Love” filling The Environment = The Universe into The Eternity.

Now let us consider worldly “Love” being its Motive and Outcome as taught by our worldly Christian leaders.

Where this “love” is not “edifying love” driving our mind to yield “agape/{charity love}” “to edify our neighbour to our own hurt” to ultimately yield a perfect society of The Future Millennium. So it must be something else!

You told me:-

That Yahweh does not look over us with a big stick – and yet I have shown that He does.

Also please would you look at (Rev.2v27, 12v5, 19v15) where we also read in three places that JCg will equally rule with a big stick – where in this instance it is a rod of iron – and “smite The Nations”!

How does this concord with what you have told me?

I must again ask – what bible do you read (being The Resultant within your mind) – does it contain these cited verses where we might consider that it is operating according to Rev.22v18-19 based upon demonstration?

I have explained that all leaders of “Religion” teach “love one another” irrespective of the name they give to their “God” – and yet we know this is not “agapao” – being an “edifying love” because we know that what they teach does

**not** fulfil Yahweh's Desire – because it is unrighteous and does **not** concord with what The Bible tells us – precisely as I have shown by my citations to what you have initially given to me.

In fact what we witness is division and hate between groups; – is this “agapao”, and how does this bring about a righteous society?

Obviously they do **not** have the one/same spirit/personality/desires/traits as that which operates within Yahweh! How do we reason people outside the grouping stating “love one another” just as “God loves us” - when we know that Yahweh most certainly does **not** “love” us - **if** we are **not** responding to “Agapao/{Edifying Love}” to bring about The Kingdom of God firstly within our mind (Luke.17v21), and then secondly, The Kingdom of God within The Environment as The Heaven/Authority in The Millennium (as Peter tells us at 2Pet.3v10-13).

We know that specifically our worldly Christian leaders absolutely do **not** teach us what JC and The Apostles teach us – being how The Acceptable Year of The Lord is to bring about The Righteous Society – being a perfected society that fulfils Yahweh's Desire through a “2 Part Life” – just as you have stated yourself: “It is nonsense”, and **who** taught you that?

Where I am later to examine very closely your citation at Rev.20v5 being its 'birth, position and removal'!

I will be coming back to all this later.

So **why** do our worldly Christian leaders **not** teach The Word of God, and yet they claim the very opposite? Because it comes back to what JC teaches us – being precisely why they do **not** understand and thus unable to teach it!

Back to **The Motive** and **The Outcome**!

The Motive of our worldly Christian leaders is **not** to seek and investigate (as taught by JC) else they would have generated the contents to this website “FutureLife.Org” centuries ago! – But they prefer to be “repeaters” (reporters on par with those of newspapers) of what keeps their peers in business! To be “repeaters” does not require much work, and it is safe to place oneself within “The Herd” to perpetuate what yields an apparently safe worldly return – because it has been around for years and years – thereby a ‘good/safe’ ‘certainty’ – it is clean and easy work (Luke.16v3) – from a worldly point of view!

And that is The Crux!

We are reasoning-out The Motive! And now The Outcome?

I see no agapao displayed, because the worldly Christian leaders are **not** imitating JC “to edify our neighbour to our own hurt”. But thus it becomes the opposite to what The Apostles showed us, where as martyrs they sacrificed their life “to edify their neighbour to their own hurt”! This does not seem like “clean and easy work” – but a hard life!

“Hard is this word – who can do it” (John.6v60)!

Thus the outcome occurs at two levels.

Level One:

The worldly Christian leaders have pushed themselves between Yahweh and their congregations (Matt.23v13) so that they become The (supposed) Conduit – to become The Means to then extract a worldly dividend. That is perhaps why they might call themselves as professionals, to be given a worldly wage for a worldly service – “he who pays The Piper calls The Tune”, being what Paul tells us at 2Tim.4v3-4 because these leaders have **not** really made The Transition (2Tim.3v5)

Level Two:

And in the process, the congregational members remain ignorant of “The Acceptable Year of The Lord” that comprises of a 2 part spiritual life and a 2 part physical life – as now shown:-

Where JC so kindly gave us:-

1. The Ministry for us to personally perfect our mind in the 2<sup>nd</sup> part of our Spiritual Life (= “new clothing”).
2. The Ransom Sacrifice enabling Yahweh to perfect our physical body into The 2<sup>nd</sup> part of our physical life.

And yet none of this is correctly known nor righteously understood.

So how are the congregational members able to imitate Paul as he imitated JC (1Cor.4v16, 11v1, Gal.4v12, etc) if they are ignorant of what Paul was teaching? – Being merely what JC was teaching!

And we might ask:-

So how are the worldly Christian leaders agapao/{edifying love} the members of their congregations – if they are **not** fulfilling Yahweh's Desire which is to precisely imitate JC's ministry/lifestyle?

This is what we witness – and this is precisely what you have shown to me in your writing – and my very long reply as I am trying to de-program your mind from what you have been errantly taught over very many years – having been accepted and then deeply engrained, but yet, **never** tested/assayed it for righteousness - because it sounded nice for 'me' as The Individual and excluding The World at large! 'Someone else can look after them' – 'but I have done my bit – because I think of them in my prayers!' – How utterly hypocritical!

And 'you' “feel safe and comfortable” – because of what 'you have been told' – and unquestioned whether it is righteous to The Fulfilment of Yahweh's Desire – because quite simply you have **not** been told what **is** Yahweh's Desire for **not** 'just you' in isolation (like a monk in a monastery), – but to cover all people for all time.

Your myopic view is utterly different to Yahweh's all-embracing view! And 'you' are claiming to 'love' Yahweh? How can 'you' have the one/same “spirit/personality/desires/traits which is separate from this world of sin” (= the HS), when 'you' cannot reason like Yahweh and embrace: The Salvation of all humans through The Most Righteous Process. Just saying loving things and presumptuously stating 'you worship God' (and I think sincerely you do, but you do not understand the greater picture – because you have not had it explained to you) does **not** make you any different to a Muslim or Hindu or Sikh – because they think and say precisely the same thing to: “God”!

Cannot you see: The Obvious?

You must ask yourself what makes you different – and we are back to the first 2 to 9 pages of this piece!

And it is this unrighteous delusional self-indulgence that becomes The Return – being The Outcome. Pampered by leaders of “Religion” for their own personal return as I precisely explained earlier!

And it is this that becomes the mutual symbiotic relationship pampering each other in a worldly sense on the back of “God’s Word” that is merely being a tool to extract worldly self-indulgence of both parties! It is appalling! Where both parties are either thinking or pretending to be fulfilling Yahweh’s Desire and yet none of them are fulfilling His Desire - and moreover Yahweh has closed His ears to their ‘supposed’ supplications – because The Motive is wrong (precisely as my electronic “Concordance of Topics” will show in due time)!

This is what our highly competent and trained worldly Christian leaders know – they have given to The World what The World (being those persons drawn into this subset of “Religion”) wants to hear (that is why they are drawn into it) and yet the congregational members are personally sincerely motivated ‘to come to The Almighty God’ – and most will succeed in The Millennium – because they are correctly motivated – but innocently drawn into The Lure – like ‘moths to a light’, as given by worldly Christian leaders to extract what they can out of their devotees (precisely as The Bible tells us – as my “Concordance of Topics” will show)! Except proportionally, our worldly Christian leaders will not fare so well – because they have a much larger hill to climb – see JC’s comments of the people at Chorizan (Matt.11v21, Luke.10v13 and my local commentaries on my website “FutureLife.Org” - and later in this dissertation).

What I am writing is no different to what JC stated to the leaders of “Religion” of his day – do you require me to give you citations? In fact what JC said about them was much worse than I state – likewise John the Baptist calling them “vipers” (Matt.3v7, 12v34, 23v33, Luke.3v7)!

I am merely asking the reader to: Think for themselves, and absolutely accept nothing at face value!

But first we must gain The Knowledge – all of it (and not little selected bits -Rev.22v18-19 as you have shown)! Else, quite simply, we shall gain a lop-sided view being a 2 dimensional picture and not a 3 dimensional picture – where the 2 dimension view is very likely to only include ‘me’ as a ‘successful’ individual, and yet a 3 dimensional view will be as though we consider all people of The World – as does Yahweh - encouraging them all to be successful. All these some 13 pages are a preamble to answer your cited Rev.20v5.

Carefully examine/test/audit what is known: For righteousness being applied to every person who has existed. So we know The Motive and The Outcome of “Worldly Love” - being a delusional self-indulgent love that does not yield a righteous society – because of the pain and suffering witnessed.

So I might ask: How does what you teach – “To Correct Society” (being its pain now); if you collectively state: “God loves us” being pretty much on the par with another half-truth/lie (made by worldly Christian leaders absolutely not understanding the difference between the words “love” and “agapao”) “You see God in other people.”

I carefully untangle these very errant and misleading comments profusely elsewhere – and will not do so again, else these writings become so long and disjointed – but The Crux is that these absolutely unrighteous “sound-bites” excuse deliberate sin – they excuse The Absolute Need for: Personal reform to yield a righteous society – and thereby so doing nullify within the minds of the recipients: “The Need for The Millennium” – because apparently, the existing World is as good as it need be – ‘as far as Yahweh is concerned’! Because He is already here, apparently endorsing our behaviour!

Absolutely Not! Never let this be so within our minds!

We must be striving for The Kingdom of God within our minds now (Luke.17v21) – to ultimately yield The Real Thing as a physical reality within The Millennium. And it is our personal ministry/lifestyle/deportment that is to be canvassed to The World (as “The Ecclesia” = “The Calling Out”) and absolutely not acquiescing to Satan’s worldly system as being The Acceptable Norm – else:-

How is Yahweh able to bring about The Millennium if His Prophecy through John cannot be fulfilled?

Yahweh needs The Prophecy of 144000 TCs to be fulfilled first, to become The Trigger Threshold to bring about The 2<sup>nd</sup> Advent of JCg – just as The Prophecies of The Prophets where given to be fulfilled to yield JC’s 1<sup>st</sup> Advent!

Can the reader understand this righteousness? – Have I invented any of this?

Am I not merely stating what The Bible so clearly tells us?

And yet: Why is this teaching so objectionable and dismissed as being “Nonsense” - to quote you?

When what you have given to me cannot be substantiated by any verse in The Bible (as we shall see) – and yet what I state precisely explains The Bible using copious citations in context to support The Most Righteous Plan sourced by Righteous Yahweh to redeem JCg’s Creation.

But it is only by us personally precisely imitating JC as precisely instructed by Paul and the other Apostles that can only make this prophecy occur – and yet if we do what our worldly Christian leaders teach us then this can never occur!

Can you not understand what is righteous in The Greater Scheme of things?

And what is occurring outside the small and myopic sphere of instruction given to you by your spiritually blind worldly Christian leaders (Matt.15v14, Luke.6v39) pampering a mutual self-righteous self-indulgence?

How does anything that you state fulfil Yahweh’s Desire to righteously bring about The Salvation of Mankind?

How do you become part of this – to personally make it occur (as precisely instructed)?

How do you personally become The Martyr for The Cause to fulfil Yahweh’s Desire?

I know this is like banging one’s head against a brick wall – but it is just so important to break through the present worldly constraints imposed by deliberate skewed faulty teaching upon your mind to be gaining this knowledge – I cannot do it for you – you must do it yourself! But it is my responsibility to try (1John.5v13-16) by sustained reasoned argument! We do not live within a world that fulfils Yahweh’s Desire (John.17v14-18, etc) precisely as we have witnessed over so

many (6000) years under the present singular heaven/authority (1John.5v19).

Rather than The Plural Heavens to mean Yahweh's Authority (throughout The Universe), and yet in The Millennium the singular heaven/authority shall be JCg operating under Yahweh's Methodology.

And yet there are so many persons around The World who are driven to operate according to "agapao" being a physical agape rather than a spiritual agape - and these persons are not part of The Christian Community - but being members of other subsets of "Religion" and/or atheists/agnostics.

What do I mean?

There are many of these individuals who are like "martyrs for The Cause" to edify people at the fleshly level – doing the very best they can to help people's physical needs – and this is absolutely commendable at a fleshly level. Often these people are whistle-blowers to the hypocrisy and nastiness operating within The World.

And many of these volunteers are given worldly praise for their actions.

But this is not The Ideal from Yahweh's viewpoint – because Yahweh is: "After The Mind" – being the one/same "spirit/personality/desires/traits which operates within Himself – to make His Desire manifest within The Environment" (= the "HS") to think and reason like Yahweh over worldly issues. Yahweh foremost desires His 144000 TCs to be The Trigger Threshold enabling Him to move forward by one step His Plan for Mankind's Salvation which becomes The Millennium period as precisely explained on this website: "FutureLife.Org".

These 144000 TCs can only come from specific individuals who have personally reformed to become precisely like JC to the very best they are able – as determined by Yahweh (Matt.20v23) and absolutely not by men presuming themselves "God" by operating the very worldly (being The Driver) "beatification/canonisation" process (for worldly return)! The point being made here is that Yahweh desires The Mind which can last an eternity in a perfected incorruptible heavenly/spiritual/celestial body – provided it has been proven trustworthy (1Cor.3v13-16) during the individual's 1<sup>st</sup> part of their physical life (= has demonstrably imitated JC's ministry/lifestyle).

But while absolutely commendable, these non-Christians are doing their very best by feeding 'The Body of today' and yet the present physical body is to rot away into nothing – while it is The Synapse Construction Mapping captured by Yahweh (Matt.27v50) upon our death (= "asleep" – John.11v11-15) which defines us as individuals. This is why it is so precious to us, and so important to us – because this synapse construction mapping defines "me" as "an individual". That is precisely why JC calls it: "Treasure" (because it is so "personally valuable"), and more importantly upon our death, Yahweh captures it and stores it safely in the heavens ready to be used upon our awakening/rousing/resuscitation in The Appropriate "Israel" (metaphorically spiritual as The 144000 sons of God, or fleshly as The Resurrected World) in The Millennium. That is why JC calls it: "Heavenly Treasure" (Matt.6v19-20, Luke.12v33) being upon what we should concentrate to make it as close to that of JC as possible – being what drove/motivated him as The Word of God that is to operate as a presence/parousia within us – to ultimately yield the HS (being its correct composite definition as given by "FutureLife.Org") within us.

Can the reader see how all this logically, and righteously, operates?

And this is what Peter recognised at Acts.6v1-3 – being what Yahweh through JC was instructing him to do – where it is more important for The Mind to bring forth future TCs to entirely fulfil Yahweh's Desire as He so deems.

So where does this take us – if we think, - as we are errantly taught by our worldly Christian leaders?

We realise that these non-Christians are truly commendable people in sacrificing their life away from the pleasures that this world can deliver to be "edifying their neighbour to their own hurt" at the fleshly level – and without any doubt these individuals will be resurrected into The Millennium and shall easily pass through The Final Assay/Testing/Proving stage.

Why?

Because they have demonstrably the correct spirit/personality/desires/traits to "edify their neighbour to their own hurt" and they only need The Word of God to "believe in JC" (Rev.19v13) to be saved – which obviously they will succeed – because they have already shown a caring motivation to their neighbour during the 1<sup>st</sup> part of their physical life (where very little reform is required).

But how do these people fair under the chaotic methodology taught by our worldly Christian leaders?

And just ensuring that I have interpreted worldly Christian doctrine correctly (being many sub-variants of "belief"):-

1. We are saved by "believing in JC". (John.3v15-16, 6v47, Acts.16v31, etc)
2. But these people cannot "believe in JC" because they have not had the opportunity to know about him!
3. "We are not saved by works, but we are only saved by faith" (conveniently ignoring James.2v14-26)!
4. We are resurrected at the end of the 1000 years to be judged on what we have done.

Ignoring the so very many citations about those person who knew precisely who JC was – and yet "did not believe" - the crux being that they truly did believe who JC was – but they did not precisely imitate him – but preferred The Things that the World of self-indulgence yields for "The Immediacy" of the {animalistic/carnal mind}!

From what I have written earlier then I should not need to repeat myself again to draw out all the illogical inconsistencies within those 4 statements as taught/IMPLIED to us by our spiritually blind worldly Christian leaders (Matt.15v14, Luke.6v39) – who then dig a deeper hole for themselves, by saying: "It is a Mystery to them"!

Which suggests to me, they are not representatives of Yahweh – if they do not understand Him (Matt.13v11-13)!

So why 'on earth' are people so gullible, to go and listen to them?

The whole thing is an utter farce!

But yet we are warned by JC – that they will go to have their ears flattered (Matt.24v23-26, Mark.13v21-23, etc).

Again I am filled with righteous anger (just as had JC – Luke.19v45-46) that these persons are bringing Yahweh's

Name/Character/Authority into such shame/disrepute!

To be bring Yahweh's Name into such ignominy/disrespect in one breath – and yet in their next breath, to give such endearing words of (presumed) 'love' about “God” (James.3v5-12)!

This just shows such a simplistic mind 'at work' – sadly kept like that by their fraudulent leaders – saying the most 'lovely' (and yet self-indulgent) things to keep their 'cattle' corralled – without thought!

Because “cattle” with 'knowledge and free thinking' become dangerous to their masters!

Only when we have The Knowledge do we become competent auditors to peer through the presented façade and recognise the charlatan Christian leaders feverishly working to make personal gain (of whatever) by sweetening their listeners into a spiritual coma – instead of personally precisely imitating JC's ministry/lifestyle – as instructed of us by Paul!

Again our worldly Christian leaders have no answer – but they do not care - because they have persistently sown ‘The Seed’ that only their “group think” community will be saved – and they give no care to other people outside – they can look after themselves! But of course ‘we’ shall self-indulgently “pray” for them – to come round – or that “God” will bring them around to our “group think” policies! ‘We’ have now done “our bit”!

How self-indulgent is that!

Where would we be now - if JC, Paul or the other apostles thought like that!

But interestingly, all the different “group think” schisms of “Religion” teach The Same Thing:-

“Belong to our group – and you will be saved”!

And yet their spirit/personality/desires/traits as driven by their differing knowledge is equally different – and moreover, they are all different to Yahweh's HS – so obviously we realise that none of them will be saved by what they think (as errantly taught by their self-indulgent leaders of “Religion” for gratuitous worldly kick-back upon which to self-indulge) - but only comprehensively by JC covering all of us (1John.2v2, having no conditioners/caveats) to get us all into the 2<sup>nd</sup> part of our physical life (to get our minds straightened out on The Word of God accurately given in The Millennium)! And that is why The Leaders of Religion detested JC (John.11v47-53) because he exposed their ineffectiveness to bring salvation - if all humans were to be resurrected into the 2<sup>nd</sup> part of their life irrespective of what they believed now – that is why The High Priest said: “If we leave him (= JC) alone then all The World will follow after him!”

Because quite simply they had become exposed as giving nothing of worth to society!

And that has continuously occurred throughout all lands for the last some 2000 years!

Just an aside – regarding the 2<sup>nd</sup> part of our physical life and the 2<sup>nd</sup> part of our spiritual life – precisely as we have been taught in The Bible at Eze.37v1-20 which is to become “Israel” at The Spiritual (= 144000 TCs) and The Fleshly (= The Resurrected World) in The Millennium.

Obviously we cannot have one half without the other operating at two levels:-

Level one (as The Future):

1. The Ruling Class spiritual kings/priests as The Heirs to drive our minds to perfection in The Millennium.
2. The Inheritance of the fleshly resurrected world to learn how to practice perfection in our lives.

Level two (for us now – being what we put in now [Gal.6v7, 1Cor.15v35-55] for The Future):

For us as individuals to be feeding The Spiritual Mind – and the best way is to gain Real Faith through the 3 stage process and then feed the minds of our recipients!

Hence the correct definition of “soul” as being a “conscious reasoning existence” requiring 2 functional parts – else it cannot exist (noting Eccl.9v4) – but this obvious logic seems to have been lost within the minds of our worldly Christian leaders preaching what Satan taught us a Gen.3v4-5. So who represents who?

I must give a minor rant - Beware:

Virtually everything our worldly Christian leaders teach us is technically wrong (being absolutely not The Disclosing Truth) when compared with what “1<sup>st</sup> Century Christianity” teaches us – as taught by JC and Apostles. They really have got some explaining to do if they are fortunate to be resurrected into The Millennium!

but because I know he is forgiving merciful, and desperately loves mankind

Again you have missed THE MOST IMPORTANT aspect of Yahweh and His premier son JCg.

“Righteousness”

Look in a Bible concordance under the word “righteous” and derivations of it – there are so many references.

It is from “Righteousness” do the subsets “love”, “forgiving”, “merciful”, “life” on the one hand come – but on the other hand come “vengeance”, “wrath”, “anger”, “death” (noting Rev.2v23 speaking of charlatan Christian leaders).

The point I make is this:-

What does Yahweh really Desire to occur in The Environment?

Quite simply:

Yahweh wants a perfected environment – whose inhabitants precisely imitate JC.

Where JC operated according to Yahweh’s Methodology which is:-

“To edify our neighbour to our own hurt”.

Yahweh absolutely does not want all the ‘trappings’ of “Religion” (Matt.23v23) because this is an utter detestation!

Yahweh absolutely does not want humans getting in The Way of The Fundamental Requirement by peddling worldly concepts that devalue His ultimate aim to bring about: “The Salvation of Mankind”.

Where it must be clearly understood “Mankind” means “species” – and absolutely not every person in that “species”

will ultimately survive – The Bible infers that perhaps about a third of “The Species” will ultimately become annihilated. The only way we are to survive is to fulfil Yahweh’s Desire appropriate to The Era/Epoch.

And thus we must absolutely know what Yahweh’s Desire is for The Specific Epoch in which judgement is being made!

Charlatans give: “The love” in words to endear their captivated audience enraptured/enraptured on sound-bites!

But: Charlatans ignore “The Depth” to cause deep internal reform to become “Christ-like”.

And during this “Era/Epoch” Yahweh is fervently searching-out people who precisely imitate JC’s ministry/lifestyle so that they might become brothers/sisters to JCg in The Culmination (Matt.12v48-50) as judged by Yahweh (Matt.20v23). Thus we reason that Yahweh becoming The Adopting Father (in the electing/selecting) of those very specific persons (= 144000 TCs) who are like His Beloved Son – then Yahweh will be forgiving and merciful because these individuals are being intensely driven to precisely imitate JCg because they have his presence/parousia (of The Word of God) precisely operating within them – thereby driving their “spirit/personality/desires/traits to be the one/same as that which operates within Yahweh to make Yahweh’s Desire manifest within The Environment” (= the “HS”).

But that infers: Because Yahweh has not adopted the vast majority of “Christians” then quite simply “Righteously” He cannot adopt them to be His Sons (and daughters thus “children of God”) - because they do not precisely imitate JC’s ministry/lifestyle), then the “Christians” along with non-Christians are given a second opportunity to hone their personal spirit/personality/desires/traits (that defines them as individuals) to become at one/same as JC in The Millennium – being covered by JC as He did over The Great Sabbath Day (to be allegoric for The Millennium) while we make this necessary transition.

But Yahweh will love “Mankind” globally in The Culmination after The Millennium – after The Rebellious Humans having experienced both societies, then refused to imitate JC - have been removed by The 2<sup>nd</sup> Death of annihilation.

But all this comes about because we have personally – “Made The Change” – we cannot have vestiges of worldly methodology hanging around in our mind – to be discounting our fellow humans in any manner – they are “to be edified to our own hurt” and absolutely not dismissed or pushed away to be someone else’s responsibility!

And as I explain elsewhere in this document: “Yahweh is after The Mind” – being entirely reformed.

You speak about Yahweh being merciful in the one breath – while condemning innocents having no knowledge of (or not understanding) The Word of God and what it really means (inasmuch they have no Millennium to learn how to appreciate The Word of God to: “Believe in JC” - and thus to: “Believe in The Word of God” - Rev19v13) and yet you ignore huge sections of The Bible that speak about people who know The Bible very well (and some make a nice living out of it):- I would like you to consider some verses that speak about JC and ask yourself why have they been placed in The Bible especially when you state that “JC loves us all” (I suppose you mean those persons who claim to be ‘the most ardent of Christians’ within The World today – and of ages past):-

People considering The Word of God in this manner at Matt.25v24-26, Luke.19v20-23?

Why does JC curse the fig-tree at Mark.11v13-21?

Why does JC speak about people stumbling over The Stone and those being crushed by it at Luke.20v18?

Why does JC speak of the astute steward ‘getting out early’ as being sensible at Luke.16v1-10?

Why did JC keep using The Pharisees as examples – for example John.8v28-54, Mark.12v40, Matt.23v1-33?

Why did Paul give the warning to The Thessalonians at 1Thes.4v6?

And many other examples that I could give. I have not invented any of these warnings of hostility!

Are you aware of these, and just so many more examples in The Bible?

Who have you been listening to? People who just tickle your ear for a fancy return (2Tim.4v3-4, etc)!

JC is speaking about people who are entrusted with The Word of God and have been rejected by it – not because of The Public Façade, but because they were not fulfilling Yahweh’s Desire of them as individuals (2Tim.3v5).

When JC was speaking about The Pharisees – he was not ‘closing the gate after the horse had bolted’, but rather he was giving by prophetic warning what would be occurring in The Gospel Age of some 2000 years by worldly Christian leaders, where just like The Pharisees they would be using The Word of God for ‘a nice little earner’ (of whatever worldly return)!

So how does this concord with what you have told me?

My plea is to get behind what is publicly presented and understand The Inner Depths of The Bible being The Reform required within our minds. I know that you are sincere – but my point is that the worldly Christian leaders to whom you look towards are actually holding you back from truly fulfilling Yahweh’s Desire (Matt.23v13). They are teaching you to be passive and not active – and thus you cannot be considered as a future ‘son’ of God. Everything Paul taught us was to be active to reach The Prize of Sonship – and Yahweh cannot bring in The Millennium until His prophecy of 144000 TCs is fulfilled – and it cannot be fulfilled if people are going to be passive and not imitating JC to be active – but be driven with true agapao = “to edify our neighbour to our own hurt” (of which our leaders of “Religion” do not – because they are like parasites living off the backs of their congregational members – using The Word of God as their tool to do so) noting what JC and Paul specifically taught us regarding this (do you know the citations – or am I required to give them to you – actually I give some elsewhere in this dissertation – so not repeat them here – but give you a chance to think about them)!

Can you understand what really is occurring in The World today?

You now state “I want to live a lifestyle that He has ordained for me”

But sadly you do not know what it is – please see Rom.4v1-5 where Paul makes a very specific point:-

Abraham may have been considered as being righteous by fellow men by appearing to be “good”!

But Paul tells us that did not make him righteous to Yahweh!

So what did make Abraham righteous before Yahweh?

Abraham was righteous before Yahweh:

Because - he precisely fulfilled what Yahweh specifically desired of him.

I merely presuppose that:-

'You' consider 'you' are righteous before Yahweh – because 'you' consider that 'you' are a “good” person!

But what does Paul tell us about this?

Perhaps 'you' are not righteous before Yahweh – because He might expect more from 'you'?

I say no more – I am not your judge – but merely draw your attention to what The Bible tells us, for us to make our own decision on how far we wish to push ourselves! Perhaps Yahweh's Expectation is more of us, than we of ourselves!

And you state:

“Because I worship Him” - and supposedly reason: “So I am safe!”

That is precisely what a Muslim, Hindu or Sikh might state about their “God” - so what makes you any different?

And we return back to page 5-6 for our consideration.

How does Yahweh view all these persons in the example groupings, to be doing and saying precisely the same things in their worship to “God”?

They emotionally think precisely the same – as are you!

How is Yahweh prepared to judge them?

In the manner as you suggest noting the conditions that is universally stated by worldly Christian leaders in the previous page – and you stating that: They are only to be resurrected at the end of The 1000 years to be judged based upon what they did now!

Can you not see there is something utterly unrighteous in what you state?

Actually when we understand what Yahweh's Desire really means to us, as individuals, then we realise that “Worship” (as given and supposedly defined by leaders of “Religion” throughout all The World) absolutely does not mean what we are taught and as I suspect, you think it means – because sadly: It does not!

“Worship” has been spun away from what it means as given by “1<sup>st</sup> Century Christianity” – to become what “Religion” desires it to mean – to now mean a euphoric action – to be giving us an emotional rush – and yet this is animalistic/carnal minded because it is transient for “The Immediacy” – against what The Bible teaches us (for the animalistic/carnal mind).

What does The Bible teach us about the type of “worship” that Yahweh desires?

Quite simply – not the emotional hype taught by worldly Christian leaders but:-

To precisely imitate JC's ministry/lifestyle driven by agapao yielding agape (freely/simplely) to edify our neighbour!

In this manner we truly worship what Yahweh represents within us –

being through sane/reasoning minds – just like JC and The Apostles (Titus.2v2-8)!

And it is this, that starts to separate ourselves away from the self-indulgent methodology of:-

1. Leaders of Religion.
2. Their congregational members.

Now I move onto your next section.

I quote you:-

You (“FutureLife.Org”) talk about the 2<sup>nd</sup> part of your life (- this) is nonsense!

I could quite blithely state:

You have contradicted yourself by your own words when you go on to state:

“People are resurrected at the end of the 1000 years”.

I would state that being “resurrected” means that we enter a 2<sup>nd</sup> part of our (physical) life!

However that is a rather cheap shot!

I need to start a massive untangling here of unrighteous misinformation.

Firstly we need to consider a couple of words:

*Anastasis* Strongs<sup>TM</sup> 386 to mean *{standing up again}*.

*Egeiro* Strongs<sup>TM</sup> 1453 to mean *{collecting the senses}/awakening/rousing/resuscitation*

Both words are used in differing locations to appropriately express either the physical or the mental aspect of the context, thereby teaching us that a “{conscious existence}/soul/life” has a two part component being the physical body within which consciousness operates. “Consciousness” requires a physical body/platform upon which to operate – where DNA physical platforms are the synapse construction within which “conscience” exists, but as regard to heaven/celestial bodies, I have not the faintest idea how that operates!

We are also told in numerous places where JC tells us that a dead person is merely “asleep” and the citation that I recall from memory is John.11v11-15, but there are several others. Thus combining these examples together, teaches us to understand what The Bible is telling us about our life – being a 'single life' punctuated by “asleep” hence my accurate and appropriate use of “2 part life” descriptive terminology where each of the 2 parts of our life is separated by what humans generally consider as being “death”. I appropriately describe this “death” as The 1<sup>st</sup> Death for us humans only because The Bible tells us that there is a “2<sup>nd</sup> Death”, where this 2<sup>nd</sup> Death cannot hurt/affect some humans who enter the 2<sup>nd</sup> part of their whole life (Rev.2v11, 20v6). This information also tells us that there is another group of persons who will be affected by The 2<sup>nd</sup> Death and nothing afterwards is mentioned about them – so this infers The 2<sup>nd</sup> Death is different to The 1<sup>st</sup> Death inasmuch The 1<sup>st</sup> Death (being metaphorically “asleep”) is recoverable, but the 2<sup>nd</sup> Death is permanent and

thus can be understood as “annihilation” (“apollumi” Strongs™ 622 – lost/perish/destroyed [in The Bible]). Thus we can accurately reason that when we enter the 2<sup>nd</sup> part of our life then it can be cut short (terminated) at The 2<sup>nd</sup> Death, or ideally, the 2<sup>nd</sup> part of our life can continue into The Eternity.

Does this make sense?

It is merely only explaining what The Bible precisely tells us.

Now we understand what “2 part life” means, then perhaps I can now move onto the worst part of The Bible!

What do I mean: “The worst part of The Bible”?

I do not know what bible translation you use, but at least half of them will put the first sentence of Rev.5v20 in brackets. A couple of other bible translations will place a footnote in the text regarding this 1<sup>st</sup> sentence as being not present in some original manuscripts – please see weblink below to validate what I state:-

<http://www.biblegateway.com/verse/en/Revelation%2020:5>

I also give the reader a hyper-link of many to validate about what I am to carefully explain:-

Quotation:

The Syriac Philoxenian version of the New Testament (from the sixth century) reads the way that Charles suggests as being correct. It omits Revelation 20:5a (“the rest of the dead did not come to life until the thousand years were ended” NRSV) and connects the 2 lines that Charles felt are incorrectly separated. It gives an idea of how I believe Revelation 20:4–6 should read.

**04 And I saw thrones, and [persons] sat on them, and judgment was given to them, and to the souls that were beheaded for the testimony of Jesus and for the word of God: and these are they who had not worshipped the beast of prey, nor its image, neither had they received the mark upon their forehead or on their hand; and they lived and reigned with their Messiah those thousand years. 05 This is the first resurrection. 06 Blessed and holy is he that hath part in this first resurrection: over them the second death hath no dominion; but they shall be, [nay] are, priests of God and of his Messiah; and they will reign with him the thousand years.** [13] brackets in original

This reading is much less awkward, but more importantly, it is consistent with the teaching of the rest of Scripture that there is only one resurrection event of the physical dead (although that resurrection continues since its AD 70 beginning). [14] Nowhere else in Scripture does it show two resurrections of the physical dead separated in time. It should be clear that Revelation 20:4 is referring to the time of the resurrection, as it shows the coming to life of the souls of those who had been killed [15] by the beast. These were the souls of believers (the saints overcome by the beast, cf. Rev. 13:7), being resurrected. This is not a spiritual coming to life, as the dead here were saints; they were already spiritually alive (cf. Rev. 6:9–11). Johnson said the following about how the coming alive of the martyrs of the beast is not speaking of a spiritual coming to life.

sourced:-

<http://planetpreterist.com/news-5017.html>

However what we know, is that out of the **three** primary and most complete original manuscripts of The New Testament then this 1<sup>st</sup> sentence in Rev.20v5 is **not** present in **two** of them (and thus only present in **one** of them – these three primary sources being the Sinaiticus and 2053 do not have 20v5 [1<sup>st</sup> sentence] and the Alexandrinus does have this addition).

Also this verse is **not** found in perhaps half of other less complete manuscripts.

Now what should this cited information be telling the reader within their mind?

Perhaps I should refer the reader back to The Old Testament being The Law given to The Jews (Deut.17v6) and also quoted by Paul (2Cor.13v1): We take the testimony from the mouth of at least **two** witnesses and **ignore** the witness from **one** source. I would suggest that we together follow that Bible based instruction in this instance!

Essentially these references and many more I could have used, tell us of two basic truths:-

1. This sentence is a Copyist Addition put in to substantiate “The Interpretation” that proponents of worldly Christian doctrine had interjected into The Text of one of the prime reference manuscripts (I suppose to be 'helpful' by some spiritually blind religious authority – ignoring Rev.22v18-19) having previously 'got the wrong end of the stick' by not understanding the scriptures (hence Prov.3v5-8), and with this supposed 'enlightened' interjection making things worse for us in following generations! But enables Yahweh to righteously draw out by election those individuals who **are** demonstrably prepared “to seek and to find” – being of Yahweh's primary concern during The Gospel Age during His election/selection process (Matt.20v16, 22v14).
2. If this Copyist Addition is read in context, then we understand that the flow of understanding of the verses either side is broken by this human introduced interjection – being outside what was in John's mind when originally scribing Revelations.

Therefore we understand that this first sentence of Rev.20v5 as quoted by yourself to be the lynch-pin of your argument - is actually a human invention created between perhaps the 5<sup>th</sup> and 14<sup>th</sup> century to give some human support to The Methodology 'doing The Rounds' then (based upon an indulgent methodology by those persons with ‘The Word’), – being similar today, to fertilise incorrectly understood citations elsewhere that “humans are automatically resurrected to face an **immediate** life/death decision”. I fully discuss all those other positions in The New Testament elsewhere (in my inter-verse commentaries) – and if the text is carefully considered, then it will be realised that there is **no** time domain mentioned in those citations – thereby telling us that “Judgement” (1) could be immediate – but **also** (2) it could be over a 1000 years or (3) **any** length of time! And that is The Crux of understanding this and other passages in The

New Testament on the word “Judgement” (“Krisis” Strongs™ = 2920, to be our “Crisis”) means “serious decisions are to be made” when again, there is no time domain is specified, where in their ignorance after 325 CE spiritually blind worldly Christian leaders just slapped an unjustified assumption of “immediate” being merely an interpretation into a position where “1000 years” could equally be read!

But most importantly (going full circle to substantiate my claim that worldly Christian leaders are not of the one/same “spirit/personality/desires/traits that are pure/{separate from this world of sin} operating within Yahweh to make his Desire manifest within The Environment” = and thus they do not have the “HS” irrespective to what they presumptuously claim to the contrary – their witness testifies) is that they do not subscribe “Righteousness” to The Righteous God – Yahweh. Inasmuch as I very carefully explained in the earlier pages of my answer to your assertions:

Yahweh must be seen/understood to be demonstrably “Righteous” to all individuals.

And a line of supportive citations - Ps.9v8, 11v7, 33v5, 119v137, Isa.11v4-5, Jer,11v20, 45v19, Rom.1v17, 2Pet.1v1. And thus to be seen/understood to be Righteous within the reasoning centres of our brain (being like “God” as “Christians” are so ready to state) and thus, Yahweh shall give them a 2<sup>nd</sup> opportunity in perfect society of paradise during the 2<sup>nd</sup> part of their physical life to fully “believe in JC” - before The Judgement which can result in The 2<sup>nd</sup> Death of Annihilation – being a decision made by ourselves when given all The Knowledge (by demonstrably proven kings/priests formally the 144000 TCs) upon which to make an educated decision to how we wish to personally behave. The problem with our scholars is that they have 'no guts' to start with a clean sheet of paper and carefully reason how Yahweh has/presently/will righteously operate within The Environment – 'brainwashed of original thought' at their seminaries (Matt.23v15), they become clones of past generations (of The Old Wine – Luke.5v37-39) and they can only keep citing worldly reasoning of fellow peers throughout the ages – presuming they to be sages (counter to what The Bible teaches us throughout). But sadly they are “the blind leading the blind” (Matt.15v14, Luke.6v39) – because what else can they do – and where is their income sourced, of whatever, all of which cannot be put at stake on risky adventure!

So, does this whole piece not sound reasonable and “Righteous” to be ascribed to The Righteous Yahweh?

I now copy and paste my present (1<sup>st</sup> Rev. 2013 CE) translation and commentaries of Rev.20v5 for your inspection.

Rev.20v4-6:-

*TIME FRAME 19a – The Prime Movers at the beginning of The Millennium are described – This is a high level overview of The Great Sabbath!*

**411<sup>th</sup> Comment** – After JCg has restrained Satan, Yahweh through JCg sets up The New Administration (to rule The Earth):

*Also I saw thrones, also they (persons = the 144000 TCs) settled upon them,*

*Also judgement was given to them (over the future resurrected world in The Millennium),*

*Also the lives/souls/{conscious existences} of these persons having been truncated through reason of the evidence given of JC,*

*Also the persons who had not adored the 1<sup>st</sup> beast, neither the image of the 1<sup>st</sup> beast,*

*Also not taken up the mark of the 1<sup>st</sup> beast upon their forehead,*

*Also they ruled with JCg for the 1000 years.*

**166<sup>th</sup> Warning** – Be very careful how this verse is to be read – it is absolutely not as we are errantly taught – see later!

**‘Allegory’** – repeat - thrones = The Seats of power (in this instance the 144000 TCs to rule in The Millennium).

**551<sup>st</sup> Allegory** – settled upon = Taking the position of responsibility = To Rule.

**287<sup>th</sup> Instruction** – The 144000 TCs shall judge The Resurrected World, Matt.19v28, 1Cor.6v1-3 (The 2<sup>nd</sup> Death).

**717<sup>th</sup> Reasoning** – Further credentials of these future rulers are given by the link word “also” being applicable to them. It must be clearly understood there are not different groupings of persons spoken of here – this verse speaks only of ONE grouping, this is to be The Ruling Grouping – to be The Heirs of The Inheritance (which is to be described later).

**‘Allegory’** – repeat - “soul” = the “conscious existence of a reasoning entity” (I realise this is not an allegory but a very necessary definition because of the utter foolishness spoken by those who claim to know – but obviously do not know!)

Please see glossary and dissertations on this word within this website – that clearly explain what the word really means!

**Reasoning** – repeat - Thus these TCs during their conscious existence (= the 1<sup>st</sup> part of their physical life) precisely imitating JC’s ministry/lifestyle are indeed subjecting themselves (= under) to the fulfilment of Yahweh’s Desire (as to be sacrificing their lives at Yahweh’s alter) In their worship driven by real Faith and true Belief. This is a ‘million miles’ away from what we are errantly taught by our worldly (and worse, charlatan) Christian leaders (for obvious reasons)!

**Reasoning** – repeat - Thus the TCs, as we have seen throughout history, became martyrs (or at least, received severe persecution) by The Established Religious Leaders through The Gospel Age - so why should it be any different at The End of The Gospel Age when we are overpowered by the false christs (Matt.24v23-26) giving what their devotees want to hear, (2Tim.4v3-4) but is far from what Yahweh Desires to hear taught in their sermons!

**Reasoning** – repeat - Thus the TCs through reason of thoroughly imbuing The Word of God (JC) within themselves so that they precisely imitate JC’s ministry/lifestyle (simply), thereby exhibit themselves to The World by their testimony in both word and deed of precisely imitating JC’s ministry/lifestyle. This circular reasoning is fairly obvious but must be stated – because it is never taught correctly by worldly (and worse, charlatan) Christian leaders!

**167<sup>th</sup> Warning** – “Soul” is absolutely not that “mystic thing” taught by our errant worldly Christian leaders, because I ask our eminent worldly theologians: How is it possible for persons giving the evidence of JC to be having their “souls” truncated/{cut down}? Surely they are the very people who should not have their souls “cut down” based upon what our errant worldly Christian leaders tell us! Obviously our worldly theologians do not understand what they ‘teach’ us! But with my definition it becomes obviously that the TCs can have the 1<sup>st</sup> part of their physical life/soul/{conscious existence} cut-down, to be given it back upon their resurrection into the 2<sup>nd</sup> part of their physical life – as a future son of

God – as described here within this verse!

**Instruction** – repeat - The TCs having “the evidence given by JC” express this in their life not merely by (cheap) words, but also by The Works which are driven by The Word of God having completely reformed their mind to understand why they must develop further - to become more competent in accurately teaching The Word of God to eager recipients.

**Allegory** – repeat - dangerous animal = Satan’s methodology to self-indulge operates as a common core to each head which are the human manifestations of World Powers (move quickly, physically powerful, act as sovereigns over people).

**Reasoning** – repeat - The dangerous animal manifests itself throughout time as one of its heads. Satan has infused himself within The Beast portrayed through the seven heads. Thus the heads made manifest throughout mankind’s history (in the manner explained in chapter 17) operate according to Satan’s methodology which is to self-indulge to the hurt of one’s neighbour. This we witness occurring – only a tiny fraction of examples will be made public this side of The Millennium.

**Allegory** – repeat - image = propaganda (put out in the media/internet/etc).

**Allegory** – repeat - Stamp/Mark (hand) = Recognised to be working for “The Cause”.

**Allegory** – repeat - Name/Character/Authority (forehead) = Exhibits a motivation to support “The Cause”.

**718<sup>th</sup> Reasoning** – Obviously this verse describes the reasons why the TCs are suitable to be given the positions to rule for the 1000 years as we are told at the end of The verse. They are to rule as kings/priests (as The Heirs) over The Inheritance (= The Resurrected World) being the complete fulfilment of The Promise Yahweh gave to Abraham.

**620<sup>th</sup> Prophecy** – The 144000 TCs shall become kings over The Resurrected World.

**621<sup>st</sup> Prophecy** – The 144000 TCs shall be given positions to judge the persons of The Resurrected World.

**622<sup>nd</sup> Prophecy** – The 144000 TCs shall be the persons who were cut-off in the 1<sup>st</sup> part of their physical life.

**623<sup>rd</sup> Prophecy** – The 144000 TCs where the persons who had not adored The 1<sup>st</sup> Beast in the 1<sup>st</sup> part of their physical life.

**624<sup>th</sup> Prophecy** – The 144000 TCs where the persons who had not adored The Image in the 1<sup>st</sup> part of their physical life.

**625<sup>th</sup> Prophecy** – The 144000 TCs where the persons who had not taken on the character of The 1<sup>st</sup> Beast.

**626<sup>th</sup> Prophecy** – The 144000 TCs where the persons who had not worked to assist The 1<sup>st</sup> Beast.

**627<sup>th</sup> Prophecy** – The 144000 TCs shall be ruling for 1000 years alongside JCg.

**719<sup>th</sup> Reasoning** – “Settled upon” means “activity” – to mean “Rule”. Which means “there must be something to rule”! That “something to rule” is The Resurrected World of mankind – which is to learn righteousness – and to be judged!

**207<sup>th</sup> Good News** – These 144000 TCs are deemed entirely worthy by Yahweh to rule The Resurrected World.

**208<sup>th</sup> Good News** – These 144000 TCs have proved themselves not to have the mind-set of The Beast.

**209<sup>th</sup> Good News** – These 144000 TCs proven to be Christ-like shall be ruling us - instead of Satan’s cohorts!

**210<sup>th</sup> Good News** – These 144000 TCs are intrinsically ideal/good judges for The Resurrected World.

Rev. 20v4 og Also (I) knew/understood/{became aware}/saw/perceived {stately seats}/thrones,

Rev. 20v4 og also (they) ruled/kingship/reigned amid/together/with/ {after (with accusative or “infinitive)}

Rev. 20v4 og Christ/Messiah/Anointed (the) thousand years.

Rev. 20v4 Also I (John) {became aware}/saw/perceived {stately seats}/thrones, also they {sat down}/settled over/upon them, also decision/judgement was given/bestowed/granted {to them}, also the breaths/lives/souls/{conscious existences} of the persons having been axed/{chopped off}/truncated through reason of the {evidence given}/record/report/testimony of the Jesus, also through reason of the word/sayings/reasoning of the God (Yahweh), also the persons who not fawned/revered/adored the (first) {dangerous animal}/{(venomous/wild) beast}, neither the likeness/image/representation/resemblance of the him (= 1<sup>st</sup> beast), also not {got hold of}/ {took up}/received the stamp/badge/mark upon their forehead, also they lived/existed upon/concerning their hand (= they worked for a living, rather than living on the backs of others) also they ruled/reigned together/with Christ/Anointed (for) the thousand years.

Perhaps best to go straight into explaining the allegories:

**Thrones** = Positions of 2<sup>nd</sup> authority (being metaphorical 24+1 [JCg] in number) under The Primary Throne of Yahweh – see Rev.4v4.

**Sat upon** = Exercising rulership over The World.

**Judgement was given to them** = The 144000 TCs shall be making decisions (underwritten by Yahweh because they are of one mind with Yahweh) about the future existence of members within The Resurrected World (Matt.19v28, 1Cor.6v1-3).

Now for the split!

1. Worldly interpretation for the sake of the false exegesis given by worldly Christian leaders leads to what we read in worldly translations of

bibles and the utter confusion leading to the mysteries that our worldly Christian leaders proudly boast to be lost within!

Or

2. What I present which is coherent to this verse and context states to us, and, also homogeneous with what The Bible correctly translated/interpreted teaches us that I now present, where the word “also” (Greek “kai” rather than “de”) is used to link all the demonstrable attributes to the specific persons on The Thrones and absolutely not those individuals of The Resurrected World being judged later.

Thus we understand that these persons who were given to judge comprised of individuals who had demonstrably shown in the 1<sup>st</sup> part of their physical life that they had:-

**Conscious existences chopped** = the 1<sup>st</sup> part of their physical life had been curtailed before its natural time = physical martyrs.

**Evidence given of JC** = These individuals precisely imitated JC’s ministry/lifestyle.

**Persons who had not adored the first Beast** = Prophets and the TCs experiencing “The Seven Heads” of The First Beast during the 1<sup>st</sup> part of their physical life.

**(Persons) who had not adored The Image** = These individuals did not believe The Propaganda given out to support The Head (that was killed but recovered) whose methodology of operation was based upon The First Beast (Satan being the common Core).

**(Persons) who had not gained The Mark** = These individuals did not operate according to The Methodology sourced by Satan (which is to self-indulge to one’s neighbour’s hurt).

**They lived according to their hand** = These individuals worked honestly for their fleshly sustenance (2Thes.6v12-18), they did not live off the backs of others as do people who live by words (and not through physical work, that includes many occupations – including politics/religion)!

**They ruled with JC** = These 144000 individuals “awakened/roused” in The 1<sup>st</sup> Resurrection as sons of God ruled alongside JC over “The Inheritance” (= The Resurrected World) = The 3<sup>rd</sup> Epoch ‘Israel’.

Again the reader can see when taught correctly, then The Bible is very easy to understand, sadly our befuddled worldly Christian leaders make it all very difficult to understand – because “they are not given to know” just as JC taught us at Matt.13v11-13.

## Rev. 20v5 Prelude.

I make a departure here because we meet the most infamous Copyist Addition in The Bible and I need to alert the reader to this fact. When the reader analyses this specific sentence in context, then it becomes evident that it does not fit the context but stands out as an errant addition put in by supposedly ‘learned’ worldly Christian leaders blinded by the faulty understanding of a ‘single only’ resurrection to an immediate Life/Death Judgement, who themselves not understanding The Bible slid this sentence into the text at perhaps sometime between the 4<sup>th</sup> and 15<sup>th</sup> century.

Verse 5 is an interesting verse, because:-

1. Most of it is a copyist's addition = it is not found in early manuscripts (neither in 2 of the 3 most complete original manuscripts).
2. The Addition created becomes the confusing part of verse 5 when located between verse 4 and 6.
3. It is not supported by any other verse in The Bible.
4. And most importantly – it is not righteous/equitable to all humans!

For these four specific reasons, then it must be completely disregarded/ignored.

“[also the rest of the dead not lived again until were ended the 1000 years = CA and thus ignore]”

This faulty concept was created by worldly reasoning men to lend support to: The single resurrection and immediate judgement to ‘life or death’.

Thus written into the text as a copyist addition falsely promoting the myth of a single judgement – contrary to The Bible teaching us of two judgements! The 1<sup>st</sup> Judgement is made by Yahweh upon all (and only) Christians of The Gospel Age to elect out His future Sons of God, and The 2<sup>nd</sup> Judgement is made by JCg and his brothers (144000 TCs) to judge The Resurrected World (= [‘Israel’] Matt.19v28, 1Cor.6v3) during, and at the end of The Millennium (witnessed/underwritten by Yahweh – all as we are specifically told in The Bible in various places).

Thus we understand this is The 1<sup>st</sup> Resurrection (as we are told in this verse) of the 144000 TCs (1Cor.15v35-55, 1Thes.4v13-18, Matt.24v40-44, etc) because as we are told in the next verse “they are supremely blessed” (by all intelligent life) because they have precisely imitated JC in their ministry/lifestyle. Thus these 144000 TCs as specific individuals have been judged by Yahweh during the 1<sup>st</sup> part of their physical life during The Gospel Age as being worthy to become “a brother of JCg” (Matt.12v48-50) because they have “fulfilled Yahweh’s Desire” (which is to precisely imitate JC’s ministry/lifestyle [1Cor.4v16, 11v1] – for no worldly return except abuse – John.16v1-4, 1Cor.4v13, 2Cor.11v23-28, etc).

Obviously if there is a 1<sup>st</sup> resurrection then there must be a 2<sup>nd</sup> resurrection (or more) which is The General Resurrection(s) into The Millennium – so that these perfected DNA fleshly bodied persons might then ‘perfect their mind’ (spiritually – now they have been given a perfect physical fleshly body). Note: Plural “General Resurrections” does not mean the same person is resurrected more than one time, but rather The General Resurrection for mankind is staggered/staged over perhaps 100 years (Isa.65v20) cycles. Perhaps those who died in 1500 to 2000+ CE are resurrected first, then 100 years later those who died 1000 to 1500 CE are then resurrected – etc. backwards in time. Thus adding to the embryonic new world of The Millennium in manageable quantised groupings.

Now moving on to explain the rest of this section.

Clearly in Yahweh’s Righteous/Equality/Justice, then He through what JC has done in

(1) **Ministry** [for us as individuals to personally perfect The Mind] and the:

(2) **Ransom Sacrifice** [to righteously enable Yahweh to perfect The Body]

From which above there is now a ‘soul/{conscious existence}’ (“spirit/personality/desires/traits” operates within a “viable [DNA or Celestial] body”). Thus it is those person being the 144000 TCs who have demonstrably shown themselves competent as having precisely imitated JC’s ministry/lifestyle (as The Early Adopters) who are resurrected in The 1<sup>st</sup> Resurrection to rule over The Resurrected World (of The 2<sup>nd</sup> Resurrection) to teach them righteousness so that the members of The Resurrected World might have the righteous opportunity to grow in The Light of Yahweh’s Word correctly explained (rather than errantly explained as presently done during The Gospel Age by those who presumptuously claim to represent “God” – of whatever worldly religion – quite simply, they are ‘all’ wrong)!

It is the members of The Resurrected World who are covered (during his death) by JC’s Great Sabbath Day (of 1000 years – 2Pet.3v8) in the 7<sup>th</sup> Day (Strongs™ = 7650/1 shaba/sheba seven/completeness/perfection) – being The Millennium (ruled by JCg) which follows the 6 days (6000 years) of Satan’s misrule upon this world. It is during this (7<sup>th</sup>) last block of 1000 years where humans are to be taught righteousness (because “The Sabbath was made for man” to complete/purify him) by the kings/priests – hence by continuity of the next verse.

But sadly with what we are taught by errant worldly Christian doctrine then we can clearly reason:-

It is a ridiculous understanding to have kings/priests over a zero number of resurrected humans!

What is righteous about that! Especially if they are to be judged and many of them would know nothing about JC to be saved!

All as I explain in the commentary to the next verse.

**TIME FRAME 19a – The Prime Movers at the beginning of The Millennium are described – This is a high level overview of The Great Sabbath!**

**412<sup>th</sup> Comment** – John tells us when these future kings/priests are to resurrected relative to The Resurrected World:

(The kings/priests who have been given their positions to rule [of v4]) are specifically of The 1<sup>st</sup> Resurrection.

**720<sup>th</sup> Reasoning** – Clearly if there is a 1<sup>st</sup> Resurrection for a group of people, logic would tell us that there is at least a 2<sup>nd</sup>

Resurrection for another group of people – else why call it the 1<sup>st</sup> Resurrection?

**168<sup>th</sup> Warning** – Our worldly Christian leaders **never** teach of this distinction – why should they? Because it is not applicable to them in Yahweh's scheme of things! Thus if they cannot get this correct – what else do they get wrong? The answer is: – Virtually everything as soon as they deviate from directly quoting The Bible, like a worldly reporter!

**288<sup>th</sup> Instruction** – We are told in Rev.2v11, 20v6 that humans of The 1<sup>st</sup> Resurrection are not subject to the effects of The 2<sup>nd</sup> Death of annihilation and are thus special people - which The Bible tells us: “they are sons of God” – like JCg.

**721<sup>st</sup> Reasoning** – It is obvious to awaken/rouse the proven perfect leaders first (where they are trained for 3.5 years) – because they (having the correct mindset and now suitably trained to accept the new responsibility) are required to bring about institutional change upon The Earth before The 2<sup>nd</sup> Resurrection which is to occur for everyone else.

**722<sup>nd</sup> Reasoning** – If at the time of writing (2012 CE) the 1<sup>st</sup> Resurrection has not yet occurred because 1Thes.4v13-18, Matt.24v30, 40-44, Rev.11v7-12, etc. have not occurred, then logic would tell us that The 2<sup>nd</sup> Resurrection for everyone else has not yet occurred. Therefore we can conclude that humans have not yet been resurrected and therefore are not in “heaven looking down at us” as we are falsely told by our errant worldly Christian leaders ‘spinning a yarn’.

**723<sup>rd</sup> Reasoning** – Also increasing the length of ‘the yarn’ to infer “humans go to heaven” when clearly they do not – especially if it is the leaders who are ruling us upon the Earth as The New Jerusalem coming down to Earth (Rev.21v10).

**169<sup>th</sup> Warning** – If our ‘eminent’ worldly Christian leaders spin a yarn on one thing why not many things? How do you know that they do not? We are told that a dirty fountain can only give dirty water, and a clean fountain gives clean water. So would you go to a dirty fountain for knowledge on how to fulfil Yahweh's Desire or a clean fountain? (James.3v11-12).

**628<sup>th</sup> Prophecy** – The 144000 TCs shall be awakened/roused in The 1<sup>st</sup> Resurrection.

**211<sup>th</sup> Good News** – There is a 2<sup>nd</sup> Resurrection for all humans – so that we all might learn righteousness – from those of The 1<sup>st</sup> Resurrection who demonstrably proved themselves as being suitably qualified to teach us The Word of God.

Rev. 20v5 og This/That (specifically) the (one = first event) (to the) {standing up again}/resurrection/{rising again}

Rev. 20v5 og the foremost/beginning/best/chief/first/former.

Rev. 20v5 This specifically (is) the foremost/beginning/best/chief/first/former {standing up again}/resurrection/{rising again}.

I must write this again because it is just so important.

“This is specifically the foremost/best/chief/first {standing up again}/resurrection” (which is applicable to):

Of those persons “deemed entirely worthy” to be participants at JCg's 1<sup>st</sup> 2<sup>nd</sup> C, these are The First-Fruits prior to what is to become The 2nd Resurrection (= The Main/General Resurrection).

Let me put this verse into context (without The Copyist Edition that completely distorts/confuses logical reasoned understanding).

20v1-3 gave us:

We are told that JCg physically takes control of The Situation on this planet.

**JCg constrains Satan after 6000 years of misrule, so that mankind is freed from this errant methodology, thereby allowing JCg and his 144000 TCs (as his Bride) to take rule over The Resurrected World and teach its individual members righteousness.**

20v4 gave us:

John tells us that after JCg takes control he brings onto the scene his immediate assistants:-

**That after Satan has been restrained/{removed from the environment}, then the 144000 TCs take their positions to rule over mankind.**

Obviously “to rule” means there must be humans over which “to rule”, and these humans (being those who have come through the implosion [Dan.12v11-12]) are still in fleshly bodies and become The Embryo of mankind started before The 2<sup>nd</sup> Resurrection commences.

Note: Obviously this embryo will naturally become old and die out within The Millennium – but they shall be immediately resurrected (as their individual 2<sup>nd</sup> Resurrection during The Millennium within perfected DNA fleshly bodies).

Then John tells us about JCg's immediate assistants' credentials:-

**That these persons given positions to rule are those persons who were martyrs, precisely imitated JC, who did not worship The 1<sup>st</sup> Beast under any of its heads – and these persons are to rule alongside JCg for 1000 years.**

Obviously “martyrs” means these humans must have died in some manner (during The Gospel Age) first spiritually away from what The World can self-indulgently deliver and perhaps also physically for some! Therefore if Yahweh decided they were like JC, then they must have been resurrected to be consciously ruling alongside him!

In the next verse we are told the persons resurrected to be ruling alongside JCg have participated in:-

20v5 gives us:

John tells us that JCg's immediate assistants have just participated within:-

**This is the Best/First/1<sup>st</sup> Resurrection.**

The best/first resurrection is referring to the persons who are taking positions of rulership alongside JCg (brothers of JCg [Matt.12v48-50], and thus sons of God) because they are The First-Fruits presented to The Temple (which in this instance metaphorically become The New Temple ready for The Millennium where people [“The Inheritance” being those persons of The 2<sup>nd</sup> Resurrection] come to learn about The Lord - Yahweh).

20v6 will give us:

John will tell us about JCg's assistants' having special attributes that separate them away from worldly persons:-

**That the person(s) who participates in The Best/First Resurrection is supremely blessed and is pure/holy/{separate from this world of sin}.**

John throughout these verses is only speaking about the 144000 TCs who have been grafted into The Order of Melchizedek (Heb.5v6-10), to be kings and priests of Jerusalem (= Yahweh's ruling organisation over The Resurrected World of The Millennium). These individuals are, as we are told, “supremely spoken well of” (by Yahweh) and they are holy/{separate from this world of sin} (as deemed by Yahweh). Yahweh also chooses/elects them (from out of The Christian Nation) into a position to rule alongside JCg over The Resurrected World.

Then John will tell us that JC's assistants can never die and shall be given a special position for a long period of time:-

**Also The 2<sup>nd</sup> Death (of annihilation) will have no power over this person, but they shall become priests of God and shall rule together with JCg for 1000 years.**

We are now told that these specific persons who are ruling alongside JCg will not be subject to The 2<sup>nd</sup> Death and thus can never become annihilated. – Why? Because they have been resurrected into heaven/spiritual/celestial bodies – the same as that which JCg inhabits.

This is further supported at Rev.2v11 within the applicable context given.

And it does not take much imagination to realise that these individuals to rule as kings and priests must therefore have subjects over which to rule and unto whom to teach The Word of God – therefore telling us that:

“[also the rest of the dead not lived again until were ended the 1000 years]”

Is a forgery – and is **not** sourced by Yahweh, but by Satan through his cohorts to mislead – as they have done for the last some 1900 years! Therefore we understand it is The First-Fruits of The First/Early Resurrection who rule and teach righteousness to The World that comes through the implosion at The End of The Gospel Age, and when they are operating correctly as The Embryonic Population, then The 2<sup>nd</sup>/General/Main Resurrection occurs to bring people from the 6000 years into the correctly functioning embryonic population. Everything that has been stated in this commentary makes perfect, logical and righteous sense.

But this **core** Gospel message is **never** taught by our worldly Christian leaders – for which they shall be answering to JCg in The Millennium!

**TIME FRAME 19a** – The Prime Movers at the beginning of The Millennium are described – This is a high level overview of The Great Sabbath!

**413<sup>th</sup> Comment** – John continues to teach us about the individuals of The 1<sup>st</sup> Resurrection:

The person of The 1<sup>st</sup> Resurrection is supremely blessed, also pure/{separate from this world of sin},

Also The 2<sup>nd</sup> Death has no power over these individuals (of the 1<sup>st</sup> Resurrection),

But these individuals (= 144000 TCs) shall become the priests of God, also of JCg,

Also they shall reign together with JCg for 1000 years (= The Millennium).

**289<sup>th</sup> Instruction** – The person (as deemed by Yahweh) partaking in The 1<sup>st</sup> Resurrection is supremely blessed.

**Allegory** – repeat – supremely blessed (always) = points to the 144000 TCs making The Grade to become sons of God.

**290<sup>th</sup> Instruction** – The person partaking in The 1<sup>st</sup> Resurrection is pure/{separate from this world of sin}.

**724<sup>th</sup> Reasoning** – These individuals (as deemed by Yahweh) have fulfilled Yahweh’s Desire which is to precisely imitate JC’s ministry/lifestyle - to accurately teach The Word of God simply (without strings attached by word or deed) and certainly not to censor, or twist it for self-indulgent gain – which rules out most of our worldly Christian leaders!

**725<sup>th</sup> Reasoning** – Because being pure/{separate from this world of sin} excludes our worldly Christian leaders over the last some 2000 years then we can understand **why** Yahweh can only find 144000 TCs during The Gospel Age!

**291<sup>st</sup> Instruction** – The person (as deemed by Yahweh) partaking in The 1<sup>st</sup> Resurrection is **not** subject to The 2<sup>nd</sup> Death.

**726<sup>th</sup> Reasoning** – The 2<sup>nd</sup> Death of annihilation only applies to resurrected humans in DNA fleshly persons (virtually all The Resurrected World) – Why? Because the 144000 TCs as leaders are brothers/sisters (Matt.12v48-50) to JCg and therefore being married to JCg (metaphorically as one flesh as Paul quoted) means they are resurrected into incorruptible celestial bodies (1Cor.15v35-55) that can never die (being a physical body that is not based upon DNA).

**292<sup>nd</sup> Instruction** – The person (as deemed by Yahweh) partaking in The 1<sup>st</sup> Resurrection shall be priests of God and JCg.

**727<sup>th</sup> Reasoning** – Paul was a priest of God (see letter to Hebrews) but also he told us he was to rule as king (2Tim.4v6-8) and therefore they must be kings/priests over a population – else why be rulers over nothing? They having demonstrably proved themselves entirely worthy to be future sons of God shall be teaching The Resurrected World righteousness by being given responsibility over greater things (Luke.19v15-19).

**728<sup>th</sup> Reasoning** – These 144000 TCs were demonstrably of the one/same spirit/personality/desires/traits as Yahweh and JC in the 1<sup>st</sup> part of their physical life (John.14v20, 17v21, 26) and therefore likewise in the 2<sup>nd</sup> part of their physical life in celestial/spiritual/heavenly bodies (as The Heirs) ruling over The Inheritance (= The Resurrected World).

**293<sup>rd</sup> Instruction** – The person (as deemed by Yahweh) partaking in The 1<sup>st</sup> Resurrection will rule with JCg for 1000 years

**729<sup>th</sup> Reasoning** – The 144000 TCs rule alongside JCg teaching righteousness to The Resurrected World during the 1000 years training period, and shall also then be judging The Educated World at the end of The Millennium (Matt.19v28, 1Cor.6v1-3). This becomes the refining process of The 3<sup>rd</sup> Epoch Israel (Matt.13v25-30).

**629<sup>th</sup> Prophecy** – All the 144000 TCs (as individuals) shall be supremely blessed.

**630<sup>th</sup> Prophecy** – The 2<sup>nd</sup> Death shall have no power over the 144000 TCs (as individuals).

**730<sup>th</sup> Reasoning** – The 144000 TCs shall have guaranteed everlasting life.

**631<sup>st</sup> Prophecy** – The 144000 TCs shall become The Priests of Yahweh and also JCg.

**Prophecy** – repeat - The 144000 TCs shall be ruling for 1000 years alongside JCg.

**212<sup>th</sup> Good News** – The 144000 TC are recognised as being Christ-like and shall be applauded.

**213<sup>th</sup> Good News** – The 144000 TCs shall live forever.

**214<sup>th</sup> Good News** – The 144000 TCs having the one/same spirit/personality/desires/traits as Yahweh and JCg are suitably qualified to become Priests over The Resurrected World to teach its members righteousness.

Rev. 20v6 og (The) (one = person) {supremely blessed}/fortunate/{well off}/{very happy}

but they (= 144000 TCs) {shall be}/{come to pass} the priests of the God also of the Christ/Anointed,

**also they will rule/reign together/with him (= JCg) (for) a thousand years (= The Millennium).**

*Most of this has been covered in the long commentary given in the previous verse to expose the infamous copyist addition.*

*This is the same material about which I wrote some seven years earlier and include here:*

*These individuals must be priests for a congregation – else it is rather pointless, because they will be ‘twiddling their fingers’ for a 1000 years!*

*Further, John tells us: They will “reign with JCg”!*

*And therefore we reason again, these rulers/priests must reign over something, - else ‘reign’ is a rather sterile word to be used in this instance!*

*More importantly the Bible actually tells us later, they come back down to Earth.*

*Why?*

*Obviously, so that these rulers/priests come to their congregation of fleshly people resurrected upon The Earth!*

*Thus the rest of the humans will be resurrected during this 1000 years where they will learn righteousness from The Priests of Yahweh (being The Bride of Christ).*

*Why does The 2<sup>nd</sup> Death have no authority over these Priests?*

*Because as Paul has told us, they have won The Race according to The Rules (2Tim.2v5), received The Prize of Priesthood to become a Son of God.*

*The Rules are (as discovered by the TC during the 1<sup>st</sup> part of their life):-*

*To precisely imitate JC’s ministry/lifestyle and thereby personally solving “The Mystery of God”.*

*Thereby so doing, have perfected their mind –and Yahweh has reciprocated by awakening/rousing them into a celestial physical body.*

*Therefore with this prize of being part of the Household/Family of Yahweh, means to be physically like the fellow members of His household principally JCg in a heavenly/spiritual/celestial body as Paul explains to us in 1Cor.15v35-55.*

*Consequently operating within a heavenly/spiritual/celestial body then a {future priest}/{son of God} cannot die, and has no need of the Tree of Life in its physical sense (see Rev22v2).*

*An interesting comment:*

*We have a future situation where Yahweh is mentioned separately to JCg, therefore surely common sense would tell us that Yahweh and JCg are separate Entities where The 144000 TCs are “ruling alongside JCg” under Yahweh’s Authority.*

*What does this tell us about The Trinity myth sourced by The World?*

*Need I say any more here?*

*Except all those persons who have been blinded by The Trinity myth should just open their eyes to logically argued reason based upon specifically what The Bible teaches us and therefore: Wake-up to Reality!*

**Rev. 20v6 TIME FRAME 19a CONTINUATION – That completes the beginning of The Millennium, where the TCs have been inaugurated as kings/priests and shall be ruling The Resurrected World during The 1000 year Millennium – by teaching the members of The Resurrected World righteousness, without any interference from Satan where The Darnel weeds are allowed to grow alongside The Wheat (Matt.13v26-30) under The ‘Sun’ Light of Yahweh’s Methodology. All humans are taught how to behave to bring about a perfect society for all of its members.**

Hopefully there is enough reasoned information there for our consideration and reassessment of what we have been told to accept, by spiritually blind worldly Christian leaders – even though they are The Most eloquent and persuasive of speakers! They teach what The Recipient **wants to hear** – (1Thes.2v3-6, 2Tim.4v3-4, Matt.24v23-26, etc) but it is absolutely **not** what Yahweh wants to hear!

So after:-

1. The Substantiation by certain scholars as cited on The Internet for your statement to be a “Copyist Addition”.
2. The Knowledge given and carefully explained in The Most Righteous Manner for all persons having existed.
3. The Understanding that yields true Glory and Worship to Yahweh within a sane/reasoning mind.

Then can you state again:-

“You (“FutureLife.Org”) talk about the 2<sup>nd</sup> part of your life (- this) is nonsense!”

The question you must wrestle with, within your mind, is the following – **Do you prefer:-**

1. What sounds nice to the ears (2Tim.4v3-4) given by highly skilled and crafted individuals in their eloquence?
2. What Yahweh sourced to **Righteously** bring about The Salvation of Mankind as taught by The Word of God?

And that decision determines whether you prefer:-

- (1) The Spirit of The World (Eph.2v2) to feed “The Immediacy” **or**
- (2) The Spirit (personality/desires/traits which is pure/{separate from this world of sin}) to make Yahweh's Desire manifest within The Environment) of Yahweh?

I cannot make the decision for you – but it **is** my responsibility to present The Evidence in a reasoned manner precisely as did Paul (acknowledged by Peter at 2Pet.3v15-6) – else I personally stand accused (by “The Big Stick” - Eze.33v6).

What I find amazing (just as did Paul say to The Galatians) is that when **all** The Information is carefully explained, that still, people revert back to a worldly understanding. And yet this occurs with people having debilitating habits (for example “smoking”) - all The Evidence and Information is presented and can be reasonably assessed, but because certain humans prefer “The Immediacy” (= animalistic/carnal mind trait) and **not** the long-term future effects, then they operate according to worldly methodology. Which is **precisely why** (1) people **physically** behaving like this, and (2) “Religious” persons **spiritually** behaving like this (including millions of worldly Christians) must have the 2<sup>nd</sup> part of their physical life so that they **can** righteously purify the 2<sup>nd</sup> part of their spiritual life – precisely as The Bible tells us and precisely as “FutureLife.Org” so **very carefully** explains to The World.

Have you an open mind with what The Word of God teaches us – or do you **persistently refuse** to accept what

The Word of God teaches us – that is so very carefully reasoned and substantiated on “FutureLife.Org”?

You also mention:-

**People will marry and have children during this 1000 year period.**

But again this is **not** precisely what The Bible tells us (but merely an **assumption** of yours).

Let me quote JC – The Word of God on this matter (Matt.22v29-30, etc):-

“You do err, not knowing the scriptures, nor the power of God. For in The Resurrection they neither marry nor given to marriage, but are as the angels of God within the heaven (being the domain of The Millennium).”

Now you could argue that these persons (in your understanding) are not resurrected and thus this citation does not apply!

A good response – but please bear with me as I develop my righteous reply.

So I should ask:-

What are we really being told here?

Let us reason through this statement of JC's:-

1. Yahweh's prime aim was to fill The Earth (Gen.1v28, 9v1) and to do this they would become “of one flesh” (2v24) of which Paul recognised for The Future and thus mirrored at 1Cor.6v16-17 to speak of The Future being The Union between JCg and The Bride (of 144000 TCs ready to fill The Earth with purified “children” during The Millennium). While not what you believe – please give me time to develop my point.
2. We are taught in The Bible that The Purpose of Marriage – is to yield “children” in the best environment for The Children – irrespective of what supposed 'enlightened' persons might teach about “divorce” (Matt.19v7-8)!
3. Thus if JC told us we are “not given to marriage” – then he is speaking physically about The Reason for Marriage which is to physically fill The Earth with people 'not being required' – because Yahweh is not requiring angels to physically reproduce – so they are: “not given to marriage”.
4. Paul links his teaching to The Spiritual aspect of The Gospel Message by speaking of “The One Flesh” ([1] above) that yields spiritually purified humans to fill The Earth during “The Sabbath Day made for man” where JCg is “The Lord of The (Great) Sabbath Day” (Mark.2v27-28) which he covered for The Whole Great Sabbath in his death immediately following The Passover – (JCg) to become The Waved Barley as The First of The First Fruit that was to follow (144000 TCs) 50 days later (The Waved Wheat) at Pentecost (Acts.2v1+) to be drawn out of The Gospel Age as The First Fruits (Rom.8v23, Rev.7v4-8, 14v3-4) as instructed by Yahweh in prophetic allegory at Lev.23v5-15 – where 'everything' in The Tanakh (= The Old Testament) is a prophetic mirror of what is to follow in The Gospel Age leading into The Millennium.
5. We are also told that there is a regime change at the beginning of The Millennium (Rev.20v1-3) at the spiritual level - so we must ask the question: Why should things continue as before – with The Earth is now physically filled under Satan's Spiritual Rule – hence The Regime change! Things will be different, because JCg is to be reigning with his kings/priests (Rev.19v16) being his brothers/sisters (Matt.12v48-50) as elected/selected by The Matchmaker Yahweh (Matt.20v23) to become The Future Sons of God – being tasked to bring a New Methodology to The World – but for what reason?
6. To now spiritually reform The World away from Satan's methodology (= worldly methodology) to Yahweh's Methodology thereby bringing newly reform persons away from their old methodology (of the previous 6000 years) to The New Methodology (presented by JCg during 1000 years of The Great Sabbath Day). And the reason for this, is for them to personally understand what is better – either the old methodology or The New Methodology and ideally Yahweh is to bring The World full with spiritually perfected humans having made The Adjustment from The 1<sup>st</sup> part of their spiritual life to the 2<sup>nd</sup> part of their spiritual life. And they righteously required the 2<sup>nd</sup> part of their physical life to righteously make this change based upon The Word of God = “believing in JC” when accurately given this knowledge! This section is precisely what JC meant by allegoric prophecy at Mark.2v27-28 when he was speaking of The Millennium to purify mankind (in the 2<sup>nd</sup> part of their physical life).
7. But it is pointless to have a spiritually perfected person living in the present corrupted DNA fleshly bodies as you have suggested – being a physical repeat in The Millennium as it was for the last 6000 years where people have physically died in corrupt fleshly bodies – because being perfect minds in faulty bodies that die; and yet we are told “death” (being The 1<sup>st</sup> Death) has been done away with (Rev.20v13-14) – hence immediate inconsistency! But what is logical and righteous would be if humans were resurrected into perfected DNA fleshly physical bodies within which they can then personally purify their mind within a perfected environment, within these new perfected fleshly bodies in The New Regime to perfect The Mind – so that perfected minds and perfected bodies can continue without fear of The 2<sup>nd</sup> Death (and now it makes sense that the 1<sup>st</sup> death can be done away with)!

Does all this exegesis make for righteous common sense?

However that is merely The High Level Introduction based upon what JC told us in that citation!

I could now give some additional 30 to 40 pages of quotations/citations plus my commentaries that give all the supportive bed-rock to this understanding which is to occur in the very near future – but I will be merely repeating myself of the work that I have done elsewhere – which shall be freely available in my electronic “Concordance of Topics” for instant access. However there comes a point in time, where it becomes your responsibility for you personally to start searching for this – I have done the hard work (1) I have ardently searched The Scriptures in its original Greek word (found significant doctrinal translational errors), and scrutinised The Evidence thereby gaining The Word of God, enabling me to think in the same manner as JC and The Apostles (John.14v20, 17v21-26) yielding “1<sup>st</sup> Century Christianity” (to be at utter variance with the worldly Christianity we have taught today) and (2) with fidelity I have freely/simplely gathered all this information and presented it to you (and The World at large) in a transparent, rational and sensible manner. There is a point in time within your (2 part) life where you must take some action yourself and personally run with this knowledge freely presented – do not keep saying: “Lord make/give me ... *this, that or the other*” – as do our worldly Christian leaders tell us in their phony prayers) - because He has, in this website “FutureLife.Org” that, like a luminary, is beamed throughout The World (Matt.24v14, 28v19) and yet you reject it! Whose responsibility is that?

Yahweh has done His part with The Word of God,

JC has done his part to give (1) the Ministry to purify our minds and (2) The Ransom Sacrifice to get us into the 2<sup>nd</sup> part of our physical life (1John.2v2),

I have done my part in very carefully explaining it to you –  
and now it is over to you!

I really cannot make it any clearer than that!

Now let me carefully go through what you stated, line by line, and untangle your assumptions and errant reasoning based upon human sourced mythology – and afterwards see if there are any Bible citations to counter what has been written.

At the start of the 1000 years (= The Millennium) Satan is bound

Correct statement – because this is precisely what The Bible tells us at Rev.20v1-3.

and the first-Fruits/saints are raised from the dead to live and reign with Christ during the 1000 years.

Correct statement - this is precisely what The Bible tells us at Rev.20v4-6.

However I choose not to use “saints” because this insinuates that I might concord with the practice of canonisation/beatification as practised by worldly Christian leaders presuming themselves to be “God” counter to everything The Bible teaches us (for example: Matt.20v23). This practice is an abomination to Yahweh!

I prefer to use the word {holy persons}/TCs as determined by Yahweh – to become The “First-fruits” (Rom.8v23).

The rest of the dead are not resurrected until the end of the 1000 years.

A Copyist Addition – accepted as such by most Scholars – endorsed by our most authentic prime reference standards.

There is **no** other supportive phrase in The Whole Bible (both Old and New Testaments) to support this sentence, and for “certainty” we accept the word of **two** witnesses and **not** merely one witness – as The Bible tells us.

Yahweh's most Righteous Plan for Human Salvation as given through six millennia and recorded throughout (given through thousands of concordant prophecies/allegories being fulfilled even today) is absolutely undermined by this **one** sentence – which is shown to be a **fraudulent** statement!

It yields an unrighteous and thus faulty exegesis – as you have clearly written down – and I am having to carefully unpick! It is very unwise for any person to build their whole thesis upon sand (Matt.7v26-27) because the house falls down!

Therefore,

An incorrect word to use here – we can gain nothing from a demonstrable/reasoned/unsupported Copyist Addition!

The following now becomes a myth, because it is a conclusion that has been based upon an incorrect statement.

they will not be allowed a second chance to learn righteousness during the millennium – they will not be there!!!

This now becomes the myth – because there is **nothing** else in The Bible to support this conjecture (of which I invite any person in The World to contact this website if they are able to find another supportive phrase in context).

However it does lead to **many unrighteous** inconsistencies in other parts of The Bible – of which my electronic “Concordance of Topics” will bring together for all people of The World to read for themselves – rather than to be listening to demonstrable myths, repeatedly peddled without thought and substantiation.

The important thing is that Yahweh must be seen throughout **ALL** Time to be utterly righteous in everything He does – and likewise in His Word of God as precisely recorded in The Original Greek Text (where “righteousness” cannot be seen within unoriginal Greek text).

If you read from vs 11 – 15 you will notice that the dead from the earth and sea are raised

As an assumption, this could be thought to be a correct statement based upon worldly Christian doctrine.

But I went back to the original Greek text and noticed that what you state here is not precisely correct – you have made several subtle, but very critical errors based upon several errant assumptions!

“The earth” is **not** stated at all in the text, but only “the sea”.

Also you make a point: men were “raised” – but the text actually states they were “given” - this is subtly different.

Also death/hades gave the dead – meaning that these constraints were removed for those dead persons – all very subtly different to the general broad brush assumption you originally gave. And this is just so typical of humans today – inadvertently spinning The Truth to fit what: “They want to believe”!

Thus we realise that again, worldly Christian leaders/theologians have actually missed the point of what is occurring here and it has rippled down into their congregations (Matt.15v14, Luke.6v39)!

“The Sea” in prophecy **always** means “Mankind” – being tempestuous because it is blown about The Spirit of The Air (Eph.2v2), out of which we aiming to fulfil Yahweh's Desire are to become “fishers of men” – to draw out the TCs.

Thus this citation means “mankind” is giving persons for judgement (over their learning 1000 year period).

“Resurrection” or “Awakening” is absolutely **nowhere** to be found in the cited text!

And thus we can deduce you (and members of Christendom generally) have placed an errant assumption into the text.

In every place the words “Resurrection” or “Awakening” are used – are to mean just that – but “given” is always used to mean: “are **already alive** (for any length of time) are to receive something or other .....

So actually these quotes you have used do **not** support your conjecture, but actually add to what The Bible holistically

tells us elsewhere – and it is this that I merely repeat when faced with untangling obviously errant worldly Christian doctrine as my precision detailed commentaries show.

#### but only for judgement

A half correct statement because in the other half becomes an assumption that all our worldly Christian leaders have falling into since 325 CE – hence The Human Creation of the demonstrable Copyists Addition at Rev.20v5.

The 'human assumption' is “immediately” - but I see no “time domain” in the text and thus “immediately” becomes an assumption. In fact we can put any “time period” in at this point in time and thus we should investigate other areas of The Bible to tell what time frame should be applied here to yield (1) a holistic understanding and (2) a righteous understanding that fully reflects Yahweh's qualities.

I would suggest useful time periods for consideration for this “time domain” period would be: “The Day of The Lord” (Mark.2v27-28) – which we are told: “is as a 1000 years” (2Pet.3v8) which is a period of time when Satan was removed from society for a 1000 years (Rev.20v1-3, 7) – that is two points of supportive reference (“two witnesses” of The Truth). Constructively this seems like common sense – and moreover it appears to be righteous to Yahweh's Plan for all humans – and further, especially when we are given a “time domain” then we should use it when there is not a “time domain” given within The Text!

The Crux is that: If information is not given – then we righteously search to “seek and you shall find” The Righteousness of Yahweh expressed within His Word. And that is precisely what I have done!

We are never to “assume” anything – we can only operate with precision upon demonstrable facts – else we generate myths! As witness throughout virtually everything our leaders of “Religion” teach us!

And further, “Judgement” comes from The Greek word “Krisis” from which we have gained The English word “Crisis” as I have explained earlier in this text. It becomes a “Crisis Day of 1000 years” where we must make The Correct Decision to imitate JC (thereby “believing in JC” as The Given Word of God by JCg and the 144000 TCs), because quite simply, if we make The Wrong Decision (to return back to the 1<sup>st</sup> part of our spiritual life being that which we initially nurtured in the 1<sup>st</sup> part of our physical life) then we face The 2<sup>nd</sup> Death of Annihilation.

#### – and if their names are written in the Book of Life

= And if these persons (= The Resurrected World into The Millennium) have their names written into The Book of Life operational over their 2 part life (being the 1<sup>st</sup> part under Satan's Rule of 6000 years, and the 2<sup>nd</sup> part under JCg's Rule of 1000 years as being The Millennium).

These individuals in The Book of Life have thereby demonstrated personal reform away from the 1<sup>st</sup> part of spiritual life unto a personally perfected 2<sup>nd</sup> part of their spiritual life based upon The Teaching of Righteousness from The Ruling kings/priests (= the 144000 TCs) accurately given as The Word of God in The Millennium – who themselves are not peddling to pamper “self-indulgence” (either of themselves – or the persons in their care)!

Because it is “self-indulgence” to varying degrees that has brought the problems into humanity!

#### they are placed on His right side for life

Quite simply this is an invention – The Bible does not state this here!

However JCg does state this by parable/illustration at Matt.25v31-33, where actually referring to it here, as you have done, means that you have taken out of context what JC taught us at Matt.25v31-33.

Actually JC states: “When The Son of Man comes then he will ...” But you have just stated (1) JC and the first fruits are ruling for a 1000 years – so he has already come – and yet here (2) you are applying what JC stated when “he first comes” to a point of time 1000 years later by quoting a demonstrable Copyist Addition to be applied to the supposed Judgement at the end of the 1000 years. Thereby you have just made two errors within your reasoning.

But if we correctly apply JC's statement to The beginning of The Millennium to gain his First-fruits (which you have correctly identified) are chosen to rule when JC first comes (at The 1<sup>st</sup> Resurrection, 1Thes.4v13, Matt.24v40-44, 1Cor.15v35-55, Rev.11v11-13, etc) - then everything makes logical and righteous sense.

We realise that your misquotation is about The 1<sup>st</sup> Resurrection when Yahweh is selecting JC's virgin Bride (by JC's ransom sacrifice and remained a spiritual virgin by precisely imitating JC's ministry/lifestyle (Matt.25v1-12, Rev.19v6-9, 21v2, 9) of The First-fruits to rule from The Start in The Millennium – being the point in time mentioned at Rev.20v6), Thus we realise that JC is telling us about The Selection of The First-fruits = the 144000 TCs as The Sheep out from The rejected worldly Christian leaders as The Goats (further supported by Luke.16v1-12, Matt.25v1-12, 24v45-51, Matt.25v20-28, and I could write just so many more citations here – but all will be in my “Concordance of Topics”),

#### for life

If found in the book of life – then everlasting life will ensue = a correct statement.

#### but if not on the left

An incorrect citation - please see above reasoning and explanation for “right side”.

#### for the Lake of Fire.

A correct statement – but I must immediately make an interjection.

“Christians” have been taught to enter into a 'mind prison' as soon as the word “fire” is mentioned!

Sadly what is never taught is The Context in which any citation might be used.

And further, a mind change seems to occur when these illustrative citations are used – inasmuch these citations are surrounded by figurative illustrations and yet as soon as the word “fire” appears – immediately this is presumed fact rather than to be accepted as an allegory – where all the nouns are accepted allegories in the surrounding context!

Does this sound logical or illogical?

Very quickly (and please research other areas of my commentaries and Glossary for the full reasoning) JC used fire and brimstone of Gehenna as being a warning of what will occur at The 2<sup>nd</sup> Death to mean utter annihilation – just as that which occurred at “Valley of Hinnom” (transmutation giving “Gehenna” being the valley outside The City of Jerusalem where The City's municipal waste was burnt to non-existence with the helping power that brimstone brings – into which also were thrown criminals to have their bodies cremated to a non-existence. Thus this illustration of an ‘everyday’ practice was used as a warning of what The 2<sup>nd</sup> Death of Annihilation really means in contrast to the 1<sup>st</sup> Death which is “asleep” (John.11v11-15) – meaning that a return to life (= the 2<sup>nd</sup> part of our physical life – hence Exe.37v1-11 in the context of Exe.37v12-28) is a certainty – all precisely as The Bible tells us. We also see (at 1Cor.3v13-14) Paul use the word “Fire” to describe the destruction of our worldly theology/methodology while we are being assayed during our life.

Now returning to The Lake of Fire - what does this mean by allegory?

“Lake” means “an area of confinement” – typically applied to water.

“Fire” means “eternal destruction to nothing” of anything that does not meet to Yahweh's requirements (1Cor.3v13).

Thus “Lake of Fire” means “an area of confinement where everlasting destruction occurs” = annihilation.

And incidentally, “Water” means “knowledge” and we are given this knowledge beforehand of what is to occur.

The people who live during the millennium and whom Jesus and his saints rule over are those people who manage to survive the endtime time of trouble which is to come upon the earth.

Yes and No!

There is an enormous lack of precision and over-simplification in this statement (and I need to untangle it)!

Yes - there will be those persons who are fortunate to get through The Tribulation – but actually there are **TWO** tribulations that many of our worldly theologians completely muddle-up into “One Tribulation”, as precisely they do over the word “Judgement” - not realising there are in reality **TWO** Judgements on **two** groupings of persons that occur at **two** different periods of time – by '**TWO** Judges' (all citations will be given in my electronic Concordance of Topics).

There is The One Tribulation prophesied by Daniel Dan.12v11-12, and John at Rev.19v16-19.

This **first** and main Tribulation (“main” because it applies to all people of the world) and it occurs at The Close of The Gospel Age where it is split into two parts as Rev. chapters 13, 17 explain.

Quite simply (as this could easily spread to 10 pages here), stage one is before and after The 1<sup>st</sup> Resurrection (1Thes.4v13-18, Matt.24v40-44, 1Cor.15v35-55, Rev.11v11-13, etc) in which The World generally sinks into anarchy under The Control of The Secular World (in which “Religion” shall be utterly disregarded - as being an embarrassment to sane/reasoning minds [Titus.2v2-8] – precisely as Rev. chapters 17 and 18 tell us). The World is entering into tribulation brought about “man's inhumanity to man” with the power of technology to ensure that it covers The World. 3.5 years **after** The 1<sup>st</sup> Resurrection, then The Closing of this world anarchy shall occur by JcG and his 144000 TCs with all the power of Yahweh's HS operating within and outside them (Rev.19v16-21) to bring to the end the old heaven (= Satan's authority) and the old earth (= The Systems/Protocols that supports mankind – just as The Earth supports mankind – [hence “earth” used]) as Peter told us at 2Pet.3v10-13.

Thus JcG and the 144000 TCs remove The Old World Order (Rev.19v16-21) – being all its world leaders but principally, Secular worldly leaders, because The Secular Leaders and The World have effectively already removed the leaders of “Religion” because after The 1<sup>st</sup> Resurrection witnessed by The World will realise that Old “Religion” **is a farce** – because what The Bible has always taught and “FutureLife.Org” explained has been experienced in a momentous and televised occasion (Rev.11v9 – and on The Internet). Hence Rev.11v13, noting “earthquake” is an incorrect translation (being another assumption) the Greek word is better translated to be “civil commotion” - but please look at my local commentaries that fully explain all this.

Thus Yahweh uses The World secular power to remove those persons who misrepresented Him – just as He did at 70 CE to remove The Jews by The Romans (= The World secular power of that age) before He moves onto the next stage of His Plan for Human Salvation – being The Christian Nation; – and now some 2000 years later, at the close of The Gospel Age, to bring-in The Millennium under JcG's Rule and power – with his assistants, as you correctly stated “The 1<sup>st</sup> Remnant from The 1<sup>st</sup> Epoch of Israel [Jews] = The Prophets and Ancient Worthies) and “The 2<sup>nd</sup> Remnant from The 2<sup>nd</sup> Epoch of Israel” [Christians] = The First-fruits comprising of the 144000 TCs) (being the **two flocks** coming together, John.10v16). The **second** Great Tribulation occurs as you correctly stated, is a 1000 years later where those persons who rebel against Yahweh's Authority given through The City of Jerusalem (= Yahweh's Authority operating through His representatives = The 144000 TCs and The Prophets, etc) at The End of The Millennium which becomes The 2<sup>nd</sup> Death of Annihilation. But because perfected humans stand to one-side – distancing themselves from rebellion, then The Tribulation is only towards the rebellious individuals who refuse to imbue The Word of God in the 2<sup>nd</sup> part of their physical life – I explain this in a bit more detail later.

After explaining that aspect, then we can move on to understand The People who come through The **First** Great Tribulation (as Daniel states) are “blessed” – because quite simply they have not been part of The System/Protocols

that have been removed over 45 days (as Dan.12v11-12) and replaced by JCg and the 144000 TCs having infinite capability/power.

But it must be understood that these persons are still existing in a corruptible fleshly DNA body – which is to die. And we must understand that the children to these people will also die because they have the same DNA from generation to generation – we are told no different (if we accept your view of The Scriptures) we must not assume anything – noting Rev.22v18-19, we can only operate upon what we have been specifically told in The Bible! So we now enter a problem – no physical change – and yet there is a regime change – how odd is that?

Thus:

How is it righteous for the “blessed” persons to die in The Millennium in the same faulty DNA bodies within their children – it infers that they must be resurrected again at the end of The Millennium because they have died!

So that is immediately the first inconsistency in what you suggest!

Also you suggest later (?), that these children physically live for 1000 years (?) before this final judgement in order to physically get to your presumed one judgement at the end of The Millennium – again inconsistency within your reasoning at three levels (1) Have faulty DNA parents created perfect DNA children (how?) (2) Does Yahweh step in to create perfect DNA for them to last a 1000 years (if now, then why not to resurrect all humans into perfected bodies – else why be inconsistent) (3) Why does Yahweh desire to give these humans a better start in life during The Millennium and independently test them at the end – while leaving the rest of us of the 6000 year period before The Millennium to be judged merely on what we knew and/or not know during our one chance – never knowing of a wonderful paradise or even be in the position to “believe in JC” (= “believe in The Word of God” [Rev.19v13])! That is absolutely not righteous and thus cannot be sourced from Yahweh!

And how does it concur that JC should be (during his 1<sup>st</sup> Advent in Israel) :-

Demonstrating what it would be like in The Millennium through the physical miracles worked through him by Yahweh.– By curing people of the maladies showing the DNA would be so strong to overcome diseases, perfected not to have malformed limbs, and people would not be robbed of the mind by demons or the mental problems as we have today - because The Word of God correctly taught would remove all these burdens.

Is this not a society that The Righteous God would not want to show to all humans so that they might make an educated decision on what society should be like?

After reasoning through the problems generalise worldly Christian doctrine creates then I would rather suggest the following which is utterly logical – but more importantly, righteous for Yahweh – as appropriately sourced by Yahweh:- After personally witnessing the anarchy and decay of Satan's World Order, together with The Enforced Introduction of Yahweh's New World Order through JCg and the 144000 TCs – this would have quite a burning effect 'in the mind', in these specific individuals within this last generation of The Old World system coming through The first Great Tribulation – where the old worldly leaders have been forcibly ejected by Yahweh's appointed world leaders being The First-Fruits (= The Sheep post JC's Advent) and the assisting Prophets/{Ancient Worthies} (= The Sheep pre JC's Advent) which come together as The Two Flocks (John.10v16) to rule The Millennium – actually as you correctly state.

Thus these blessed humans shall become The New Embryo for The New Compliant Society under their new masters bringing in Utopia = The Paradise upon a compliant society – because of The Dramatic Physical Transformation that they have witnessed within their present existence (very much in the manner as The Israelite slaves left Egypt [= metaphorically The Old World Order] – under Yahweh's physical direct intervention).

And thus once The New Power Base has been established and thus stable (after vanquishing all opposition in a 45 day period of time), then this becomes an acceptable environment into which The Resurrected World can be introduced, in perhaps as stages (Isa.65v20) – this then becomes The 3<sup>rd</sup> Epoch of Israel out of which The 3<sup>rd</sup> Remnant can be extracted that returns to The Lord – as explained to Paul (2Cor.12v1-3, see my local commentaries).

The Resurrected World shall be resurrected into perfected neuter bodies (as angels 'not given to marry' to procreate) with a perfected DNA genome that could last for an eternity within which the spirit/personality/desires/traits might then be personally perfected within this perfected body during The Millennium (being a period of Judgement – where we are to make decisions about how we might personally reform within a perfected environment made possible by JCg and The 144000 TCs (plus the prophets and ancient worthies).

Does this sound logical and righteous?

And further, once the embryonic society is being established with The Resurrected World over stages then the “blessed humans” who started this new society bringing-on new entrants from The Resurrected World will die in their old original warn-out fleshly body and become resurrected (into perfected bodies) back into this society that they started – where they shall obviously not fear The 2<sup>nd</sup> Death of annihilation in perfected bodies and live an eternity on their perfected DNA bodies.

I could expand all this in the most righteous and logical manner – but I am restricted by space and I cover all this knowledge elsewhere on the website “FutureLife.Org”.

So! How does this compare with what you state, where I have clearly shown that what is commonly believed by “Christendom” is full of unrighteous errors and is absolutely not supported by The Bible in its Original Word?

An important ancillary observation:-

It must be noticed that this scenario does not require leaders of “Religion” to make this scenario occur, and thus we can see why – during JC's ministry when he taught this – they detested him (John.11v47-53) – because they were automatically excluded from (1) being the leaders of The New World Order (hypocrisy excluded them)

and (2) they could **not** get in-between The Almighty God (Matt.23v13) and the congregational members to extract a tithe (of whatever '101' worldly things these tithes might be) on The Way!

And again throughout The Gospel Age – why would worldly Christian leaders want this information to “get out” if it would jeopardise their present worldly gain (inasmuch they make a worldly living out of God's Word)?

Please Note: There are some good “Christian leaders” (as lay preachers Acts.18v1-3, 1Thes.2v9, 2Thes.3v6-12, etc) – but they are absolutely not where The World – being where The Masses might think they are located! Knowing The Bible teaches us where to find them – but likewise they are earnestly seeking you out on a 'one to one' basis to be carefully explaining The Word of God in its entirety to fully honour/dignify Yahweh within sane/reasoning recipient minds!

They will have children and these people will live in a righteous kingdom,

As I carefully explain this does not change what is occurring now – why should Yahweh righteously change The Situation for new persons – else those persons before this age could argue: “Foul – it is **not** righteous!” Obviously for it to be righteous, then **all** humans must experience The Same Environment – upon which it now becomes a **personal decision** based upon the same conditions (and seen to be righteous by all entities) – else it is **not** righteous (and cannot be accepted “righteous” by any specific person)!

They will **not** have children (based upon what JC taught us). – It would seem plausible that the “blessed people” will be inhibited to have children – because Yahweh has changed The System – by what means – I do not pretend to know – it could be forced or natural compliance – because of what has occurred within their immediate life – has shaken them to The Core by The Regime change physically occurring within the 1<sup>st</sup> part of their physical life!

And for the resurrected persons, they shall only be too pleased to be resurrected!–

And being resurrected without having the genitalia and its support structure driving sexual emotions (“like angels, not given to marry”), then there would be no drive to have children.

But Yes! These people who exist will be living within a perfected society – but logically why?

**Because people are righteously having their spirit/personality/desires/traits perfected by the perfected environment!** And are truly learning how to really “Believe in JC” = “imitate JC's lifestyle”!

This fulfils Yahweh's Desire – all persons are having The Opportunity to become perfected within The Mind based upon The Word of God (JCg - Rev.19v13) being accurately taught by JCg and the 144000 TCs to ensure that righteousness occurs (Rev.2v27, 12v5, 19v15) so that, as I teach elsewhere, those persons with the propensity to commit premeditated sin (to self-indulge to the hurt of their neighbour) shall be intercepted **before** they can do anything and severely warned – perhaps given a “community service order” for merely thinking about the act – rather than now, after 'the act' and if 'unlucky' to have been caught!

Can the reader see how different things will be, and precisely why Yahweh is to bring this about?

Please read my inter-verse commentaries that explain all this within the context of the local verses.

Perhaps I might ask the question:

Why do so many Christians hold to the same belief upon which you cling?

I have just had a transient thought flash through my mind:-

I merely surmise – that perhaps they think they are ‘good’ and this is a ‘justified payback’ for being ‘good’ in this present evil world! Being a ‘justified return’ for merely ‘accepting JC existed’, but yet, I further suggest they do **not** truly “believe in JC” by precisely imitating his ministry/lifestyle – see the important differentiator between two disciples of Judas and Peter given at John.6v64 and 6v68, Matt.19v27 – please see my local commentaries that explain this.

So I might merely ask:

Who really is asking for a ‘reward on works’ – behind a presumed fake ‘façade of faith’ (see James.2v14-26). Inasmuch the works for saying such wonderful words to one another – but what is **not** done - being to be actually fulfil Yahweh's Desire which is to precisely teach The World in exactly the same manner as did JC and Paul, giving solid exegesis based entirely on what The Bible precisely states to bring sane minded individuals **outside** Christianity into The Fold of JCg so that they too might personally glorify/honour/dignify Yahweh within their minds by likewise precisely imitating JC and Paul in their ministry/lifestyle.

This is what Yahweh Desires from us as individuals!

So presently perhaps it would be much better for Christians to change their methodology and start to think along my lines – else perhaps Yahweh might then hold them to their ‘faith/belief’ and The Result might not go too kindly for them!

I only say this to cause serious personal reflection.

But I know Yahweh **is** righteous and these worldly Christians **are** presently spiritually blind (for no fault of their own, [Rom.16v17-18] but the responsibility is upon their leaders [Luke.12v46-48]) – so He will give them The 2<sup>nd</sup> Opportunity of the 2<sup>nd</sup> part of their physical life to reform this self-indulgent “love” that they have in their own “group think”!

But always with the reminder of the inhabitants of Chorazin (Matt.11v21, Luke.10v31) to be our warning. To this end, I include a copy of my local commentary that precisely explains what JC was telling us by illustration using the comparison example of Chorazin with the inhabitants of Sodom – being realised in The Millennium – as I correctly explain – else again it means nothing if they are resurrected and judgement is made ‘based upon works’ – because the inhabitants of Sodom could have been worse than those persons of Chorazin! So there **is** a spiritual reason for the difference!

I reproduce The Original Greek and my commentary here for scrutiny:-

**Parable** – Rejecting The Truth now during the 1<sup>st</sup> part of our physical life means rejection of The SAME Truth is more likely during The Millennium – but not so for those humans initially without it in the 1<sup>st</sup> part of their physical life!

**73<sup>rd</sup> Prophecy** – People rejecting The Knowledge/Truth when having close access to it (Jews then – Worldly Christian Leaders now) will be more likely to reject it again upon their resurrection in The Millennium than those people who never had The Knowledge/Truth in the 1<sup>st</sup> instance during the 1<sup>st</sup> part of their physical life!

**Fulfilled Prophecy** – repeat of fulfilment earlier – application of the nearness of The Lord’s Acceptable Year.

**89<sup>th</sup> Allegory** – All people without this knowledge will jump to it in The Millennium – but those people who already know about it during the 1<sup>st</sup> part of their life could equally reject it again and thus become annihilated at The 2<sup>nd</sup> Death.

Matt. 11v20 og Then (JC) began (to) revile/taunt/reproach the cities in which had occurred the most

Matt. 11v20 og miracles/{acts of power/HS}/{wondrous signs} of his,

Matt. 11v20 og because not they had repented (= changed their lifestyle based upon what they witnessed).

Matt. 11v21 og “Woe/alas to you Chorazin; Woe/alas to you Bethsaida!

Matt. 11v21 og Because if in Tyre also Sodom occurred {acts of power/HS}/{wondrous signs}/miracles

Matt. 11v21 og the (ones = miracles) occurring/happening in you (Chorazin),

Matt. 11v21 og (then) long ago wish/desire in sackcloth also ashes they (would) had repented (= changed their lifestyle).”

Matt. 11v22 og However I exclaim/state to you:

Matt. 11v22 og “For Tyre also for Sodom more tolerable it will be in (The) Day of Judgement/Crisis than for you.

Matt. 11v22 The Day (= 1000 years [2Pet.3v8]) of Judgement/Crisis (from the Greek word “Krisis”) is The Millennium.

The Millennium will be a Day of Krisis because the resurrected humans have their last opportunity in which to accurately imbue The Word of God (to become Christ-like) else they shall face their/The 2<sup>nd</sup> Death of annihilation (= complete death) which The Bible tells us is “lost/perish/destruction”.

There is not that nonsense of a “soul” wandering around ‘in the ether’ – The 2<sup>nd</sup> Death is utter and absolute annihilation for that individual.

So how is this period of time (of some 1000 years) going to be more tolerable for those persons of Tyre and Sodom than those persons of Chorazin?

I cover this in very many places in my commentaries to The New Testament but quite simply put the reasoning goes along these lines.

Tyre and Sodom were towns that existed before JC’s 1<sup>st</sup> Advent – the inhabitants knew nothing about The Word of God – JC was not walking about in their midst performing great miracles and explaining The Scriptures to them. They just operated according to what they knew and how their self-educated conscience guided them in their decision making about their deportment in life. These individuals had no opportunity to edify themselves upon The Word of God and change their personality to become Christ-like.

Let us now move forward a millennia or so to JC’s 1<sup>st</sup> Advent – where JC was giving his ministry to those of Israel and to those persons of Chorazin.

Chorazin was a small town outside Capernaum where JC operated and demonstrated many miracles. But the inhabitants had no real interest in JC – they knew he was there, they knew what he did and what he was like – even perhaps came around to his public talks and perhaps even thought they were part of his grouping (being the crowds that thronged him). But the point JC makes is that they did not become disciples and progress to become TCs/apostles to actively teach The Word of God. They still behaved as worldly people – not imbuing what JC meant in their lives. Therefore JC was not important enough in their life to make that complete change by renouncing worldly methodology and imbuing Yahweh’s Methodology to become Christ-like.

Let us move forward two millennia into The Millennium where, within The Resurrected World, there will be these groupings of people from Tyre/Sodom and those persons from Chorazin. – How will The Environment be different to the persons of these two groupings?

Where within this environment there will be JCg again teaching The Word of God underwritten by no physical ailments within humans around about.

And all that is required is to reform our mind to become Christ-like.

The persons of Tyre/Sodom will jump to this new found knowledge freeing them from their former selves leading to the problems they had in the 1<sup>st</sup> part of their physical existence living according to their faulty consciences.

But what about the persons of Chorazin?

Nothing has changed for the persons in Chorazin! They still have JCg in their midst teaching The Word of God to bring about personal reform – and if they did not yield in the 1<sup>st</sup> part of their physical life – **then** why should they change in the 2<sup>nd</sup> part of their physical life?

And therefore the people of Chorazin could be more likely to find themselves subject to The 2<sup>nd</sup> Death of annihilation!

So now the reader can understand why JC stated what he did about the inhabitants of Chorazin!

But JC did not say that in isolation. This was written down as a warning and prophecy for us of The Gospel Age.

So what does that mean for us of The Gospel Age?

Just replace “Chorazin” with “The Christian Nation” and “Tyre/Sodom” with “Non-Christians” and read what I have stated earlier!

There is absolutely no difference! Therefore worldly Christians beware!

And further; charlatan Christian leaders should be doubly aware - because they shall not even reach The Millennium – see “2 part life” in glossary!

Matt. 11v23 og Also you Capernaum the (one = city) to/until (all time) of the heaven/sky have been exulted

Matt. 11v23 og (= above all cities because JC’s operations base was here) to/until (all time) Hades/{hole in the ground}/grave

Matt. 11v23 og (= covered up never to be seen or spoken of again) you will be cast/thrust down,

Matt. 11v23 og because if in Sodom had occurred the {acts of power/HS}/{wondrous signs}/miracles

Matt. 11v23 og the (ones = miracles) occurring/happening in you (the) (= Sodom) would remain of the today.”

Matt. 11v24 og However I exclaim/state to you:

Matt. 11v24 og “Because (the) land of Sodom more tolerable it will be in (The) Day of Judgement/Crisis than for you”

Matt. 11v23-24 JC is repeating for emphasis pretty much what he was saying for v20-22 and explained as such in my commentary for that section.

Capernaum of some 1500 people was exulted above all towns (except Jerusalem – which has special connotations – explained elsewhere) because this was the centre of operations for JC during his ministry, but because its whole populace did not become disciples and then apostles, JC predicted the town would become as though covered over and ruined – which is precisely what has occurred – the place became the site of archaeological digs in the 19<sup>th</sup> century.

But the point JC makes is that if Sodom had JC teaching in its day then it would still be standing today!

Now continuing to answer your correspondence:-

with Satan vanquished for a 1000 years.

Absolutely correct – we are told this at Rev.20v3, 7.

And we know righteously why – as I have precisely explained above and on my website: “FutureLife.Org”.

At the end of the 1000 Satan will be released to test these people who have not lived in a sinful world to see whether they

## choose Christ or Satan

Again confusion, based upon incorrect input data!

Note: They are **not** choosing “Christ” (= The Office of Appointment of “Anointed” by Yahweh) but rather “The Word of God” (= JC – Rev.19v13 = accurately imbued “to believe in JC” = to imitate JC in our lifestyle).

After that important clarification then I need to tackle this statement in two parts:-

How (1) “FutureLife” righteously explains this, and (2) worldly Christian leaders **un**righteously teach us.

(1) As I have carefully explained earlier, all humans will ultimately be resurrected into The Millennium (1John.2v2 – no caveats or differentiators where given – hence **all** people “saved” from the 1<sup>st</sup> Death) to have the opportunity to purify their mind in a righteous manner before The Righteous God – Yahweh in The Environment endorsed by Him through JCg and the 144000 TCs.

Exactly as I explained much earlier in this piece, children who died early during Satan's system, and likewise people who were mentally unable to make conscious decisions upon their department within life shall be given the 2<sup>nd</sup> part of their physical life in a perfected body within which the spirit/personality/desires/traits can now operate to maturity uninhibited by physical incapacity as they were to experience in the 1<sup>st</sup> part of their physical life.

These individuals would have the records upon which to scan (Luke.12v3) to see both the good and bad records of what occurred under Satan's world – records of The Wars and pain suffered – together with so many people stating: “That was me there in that record – it was terrible!” - “You do **not** want to go there” – (to self-indulge to your neighbour's hurt)!

And Yes” - You are correct, these persons in the 2<sup>nd</sup> part of their physical life do need to be tested/assayed – but they are **not** the persons who you state! Because the persons you state: “Do not exist! – Because they shall never exist” – it is a myth based upon a Copyist Addition – and further, it is **not** supported anywhere else in The Bible!

(2) Worldly Christian leaders seemed to have ignored those persons about whom I sincerely care – and likewise Yahweh remembers them – the children and the impotent humans incapable to make conscious decisions to right and wrong if they were left only to a resurrection of presumed immediate judgement to life or death! Which is strange concept – because The Judgement would have been made when The Person was originally alive and Yahweh would have only resurrected the successful persons to bring them to life! **Why** resurrect them to “Judgement” unless there **is** a possibility for improvement (when introduced to The Word of God in The Millennium – noting Eze.33v11, 2Pet.3v9) – and we are back to what I propose: “The Resurrection of The World to Judgement/Krisis” (at the end of The Millennium **after** they have had a period of time of 1000 years to improve themselves on The Word of God given by demonstrably good leaders in a perfect environment) to life or death! All utterly logical/Righteous from The Righteous Yahweh!

## and we read that some (persons) will choose Satan and follow him

As I very carefully explain in my commentaries to Rev.20v12-15, it must be clearly understood that it is the persons in the 2<sup>nd</sup> part of their physical life who are refusing to accept Yahweh's Methodology (“Edify our neighbour to our own hurt” which is to be practised throughout The World) within their life. They are refusing to purify the 2<sup>nd</sup> part of their spiritual life upon The Word of God (which should be appropriate to the perfected DNA fleshly body freely given to them earlier by Yahweh in The 2<sup>nd</sup> Resurrection) – preferring still, the 1<sup>st</sup> part of their spiritual life having been built on Satan's methodology “to self-indulge to our neighbour's hurt”.

And that is why Satan is released – thereby implying that JCg and the 144000 TCs have stepped back to allow The World to freely separate into two parts as driven by its members' **own** spirit/personality/desire/traits!

The question becomes answered after this training period for all the members of mankind at an individual level (Matt.13v30):-

Are the individuals' spirit/personality/desires/traits aligned with (1) the HS (being its composite definition that I give elsewhere) or (2) Satan's spirit (personality/desires/traits = worldly methodology).

Thus with JCg and the 144000 TCs having 'stepped back' (inasmuch **not** acting like The Policemen of society as I described earlier) allows the two groups to freely choose where they take themselves over the next 3.5 years. I very carefully explain elsewhere **why** this must righteously occur, because it precisely mirrors JC's ministry/lifestyle (demonstrably perfect) under Satan's reign – likewise at the end of The Millennium humans are to imitate JC under Satan's final short reign (demonstrably perfect) - thereby truly enabling them to be precisely balanced by JC's actions into The Eternity!

Therefore the persons who go through into Yahweh's granary into The Eternity shall be proven righteous having perfected their mind upon The Word of God (just as did The Early Adopters [144000 TCs] who showed them the way in The Millennium, because as we are told: “They Ruled” and thus as “The Instructors” they taught righteousness to The Resurrected World).

Can the reader understand The Righteousness as taught by “FutureLife.Org” in contrast to the **un**righteous and **un**substantiated myths as taught by our worldly Christian leaders (choosing **not** to understand – else by now they [and peers] would have already realised what is taught here, centuries earlier)?

## to try and destroy the holy city

This becomes a rebellion by those persons who have been frustrated over perhaps the last 1000 years, thwarted by the very rulers who have finally stepped back from imposing Yahweh's Methodology upon mankind. These rebellious persons vent their frustration upon those leaders who appear to be offering no resistance to stop their rebellion.

This is of what The Bible speaks regarding The Holy City being surrounded. Being Yahweh's Authority acting through

His Representatives of JCg and the 144000 TCs (plus The Prophets and The Ancient Worthies, etc) under attack by millions upon millions of “despots” (because obviously “they” will **not** succeed) but they do not care – because they are driven by pent-up rage being internally constrained within an unrepentant/unrefined spirit/personality/desires/traits confined by Yahweh's Methodology through JCg and the `144000 TCs imposing righteousness (Rev.2v27, 12v5, 19v15) upon The Resurrected World for some 1000 years.

Obviously those persons during the 1000 years having purified themselves upon The Word of God to truly “believe in JC” will stand back and keep themselves clean – so forming (as The Bible infers) a world population split in about the ratio of about 2/3 for JCg (their minds operating upon The Word of God), and 1/3 against “The Holy City” (self-indulging themselves to their neighbour's hurt).

Thus we realise that these rebellious individuals are demonstrably returning back to worldly methodology as originally sourced by Satan – Gen.3v1-5 desiring to usurp Yahweh's Right to Rule our minds (= “to edify our neighbour to our own hurt” [to lead to a perfected society]) with Satan's methodology (“to self-indulge to our neighbour's hurt” [bring in pain and suffering to society – as we have witnessed for 6000 years]) which is what he did to us and brought “Death” upon us by countering what Yahweh stated at Gen.2v17.

but they shall be consumed by fire.

Not quite certain what you mean here!

“Yes” - They will become annihilated (ie placed in the Lake of Fire as I explained earlier).

But “No” - If I suspect you are thinking along the lines of “eternal torture in the flames of Hell”

After this, is the resurrection of the dead,

“No!” - because this started occurring 1000 years earlier and may be in 100 year stages.

This is an erroneous conclusion based upon a demonstrable and universally accepted by scholars to be a Copyist Addition – created by persons centuries earlier operating according to the one/same errant 'assumption' where they and much of Christendom blindly assume a time domain of “immediately” rather than a “time domain ” as we are told in numerous places to be 1000 years as The Day of The Lord to be covered during The Great Sabbath Day while humans are learning how to become mentally righteous!

(those who have lived and died since Adam) and when the judgement of everyone has taken place

“Yes!” - A correct statement, but absolutely **not** in the unrighteous manner you have suggested it might be.

Being “Yes” in the absolutely righteous manner as untangled on “FutureLife.Org”.

the new heavens and new earth will come into being.

Firstly at Rev.21v1, The Bible tells us here: **singular** “heaven” and **not** plural heavens and thus we are speaking only of The Heaven local to the Earth – hence The New Heaven pertinent to The Earth – and **not** The New Universe (being that indicated by plural heavens [being all zones above the earth]).

And again “No!” - You are a 1000 years too late!

Surely The New “Heaven” (which always in prophecy means “Authority”) means The New Authority coming into existence under JCg and the 144000 TCs bringing over The World - “Yahweh's Methodology” – which is precisely why Satan was locked-up at the beginning of the 1000 years!

Yahweh's Methodology (= “to edify our neighbour to our own hurt”) **replaced** Satan's methodology (= “to self-indulge to our neighbour's hurt”) at The Beginning of The Millennium.

And the reason why this was done – is so that humans are being spiritually covered by JCg (over The Great Sabbath Day) while they learn righteousness – because they were resurrected in perfected DNA bodies that can last for an eternity – but their spirit/personality/desires/traits is still sinful having been captured by Yahweh at their death (and are thus still in an unreformed state) and placed in a perfected body to learn righteousness under JCg's covering while in their perfected bodies – but having an impure mind requiring reform.

Surely to any sensible reasoning person – this sounds a righteous future scenario?

And it is all supported by precisely what The Original Greek tells us!

This gives every person an opportunity to reform and make a personal decision themselves about their future!

Thus again you have made some serious errors in what you misunderstand. But it is not your fault – but our worldly Christian leaders having The Knowledge but **not** caring to understand it in the same manner as that which operated within The Mind of Yahweh. But it does become our personal responsibility if we freely choose to ignore The Word of God when it is presented, and very carefully explained to us from a reliable source!

A note: Just because chapter 21 follows chapter 20 does not automatically mean these are time sequential. Revelations comprises of many overlapping time periods explaining what is occurring on the planet from many different vantage points so that we might understand the whole composite picture of what is occurring. Very much as we might take front, side, rear, top and bottom elevation photos of an object to fully understand its intricacies.

It is absolutely not one sequential chronological time period. Please see my time line drawing on “FutureLife.Org” that precisely shows how these time lines throughout Revelations overlap one another.

So people live once,

“Yes!” - a **single** life – but split into **two** parts – punctuated by “asleep” being what is now to be termed The 1<sup>st</sup> Death – only made possible by JC's Ransom Sacrifice to become The Enabler for Yahweh to righteously awaken/rouse/resuscitate us into the 2<sup>nd</sup> part of our physical life.

Let me ask the reader a question:-

Does it really make any sense for Yahweh to go to the effort to resurrect perhaps about 12 billion people to then promptly kill perhaps half of them again – or worse, to torture them for an eternity!

This reasoning is an absolute slur on The Righteous Yahweh!

Let us carefully think about this.

If 6 billion people are being resurrected into the 2<sup>nd</sup> part of their life - to a decision **already made** upon them (when they cannot make any effect upon The Decision made) – then we really must ask why!

Why would Yahweh resurrected people into the 2<sup>nd</sup> part of their life to tell them that He (through JCg – presumably The Loving One – as we are taught in the last 50 years) is going to kill them again ... !!! This is utter lunacy!

And if the reason for The Resurrection is merely to persecute them for supposed wrongs in the previous 1<sup>st</sup> part of their physical life then I just find this absolutely sadistic and macabre – being a worldly methodology sourced by Satan!

People who think like this must have an odd (= utterly worldly) view of Yahweh!

Yes, sadly – a worldly view thinking along the lines as we might, based upon worldly methodology showing clearly if we think like that, then we **cannot** have the one/same “pure/{separate from this world of sin} spirit/personality/desires/traits as that which operates within Yahweh to make His Desire manifest within The Environment” (= the “HS”).

Where Yahweh puts into place every opportunity for humans to personally reform themselves to precisely imitate JC.

And yet the very same breath (while thinking these unrighteous things about Yahweh and their fellow man) these people then say: “They love one another” and “They love God”! And that He is a “Loving God”!

All I can say to that they are not worshipping The One/Same God that I worship!

I am utterly incredulous at what might be going through their mind – a schizophrenic mind (noting James.1v6-8)!

**and are then judged at the end of the 1000 years**

“Yes!” - **all** perfected DNA fleshly bodied humans will be assayed at the end of The Millennium, based upon how satisfactorily we have personally purified our mind upon The Word of God accurately taught by the former 144000 TCs.

Because when we have experienced:-

1. The Horror of Worldly Methodology working under Satan's Rule for 6000 years (= 6 day working week).
2. The Wonderful Paradise of JCg and the 144000 TCs of The New World Order under a New Heaven (being The Authority of Yahweh's Methodology ruling The World) for 1000 years to complete The Week of 7 millennial days

Then:-

**All** humans can make an **educated** decision when Satan is released to either (1) follow Yahweh or (2) Satan – thereby having established “**Yahweh's Right to Rule**” our minds within all the persons freely choosing to reject Satan.

Thereby fully closing The Circle in the most Righteous and Virtuous manner Satan's claim made some 7000 years earlier (Gen.3v5):-

“You will be like God – knowing both good and evil” – and the successful persons choose “Good”.

Being able to throw his comment right back into his face (hence then Satan's removal at Rev.20v10)!

And thereby living an eternity imitating JC's lifestyle.

Does this whole scenario not sound **Righteous** for The Culmination?

Quite frankly this question need not be asked – because it is obviously righteous as sourced by The Righteous God!

**– there is no “2<sup>nd</sup> part to our lives”**

Actually there is:-

Even you state there is, when you state humans are resurrected (= awakened/roused/resuscitated = John.11v11-15) at the end of The Millennium to Judgement for death or life! This must be the 2<sup>nd</sup> part!

In stating that; I should not confuse The Reader, I only subscribe to The Awakening/Rousing/Resuscitation of all humans at mutually exclusive occasions either (1) The 1<sup>st</sup> Resurrection (3.5 years before The Millennium starts), or (2) at the 2<sup>nd</sup> Resurrection during the beginning (that might be staged/staggered throughout) of The Millennium – as determined by Yahweh alone!

**- that is a fiction (a teaching from those charlatan Christians!).**

Something is “fictitious” – if it cannot be substantiated – by test, or by reasoned argument (based upon testable things – as witness the fulfilled prophecies showing Yahweh to be righteous).

Any independent 3<sup>rd</sup> party reading through this document can make a decision upon what has been substantiated and what has not been substantiated.

A “charlatan” is: “A person falsely claiming to have a special knowledge or skill” – thus a fraud!

So we might ask:-

What have I demonstrated?

What does Yahweh demonstrate in His Word of God?

Have not the one/same qualities been expressed?

So why is my teaching fraudulent?

I freely publicise to The World – so that what I teach might be so very carefully examined – absolutely scrutinised by the very best of worldly scholars and theologians. But I have no fear – because I can substantiate what I teach. And contrary to what has been so carefully and righteously explained; we are able to see what has been so sadly repeated without the HS, but merely by worldly thought/consideration has been sourced by worldly Christian leaders and cannot be substantiated by Bible citation, and what is quoted, is out of context, where any exegesis given, is utterly flawed, the reasoning given has no righteousness, and thus none of this can be sourced by The Righteous Yahweh, thereby so doing, these leaders bring Yahweh's Name/Character/Authority into ignominy/dishonour within sane/reasoning minds. Where it is only The Same Minds within those persons elected/selected by Yahweh to become His future sons of God, because we do not want to be ruled by persons incapable to rule to our own edification!

So I exhaustively repeat yet again:-

Throughout The Bible we are taught there is a 2<sup>nd</sup> part of our life comprising of two levels made possible by JC's (1) ministry and his (2) ransom sacrifice. This has been meticulously constructed by prophecy and allegory because Yahweh and JC are Righteous Individuals Who are working together to ensure that every human has the best possible opportunity not to become subject to The 2<sup>nd</sup> Death of annihilation. We cannot say with justification: “We have not been told”! Quite simply we have not hearkened (= listen and then precisely do)!

(1) Where JC's ministry was to get us into the 2<sup>nd</sup> part of our spiritual life – to purify the 2<sup>nd</sup> part of our spiritual life.

(2) Where JC's Ransom Sacrifice was to get us into the 2<sup>nd</sup> part of our physical life to enable (1) to occur in Paradise.

In this manner:-

Yahweh is demonstrably shown to be absolutely righteous.

JCg is demonstrably shown to be absolutely righteous.

The two flocks of JC (pre/post his 1<sup>st</sup> Advent) are demonstrably shown to be absolutely righteous.

To bring about The Salvation of Mankind in The Millennium.

Where does the unrighteous and unsubstantiated exegesis of Christendom take us – as repeated by yourself?

Absolutely nowhere – but back to Satan's methodology in its unrighteousness – because it absolutely does not operate according to Yahweh's Methodology! - Given to us by JC as The Word of God to yield “agapao” operating within us!

It worries me that you are putting this teaching out to an unsuspecting public.

I ask:

Would Yahweh be worried?

And “Yes” you are correct about “the unsuspecting public”.

Sadly for the last 1800+ years the general public has been subjected to a barrage of utterly unrighteous teaching of worldly Christianity in all its so many guises – and quite rightly, the public becoming educated to the shenanigans and unrighteousness in its teaching, then in their common sense – with a sane/reasoning mind, they are now rejecting worldly Christianity in great swaths (unwittingly following the instruction given at Rev.18v4)!

Christians are even turning to Islam and other religions – because of the unrighteous nonsense taught!

At The Close of The Gospel Age (Matt.24v14) The Word of God will be accurately and correctly beamed out by “FutureLife.Org” as the very bright luminary into The World – to bring true Glory/Honour/Dignity to Yahweh.

You are putting out “old wine” erroneous at that

This is a very strange thing to state:

“The Millennium” concept only came forcibly into existence perhaps about 150 years ago – some 1700+ years after it was written down in the scriptures.

Even then, faulty concepts abound – as witness by what is presently taught by certain schisms!

Thus I would state that what I am teaching is quite revolutionary – not known by anyone I know on the planet which is precisely why I am exhaustively publicising it to The World – so That The World might clearly understand that there is a wonderful future when this present worldly system slides into utter chaos – as prophesied by JC in several places!

I have never heard this knowledge taught by any person in the same manner as I so very carefully explain.

Thus what I am giving is “The New Wine” – and, based upon what you are presently saying, you are rejecting this New Wine that I present, and you are preferring the old wine (Luke.5v37-39) as given by worldly Christian doctrine of the last some 1800+ years - just as you have written to me based upon the demonstrable Copyist Addition!

And yet, you then go on to state, what I write as being erroneous!

But would a 3<sup>rd</sup> party assessor come to the same conclusion when carefully analysing what has been scribed by us independently?

That is why I am genuinely truly thankful that you have spent your time in writing in the manner that you have.

You have sufficiently cared for your subject matter to respond to my writings demonstrating a love for your subject – representing Christians all around The World. But sadly, while The Goal of genuine appreciation of Yahweh is there within the congregational members – they are being barred from fulfilling Yahweh's Desire by their worldly Christian leaders 'getting in the way' (Matt.23v13) with absolutely faulty exegesis having as many holes as does a colander! It is The Prime Requirement of “FutureLife.Org” to bring “The Disclosing Truth” of “The Lord's Acceptable Year” being how it precisely operates throughout The Millennia to righteously bring about: “The Salvation of Mankind”. This is only “1<sup>st</sup> Century Christianity” as taught by JC and The Apostles – before it morphed into what we have today!

– which you must have gained by people who had not the correct revelation themselves.

I listen and read what any person might state.

I then go and read The Bible to compare what has been stated to investigate the following:-

1. Marries precisely word for word as what is contained in The Bible (The Original Word and **not** translations).
2. What is given has the one/same spirit/personality/desires/traits as that which would operate within Yahweh.
3. Thereby is righteous for every person who has existed on this planet throughout the some 6000 years.

Paul commended persons who did this (Acts.17v11).

Thus I take The Best, and reject anything other than The Best – and driven to be **constantly iterating** to “The Disclosing Truth” as sourced by Yahweh through JC and The Apostles. I am searching so that I might find.

I have revealed many completely new ideas and concepts (that have certainly **never** come from any human I know) which I have publicised throughout my commentaries as aids for people to understand the initial complexities of The Bible – because it is written at more than one level – but up to four levels in places - as I so very carefully explain.

Just from memory (1) “ho theos”, (2) singular and plural heavens, (3) begotten son (4) what mountains/sea really mean (5) HS being its correct composite definition (6) the subtle but important difference between “agapao” and “agape” (7) explaining “3 Epochs of Israel” and what “Israel” really means in relation to Isa,10v20-22, 1Cor.12v1-3, John.10v3, 16 – (8) marriage at Cana (John.2v1-12) (9) explained what “The Mystery of God” **really** means (10) “heavenly Treasure” as being The Synapse construction mapping [Matt.6v19-20] safely stored for our resurrection, (11) waved Barley [JC] and Wheat [144000 TCs] as the **separate** first-fruits [Lev.23v5-15] and (12) the specific reason why “parousia” is used for **both** “presence” and “coming” presently unknown to The World - are at least twelve examples of previously unknown Truths, where I give **original** understanding having received this from **no** human (Gal.1v12), that unlocks The Scriptures and removes **all** the contradictions that presently rip through present unrighteous Christendom doctrine – having as many holes in its exegesis as a fishing net! Your accusation just does not hold up to scrutiny!

Quite simply: The Basics are so very easy to understand, but twisted reasoning of the last some 1800+ years has 'screwed-up' the simplicity, and thus I am forced to write copiously to untangle the unrighteous exegesis created by leaders of “Religion” for the world's consumption and their worldly return. All as we read in this dissertation!

Also I have an intense desire to show The Reader how Yahweh's righteous plan meticulously unfolds through the millennia of mankind to show how Yahweh is in utter control of proceedings for The Goal to be achieved while allowing mankind to fully expose their inner intentions either negatively (Rom.1v16-31) or positively (Heb.11v1+).

I therefore show to the reader how all the allegories and prophecies are so wonderfully linked together thereby demonstrating true Honour/Glory/Dignity to Yahweh in control of this, within the recipient's sane/reasoning mind.

Perhaps I might boldly ask the reader, please:-

Compare what you read (simply give here) with what our worldly Christian leader might teach us (for a return)?

Have you learnt more from this one document of a few hours reading than what they might have taught you over many, many years?

And knowing that to be true – then how could I have copied this knowledge off spiritually blind people (Matt.15v14), – especially if I have carefully explained everything in The Most Righteous Manner using copious citations – to refute worldly Christian doctrine demonstrably built upon sand (Matt.7v27-28)!

“It is given for a man once to die and then the judgement” (Heb.9v27),

“Yes!” - The 1<sup>st</sup> Death – because if The 2<sup>nd</sup> Death is mentioned (Rev.2v11, 20v6) then there must be The 1<sup>st</sup> Death! JC spoke about The 1<sup>st</sup> Death as being “asleep” (John.11v11-15, Matt.9v24, Mark.5v39, Luke.8v52) showing us by illustration that The 1<sup>st</sup> Death is recoverable only because of what JC was about to do for us – to offer himself as The Ransom Sacrifice therefore **overcoming** Worldly Methodology ([to self-indulge to our neighbour's hurt] as practised by leaders of “Religion”) with Yahweh's Methodology ([to edify our neighbour to our own hurt] as practised by JC).

And it is precisely of this fact that Paul is teaching us.

But he specifically makes the point, counter to where the inductive reasoning of worldly Christian leaders will take us, being that JC only died **The Once** (Heb.6v4-6, 10v26-28, and later, Peter tells us at 2Pet.2v18-22). Thus we are **only** atoned for the 1<sup>st</sup> part of our physical life (**The Once**) and **only covered over The Millennium** during our learning process (being “The Great Sabbath Day” that JC covered before being resurrected by Yahweh on the following day – as The Waved First-fruit **Barley** – ready for the First-fruit **Wheat** to start following 50 days later [Lev.23v5-15] being the 144000 TCs [= The Early Adopters] out of the some 2000 year Gospel Age).

That is precisely why the perfecting process must be complete by The End of The Millennium – just as The Bible tells us. But again: Where is the “time domain” in your statement? You have made yet another assumption! The Bible tells us that judgement is made over a period of time (see Rom.1v16-32 – in this example, during the 1<sup>st</sup> part of our life made upon Christians for worthiness to sonship – which these clearly fail) – hence The Millennium given to all people (1John.2v2) being saved from The 1<sup>st</sup> Death which would have been annihilation – had it not been for JC's ransom Sacrifice.

The 2<sup>nd</sup> Death comes after a person has been judged and is thrown into the lake of fire.

Essentially “Yes!”

Noting what the terms “The 2<sup>nd</sup> Death” and “The Lake of Fire” really mean.

Actually The 2<sup>nd</sup> Death can come sooner than you might suspect within your reasoning.

Judas Iscariot became The Head of the metaphoric 13<sup>th</sup> Tribe of Israel utterly rejected by Yahweh.

He was the equivalent to a charlatan Christian leader (John.12v6) not giving freely/simplely The Word of God, being the head of what was to follow throughout the next some 2000 years of The Gospel Age – being of an exponential growth at the close of The Gospel Age (Matt.24v23-26, Mark.13v21-23, etc).

Because the charlatan Christian leaders have comprehensively rejected The Power of Reform that comes from Yahweh's **Personal** Word (2Tim.3v5) and yet they use The Word of God as a Tool to gain all manner of worldly returns - and thus Yahweh responds with **Vengeance** against these charlatan Christian leaders by ignoring them for The 1<sup>st</sup> Resurrection (for The First Fruits) and then again for The 2<sup>nd</sup> Resurrection (= The Main Resurrection of The World), – and thus these individuals shall be annihilated at the end of their present existence - because there is **no** 3<sup>rd</sup> Resurrection!

Not after he has been given a 2<sup>nd</sup> chance.

As I have shown, The 1<sup>st</sup> Death is “asleep” (covered by JC for **all** persons – 1John.2v2) upon which we are awakened/roused/resuscitated **not** to an instant life/death result, but rather in Yahweh's Righteousness, we are resurrected into the 2<sup>nd</sup> part of our physical life so that all humans might have an equal opportunity to truly learn how to “believe in JC” = “imitate JC” = “imbue/inculcate The Word of God” = “to have JC as The Word of God operating as a presence/parousia within us” - thereby having a **righteous** opportunity to perfect the 2<sup>nd</sup> part of our spiritual life (to ultimately become Christ-like by subjecting ourselves to Yahweh's **Righteous** Methodology - which means we “edify our neighbour to our own hurt”).

Thus to be entirely **righteous** – we shall **all** (1John.2v2) have The 2<sup>nd</sup> opportunity to perfect our mind – except:-

1. The Ideal - being The Early Adopters (= the 144000 TCs who make The Grade to become sons of God in the 1<sup>st</sup> part of their physical life) - they need **no** 2<sup>nd</sup> opportunity.
2. The Rejected - being charlatan Christian leaders – who have intimately known JC and rejected what JC means within their life (though profusely claiming to have the HS 'flowing through their veins' to their bewitched and deluded devotees)!

Now I know you state that we do not have all the same start in life but a poor person behave honestly or dishonestly, as can a rich person.

That is precisely why Yahweh **righteously** gives **all** worldly persons **a once only** second opportunity to reform – many persons will reform when shown the error of their ways, and yet some people will still rebel (because they want “to self-indulge to their neighbour's hurt” = to return to present worldly methodology). However Yahweh is shown to be utterly **Righteous** within all sane/reasoning minds whichever way all persons might ultimately take themselves when given and experienced The Full Facts!

Remember Yahweh does not want to annihilate any person (2Pet.3v9), noting Yahweh derives no pleasure from the death of the wicked person (Eze.33v11), and thus He will give the individual the opportunity to reform within a perfected environment driven by The Word of God accurately taught and **not** as it is errantly taught today!

This is **true** agapao/{edifying love} – and **not** apparent worldly “love” whose protagonists are all too keen to 'write off' humans who have had 'the short straw in the 1<sup>st</sup> part of their physical life' and could only respond in the manner that The Environment presented to them in a more or less dictatorial manner - to merely survive!

Does all this not sound righteous?

Is what Future Life presents – righteous; or what worldly Christian doctrine presents - more righteous?

All our MPs are rich but most of them are corrupt and unbelievers so their wealth will not help them on judgement day.

Yes in the 1<sup>st</sup> part of their physical life they **are** corrupt and unbelievers (irrespective of what they say to the contrary – their works demonstrate this) – but perhaps we should give a little thought as to **why** they might be like that! For some of these leaders might only be like that because they witness the utterly delinquent nature, useless exegesis and the shenanigans of our worldly Christian leaders, so that they have **no** respect for Yahweh!

It is **not** entirely their fault – but the fault of The Teacher if the 'pupil' has not learnt!

So who gives glory/honour/dignity to Yahweh in those two groupings?

And who is responsible that neither members of those both groupings give Glory/Honour/Dignity to Yahweh?

But we can reason that when our secular leaders are in a righteous environment then many will reform.

- But could the same be said of the responsible ‘other grouping’ – being our worldly Christian leaders?

The people having the greatest threat of failure in the 2<sup>nd</sup> part of their physical life would be worldly Christian leaders represented by the persons of Chorazin condemned by JC (Matt.11v21, Luke.10v13, please see my local commentaries that explain precisely what JC was telling us here - for our explicit warning – see earlier quotations).

I believe people who have had wretched lives but lived kind lives will have their names written in the book of life.

Why? According to what is taught in standard worldly Christian theology (mythology)?

I hear the standard mantra goes along these lines:-

1. You are only saved by “believing in JC” - hence “having The Faith”!
2. You are only saved by Faith (and not works)!

Your statement does not look good based on what we are taught by worldly Christian leaders!

However I thoroughly explain these presented **half**-truths within my commentaries!

I believe the saints in the first resurrection are those who received Christ while they were living on the earth.

Barely correct!

Incidentally I do not use the word "saint" – the word has been denigrated so badly by worldly Christian leaders!

I prefer to use {holy persons}/TCs.

Now speaking about the 144000 TCs:-

They did **not** passively "receive Christ".

The TCs received The Word of God and positively responded (= hearkened) to The Word of God to gain Real Faith that requires a **three** stage process before Yahweh accepted them as future sons of God.

They accurately imbued The Word of God to gain The Accurate Knowledge.

They vehemently/vigorously tested/assayed/examined The Word of God to gain Assurance.

Finally they operated with Fidelity to The Knowledge that they had personally accurately assayed.

In this manner they precisely imitated JC's ministry/lifestyle and thus gained the HS (noting its composite definition).

And they behaved like this to become a (spiritual) martyr for The Cause – which might also lead to physical martyrdom.

**Then after all this**, Yahweh "accepted them" as future sons of God.

Anything other than this ONE route means we remain as bastards (Heb.12v8) to The Adopting Father (John.8v25-58), and thus we "bastards" (having missed The Ideal Goal) have our last opportunity of resurrection into "The Inheritance" in the 2<sup>nd</sup> part of our physical life (within The Millennium) to learn in a perfected environment how to become 'sons' of JCg and the Bride (= 144000 TCs) by learning righteous and thus become 'grand-children' of Yahweh (rather than the "sons" of God – Yahweh) in this one last opportunity (not having made The Grade in the 1<sup>st</sup> part of our physical life).

Yahweh makes The Decision Who He desires to become His sons to rule alongside JCg (Matt.20v23), and it is JCg + the 144000 TCs who decide who shall be their children (sons + daughters) all as The Bible tells us (Matt.19v28, 1Cor.6v1-3).

Can the reader see how The Remnants that return to The Lord progressively occurs out of the 3 epochs of "Israel"?# And all this is done in The Most Righteous Manner – because it is ourselves who effectively made The Decision where we wanted to place ourselves within Yahweh's organisation hence the copious references to (Matt.8v12, 13v42, 22v13, etc) for failures – because "the failures" to what they wanted to be - had no one to blame except themselves!

And for those persons who lived before Jesus died, such as the Hebrew patriarchs who believed in God, such as Abraham, David, etc they too will sit down at the marriage supper of the Lamb.

"Yes!" In the examples you gave because they demonstrably fulfilled Yahweh's Desire.

However you have just ignored a much larger grouping of people not in that category!

Being all the Jews pre JC's 1<sup>st</sup> Advent who were perhaps 'good people' but did not precisely fulfil Yahweh's Desire (as we read at Rom.5v1-4 – being good in men's eyes – but not good enough in Yahweh's eyes to make these very special locations at Yahweh's Table). Have you written them off as well – to annihilation?

Remember these are human beings – just like you are reasoning thinking individuals doing the best they can in what they know – and you could have been one of them – but for sake of your birth being after JC's 1<sup>st</sup> Advent rather than before it!

And what about those millions upon millions of persons outside The Jewish Nation before the birth of JC – how are they possibly saved on your unrighteous exegesis?

The bible says "shall not the the God of the whole earth deal justly?"

Absolutely correct – located at many places but give a few here (Ps.96v13, 98.9, Isa.61v11, Jer.4v2, Rev.19v2, etc).

And it is precisely this message that I fervently publish to The Whole World – so that Yahweh might be recognised as such

I say yes,

I am utterly staggered at you being like a 'weather vane' swinging around in all directions!

Because virtually everything you have stated is the precise opposite – and I have had to write some 38 pages of detailed exegesis in an attempt to untangle your most unrighteous thinking!

so He is able to sort these things out.

He most certainly has and it started with the 1<sup>st</sup> prophecy at Gen.3v15 and proceed to give hundreds upon hundreds of more prophecies and allegories to follow that have, and will be fulfilled throughout the 6 millennia and on into the 7<sup>th</sup> millennia (= The Millennium) demonstrating Yahweh's Righteousness which I so very carefully explain to The World.

He says: "Lean not on your own understanding but in all your ways acknowledge God ....."

(This quotation of Prov.3v5-7).

Which means take absolutely **all** of The Word of God as contained in The Bible and thoroughly understand it, - so that the most wonderful supportive exegesis can be realised like a 'diamond' tetrahedral structure of carbon atoms – **then** we have The Word of God operating within our mind. And provided we have reformed our mind to become precisely Christ-like, to be utterly humble in everything we do while we "edify our neighbour to our own hurt" – **then** we are **not** leaning on our own understanding, but Yahweh is working through us to yield His Most Righteous Plan for Human Salvation to The World. In this manner we are then operating with Yahweh's HS (noting its composite definition). Sadly we witness many people **not** imbuing The Word of God, but only little bits of it - make errors in their reasoning as

they become entangled in disjointed exegesis that makes Yahweh look unrighteous – only because they are filling-in the gaps (= the rejected parts of The Word of God) so that they might lean upon their own understanding (preferring self-indulgence) – because they choose to have so little of Yahweh's Word of God within them upon which to work!

I think you try to sort out too much yourself instead of leaving the things we cannot answer to Him.

Sounds you are close to stating it is acceptable to have “mysteries” and thus do not bother to search!

I do hope not, – else you are not interested “to be given to understand” (Matt.13v11-13)!

I am merely fulfilling what is instructed of us – to go out and search for The Word of God – I am knocking and Yahweh is opening the door (Matt.7v7) – or the other way around; JC is knocking and I open the door to sup with him (Rev.3v20). Where “to sup” means I am deeply thinking about how The Word of God righteously operates to yield Yahweh's Plan for Human Salvation. I then publish this to The World so that sane/reasoning minded recipients might also start to imitate JC's ministry/lifestyle. This brings true honour/glory/dignity to Yahweh within the minds of people presently searching for “The Disclosing Truth” in The World!

Is this a bad thing to do?

How would Yahweh view my activities?

I find reading some of your material pointless. I know what I believe, and your writing only confirms some of the things I believe or else is information which I have to reject as not being in keeping with my understanding of the bible so I do not gain anything from reading your works either one way or the other.

We are instructed in The Bible to constantly search – never to give up – be persistent (Luke.15v8-9) and then tell people!

Are you showing these qualities?

Perhaps you ‘know it all’ – and can stop, because you now feel secure in 'The Truth' (as you understand it).

But that sounds an unwise course of action to me!

Perhaps this what your worldly Christian leaders teach you in their sermons on “love”?

However for me – I keep searching and scrutinising everything within my mind, roll everything that I know, around and around – until The Resultant within my mind seems righteous for every human who has existed – then I know that I am thinking like Yahweh upon His Word of God so kindly given to us by JC!

I really think you would take your website off the internet and go to a good church and get some good teaching!

Finally after everything you have read here - what do you think of your comment now:-

“It would be better for you to remove your website off the internet.”

Perhaps I could draw your thoughts to what JC said to Peter (Matt.16v33) when JC was merely going to Jerusalem to fulfil Yahweh's Desire.

I likewise, am merely trying to fulfil Yahweh's Desire to bring The Real Gospel to The World (Matt.24v14) that brings real Glory/Honour/Dignity to Yahweh within The Recipient's sane/reasoning mind (Titus.2v2-8) so that they might become the next generation of TCs enabling Yahweh to achieve His future 144000 TCs – thereby enabling The Resurrected World to be spiritually purified in The Millennium under The Righteousness displayed by Yahweh's True representatives.

Is this really a crime in Yahweh's Judgement?

Do I speak evil, when in summary, I give The Real Gospel never taught today about the 2<sup>nd</sup> part of our physical life in the paradise of The Millennium where we can learn in a wonderful Environment The Word of God within a perfected DNA fleshly body – without the pain and suffering we have today - because all people will have their minds steered to fulfil Yahweh's Desire?

This is merely what JC taught – and the leaders of “Religion” killed JC because of it (John.11v47-53).

This is what The Apostles taught – and the Jews of The Old Wine commanded them to stop teaching (Acts.4v18).

This is what “FutureLife.Org” teaches – and yet you ask me to stop!

Surely within this world we should be able to present 'a postulation' and it shall stand or fall on the strength of argument – being how it righteously fits The Facts within The Environment! I righteously give my 'strength of argument' based entirely upon The Word of God accurately given – as my writings show. Everything is logically presented and based upon what we have witnessed throughout history – I have invented nothing! Surely The Best Hypothesis stands!

And yet I am being instructed to stop teaching The World merely because you do not like what I present!

It is The New Wine – because by definition it is never taught to The World – The World does not know of it!

Virtually everything in this 39 page writing is new to you - and yet you call it: The Old Wine?

Does what you state not seem weird – in the midst of what Yahweh would Desire?

Is what I am saying and doing, or what you think and say - real “agapao” for society as a whole?

And the only difference is The Source of our reasoning – has it come from leaders of “Religion” or from The Word of God as given by The Original Greek thoroughly reasoned over many years to yield righteousness!

I assume a 'good' church means:

An establishment that operates according to a methodology operating within your mind!

But as I have shown with your exegesis, and I have witnessed within “Christian Churches” an utter lack of anything sensible operating within their methodologies – being utterly confused exegesis, based upon worldly interpretations of fourth and fifth levels removed from The Prime Reference Standard as given in The Original Word of God, where their

members absolutely do **not** imitate JC's ministry/lifestyle! How can I go to such worldly establishments?

Where virtually all the members are operating to your methodology – let me quote it again:-

I find reading some of your material pointless. I know what I believe, and your writing only confirms some of the things I believe or else is information which I have to reject as not being in keeping with my understanding of the bible so I do not gain anything from reading your works either one way or the other.

And thus I reason:-

I could not go to any of the some 42000 Christian schisms - I would be thrown out – told to stop teaching in their environment – because they do not like it – just as you told me here!

Therefore - I must operate in the same manner as Yahweh – to be operating **in parallel** to “Religion” because we are told to get out of her (Rev.18v4). I am after **quality** and **not quantity**. While worldly Christian leaders are after “quantity” for the **worldly return this brings to them**, I and Yahweh are after “Quality” perhaps being available in about 1 to some 20,000+ people, so I must spread my net wider – over The Whole World, thereby enabling sincere people like Nicodemus who are really searching for “The Disclosing Truth” can come privately to me through The Internet and soak-up (like a sponge) The Accurately Explained Knowledge to edify their mind and bring true glory/honour/dignity to Yahweh within their sane/reasoning mind yearning to become a future ‘son/(daughter) of God’, and personally prepared to imitate JC's ministry/lifestyle to become so!

And this reply to you enables me to do so – because any person in The World who writes to me opens themselves up – for me to get inside their mind and untangle the problems and disconnections they have within their mind, being the discontinuities within their reasoning processes made so – because our worldly Christianity is certainly **not** the one/same as the “1<sup>st</sup> Century Christianity” as given by JC and The Original Apostles (detested by leaders of “Religion”)!

And in this manner the questioner becomes “an enabler” – speaking for so many other people who think likewise – but have no point of contact to answer their same concerns. Thus you become “The Enabler” inviting me to straighten out those entanglements and inconsistencies within your mind which spring-board out into The Wider World – answering the concerns and entanglements within the minds of thousands upon millions of people thinking like yourself – but presently do not know how to ask, or express themselves.

I am not angry with you – but so thoroughly saddened – that Christendom has so firmly got its 'hooks into your mind' that you cannot freshly reason on The New Wine that I freely give to you. But you live on “The Love” of self-indulgent sound-bites that your leaders of “Religion” sprinkle like rain upon you – praising you because you belong to their group – and keep you just that way!

All just as leaders of any Christian schism might do, precisely as leaders might do of any “Religion” - because their minions keep the worldly goodies flowing in (prestige/money/power/pension/leverage/control/excitement/sex/etc/etc).

But this is **not** how it will be in The Millennium!

The Word of God will be given freely/simplely (without strings attached) by leaders who truly “agapao” us!

By kings/priests leaders who have demonstrably shown they have edified their neighbour to the TC's own hurt in the 1<sup>st</sup> part of their physical life.

This will occur – because JC taught us that this will occur!
