

The Concordance Base material for 3rd Letter of John

(Issue: 27 Feb 2011) 1st Rev. 19 May 2014 2nd Rev. 05 May 2016 3rd Rev. 03 Dec. 2021

The Aim of this document is to:-

1. Produce The Prime Reference Standard – most faithful to The Original Greek for reasoning/enquiring minds.
2. Introduce The World back to “1st Century Christianity” as first taught by Jesus and is yet never taught today.
3. Show specifically where “Christianity” of today is so vastly different to what The Bible really teaches us.
4. Explain to the lowest detail explicitly how Yahweh's Most Righteous Plan for Human Salvation operates.
5. Give an analytical translation to The World that can be trusted to become “The Disclosing Truth” for study.
6. Become The One-Stop Oasis for The Real Knowledge sourced by Yahweh – bypassing what is given elsewhere.
7. To discover what The Almighty God, Yahweh, is really teaching Mankind, and thus, repudiates “Religion”.
8. To entirely remove all “mystique and mystery” within which Religious Leaders wallow for “People Control”.
9. To cause vociferous debate and thus, bring to The Fore within peoples' minds just how important is this subject!

The appendix lists my primary sources to aid this most faithful translation.

The Concordance section is given to bring the text alive showing us how Yahweh is using His Word to guide and teach us today – rather than to be pushed away from us today, where some leaders consider themselves as being “wise and sophisticated” supposedly not requiring guidance from an old era. Sadly, we all need this guidance, even more so today! The “**Brown Font**” is for my Electronic “Concordance of Topics” located at the Section Headers and given to assist the reader in discovering the depth of Bible content, thereby making it so very different to all other worldly “master” religious documents. No world religion can offer this depth and authority that just oozes out from the text – which gives “The Knowledge” offered a quantum jump from anything that this world can offer!

Allegory = description of one thing under the image of another.

Comment = a statement and/or a rhetorical question James makes in his letter/epistle.

Good News = (1) something for us to be aspiring towards, and/or (2) wonderful future prospect.

Instruction = something that Christians are to be fulfilling in their lives to become TCs.

Prophecy (to include “prophetic”) = prediction; public interpretation of scripture; instruction.

Reasoning = explanation behind the given instruction/comment/prophecy.

Warning = injurious to the health/wellbeing of a human.

Note: A couple of examples termed “prophecies” are more like “words of advice to yield a result” but given to keep the headings uncomplicated – and entice the reader to thoroughly consider the depth of the following subject matter.

The point of this piece is not to contest there may only be 3 “allegories” to the 4 stated or that a “reasoning” should be classified as an “instruction” (and likewise with the other headings) – but they have been given to expose the many examples buried within the text, enabling personal contemplation upon what is read without missing the important wealth of material given for our consideration!

Furthermore, I include “one liners” as “parables” under the strict definition of parable (as “a comparison”) because these can be so easily ignored as we witness in the exceedingly substandard teaching given by worldly Christian leaders,

The Thrust of “The Real Gospel” of “1st Century Christianity” is twofold, firstly it is directed to elect/select 144000 (Rev.14v1-4) grouping of people for God’s name/character/authority as “The 1st Part” of God’s Plan for Human Salvation, requiring “The Early Adopters” to become The Future World Leaders. This is a special grouping of people (1Pet.2v9, Isa.66v8) proven to have precisely imitated Jesus Christ (to the very best of their ability) during the following Gospel Age, that only God/Yahweh knows how long it shall be, Matt.24v36 because of Matt.20v23. Secondly, “The Real Gospel” teaches The World in fine detail of the future “New World Order” of The Millennium and how all resurrected people of the last some 6000 years can be personally successful as “The Late Adopters” within its “new operating procedures”. This “New System” cannot occur now but will only occur when Yahweh achieves His 144000 elected individuals from out of The Gospel Age. Presently, religious leaders who were/are false to this duty were/are those who claim to represent Yahweh being The Pharisees prior to JC’s ministry and the worldly Christian Leaders after JC’s ministry. The Religious Leaders are instructed to set “The Correct Example” (which is now to precisely imitate JC’s ministry/lifestyle) that the worldly leaders of Politics and Commerce are supposed to follow, except the religious leaders imitate them, by wholly misappropriating God’s Word to suit their own desires! People spiritually inhabiting The World of Politics and Commerce for its personal rewards are completely ignored by Yahweh, they form no active part in bringing forth The Millennium that finishes “The 2nd Part” of Yahweh’s “Most Righteous Plan of Human Salvation” (to complete “The Acceptable Year of The Lord”, Luke.4v19 – see glossary). Thus, the vast majority of allegories and prophecies in The Bible have no relevance to worldly people of today – being true on both sides of the equation! The allegories and prophecies of today are only specifically related to “Christians” who claim to represent Yahweh by having a working knowledge of Yahweh’s Word. Sadly, virtually all representatives choose to do “their own (worldly) thing”, and thus, personally make themselves “unelectable” for a place in the 144000 grouping, and thus, renege on their personal “Contract” with Yahweh, which is “to imitate Jesus and receive what he obtained” by means of Anointing! People outside the 144000 “Early Adopters” will only bump into Bible prophecies as and when these prophecies become progressively fulfilled throughout The Gospel Age, of which very many are being fulfilled now at The Gospel Age close, because “The Prophesied Trigger Threshold” of 144000 TCs is almost complete, for “The 1st Resurrection” (Rev.20v6). It is crucial to understand – The Bible is drawing out “The Early Adopters” and gives future options for everyone else.

Some important shorthand regularly used in the subsequent text:

JC = Jesus Christ in a fleshly DNA body, JCg = Jesus Christ in a heavenly body exceeding human comprehension!
HS = Holy Spirit (Spirit of/to/the Holy) TC = True Christian (imitates JC) CA = Copyist's Addition
{...} = one Greek word .../... = several English renderings of the same Greek word
1st 2nd C = "The 1st time of JC's 2nd Coming" = "The 1st Resurrection" to yield of the 144000 TCs "First Fruits"
2nd 2nd C = 3.5 years after the 1st 2nd C to complete The Great Tribulation and bring in The Millennium (Rev.19v16-21).
(see Glossary on all these terms – where they are all carefully explained) og = Original Greek

Note: This translation is commutative, - meaning it is so precisely accurate to enable a near perfect translation back to the original Greek including nuances. That is something that cannot be said of modern-day translations; many are human interpretations at crucial locations and thus, loose the original 2nd level meaning lying just beneath the more accessible high level (of which these interpretations then severely distort at key doctrinal positions within the text). By consequence, I was forced to create the "**Prime Reference Standard**" for analytical study of which I now present, together with exegesis in the inter-verse commentaries to shake The World from its present misdirection! To combat the mass corruption by charlatan Christian Leaders, I was compelled to plug the missing gaps within "God's (named "Yahweh") Word" to expose what was truly in the scribe's mind for the reader to understand Yahweh's Mind. This precise amplified translation is structured this manner:

Environmental Context for next section – are given in this font and colour
Exact Translation is the "Text in this font"
(Text in this font are the words buried within the original Greek words)
[= Text in this font enclosed in square brackets are helpful additions]
John's epistle/letter corroborated by The Old Testament citations (and supportive instruction).

The English amplified translation is the "Text in this font and colour"

Standard English translation in this Text/Font [background highlight] and (local word/phrase explanation in this Text/Font)

Thus, I have constructed an analytical translation together with the understanding behind the original "Word of God". It will cause much "heart searching" and "consternation" within The World as it draws out precisely what Yahweh is teaching us – there is no escape – are we prepared to imbue this "new wine – or do we prefer the old?" Luke.5v39.

Be prepared to be winnowed/audited: "Are we with JC gathering or against JC dispersing?" Matt.12v30.

Important Note Under the Standard Gaussian Distribution Curve of any population (furthermore, within any generation) we realise there are

1. (Few) Christian Leaders who fulfil Yahweh's Desire within their life (at one end of the Gaussian Distribution Curve).
2. There are (very many) worldly Christian Leaders who are mediocre (wayward and passive to varying degrees in the middle).
3. There are (numerous) iniquitous Christian Leaders distorting Yahweh's perfect Word for their own glory (having the same future as Judas Iscariot).

I will not state who is in which grouping (though obvious when personally having accurate Bible knowledge), but it is incumbent upon the reader to personally audit their leader against specifically what The Bible teaches us regarding Christian Leadership. Else, you have what you ultimately desire ("birds of a feather flocking together" under the leader of their choice, 2Tim.4v3-4, and flocks responding to the robber's voice, of John.10v1-9)! Long overdue within this World - this website "FutureLife.Org" as a culmination of very many 10,000's of my personal man-hours, gives freely to The Reader the knowledge, understanding and thus, The Tools to carry-out the most effective audit upon your Christian Leader to see if he/she is (1) a TC, (2) a worldly Christian Leader or (3) charlatan Christian Leader!

Would you like to take up the offer? - Then please read on ... - to gain "The Tools"!

"Sons of God" is only terminology – both men/women can be "Sons of God" noting upon resurrection there is no gender (Matt.22v30, Luke.20v36); gender is only required "to fill the Earth" (Gen.1v28, 9v1) once it has occurred as foreknown by Yahweh for The Eternity, then The Gospel Age closes.

Please note my translation rules

"The" as a masculine "he" is retained as "the", and I have added "(person [individual's name])" thereby (1) keeping everything gender neutral, and thus, more applicable today, (2) the individual's reference/title is given as a useful pointer for the reader, else interpretation of text can be difficult. Words (for example) "For" and "And" generally should be brought forward by one Greek word in the Literal Translation ("og"). Certain words (for example) "and", "also", "but", "both", "through", etc., mean specifically as stated. I have not forced-in an interpretation! "The Article" nominative or accusative is retained as "the", I have not forced an interpretation of an "a" into the text, I allow the reader this option. "Ho Theos" nominative (T/the G/god) is translated as "T/the {S/specific G/god}" is context applicable. I give the local reasons as to why this is done Plural "yourselves" buried within a word is translated as "you" to keep the sentences shorter, but plural is maintained for "specifically yourselves". Everything that is humanly possible has been done to retain "The Integrity" of the original Greek Understanding, thereby being wholly transparent! To achieve this, I have been driven to ensure this translation is commutative, inasmuch The Original Greek can be derived from my English translation. Finally, a translation expresses both competence and motive, I trust mine expresses "The Absolute Truth" as desired by Yahweh and to further that desire, then I welcome all scholarly input so that we together, can bring any word within this translation ever closer to what was in the scribe's mind.

3rd letter of John:

Issue date: 02 Aug 2007

(Revised: 25 Feb. 2011) 2nd Rev. 19 May 2014 3rd Rev. 05 May. 2016 4th Rev. 03 Dec. 2021

1st Comment – John states he is an "Elder".

1st Allegory – Elder = A person fully mature in "The Real Faith" (as deemed by Yahweh to be a TC).

2nd Comment – John states he {loves by principle}/{edifying loving}/agapao Gaius who operates in Truth.

1st Instruction – "The Truth" is "The Word of God" given to Mankind over "Time" to enable "personal reform" by hearkening people away from Worldly methodology unto Yahweh's Methodology being "The Required Route" to yield a perfected society into The Eternity. God's Word comprises of both "part 1 (The Tanakh)" and "part 2 (JC righteously answering part 1 to righteously make possible "The Route" to our personal salvation)".

1st Reasoning – JC was/is "The Word of God" delivering The Truth of God's Methodology to The World. Thus, a person who operates in Truth means they operate their lifestyle to precisely imitate JC's ministry/lifestyle driven for the same

reasons as was JC during his ministry period. Therefore, because these TCs have truly imbued “The Word of God” then they have the presence/parousia of JC driving them from inside to become an active body member of Christ outside.

2nd ‘Allegory’ – Love = (sadly I need to write this). This love is “agapao” the highest form of Love being “love by principle” where humans are motivated to put the edification of their neighbour into the fulfilling of Yahweh’s Desire in their life (this and what it all means is **never** taught by worldly Christian leaders – I invite their response to this claim!)

1. Agapao (love) = Highest form of “love by principle” operating within The Mind to edify our brother/neighbour to fulfil Yahweh’s Desire so they too might have eternal life (this **is the very best** we can freely give away)!
2. Agape (love) is derivative of (1) and are the physical works demonstrated within The World to be edifying our brother/neighbour to understand why/how they too might fulfil Yahweh’s Desire for everlasting life.

(Sadly, this needs to be explained) JC commands us “By principle” to Love your brethren (and by implication) our neighbour/stranger. In doing so as a TC, he/she is to fully commit their very existence/being/methodology of the 1st part of their life to accurately teach of The Gospel (= The Acceptable Year of The Lord) impartially to all humans, with no encumbrance of worldly politics putting up a potential barrier for transfer of The Knowledge (hence TCs are to be absolutely neutral in all forms of worldly politics – just as JC clearly showed us – we are not to be of this World).

3John v1 og The {comparative of} older/{Elder (of the ecclesia)} (to the) Gaius to the {dearly/well loved}/beloved,

3John v1 og whom/which/that (emphatic) I/me agapao/{love by principle}/{edifying love}

3John v1 og in (to the [= within]) truth/verity.

3John v1 The elder (John, the apostle and TC) to the beloved Gaius,
whom empathic I (John) {love by principle}/{edifying love}/agapao within the truth.

The elder (John, the apostle and TC) to the beloved Gaius,

whom emphatic I (John) agapao/{edifying love} within the truth (of “1st Century Christianity” as taught by JC and the following TCs).

This was a common name at the time, and The Bible makes mention of several Gaius -

1. A Macedonian who accompanied Paul on his 3rd missionary journey (Acts 19v29), and perhaps the same person who moved to Derbe (Acts 20v4,5).
2. A Christian living in Corinth, baptised by Paul and a host to Christian meetings (1Co 1v14, Rom 16v23).

Notice the use of “agapao” and not “agape”.

Now look in the standard bibles available to see if it is possible to determine the type of “love” about which Johns speaks.

The answer is, we cannot – because it has been broad-brushed out by the translators “dumbing-down” The Bible message – to obscure the inner subtleties that give us access into the scribe’s mind, being the nuances built into the text – of which “FutureLife.Org” then publicly draws out!

The Crux is – that while it might be more obvious here, it is much less obvious in other parts of The New Testament, where I also maintain fidelity.

We see here, John is speaking of “{love by principle}/{edifying love}/agapao” being “driven within the mind to edify the recipient of God’s Word so he/she too might know why/how to fulfil Yahweh’s Desire”.

Here we read “agapao is within the Truth” where “The Absolute Truth” is “God’s Word” of “1st Century Christianity” as precisely given in The Bible – yet not as given by our worldly Christian leaders in their modified bibles (Rev.22v18-19) crafted to suit The World (of their congregations) rather than to remain faithful to The Original Text. One of the worst offenders is the NIV having been pushed through The Mincer of Rev.22v18-19 of which I show by many examples given within my inter-verse commentaries of The New Testament. We must realise that unless “The Whole” is given, then a skewed understanding will result, – which is precisely why it is done; – helped by creating new “worldly bibles” scripted in the minds of Christian leaders apparently having “huge chunks” removed and “large sections” added (both sections manipulated by The World, for The World, to gain from The World)! This is driven by marketing departments – with the intention to keep “things changing”, bring out something new to always keep the punters happy, and be parting with their cash/(adoration)!

Thus we understand John (truly a representative of Yahweh, an apostle - “appointed by Yahweh to tell”) is correctly motivated to recognise another TC who is personally working with fidelity to what he knows – he imitates JC’s ministry/lifestyle because Gaius truly has “The Word of God” (JC’s presence/parousia) operating within his mind to control his thought processes, – spiritually driven by agapao to physically deliver agape (see v6).

3rd Comment – John states Gaius is beloved and personally wishes/desires/prays for him to be successful.

2nd Reasoning – John works with Gaius to help in his success because both are working unto the common goal to fulfil Yahweh’s Desire. The goal is to bring more people into “The Real Faith” to be exactly copying JC for no worldly return.

4th Comment – John requests, Gaius shall have sound health – that is in line with Yahweh’s Desire.

3rd Reasoning – Because this request is in line with Yahweh’s Desire of enabling Gaius to be more effective in his “{occupational efforts}/works/labours” (to be precisely imitating JC) then this request will be granted by Yahweh.

3rd ‘Allegory’ – “soul” = the “conscious existence of a reasoning entity” (I realise this is not an allegory but a very necessary definition because of the utter foolishness spoken by people claiming to know – but obviously do not know!) Please see glossary and dissertations on this word within this website – that clearly explain what the word really means!

5th Comment – John states Gaius’ “soul” is {succeeding in reaching}/{being successful}/{doing well}.

4th Reasoning – Thus John concludes with the combined spiritual + physical aspect of Gaius (his complete “make-up”) is fulfilling Yahweh’s Desire as a conscious reasoning entity worthy to become a future “Son of God” (a spiritual mind placed by Yahweh within a heavenly/spiritual/celestial body – 1Cor.15v35-55 – just as Yahweh did to JCg).

6th Comment – John is extremely pleased Gaius operates in “The Disclosing Truth” as witnessed by the brethren.

People operating only in Truth are highly respected and this is respected/mentioned by outside observers.

5th Reasoning – It can be presumed (from v6) these brethren might be converts from the work put in by Gaius imitating JC’s ministry/lifestyle who are coming “to the leader” (John) giving thanks for “The Knowledge” imparted.

7th Comment – John states: “Just as you depart/{occupy yourself} yourself in truth”.

Instruction – repeat - “The Truth” is “The Word of God” given to Mankind over “Time” to enable “personal reform” by hearkening people away from Worldly methodology unto Yahweh’s Methodology being “The Required Route” to yield a perfected society into The Eternity. God’s Word comprises of both “part 1 (The Tanakh)” and “part 2 (JC righteously answering part 1 to righteously make possible “The Route” to our personal salvation)”.

Reasoning – repeat - JC was/is “The Word of God” delivering The Truth of God’s Methodology to The World. Thus, a person who operates in Truth means they operate their lifestyle to precisely imitate JC’s ministry/lifestyle driven for the

same reasons as was JC during his ministry period. Therefore, because these TCs have truly imbued “The Word of God” then they have the presence/parousia of JC driving them from inside to become an active body member of Christ outside.

8th Comment – Do we personally deport/occupy yourself ourselves in The Truth? Yahweh is presently auditing all people claiming to be “Christians” according to “The Golden/Kingly Standard” as laid down by JC’s ministry/lifestyle.

3John v2 og {dearly/well loved}/beloved (vocative),
3John v2 og concerning/about (of the) all (things) (I) wish/will/pray [middle voice] thee/thy/thou
3John v2 og (to) {to help on the road of life}/{succeed in reaching}/prosper/successful/{do well}
3John v2 og also (to be) {in sound health}/{be well (in body)}/{not corrupted}/{true in doctrine}/wholesome,
3John v2 og just/as/that/how/when
3John v2 og (it may/should) {to help on the road of life}/{succeed in reaching}/{be prosperous/successful}/{does well}
3John v2 og (of) thee/thy/thou/you the {to breathe}/life/soul/{conscious existence}.

3John v2 **Beloved!**
Concerning of all things I personally wish/will/pray, you to {succeed in reaching}/{be successful}/{do well} also to {have sound health}/{be well in body}/wholesome, just/as it may/should {succeed in reaching}/{be successful}/{do well} your breathing/life/soul/{conscious existence} .

Beloved! (The same declaration Yahweh made to His Son JC [Matt.3v17, 17v5] because JC fulfilled Yahweh's Desire, likewise Gaius) I personally wish you to be successful concerning all things (in the continual deportment of copying JC's ministry/lifestyle) also (you) to have sound health (so you can be more effective in fulfilling Yahweh's Desire), just/as your life/soul/{conscious existence} might be successful (ideally both parts [mind/body] of your spiritual/physical life).

Firstly note This is not as given in our worldly translated bibles (or as institutionalised by our worldly Christian leaders' practices). “Personally wish/will/desire/pray” means “an inward desire to make something occur and is supported by {occupational effort}/works/labours”. It is not as we are presently taught today, – “to participate within a group prayer/worship to say a few niceties in a vain pretence we care for someone” of whom perhaps we may well care – but importantly, the given understanding is far more proactive than that! It means an inside driver “to operate in the same mindset to work together for a common cause supported by works”.

Not simply as taught by Christian leaders in supposed prayers

“We think of this, that, or the other” and now over the fence to “You” (God) to sort it out!”

Under the pious arrogance -

Most importantly, we have done our bit to bring Your attention, God, to this fact occurring, – just in case You were not aware of it!

What insolence! What impudence!

This is “The Pretence” and hypocritical practice performed by worldly Christians that is an utter anathema to Yahweh – it does not fulfil His Desire at both (1) the spiritual or (2) physical level!

Yahweh is waiting for us to be personally imitating JC's ministry/lifestyle so He might righteously bring forth by election another TC by validation of that individual having previously been written (Rom.8v29) onto “The Scroll of (Guaranteed) Life” (Rev.5v2+) to be read out from Rev.6v2+ throughout all the chapters of Revelations unto Rev.19v9 over some 2000 years, so ultimately at “The Close” of The Gospel Age, they will all be collected by JC at “The 1st Resurrection”.

Inasmuch, it is the 144000 TCs personally fulfilling prophecy that closes The Gospel Age!

This righteous logic wholly escapes the reasoning centres of our worldly Christian leaders/theologians/scholars for numerous reasons.

When Yahweh has gained His fulfilled “Prophesied Trigger Threshold” for “The Firstfruit harvest” (Rev.14v1-4), having personally chosen them (Matt.20v23) before they were born (Rom.8v29) hence knowing and bringing to a close of The Gospel Age (Matt.24v36) - then He can (3.5 years later; Dan,12v11-12) bring forth The Millennium through JCg physically coming to remove “The Old-World Order” (Rev.19v16-21, 2Pet.3v10-14) operating upon a then imploding world.

As I carefully explain elsewhere – this shall occur mid-21st Century CE (and Rev.21v1-4 should occur no later than 2067 CE, based upon what was ordained and occurred to Jerusalem over the last three Jubilee years [1917, 1967, 2017], Lev.25v9-54, 27v17-24).

Can the reader understand this parallel plan of operation that is completely outside what our worldly Christian leaders are preaching and doing?! They are merely “A Continuum” within some 2000 years of The Gospel Age and are being used as a vehicle by Yahweh to extract (through the generations) His selected/elected people personally volunteering to sacrifice their lives away from the self-indulgences sourced by The World that suck our time, efforts and resources away from fulfilling Yahweh's Desire.

Now we understand what “personally wish/will/desire/pray” means, then we can put it into the context of what John is teaching us.

Because John is operating in the “one/same spirit/personality/desires/traits as JC that is separate from this world of sin” (HS) then he can recognise those very specific people who are sincerely aiming to become TCs.

Naturally by contrast, those people not operating with the HS (however much they will profusely claim to have the HS) shall recognise (“know”) their own people (likewise without the HS) – precisely as The Bible tells us! The same occurs within the World today, while The Public uneducated in such matters cannot recognise a conman until after the event, one conman can easily recognise another conman before the deed is done!

Moreover, between educated leaders of the two Christian groupings, a cross-recognition will occur between them, yielding wholly opposite responses!

The TC can easily recognise a worldly (and worse, charlatan) Christian leader – and desire to edify this person through God's Word.

The worldly (and worse, charlatan) Christian leader can recognise a TC – and desire to suppress this person, often by killing him/her!

Likewise, a good Tradesman can instantly recognise the shoddy workmanship of a “Rogue Trader”, while for the victim it might require many years for the faults to show themselves (and for Christians it will require The Millennium to realise they were “taken for a ride” by their leader of Christendom)! Moreover, a good Tradesman has no need to advertise his work with self-praise – because his work stands out as being trustworthy.

By contrast, a “Rogue Trader” will use much superlative language about his/her abilities to gain the next victim! Likewise, charlatan Christian leaders speak much about themselves or their congregations having much HS, only because in reality they have none. By contrast, the TCs virtually never speak of the HS, because they have no need – it is comprehensibly already working in them!

Can the reader understand this truism?

The hypocrisy over what is said against what is done is utterly amazing when we know for what we should be looking!

The historical events are my witness to endorse what I state! Noting what JC said on the subject at Matt.23v27-32.

It is all related to The Driver within The Mind – “agapao” or “self”.

This becomes “The Judgement Process” throughout The Gospel Age that Yahweh uses for His future rulers of The Millennium.

Can the reader now start to understand “The Bigger Picture” of what is occurring at a Global level through millennia?

Thus, John will personally desire/pray (working with the “HS”) to make “Yahweh's Pure Desire made manifest within The Environment”) to assist in Gaius' future wellbeing as a TC. Because John has worked with a “spirit/personality/desires/traits that is pure/innocent/blameless/separate from this world of sin”) (“HS”) then he has given “his all” to edify Gaius to become like John himself, so much so, that Gaius' “{to breathe}/life/{conscious existence}” (= “soul”) shall be successful into The Eternity.

Successful for what?

To achieve the same as Paul shall achieve, being of “Sonship” (2Tim.4v6-8, and Peter 1Pet.5v4), the same as John shall receive.

Furthermore, **if** Gaius continued in the same manner as his 1st generation mentors (the very mature TCs, John/Paul/Peter) unto the end of the 1st part of his physical life **then** he too shall be ruling in The Millennium as one of the 144000 TCs alongside John, Paul, and Peter. Thus, we understand the {conscious existence} (= soul) being the 1st and 2nd periods of our combined life shall succeed in reaching "Yahweh's Rest" (Heb. chapters 4-6) **if** we fulfil Yahweh's Desire by precisely imitating JC's ministry/lifestyle. The definition of "soul" is absolutely **not** the rubbish taught by our wholly **misguided** and demonstrably **errant worldly** Christian leaders who think in the same manner as do their religious peers of the other **worldly sourced** religions. – What is the common denominator? – I let the reader reason upon the obvious answer to that question! I give a clue, "S*t*n"! Therefore -

Soul = the combined **functioning body** of both "**spiritual mind** and **physical frame**" operating in concert/concord.

The physical body comprising of "The Flesh" in the 1st part of our physical life that can then go one of two ways upon our resurrection into the 2nd part of our physical life. (1) perfected DNA fleshly (**given in trust**) or (2) an incorruptible heavenly/celestial.

The Choice is made by Yahweh depending upon what we have sown in the 1st part of our physical life (1Cor.15v35-55, Gal.6v7).

However, when we are dead ("asleep", John.11v11-15) between the 1st and 2nd part of our physical life, or annihilated **after** the 2nd part of our physical life, then we do **not** exist – neither does our soul, – "we" as individuals = "soul" become **non-existent!**

Our "Heavenly Treasure" of which JC speaks (Matt.6v19-20, Luke.12v33) is our "most precious thing" = our "synapse construction mapping" (being "what intrinsically makes us" = "us") that Yahweh safely retains **only The Once** (because of what JC did – Heb.6v4-6) during "The 1st Death" (our immediate/common death) to enable a resurrection unto the 2nd part of our physical life. It must be clearly understood – this reasoning is **completely unknown** to our **worldly** Christian scholars and theologians because they teach **none** of this except "bogus/unrighteous nonsense" – and the "Knowledge" is crucial to our understanding of Yahweh's "Most Righteous Plan for Human Salvation"!

If they (1) do know and (2) remain silent then **they are doubly culpable** to Yahweh's Condemnation!

I should just make a final comment on "The Word of God" – that operates within us "who actively aim to become TCs".

As JC stated "The Truth will set you free" (John.8v32-36) and "{absolutely knowing/understanding}" "The Word of God" to fully understand Yahweh's Plan, then we become mentally strong/steadfast in "The **Real Faith**" (= **accurate** knowledge [by learning] + assurance [by testing] + fidelity [by implementing]) that operates within The Mind working on the platform of our physical body. Consequently, we become "fighting fit" (Eph.6v13-17) to face what Satan's methodology throws at us from The World - being those specific individuals who control The World in all its various aspects – only because "The Word of God", **accurately** taught, exposes their hypocrisy, and they respond accordingly (John.11v47-53, Matt.26v4).

I repeat It is important to remember -
Real Faith = **Accurate** knowledge + Assurance + Fidelity.

As I carefully explain elsewhere – without **all** three, then it becomes "blind faith". Virtually all humans operate in "blind faith" because they do **not** (1) start with **accurate** knowledge, or (2) thoroughly/vigorously/rigorously test/assay/prove what they know to gain assurance, competence, and authority of their subject matter or (3) have the drive/inclination to practice with fidelity what they know!

You might have heard this worldly statement "If you believe something strongly enough, then it must be true!" **Absolute rubbish!**

That sort of statement is presented as being "intelligent" - by supposedly intelligent people presumptuously taking the pride of place in front of "The Almighty God", – and they come out with that ridiculous and wholly unsubstantiated comment! Worryingly, this practice is pandemic today and believed by millions upon millions of people (over many, many issues today)!

This nonsense must be forthrightly combatted!

Christian leaders not condemning what their peers preach and do, are effectively condoning their heinous activity (Rom.1v31-32), being too ashamed of "The (real) Word of God" (JC, Rev.19v13) and thus, JCG will be too ashamed to speak up for them to Yahweh in "The Special/Greater (1st) Judgement" (James.3v1) for "Sonship" (Mark.8v38, Luke.9v26)!

3John v3 og (I [John]) {was cheerful}/ {was calmly happy}/ {be well (salutation)}/rejoiced/greeted For

3John v3 og (the) much/exceedingly/greatly/chiefly/highest/foremost

3John v3 og (of the) accompany/appear/bring/coming [middle voice, plural] (of the) brothers/brethren

3John v3 og (of) thee/thy/thou/you to the [= in/with/by/on] truth/verity,

3John v3 og just/as/that/how/when thee/thou/you in (to the [= within]) truth/verity

3John v3 og (you) {tread all about}/walk/{deport oneself}/ {to occupy one's life}.

3John v3 **For I (John) was the much/greatly cheerful/rejoiced of the personal appearing/coming of the brothers/brethren, also of their witnessing/reporting of you (Gaius) in the truth, just/how/as you {deport yourself}/{occupy your life} within the truth.**

For I (John) was greatly rejoiced (at) the personal coming of the (spiritual) brothers

also of their reporting of you (being) in The Truth (you have [1] "**accurate knowledge**", [2] assayed it to gain "**assurance**", authority)

just/how you (Gaius) deport yourself within The Truth (you [3] operate with "**fidelity**" to what you [1] **accurately** know and [2] have tested)

I presume from (v6) these brethren may well have been converts from the "{occupational efforts}/works/labours" put in by Gaius to be imitating JC's ministry/lifestyle and they are gratefully informing the last remaining Original Disciple "John" of their thanks to be in the position to attain "The Knowledge" of "**1st Century** Christianity" sourced by Yahweh through the chain of JC, John, Gaius and then to them.

This is **not** "**worldly** Christianity" we have taught over the whole World today and has been done for the last some 1700+ years!

Please see my document "What is the difference between "**1st Century** Christianity" and "**worldly** Christianity".

Therefore by reply, John is genuinely exceedingly grateful to have **likeminded** (of the **one/same** "spirit/personality/desires/traits that is pure/innocent/{separate from this world of sin}") "to make Yahweh's Pure Desire manifest within The Environment" ["HS"]) brethren (being those people **actively** aiming to become TCs by **precisely imitating** JC's ministry/lifestyle) coming to visit him and report of their transformation perhaps made possible by the work of Gaius.

These individuals are equally of like mind to that of Gaius and thus **all work together** in the one/same "**Real Faith**" - rather than the now some 37000+ deviant **worldly** Christian schisms having all manner of wayward, illogical and thus "**un**righteous exegesis" operating throughout (within their "**blind faith**" lacking at least one of the three prerequisites for "**Real Faith**" [mostly, people cannot even get off the 1st square of "**accurate knowledge**"])!

How can something **un**righteous - therefore be sourced from "The **Righteous** Almighty God"?

Obviously their "**un**righteous exegesis" is sourced by "the unrighteous god" – Satan!

Satan is "The pretender god" of this present evil system World (2Cor.4v4, 1John.5v19)!

Satan sourced his methodology (worldly methodology) right in the beginning with Adam and Eve (Gen.3v3-5) being that of "Self-Indulgence" ("selfishness to the hurt of our neighbour")!

Thus, TCs operating in "The **Real Faith**" of "**1st Century** Christianity" have washed themselves clean away from "self-indulgence", have personally sacrificed themselves away from the lusts of this present worldly system, so their time is dedicated to precisely imitate JC's ministry/lifestyle for **no** worldly return. Consequently, the TCs become "The Least/Last" in The World, and thus by (personally) **taking** this position, then they will then be **given** (by Yahweh) "The Most/First" (hence "moved up the table", Luke.14v8-11) in "The New World Order" as future "Sons of God" with the greater responsibility (Luke.19v16-19) to **accurately** educate "The Resurrected World" unto "righteousness". Sadly because our leaders (of

politics, commerce, and the most hypocritical "Religion") operating under the present worldly methodology personally take "The Most/First" in the present World, then by consequence, Yahweh shall give them "The Least/Last" in "The New World Order" (The Millennium) so they might be best placed to reform their mindset to become humble and contrite (Matt.19v30, 20v16, Mark.10v31, Luke.13v30). It is only by becoming contrite/humble in The Millennium that we become worthy of everlasting life in a perfected DNA fleshly body (with the "Junk DNA" repaired, to yield an operational "system support infrastructure/genome" that started to decay when having none of the necessary enzyme precursors from "The Tree of Life" [Gen.3v24] – and lost at the bottle-neck of "The Flood" [Gen. Chapter 7]).

Can The Reader understand all this exegesis? – It is precisely as The Bible teaches us – through both "The 1st and 2nd Covenants".

Sadly at 2011 CE our worldly Christian leaders/theologians/scholars choose to be ignorant over this exegesis – it cramps their style!

The reason for this diversion, is to open the reader's mind to understand these "1st Century Christian" individuals were operating under a completely different mindset to "the new mindset of the last 1700+ years of The Gospel Age" (and even more so today), where everything today is "done for show" through "The Mass Media" – the highly visible "supposed charity" acts (compared with JC's instruction given at Matt.6v3, etc.) to sustain the fleshly body (which in its present state is destined for annihilation), but "supposedly nowhere" are real/honest charity acts being given (while experiencing worldly persecution) to sustain/nurture the spiritual mind – being what Yahweh retains as the "heavenly treasure" (see glossary).

These are True Acts of "charity" for "The Long-Term Benefit of Mankind"!

What is better than for a man to lay down his life to give humans everlasting life (John.15v13)?

JC showed this by (1) ministry and (2) ransom sacrifice.

TCs show this in (1) ministry and (2) the sacrifice of their life away from the fleshly self-indulgences this present worldly system can deliver.

The next generation of TCs become "The Offering" given by "The Mature TCs" in their own sacrifice away from this present world of sin.

When Yahweh has validated His 144000 TCs – then He can righteously move to "The Mass Salvation of Mankind" in The Millennium!

Again, I must ask -

Can the readers understand this?

This is "The Crux" of "The (real) Gospel" of "1st Century Christianity"!

Yet again, I am forced to repeat -

Sadly at 2011 CE our worldly Christian leaders/theologians/scholars "choose to be ignorant" over this exegesis – it cramps their style!

Why can I say this?

Because it is never correctly taught by our worldly Christian leaders in their sermons, but always "{aside contrary}" (see 2Pet.2v1, 2John.1v7-9).

Though all this may seem an adjunct to this verse – it is absolutely crucial for the reader to get their head around the "deception/seduction" that operates in this present worldly system, which by consequence "greatly impedes" Yahweh from gaining His future 144000 "Sons of God" (please read both "Yahweh's Desire" and "Satan's desire" as given on this website "FutureLife.Org" so the reader may understand precisely what is occurring on this planet over the last some 2000 years)! Hence the term "Antichrist", meaning "Anti-anointing" 144000 TCs as future "Sons of God" please see my commentaries to 1John.2v18-19, 4v1-3, 2John.v7).

Thus, TCs are exceedingly joyous to meet other TCs who equally sacrifice their lives away from The World, because they are truly driven by agapao/{edifying love}/{love by principle} to spiritually grow their brother/sister/neighbour on "Accurate Knowledge" so they too might understand why/how they also are able to fulfil Yahweh's Desire. This is not a hypocritical "love" as given by "Professional Leaders of Religion" within their "wonderful soundbites" to enthrall their expectant clientele, - but by contrast, a genuine agapao yielding agape to edify their neighbour to personally fulfil Yahweh's Desire!

Can the reader state "In the Truth" – they personally fulfil Yahweh's Desire?

Does the reader even know what really is Yahweh's Desire – that itself should be fulfilled?

If not, – then "Why not?" –

What have our worldly Christian leaders/theologians/scholars been teaching us over the last some 2000 years?

For some 2000 years they have been and are still lost in "The Mystery of God" – without understanding "The Mystery of God" is easily solved!

"The Mystery of God" is quite simply stated -

"How can members of the creation of god (JCg) become like their creator (equally as sons of "The Almighty God" [Yahweh])".

The solution likewise is so simply stated -

"To precisely imitate JC's ministry/lifestyle".

Then - Yahweh as "The 3rd Party Assessor/Judge" (Matt.20v23) shall resurrect us unto a position alongside JCg (as future "Sons of God").

Where we reason -

Being on "equal par" with JCg (as determined by Yahweh – Matt.20v23) with the understanding

Because JCg "led the way through The Veil" (see my commentary at Luke.23v45), being what he did during his 1st Advent,

then he is "The Premier/Emeritus" "Son of God".

JCg is The Bridegroom to his Bride (144000 TCs, Matt.22v1-9, 25v1-12, John.3v28-30, Eph.5v30-32, Rev.19v4-9, 21v2, 9, John.2v1-12, etc.), where he is The First/Chief/Only Begotten Son of God (I explain all these terms elsewhere [needless to say They do not mean what our spiritually blind worldly Christian theologians erroneously tell us, Matt.15v14, Luke.6v39]!)

I only write like this to "Wake us up from our slumbers!"

Start thinking for ourselves (on "The New Wine" [Luke.5v38-39] that was all but lost after the 1st Century CE), and most importantly, we must not rely on people preferring the old stale wine (of the last some 1700+ years) who have no interest in us, except what they can gain out of us!

Again, I need to state -

Can the readers understand this? – It is "The Crux of The Real Gospel" – but disappointingly I need to repeat -

Sadly at 2011 CE our worldly Christian leaders/theologians/scholars "choose to be ignorant" over this exegesis – it cramps their style!

That is precisely why it is still a mystery to them and precisely why they cannot personally find "The Solution" (unless personal reform occurs)!

Thus, we can infer from what John is teaching us here -

The TCs speak The Truth and are demonstrably not hypocrites, by example Gaius is alive (being how he departs himself) in The Truth.

It may seem to the reader, I have "gone off target" in explaining this verse with all the additional background – but felt I had need to depart to get behind "The Deception" practised today (being "antichrist" - all as John tells us at 1John.2v18-19, 4v1-3, 2John.v7), and further, the errant sermons given today to promote "self-indulgence" within the congregations – all of which does not fulfil Yahweh's Desire!

Quite simply, the innocent congregational members (Rom.16v17-18) are sincerely trying to find "The Almighty God", thinking they might achieve everlasting life through their customs/works (Matt.23v23) – but they are absolutely wasting their time about something which was freely given by JC and are further being blocked by their religious leaders from becoming future "Sons of God" (being those recipients given guaranteed everlasting life by Yahweh) – all as JC taught us by analogy at Matt.23v13 (and so on).

If left like that, then it is just so depressing!

Except -

We realise, Yahweh has everything under "Perfect Control" - knowing "The End from The Beginning"!

Consequently, He has set in motion from Gen.3v15 "The Route" to righteously yield "The Salvation of Mankind"!

We who know, have "The Expectation" – He will achieve His 144000 TCs before The World entirely implodes (2Pet.3v7-14)!

By contrast -

Our "Leaders of Religion" "hope" something will happen – but what, they do not know; – and yet The Bible clearly tells them!

But while they could know, they do not care – because they only operate on "vain hope"!

Just like The Pharisees could have known – and yet They rejected “The Word of God” in their presence (John.8v38-58)!
 As I keep saying elsewhere -
 Same mindset, - but different names and faces take these positions - generation after generation, throughout millennia
 That is why Yahweh is working outside this continuum (hence Rev.18v4) to gain “The Early Adopters” to become His Tools for The Millennium!
 Furthermore, again I state
 Does The Reader understand all this? - Being Yahweh's “Most Righteous Plan for Human Salvation?”
 Moreover, how so comprehensibly different to what “Religion” unrighteously teaches us?
 Telling us, “Religion” as taught today is opposing/adversarial/satanic what Yahweh Desires to occur into “The Culmination”!
 I ask any “Professional Leader of Religion” on this planet to challenge that statement – and I shall reply must forcibly by “righteous argument”!

4th Allegory – Children = Congregational members = people who are new/weak in “The Real Faith”.
9th Comment – John states: “I hear my (spiritual) children deport/{occupy yourself} themselves in The Truth”.
Instruction – repeat - “The Truth” is “The Word of God” given to Mankind over “Time” to enable “personal reform” by hearkening people away from Worldly methodology unto Yahweh’s Methodology being “The Required Route” to yield a perfected society into The Eternity. God’s Word comprises of both “part 1 (The Tanakh)” and “part 2 (JC righteously answering part 1 to righteously make possible “The Route” to our personal salvation)””.
Reasoning – repeat - JC was/is “The Word of God” delivering The Truth of God’s Methodology to The World. Thus, a person who operates in Truth means they operate their lifestyle to precisely imitate JC’s ministry/lifestyle driven for the same reasons as was JC during his ministry period. Therefore, because these TCs have truly imbued “The Word of God” then they have the presence/parousia of JC driving them from inside to become an active body member of Christ outside.
Comment – repeat - Do we personally deport/{occupy yourself} ourselves in The Truth? Yahweh is presently auditing all people claiming to be “Christians” according to The Golden/Kingly Standard as laid down by JC’s ministry/lifestyle.
6th Reasoning – It brings much joy to a TC to make ‘the connect’ between one reasoning mind and another reasoning mind operating with the one/same spirit/personality/desires/traits as that sourced by Yahweh to ensure that His Desire is made manifest within The Environment (= the HS). This has come about from hard effort (often through persecution) and thus the reward is so much sweeter!

1st Prophecy – If we fully imbue “The Word of God” then our character will change so we operate in “The Truth”.

3John v4 og (The) {still larger}/ {ever greater} (of) {from/concerning these persons/things} no/not/none
 3John v4 og (I) hold/take/possess/obtain/have (the) cheerfulness/{calm delight}/gladness/joy,
 3John v4 og that (I) hear/listen/understand/respond the (plural [children]) my/{of me}/mine
 3John v4 og (the) children/daughters/sons in (to the [= within]) truth/verity
 3John v4 og (the) {treading all about}/walking/{deporting oneself}/{occupying one’s life} [plural].
 3John v4 {Concerning these things} (heard) I possess/have not. the {ever greater} gladness/joy,
 that I hear/understand my (spiritual) children are {deporting themselves}/{occupying their life} within the truth.

I have no greater gladness concerning these things (heard) (John is so pleased to hear of these wonderful reports about Gaius), that I hear/understand my (spiritual) children are deporting themselves within The Truth (they imitate JC's ministry/lifestyle).

Again, John shows his true credentials as being a TC and “apostle” (“appointed [by Yahweh, and not by The World] to tell”). John recognises the genuine “{occupational effort}/works/labours” given freely/simple by Gaius without strings attached (no worldly return whatever/wherever/whenever/however) to educate by both word and deed his brother/sister/ neighbour how to precisely imitate JC’s ministry/lifestyle. These are spiritual children rapidly maturing to become strong pillars (Gal.2v9) in “The Real Faith” to become future TCs - rather than children lost in the “blind faith” of “a mystery”! Thus, TCs absolutely understand what they must be doing to fulfil Yahweh’s Desire at their time and place as appropriate within The Gospel Age during the last some 2000 years! Yes! – They do have myopic vision – but it is entirely focused on hitting “The Bulls-Eye” – to be reaching “The Goal” – to achieve “The Prize” after exerting themselves to their limit (1Cor.9v24-27) and to be collapsing in utter exhaustion over the finishing line of Paul’s metaphoric race. They win “The Prize” by coming first, and, also by running according to “The Rules” (2Tim.2v5) of “imitating JC’s ministry/lifestyle”. However, at “The 1st Resurrection” of JCg’s 1st 2nd C, these 144000 exhausted people are carefully lifted up by Yahweh onto “The Rostrum” to become part of “The Promise Fulfilment”, being “The Co-Heirs/Inheritors” (Rom.8v17, 23) of/over “The Inheritance” [“The Resurrected World”] in The Millennium being “The Most/First” with infinite capability/power to teach “Righteousness” in The Millennium (and subdue any rebellion). This is “The Goal” upon which John and The Apostles had focussed – to fervently bring forth new children to validate themselves for these 144000 elites (by election) positions throughout The Gospel Age.

Do you, the reader, get this sense of -

“Urgency of Requirement” to be precisely imitating JC from the sermons given by our worldly Christian leaders?

I let the reader answer that question! Moreover, from the answer attained – would Yahweh consider them to be TCs?

We should know the answer to that - only if we have the one/same mind as Yahweh (John.14v20, 17v21-26)!

10th Comment – John says to Gaius: “Beloved, you faithfully provide in your {occupational toil} to other people”.

7th Reasoning – John recognises the positive results of Gaius’ ministry/lifestyle being the {occupational toil} he has personally put in to be precisely imitating The Apostles with fidelity to The Knowledge gained from them.

2nd Instruction – The Brethren (Christians) aiming to become TCs are likewise to be precisely imitating The Example as laid down by Gaius imitating John imitating JC to fulfil Yahweh’s Desire.

1st Good News – Accurate teaching of The Knowledge unto The Brethren and neighbours will yield TCs being those specific individuals who aim to imitate JC’s ministry/lifestyle for no worldly return (and fulfil Yahweh’s Desire).

'Allegory' – repeat - Love = (sadly I need to write this). This love is “agapao” the highest form of Love being “love by principle” where humans are motivated to put the edification of their neighbour into the fulfilling of Yahweh’s Desire in their life (this and what it all means is never taught by worldly Christian leaders – I invite their response to this claim!)

1. Agapao (love) = Highest form of “love by principle” operating within The Mind to edify our brother/neighbour to fulfil Yahweh’s Desire so they too might have eternal life (this is the very best we can freely give away)!

2. *Agape (love) is derivative of (1) and are the physical works demonstrated within The World to be edifying our brother/neighbour to understand why/how they too might fulfil Yahweh's Desire for everlasting life. (Sadly, this needs to be explained) JC commands us "By principle" to Love your brethren (and by implication) our neighbour/stranger. In doing so as a TC, he/she is to fully commit their very existence/being/methodology of the 1st part of their life to accurately teach of The Gospel (= The Acceptable Year of The Lord) impartially to all humans, with no encumbrance of worldly politics putting up a potential barrier for transfer of The Knowledge (hence TCs are to be absolutely neutral in all forms of worldly politics – just as JC clearly showed us – we are not to be of this World).*

8th Reasoning – “The Ecclesia” means just as The Greek word tells us! = A group of people who “call out”. - But what do they call out (as judged by Yahweh)? They are behaving as “angels/messengers/{bringers of tidings}” with The Word of God accurately taught – this is why “church” cannot be used because worldly members do not know what it means!

3rd Instruction – “The Ecclesia” are those specific people who appear honestly of Yahweh in their {occupational efforts}/works/labours that precisely imitate JC's ministry/lifestyle.

4th Instruction – “The Ecclesia” are to spread out into The World throughout The Gospel Age with The Word of God, with the prime goal (1) to bring forth new “Future Sons of God” and (2) to teach The World about The Millennium.

9th Reasoning – Only the TCs become The Ecclesia of The Gospel Age – whose {occupational efforts}/works/labours bring to fruition the next generation of TCs – that continues at the pace foreknown by Yahweh to yield the 144000 future “Sons of God” at the same time The World implodes due to those with power exercising self-indulgence to its excess.

3John v5 og {dearly/well-loved}/beloved (*vocative*), (*the*) trustful/believe/faithful/sure/true

3John v5 og (*you*) do/make/produce/yield/perform/provide/practice who/which/that/what if/whenever

3John v5 og (*you may/should*) {to toil as occupation}/effect/{be engaged with}/{labour for} [*middle voice*] into/unto

3John v5 og the brethren/brothers also into/unto the foreigners/hosts/entertainers/guests/strangers,

3John v5 **Beloved!**

You trustfully/faithfully/surely make/produce/provide/do

{whenever what} (= whatsoever) you may/should personally {toil as occupation}/{be engaged with}/{labour for} unto the brethren/brothers also unto the foreigners/strangers (gentiles).

Beloved! (*The same declaration Yahweh made to His Son JC [Matt.3v17, 17v5] because JC fulfilled Yahweh's Desire, likewise Gaius*)

You do faithfully (*to what Yahweh desires/requires [within future “Sons/Children of God”]*)

whatsoever you might personally toil as occupation (*in your deportment imitating JC's ministry/lifestyle*)

(*both*) unto the brethren/(*sisters*) also unto the foreigners/strangers (*there is no discriminating in what Gaius does*).

John complements Gaius here, mentioning of the reports he has heard Gaius has been wholly faithful in whatever he has done within his “{toil of occupational effort}/labouring for” being principally his ministry work and where required - as perchance - physically helped where he could (as instructed by “The Good Samaritan” parable).

As I state elsewhere, “The Good Samaritan” was not instructed to build a “mobile road hospital”, – his primary aim was to teach at the end of his travels on “The Road” as I carefully explain in my commentary alongside this parable given to us by JC for our instruction (Luke.10v30-37).

Now we understand why Yahweh wanted this event recorded so that

We who read The Bible and try to fulfil what it instructs of us (if we are desirous to fulfil Yahweh's Desire), to know what we should be doing, that is to be imitating what Gaius has done, and ideally will continue unto the end of the 1st part of his physical life – to be perhaps blessed and thus resurrected at “The 1st Resurrection” (Rev.20v6), to then become a future “Son of God”.

Interestingly our worldly Christian leaders self-indulgently tell everyone in their congregations “They are children of God!” – What an absolute lie! They “take in vain” what the Apostles and their assistants (Timothy, Titus, Gaius, perhaps also William Tyndale) have done – being those very specific individuals who truly have precisely imitated JC's ministry/lifestyle throughout The Gospel Age of some 2000 years.

Obviously, the worldly Christian leaders promoting such unscriptural rubbish “play to the ears” of their audiences (2Tim.4v3-4) – so they might, in a worldly sense, mutually self-indulge on what is said! But Yahweh has long closed His ears to such worldly focussed teaching – that devalues in the listeners' ears what these shining exemplars (TCs) have done to truly become elected as sons (children) of God, chosen by Yahweh and not by self-interested worldly Christian leaders spinning God's Word so they might indulge on the worldly proceeds!

These worldly Christian leaders are

“Dumbing-down The Requirement” (hence “Antichrist”), only done for mutual self-indulgent return!

This is hardly what JC taught, nor what Yahweh ultimately desires!

Because our worldly Christian leaders (1) have not understood The Core of Yahweh's Plan, (2) have not recognised how to personally solve “The Mystery of God” - means they are incapable of behaving in a manner conducive to be fulfilling Yahweh's Desire, and therefore they give out all manner of erroneous teaching (Matt.6v24, 15v14 and hence Luke.16v1-8, 20v16 for The Millennium).

Just as The Bible tells us of such people by allegory of The Pharisees who were then responsible for “The Word of God” under “The 1st Covenant” (The Jewish Nation) before “The 2nd Covenant” (The Christian Nation) was fully inaugurated by JC's murder and subsequent resurrection (all as Paul's epistle to the Hebrews explains [please see all my local commentaries that fully explain precisely what is occurring in the scribe's mind]).

As I state elsewhere, based upon what I hear and read within the transcripts of their sermons then I can confidently state in many instances -

As soon as worldly Christian leaders deviate from directly quoting The Bible, then they introduce a scriptural error in just about “every other” sentence of which they speak!

I utterly cringe when I hear and read what they output – just full of “scriptural errors” within their “unscriptural exegesis”!

(Exactly what JC warned at Matt.12v43-45, 15v15-18, Mark.7v17-19, Luke.11v24-26, please read my local commentaries.)

Now as a competent auditor of “Christian teaching”, I can immediately recognise digression from “The Quality Manual”!

My Competence and Authority of my subject matter, as an auditor maybe best explained by stating

I have some 50,000 hours behind me in only studying “The New Testament in context of The Tanakh” (and not Man's output).

Where, this is been done in my own personal time freely outside my 50+ hour secular working week.

Hence JC's references given at Luke.12v47-48, Mark.11v12-14 and 19-26, and just so many others I could reel-off here to give by warning what would occur throughout The Gospel Age while Yahweh draws-out His future validated “elected Sons of God” to teach “The Resurrected World” “Righteousness” in The Millennium.

Therefore, the TCs throughout The Gospel Age having truly “precisely imitated Gaius” who “precisely imitated John”, just as Paul commanded of us who are desirous to be fulfilling Yahweh's Desire (1Cor.4v16, 11v1, Gal.4v12, etc.), labouring for no worldly return to edify their brethren/brothers and foreigners/strangers to “{absolutely know/understand}” precisely why/how to personally fulfil Yahweh's Desire.

Thus, through this {occupational effort}/works/labour of sacrifice away from the inducements/lusts of the present world consuming our time away from precisely imitating JC's ministry/lifestyle the TCs can provide primarily “spiritual support” (and perchance “physical”) to the Christian brethren/sisters and further bringing new people to “The Real Faith” rather than a dead/blind faith as we witness within The World today!

Consequently, the question must be asked (because that is precisely the question Yahweh is asking in His Audit of us personally) - Are we

Trustfully/Faithfully working/providing in whatever is our {occupational toil}/labouring for} to brethren/sisters and neighbours?
Do we know -

1. What “trustfully/faithfully” means?
2. What “working/providing” means?
3. What “{occupational toil}/labour for}” means?
4. What “brothers/sisters and neighbours” means?
5. What really are “The Grounding Principles” upon which we are to be “faithfully providing in our {occupational toil} to others”?

It would seem almost crass to write the above listing.

But I write it like this – because quite simply some of our highly intelligent worldly Christian leaders/scholars/theologians “chose to be ignorant” (“agnoeo” StrongsTM = 50) over what these words precisely mean, especially when constructed in the above sentence of (5)!

How can I make such a “supposedly absurd” statement?

I reply by stating “Just look at The Evidence!”

Quite simply, carefully analyse what they teach and what they do in life – shows they do not truly understand what these words mean!

That is precisely why Yahweh can only find 144000 TCs to be elected from out of The Christian Nation during the 2000 year The Gospel Age!

So rather than me reproduce verbatim some exhibits out of some 5,000,000 words contained on this website in answer to my above assertion – I ask the reader to thoroughly read all the material carefully presented and reasoned throughout this website “FutureLife.Org” to understand what has occurred on this planet, what is presently occurring on this planet, – and what shall occur on this planet very soon (mid-21st Century CE).

Hence the lead-in to v6 -

3John v6 og who/which/that [plural] (they [brethren]) {bore witness/report/testify} [= the persons giving the evidence]

3John v6 og (the) {sent forward}/escorted/aided/accompanied/{conducted forth}

3John v6 og {deemed entitled}/{thought good}/{counted worthy} of the God [Yahweh].

3John v6 (the brethren/foreigners) they who bore witness/report of you (Gaius)

in/with the {charity love}/agape {in the face/sight of}/midst of the {calling out}/ecclesia.

Whom (= them) you will do/make/provide the {sent forth}/escorted {deemed entitled}/{counted worthy} of the God (Yahweh).

They (the brethren) who bore witness to your (Gaius) agape/charity in the midst of the ecclesia/{calling out}

You will do (spiritually) worthily sending them (these brethren) forth (as strong Christians) of the God (Yahweh)

Not quite as the “physical spin” given in many bible translations, but rather, the more likely “spiritual spin” that I prefer to place in the text.

Because without the “spiritual understanding”, then the “physical direction” will be wrong. The Mind correctly governed will correctly lead The Body!

Thus, we read the brethren/foreigners themselves give report of Gaius physically giving ministry/works in the midst of “{the calling out}/ecclesia” in charity for no worldly return (I cannot use the word “church” because it is a misnomer).

John makes this clear with the use of “agape” rather than “agapao”, which as usual in worldly translated bibles, the subtle understanding is lost under a blasé, laissez-faire word “love” that means “all things to all people” today (sadly the self-indulgent “eros” takes top billing)!

Thus, the works freely and simply given (without strings attached) are witnessed by all {the calling out}/ecclesia during their active ministry work in accurately teaching “The Word of God” to fellow strangers so that it means “something” to the reasoning mind rather than a hypocritical self-indulgent sham!

This is precisely why John concludes this verse with -

Gaius’ ministry in edifying their spiritual mind will set the new TCs off in a manner that is worthy of them being representatives of Yahweh.

These individuals accurately knew/understood “The Word of God”, and then with fidelity, accurately applied what they knew by imitating JC (to become “The Wisdom of God”), because JC as “The Word of God” was operating as a presence/parousia within them.

Can this be said of individuals today in those fairly modern (of the last 100 years or so) worldly Christian schisms whose leaders presumptuously presume to have the HS oozing out of every orifice?

Their self-indulgent works show themselves to be operating very far from Yahweh’s HS – because sadly they do not know what the HS sourced by Yahweh really means in their life – and how Yahweh is expressing His “HS” that is “to make His Desire manifest within The Environment” to ultimately bring about “Human Salvation” through the mechanism of the 2 part life (see glossary) that requires 144000 TCs to do it in the next phase!

The HS is not to indulge The Self’, but by contrast, given to assist us in our personal sacrifice away from The World, to be accurately instructing our brethren/sisters/neighbours to likewise imitate JC’s ministry/lifestyle so Yahweh might legitimately gain His 144000 TCs.

Interestingly this is precisely what JC taught during his 3.5 years and, this was faithfully continued through the apostles to about the close of The 1st Century until this knowledge all but died out. However, “The Knowledge” laid buried just beneath the surface of The Scriptures ready to be brought out again at “The End of The Gospel Age” – without mystery!

For “The Record” the composite definition of the “HS” is -

1. Spirit/Personality/Desires/Traits that is holy/pure/blameless/innocent/{separate from this world of sin}.
2. Yahweh’s Desire made manifest within The Environment (The Universe).

It is absolutely not a 3rd personage of the Trinity myth (as my innumerable commentaries explain) but it can become personalised within a cognitive entity who wholly reforms their mind upon “The Word of God” to “precisely fulfil Yahweh’s Desire” – hence John.14v20, 17v21-26, noting there is no mention of the HS (likewise anywhere else in The New Testament when Yahweh and JC are mentioned together). Please read my commentaries to Mark.3v28-29 and Matt.12v31-32 thoroughly and righteously explaining precisely what is occurring.

Let me add a further note on “Charity”.

Interestingly the word “charity” has wholly changed its meaning (like many words over the last few decades) in the minds of many people!

We now have “professional” charities obtaining much money for their “supposed charity”.

How is this - a charity?

It has become a “profession”!

The leaders are on six figure salaries, appoint marketing teams, sell-on mailing lists of soft-touch givers (to a point where one English person committed suicide because of pressurized sales techniques from charities), and so on, – demonstrating “charity” today has become a “dirty word” – made so by the underhand Machiavellian operations hidden behind “The Professional Crafted Facade”!

“Charity” means “freely given to edify our neighbour without strings attached”!

See what JC said on this subject at Matt.6v3-4.

That sadly is another “Pretence” under which The World operates within “worldly charities”!

Therefore, it is “the givers to charities” who are operating with “charity” – but in most instances not the people who work for them!

I am not generally attacking charities, because there are some good charities just as there are some good Christian leaders – but the point is this - We must therefore, identify “The Good Ones” and work with them, but expose “The Bad Ones” and keep away from them, else we condone their hypocrisy (2John.1v9-11)! Do not use or condone a “Rogue Trader” (Luke.12v47-48, 16v1-8, etc.).
The Good News (that is part of The Whole Gospel) is this -

While the present World is bursting full of pretence and hypocrisy, made so by its present leaders - this will be removed in The Millennium! We are told these leaders are to be removed (Rev.19v16-21) and replaced by “The Rule of Truth” under JCg and his bride of 144000 TCs (all “Sons of God” with infinite authority/capability). The only people who will not like this future regime are specifically those leaders of today who operate under “hypocrisy” and live comfortably as “The Most/First” in society and not prepared to reform their mindset – “Thank you”!

10th Reasoning – On behalf of JC’s name/character/authority must not be presented as a mockery to reasoning minds. Sadly, we precisely see this within certain very self-indulgent congregations rolling around in the dirt claiming to be “slain in the spirit” and speaking gibberish amongst themselves! Do they expect “they”, and the rest of “The Resurrected World”, are to be doing that sort of thing in The Millennium! Especially its leaders (the 144000 TCs); when they are full of the HS in their teaching program! No, they will be honourable and highly knowledgeable in God’s Word.

Therefore, what an absurd thought! See Heb.5v12-14 as to what we should be doing if we are to fulfil Yahweh’s Desire!
5th Instruction – The Brethren (Christians) aiming to become TCs are to carry JC’s name/character/authority into The World within their spirit/personality/desires/traits that is the one/same with Yahweh’s (John.14v20, 17v21-26).

6th Instruction – The Brethren (Christians) actively aiming to become TCs are to precisely imitate JC’s ministry/lifestyle by accurately teaching “The Word of God” by both word and deportment to edify The World to fulfil Yahweh’s Desire.

11th Reasoning – Going out unto The Gentiles means “going out to people who are not Christians” and teaching them “by example” by both words and deportment that exactly copies JC’s ministry/lifestyle. This is exactly what Christians of “churches” do not do! Therefore, they cannot be TCs – because they are not fulfilling “The Requirement for Sonship”! This is true irrespective of the nonsense humbug “Professional Leaders of Christendom” might state – hence “Antichrist”!

7th Instruction – The Brethren (Christians) assiduously aiming to become TCs must not be taking anything from The World – everything must be freely given – just as “The Word of God” was freely given to us in sacrifice, as do we!

8th Instruction – The Brethren (Christians) aiming to become TCs must be sacrificing their life away from what it might gain from The World based upon what is given in The Name/Character/Authority of JC.

11th Comment – How many people do the above? – That is why Yahweh can only find 144000 TCs in The Gospel Age.

3John v7 og over/above/beyond/{for the sake of}/{on behalf of}/instead For of the name/character/authority

3John v7 og (of the) him (they [brethren]) issued/{come forth/out}/departed/{spread abroad}/proceeded

3John v7 og {not even one}/{no one}/none/nothing (the) {getting hold of}/{taking up/away}/having/receiving

3John v7 og off/away/separated/from of the gentiles/nations/heathens/peoples.

3John v7 For {on behalf of}/{for the sake of} of his (JC’s) name/character/authority
they (brethren becoming TCs) issued/{come forth}/{spread abroad},
{none}/nothing {getting hold of}/receiving off/from of the gentiles/nations.

For on behalf of his (JC’s) { (1) Name (2) Character (3) Authority }

(Name) Wholly know this person so we can faithfully represent what “The Name” is supposed to represent, – else we are a liar

(Character) Wholly investigate this person so we precisely imitate the way this person thinks and behaves – else we are a hypocrite

(Authority) Wholly learn everything this person knows, so other people can come to us to equally learn – else we are rejected

(How do we personally compare with the above in “The Requirement” given to us?)

they (the new Brethren [becoming TCs] made spiritually strong by Gaius ministry/lifestyle)

issued forth (imitating JC’s ministry/lifestyle to teach new people about “1st Century Christianity”),

receiving nothing from/off the gentiles (their ministry was given freely, with no strings attached [unlike today]).

Again, I need to expose the subtle possible mistranslation given in our worldly bibles that could mask the original Greek understanding.

The standard translation goes along the lines -

For on behalf of his name they went out taking nothing from the nations.

So what ?

The original Greek for “issued forth” while plural 3rd person (hence specifically about the TCs going out), but can also be singular 1st person, so by stretching the translation, then John could be speaking about “JC’s presence/parousia” was {issued forth}/{spreading abroad} into The World (through the TCs).

I only make this subtle point to show that different interpretations can be made upon “The Original Greek” text, – and here I would agree with the consensus of opinion, this should be taken as 3rd person plural.

So, there are possible mistranslations given in our worldly translated bibles, and they throw the attention away from the point of interest.

Furthermore, there are other places where “deliberate mistranslation” abounds, and it occurs whenever the HS (or just “spirit”) is lurking somewhere in the scriptures. The translators will always spin the translation to make it a “personage” (as “he”) when the text specifically states a neuter! Sometimes as in John, Colossians and elsewhere there is no “him” or “it” anywhere in the text, – but guess what! Out comes “him” or “himself” into the text to “spin the translation”. I cover all these points in much greater detail at all these specific places (perhaps hundreds) in The Bible in my most accurate and commutative English translation of The New Testament available to The World.

I must thank my mother for this. She kept arguing with me saying the HS is a personage – look at what The Bible tells us. Yes - she was correct with her worldly translations, but when I checked out The Original Greek “The Personage” was non-existent in “The Original Text” – thus our bibles had been fabricated by unprofessional translators spinning the translation to support a now demonstrably defunct Trinity doctrine!

Upon discovering this systematic fraudulent activity, I realised -

I could trust nothing in our “translated” bibles – and this became my driver to discover The Truth deliberately kept hidden from us by our worldly Christian leaders – who personally have not the faintest idea how Yahweh’s Plan righteously operates – being lost in the mysteries of their own creation and fabrication (Rev.22v18-19, as their teaching and deportment clearly shows [when we have “The Knowledge”])!

After my little heartfelt rant, then please let me continue.

In the context of this epistle -

The early verses teach us of

We know

We also know

Therefore, we logically reason

The Truth operating within people (of which we have just read).

The Truth is sourced by “The Word of God” (John.8v32-36).

JC was/is “The Word of God” (Rev.19v13).

JC operates as a presence/parousia within those specific individuals (TCs) who precisely imitate him!

We can logically infer backwards If we do **not** precisely imitate JC, then he will **not** have his presence/parousia within us! Both JC and the apostles teach us, JC **cannot** be “half in us” (Matt.7v12-14, 12v30, James.1v6-7, etc..) there is **no** half-way position when aiming to become a “Child of Yahweh”. It is “all”, **or** “nothing”. Noting Paul’s teaching at Rom. Chapter 9, in the context of chapters 7 and 8 where **worldly** Christian leaders spin the text to self-indulge their clientele!

The point of those chapters is that we **must wholly change our mind** to **precisely operate** in the **one/same** manner as JC deported himself - else logically

“We **cannot** be of the **one/same** mind (spirit/personality/desires/traits)”.

Just “believing” in the manner as we are taught by our **worldly** Christian leaders is **not** good enough to become a “Child of God” (irrespective of what they erroneously tell us [they are falling afoul of Matt.6v24])!

However, this does not mean we shall be annihilated if we do not precisely imitate JC during the 1st part of physical life, because in Yahweh’s “Righteousness” (**never** taught correctly today), we have a 2nd part of our physical life within which to fully adjust ourselves in “a perfected society”. Note **Charlatan** Christian leaders (like Judas Iscariot) are excluded – they are annihilated upon their immediate death (see “2 part life” in glossary). As we are taught here and elsewhere in The Bible – these TCs never asked for, or received, anything from The World.

How many **worldly** (and worse, **charlatan**) Christian leaders are able to **honestly** state this?

Except what is stated in the pretence it is “For the Lord’s Work”.

(So I might ask What percentage goes to The Lord and what “to the self”?)

If 0% goes to us, because as TCs, “we” receive **nothing**, then we can truly state The Ministry **is** done in charity/agape!

Can the reader **really** see where I am going with this?

Let me leave the reader with something I wrote some seven years ago -

Today – it is always claimed, the money [from the devotes] is required to get a job done, but Paul and these other preachers were self-supporting (Acts.18v3, 2Thes.3v6-12, etc.) – So, the reader must “beware” of those leaders “asking for money” – when they naturally state “In a good cause”! I need to explain this because distortions abound for worldly gain by false teachers.

The Bible says

Give “The Word” freely for **no** worldly reward, as it was freely given to the apostles (Matt.10v8, etc.).

The Bible also says -

A man is worthy of his hire, and even the thrashing oxen should be allowed to eat some of the corn (1Cor.9v9, 1Tim.5v18, etc.).

How are these two apparent opposites to be resolved? Especially by definition the false leader will **always twist the truth** for personal gain – particularly so in one large and materially wealthy country.

1. Rule 1. The Word must be taught (explained) without any money (or any favours) being asked for anything. The listener must not be duped, coerced in any manner to depart with any favours of any description for “The Word”. If the leader mentions this subject of “donations” at any point in their teaching (**or outside**) then get away from them, – they are worldly and hence operating under the **one/same** methodology sourced by Satan.
2. Rule 2. If the listener after auditing the teaching presented with that of The Bible over perhaps a period of many months, then proper favours may be given for the **sole reason to promote** “The Word of God”. Not to promote in any manner the lifestyle of the Christian preacher. Ensure that nothing is being syphoned-off for any personal use – this may require financial auditing - wholly separate accounts!
3. Rule 3. The Bible examples were that **food was given for immediate support to the fleshly needs of the teacher’s body**. No money was ever requested. The only instance where it is mentioned is at worldly downfalls (with Judas and the money box, being a traitor, etc.). This should be our guide. Also, humans “tossing” small change money (being easier than personal “time”) towards a preacher is synonymous with JC’s observation of the rich people tossing money into the Temple’s moneybox. But the widow **gave everything she had** (Luke.21v2-3)!

Let the reader **think very, very carefully through all** the implications of what JC was precisely teaching us here!

Use these precepts to test what your teacher is like. Hold back **all** monies (and other worldly inducements/favours/etc.) to then see how it affects their relationship with you! Furthermore, how their relationship may differ from you - to people giving much material wealth reference to James 2v2-6.

Again, - if any differentiation is noticed – then get away from these **charlatan** Christian leaders (because they abound everywhere)!

I reason, at least the thrashing ox was working to fulfil a useful cause! It was not sitting around on the corn munching it (Luke.16v19) and defecating on the remainder, so “The Resultant” was unfit for people to imbue it! Think most carefully upon that statement!

See v9 in context!

9th Instruction – TCs feel indebted to welcome those brethren diligently aiming to become TCs.

10th Instruction – TCs will joyfully become {companions in labour} with those brethren actively aiming to become TCs.

12th Reasoning – TCs are driven by the **one/same** JC’s presence/parousia to work alongside those specific individuals who are trying to imitate JC’s ministry/lifestyle in **accurately** teaching The Word of God which is The Truth.

12th Comment – John states: “These brethren are {companions of labour} in The Truth”.

Instruction – repeat - “The Truth” is “The Word of God” given to Mankind over “Time” to enable “personal reform” by hearkening people away from Worldly methodology unto Yahweh’s Methodology being “The Required Route” to yield a perfected society into The Eternity. God’s Word comprises of both “part 1 (The Tanakh)” and “part 2 (JC righteously answering part 1 to righteously make possible “The Route” to our personal salvation)”.

Reasoning – repeat - JC was/is “The Word of God” delivering The Truth of God’s Methodology to The World. Thus, a person who operates in Truth means they operate their lifestyle to precisely imitate JC’s ministry/lifestyle driven for the same reasons as was JC during his ministry period. Therefore, because these TCs have truly imbued “The Word of God” then they have the presence/parousia of JC driving them from inside to become an active body member of Christ outside.

Comment – repeat - Do we personally deport/{occupy yourself} ourselves in The Truth? Yahweh is presently auditing all people claiming to be “Christians” according to The Golden/Kingly Standard as laid down by JC’s ministry/lifestyle.

3John v8 og {we ourselves} Therefore/Then (we) {sum accruing}/owing/{failing a duty}/{become indebted}/ought

3John v8 og (to) receive/{take aside}/welcome the (persons [brethren]) {truly this}/{of this sort}/like/{such ones}

3John v8 og that (the) {companions in labour}/{fellow workers/helpers} (we may/should) {become to be}

3John v8 og to the [= in/with/by/on] truth/verity.

3John v8 Therefore/Then

{we ourselves} owing/{become indebted} to receive/{take aside}/welcome the {such ones} (new TCs)

that we may/should {become to be} the {companion in labours}/{fellow workers} in the truth.

Therefore, we ourselves become indebted to welcome such ones (new Christians actively aiming to be TCs)

that we might become to be companions in labour in The Truth (imitate JC’s ministry/lifestyle and ideally achieve “The Goal of Sonship”).

John gives further endorsement to Gaius by directing his praise to the new TCs. Then further exclaims to Gaius and ourselves, we (who are aiming to become TCs) should be indebted to the specific people laying their life down in sacrifice away from The World to be accurately teaching “The Word of God” by both word and deed to The World for no worldly return.

Why?

Because “The Return” should only be “The Pleasure” gained from seeing “The Fruit” of our labours as “a geometric reaction” of possibly new TCs who are equally imitating JC’s ministry/lifestyle - made possible by our initial sowing of “The Word of God” and of our watering (1Cor.3v4-6). We do not need money for this to occur! That is why we are to behave as “lay-preachers” precisely as Paul taught us at Acts.18v1-3, etc. and not as worldly “professional” teachers because they cannot behave objectively (as we witness in their sermons) - as JC taught us at Matt.4v26, 22v20-22. It is interesting to consider -

These people are true volunteers with “The Word of God” – because quite simply they could be doing something else with their time! Furthermore, while accurately teaching “The Word of God” these TCs are also being abused/persecuted by the worldly Christian leaders who have their “hypocrisy” exposed!

However, by contrast, as we read here, all people diligently aiming to become TCs will be praising these volunteers with “The Word of God”, - and reaffirming, it is only those specific people having their present comfortable lifestyle under threat, who shall become “The Source of Persecution”. Look at what the Pharisees said of JC He was an evil doer, drunkard, had Beelzebub, etc., – but we, assiduously aiming to become TCs, know JC was/is “The Word of God”, moreover, the TCs work in concert with JC controlling their lifestyle to be “The Least/Last” (1Cor.4v13) in this present evil world (so [1] no blame for the world’s mess can be laid at feet of TCs, [2] TCs truly learn to gain a contrite/humble mind)!

John continues by stating these inspiring individuals should be received with open arms (Heb.13v1-2) – so we all may be “{companion in labours}/fellow workers” within The Truth (= “The Word of God” operating within us – to be driving our mind).

Also notice the use of “{companion in labours}/fellow workers”.

Is it the same thing our worldly (and worse, charlatan) Christian leaders teach their congregations? - I think not!

But it is precisely what Yahweh wants to hear being taught!

(1) “{Companions in labour}” means - just that!

(2) “Within the Truth” means - just that!

Now put the two together also means - **just that!**

It means we are to be companions in labour with JCg’s presence/parousia operating within us to precisely imitate JC’s ministry/lifestyle.

I hope this explains to the reader what Yahweh Desires from us.

Yahweh desires this to be accurately taught – but sadly it is never taught by our worldly Christian leaders!

Thus, quite simply -

Follow the example of these high-quality men of “The Real Faith” – work together to excite one another to accurately publicise/teach “The (real) Word of God” to The World - so Yahweh might gain more quickly His “Early Adopters” (of His Methodology)!

Now in the following v9, we are given by example the actions of a worldly Christian leader “protecting their patch”, position and lifestyle – an example of perhaps “millions” to follow in the next some 2000 years! Clearly an epistle containing this warning has been allowed by Yahweh to be retained in The Bible to be our warning of what is to come!

13th Comment – John states: “He wrote to the ecclesia, but the worldly Christian leader did not admit him!”

13th Reasoning – Then John explains it is because this worldly Christian leader prefers to be The First/Most during the present Gospel Age. To be The First/Most means he prefers anything The World can give to be in this position!

14th Reasoning – To be The First/Most then the leader will give out to The Congregation/World what The World needs to hear to ensure/endorse his position to be/remain The First/Most in their minds. Therefore, The Ministry is sourced by him (being a mangled/garbled version of The Word of God) to maintain the flow of money/influence/prestige/sex/etc.

11th Instruction – “The Word of God” must be accurately taught so the congregational members realise, they too must precisely imitate JC’s ministry/lifestyle enabling them to become TCs and teach “The Word of God” themselves.

12th Instruction – It becomes the responsibility of “The Elder” to inculcate into the minds of their congregational members The Need to thoroughly “{Absolutely know/understand}” The Word of God – to be “written upon their hearts” and actively teach it. Having a sane (not intoxicated) mind to explain the Righteous Exegesis supporting Yahweh’s Plan for human salvation throughout The Ages – without error! - Else “the leader” is delinquent and rejected by Yahweh!

1st Warning – Worldly Christian leaders will present a wonderful face to their adoring audiences to keep the worldly income (of whatever – money/influence/prestige/sex/glory/leverage/honour/etc) coming into them, and in the meantime protect this income stream by fighting off anything/{any person} that would deny access to this worldly source.

2nd Warning – Worldly Christian leaders will present a distorted “word of god” being their god of the world – because the world likes its own (John.15v19, 2Tim.3v5, 4v3-4), and the congregational members know no other – in their sincere quest to find Yahweh they have been blocked to find The Kingdom of Heaven – by errant teaching forbidding access to Sonship!

3rd Warning – Worldly Christian leaders while saying the most wonderful things to their adoring audiences, will also say hurtful/harmful things about TCs whose only desire is to fulfil Yahweh’s Desire by sacrificing themselves away from specifically what worldly Christian leaders delight within (money/power/glory/leverage/{people control}/etc.!

4th Warning – Worldly Christian leaders, are focussed upon worldly returns and any person choosing to fulfil Yahweh’s Desire becomes an obstacle that must be removed out of the congregation by any means. First use character assassination, failing that, then refuse to accept them into the congregation – considered to be “trouble-makers”!

13th Instruction – It is important for TCs to speak out against this behaviour practised by worldly Christian leaders – else they too become complicit with this hurtful/harmful/evil/delinquent (Antichrist) behaviour.

14th Comment – Does the reader see auditing and speaking out against delinquent behaviour by our Christian leaders? Absolutely not! Moreover, they take part in the same behaviour (Rom.1v18-32)! They become condemned by Yahweh!

3John v9 og (I) wrote/scribed/engraved to the {a calling out}/congregation/ecclesia/assembly/church, but
3John v9 og the (person) {being fond of being first}/ambitious of distinction}/loving to have the prominence}
3John v9 og {of them}, Diotrophes no/not/none (he/[she]) {receives upon}/admits/entertains/approves [middle voice]
3John v9 og us/our/we.

3John v9 I (John) wrote to the {calling out}/ecclesia,
but the person {fond of being first}/ambitious of distinction}/love to have prominence} {of them},
Diotrophes not he personally {receives upon}/admits/welcomes us (TCs).

I wrote to the ecclesia/{calling out},
but the person fond of being first/most of them (by taking “control over people” [controlling their minds] for the self-indulgent return)
Diotrephes not he personally receives/welcomes us (TCs).

Clearly John has written other letters to this specific ecclesia, – but they have not been found – Yahweh only allowed those specific letters He desired to ensure His Word to become fully understood (by slowly unfolding) over some 2000 years. Yahweh desires those people who search (Matt.7v7-8) to show their determination (exposing their fidelity within their lifestyle) so they might be worthy of their future position in The Millennium as future “Sons of God”. This is precisely why Yahweh has not given it all out in a simple explanation – but coded “as subtext”.

We must clearly understand “The Core Message” was given by word of mouth – the written epistles were just notes for correction (as answers to questions) and guidance on how to live to fulfil “The Primary Requirement” that is To personally achieve “The Goal of Sonship”.

Our scholars “choose not understand” this (as witnessed within their teaching – not recognising “The Core Teaching”, Strong’s™=50)!
John then moves onto a typical, and all too common situation -

A worldly leader climbs-up within The World (1Cor.4v8) because they like what this position gives by return.

“The Façade/Veneer” presented is “The Pretence” (hypocrisy) that “They want to help others” as being their supposed/advertised motive to become a leader (but this is complete hogwash/baloney)!

It must be clearly understood, the common denominator between all leaders is “They like to control people”.

If a person can “control people”, then this person can tax (by a little bit) people in some manner or other, and cream something off them!

Obviously, the more people a leader has control over, then the more income (of whatever – money/influence/prestige/sex/etc.) received!

An example of this would be - “A businessman is someone who makes money out of someone else’s effort”!

While this is acknowledged to be true in Commerce, precisely the same sentiment is true in both Politics and most hypocritically, Religion!

That is why they become worldly leaders to indulge from off their neighbour!

This is “worldly methodology”!

Notwithstanding, the intelligent leaders obviously give out “sweets” of something to keep “the punters happy”! -

It is all just so depressing how the leaders of this World treat us within The World!

Therefore, we need Yahweh’s new system instituted by JCG in The Millennium, led by people who truly agapao/{edifying love} their brethren.

Consequently, we must get into these worldly leaders’ hearts – being “The Driver” – precisely as Yahweh is seeing the inside (1Sam.16v7) and thus be able to correctly identify either (1) sincerity, or (2) hypocrisy.

Thus, JC stated in many places (Matt.19v39, 20v16, Mark.10v31, Luke.v13v30, 14v7-10, etc.) – so this “Knowledge” must be important -

“The Most/First” (in society during the 1st part of their physical life today), shall become “The Least/Last” (in the 2nd part of their physical life within The Millennium).

JC was principally speaking about religious leaders (even though political and commercial leaders will likewise be humbled for their own prosperity).

The difference between the religious leaders and the leaders of other two bastions (politics and commerce) is their “hypocrisy” refers to “The Almighty God” that cannot be realised in the present 1st part of our physical life!

By contrast, leaders of politics and commerce generally do not pretend to represent Yahweh, but only worldly interests, upon which “hypocrisy” becomes easily exposed during the 1st part of their physical life.

That is precisely why JC in his kindness gave so many warnings to the religious leaders who claimed to represent Yahweh during the various epochs of “Israel” because it is just so much more serious for them – “blaspheming against the HS” (Mark.3v28-29, Mark.12v31-32, etc. please see “Blasphemy” in glossary).

Important note One of the most important differentiators between worldly leaders (of politics, commerce, religion) today, compared with the leaders of The Future Millennium is this -

1. Leaders of Religion/Commerce/Politics today want to control people for the worldly returns this brings for self-indulgent pampering.
2. Leaders of The Millennium have absolutely NO desire to control people – Yahweh (The Master) has given them (the genuine slave) a job to do – that is only to edify The World for the recipients’ gain (being a perfected society whose inhabitants have purified their mind to become like JC).

That is why it is completely impossible for worldly leaders of today, to become “The Leaders” of The Millennium – their individual mindset (spirit/personality/desires/traits) is entirely wrong to yield “a perfect environment” (as we wholly witness today). “Leaders of today” operate with a mindset that prospers according to worldly methodology (“to self-indulge to our neighbour’s hurt”) while “The Leaders” of The Millennium are proven/validated to have Yahweh’s Methodology (“to edify our neighbour to the giver’s own hurt”).

John goes on to state -

“The person {fond of being first}/{ambitious of distinction}/{love to have prominence} do not admit us (TCs).”

Well obviously, they will not - because -

1. TCs accurately teach “The Word of God” without any worldly return (and thus expose “the hypocrisy” of those people who do not).
2. TCs are the scum of the Earth (1Cor.4v13) and we are to imitate them (1Cor.4v16, 11v1, Gal.4v12, etc.), – but worldly leaders do not!

This is all as The Bible teaches us – but obviously is not taught by those people finding these parts of The Bible distressing – cramping their lifestyle!

Let me leave you with something I wrote some seven years earlier (when I was trying to understand The Bible through careful searching, and not by contrast, going to people thinking “it is all a mystery”, as proven in their confused ministry) -

The Christian message is for its advocates to be humble/contrite and to demonstrate selfless {edifying love} to other people – however as we witness, many leaders enjoy the prestige, the accolades, the glory that an elevated position gives, these things give worldly gain for self-gratification.

Clearly Diotrephes wanted these trappings that “worldly Christianity” of “Religion” could give, and not the “1st Century Christian” message. He had two masters (Matt.6v24, 22v20-22) and thus had an eye for The World (Matt.6v23) to indulge from what The World could give to him. This is why Diotrephes rejected John, because John’s TC ministry/lifestyle condemned Diotrephes’ position as leader of a worldly Christian lifestyle in the midst of other people within the congregation. Moreover, this is exactly why Peter jumped on Ananias and Sapphira as he did at Acts.5v1-10 (please see my local commentaries).

Why do I use the word “Christian”?

Because Diotrephes was the leader of a self-acclaimed Christian community – that is why John went there to bring them back from the abyss. Likewise, Paul’s determined effort throughout his letter to The Galatians to bring them back on course to be fulfilling Yahweh’s Desire, and the warnings given to Thessalonians (1Thes.2v3-6, etc.).

3John v10 og Through (reason of) that/this/there/here if (I may/should) accompany/appear/bring/come,

Through reason of this (Diotrephes taking upon himself "The First/Most" position to control "his flock" stolen from "JC's flock" [John.10v1-14])
 if I (John) might come, I will (cause him, and the ecclesia to) recall his occupational efforts that he does/practises,
 being a babbler towards us (TCs) with hurtful/harmful words, (Diotrephes slanders the TCs/brethren to the congregational members)
 also not being satisfied with these things, (and if that is not bad enough)
 neither he personally receives/admits the brethren, (Diotrephes refuses to have any association with the TCs/brethren)
 also he forbids the willing/purposing people (Diotrephes forbids the congregational members from seeing the TCs/brethren)
 also he drives out (by expulsion/"excommunication")
 the people (congregational members aiming to be TCs) from out of the ecclesia/{calling out}.

This verse is just a continuation of the previous verse – where John now gives details of this worldly Christian leader's behaviour.
 Likewise, the commentary given in the earlier verse could be copied and pasted under this verse.

It must be clearly understood this specific Christian leader would absolutely not express to his congregation an "evil" personality - as assumed from reading our worldly translated bibles, but rather the very opposite!

He would be the most charming and endearing – saying "the most wonderful things" to his (worldly) pampered congregational members.
 Perhaps to increase the numbers of the new church/schism he was creating (having a driver to gain more influence/return) he might have said -

1. They all are children of God.
2. Just sing songs and say nice things about God.
3. Speak gibberish as an unknown "Word of God".
4. Roll around in the dirt "claiming to be slain in the spirit".
5. Teaching a new doctrine that might have been called "The Trinity".
6. They are not saved by works – but only on the "Love of God".
7. They are all saved by just "Believing in JC".
8. The Eternal Soul for everlasting existence.
9. Purgatory to "put the fear of God in us" (obviously given in a good cause to save our souls from this "supposed eventuality").
10. Icons/idols/beads to help in our prayer to God.
11. Mary was the mother of (The Almighty) God.
12. The Resurrection has taken place for people because they are in heaven with God looking down and interceding on our behalf.
13. (The Almighty) God became vulnerable, weak and dependent upon Mankind.
14. Etc.

Does the reader "get my drift"?

Because it all sounds so familiar to us!

Can the reader see where I am really going with this?

But what happens?

John comes in and says this is all wrong!

John would teach by contrast, of the following "Knowledge" as given by "God's Word" -

1. We are only children of God if we precisely imitate JC's ministry/lifestyle (as The New Testament teaches throughout).
2. We must learn and understand The Bible – and not just say "nice (but shallow) things" about God – being clones of other religions.
3. Only to speak in tongues/{naturally acquired languages} when in the company of a non-believer, so by speaking in their specific language, the non-believer may accurately learn about "The Word of God" in their naturally acquired language (compare with 1Cor.14v23).
4. Present yourself to The World as being of sober, sound/sane/reasoning mind – always able to accurately quote The Scriptures in context.
5. JC was and is ruling alongside The Almighty God as His premier Son. They are separate Entities, else the exegesis of The Bible collapses!
6. While precisely imitating JC's ministry/lifestyle we are judged upon our thoughts that must drive charity works in ministry/lifestyle.
7. People simply "believe in JC" existed, but do not precisely imitate his ministry/lifestyle are "hypocrites", – as were The Pharisees.
8. There is not an "eternal soul" – it is our "{conscious existence}" (spirits/personality/desires/traits operating within a functional physical body) – comprising of two parts (Mind + Body) because of what JC did for us (that can be annihilated at our 2nd Death).
9. Purgatory does not exist – it is unrighteous for Righteous Yahweh to behave in such an unrighteous manner (thus a myth sourced by Satan)
10. The Whole Bible (New and Old Testaments) teach us, we must not make an icon or idol of anything. JC is our only interface to Yahweh.
11. Mary was only The Mother of The Son (JC) of God (Yahweh) – not the mother of Yahweh.
12. Just as Paul tells us – Some people falsely claim the resurrection has taken place! – No, it has not yet – not even up to now (2016/21 CE).
13. Yahweh is accountable to NO entity in The Universe and is ALL Powerful – we are always mere "nothings" when compared with Yahweh.
14. Etc.

Leaders are obviously intelligent people; else they would not be leaders!

Hence they are extremely capable of "Twisting the Truth" into a "Half-truth", precisely in the same manner as Satan operates.

Thus, in this instance the worldly Christian leader does not want John (or other TCs) coming in to upset "the cosy position" presently nurtured in the (his/her [as "The Robber", John.10v1-14]) congregation, else this worldly Christian leader will lose his/her power base!

Thus he/she must act in a manner as John describes here!

Consequently he/she will not admit John (or other TCs) onto his/her patch, upsetting what he/she has carefully crafted within minds, upon which this leader might self-indulge (to his/her congregation's hurt [by not having the one/same spirit/personality/desires/traits as JC and as Yahweh]).

This occurred then – and has occurred for the last some 1700+ years (throughout Christendom) – even more-so at the end of The Gospel Age just as JC warned (Matt.24v23-25, and John had seen would occur, having started in his time – 1John.2v18-19, 4v1-3, etc.). It being a rampant methodology of self-indulgence squeezing away to nothing "The Truth" of JC teaching us to

Humble ourselves by taking the least/last position – that should be starting at the top with our leaders!

Therefore, these worldly Christian leaders will slyly/skilfully “character assassinate” the TCs through the use of prattling hurtful words, sow the seeds of discontent when the TC is out of earshot (being “off the scene”). Inventing falsities – perhaps a glutton, drunkard, or the TC has a devil/slanderer in him/her, must be a sinner if he mixes with sinners, neither will he participate in the things “we do” (Matt.11v17, Luke.7v32) so there must be something wrong with him/her, - all as we read that was said of JC by the “The Professional Leaders of Religion”!
Nothing new – it has been used throughout all the history of Mankind – pretend to be nice to those people being seduced (precisely as would a conman) and at the same time while winning their confidence, then throw mud upon those people of whom “you” wish to remove, and perhaps something will stick!

Or marginalise someone from the rest of the population, enabling the leader of whatever to move-in for the now “legitimatised kill”.

All this is standard worldly methodology used by leaders to get where they are – and, why the innocent congregational members remain as they are – because many of the congregational members do not behave in this disgusting manner “to indulge after worldly returns” (because the congregational members are genuinely trying to find Yahweh)! Sadly, they are being stopped by their worldly Christian leaders from correctly fulfilling Yahweh’s Desire through non “1st Century Christianity” teaching; – that mirrors the methodology of The Pharisees – Matt.7v12-15, 23v13, 15, 23, etc.).

Can the reader understand this?

I leave something I wrote some seven years earlier -

The reader must use this as an example for us, to be our warning today.

Diotrephes was operating as most leaders do today to climb up organisational ladders. I am very clearly aware (and not afraid to voice it) that all methods are used - the “back-stabbing” of many forms against fellow individuals (often apparently the most innocuous “chats” with peers to merely “sow the seed”) to blacken someone else’s character to politically climb up within an organisation. This is obviously predominant in politics, but it also occurs in religious circles particularly the higher up “you” climb. This is why 1John 3v10-11, in context expresses this same precise reasoning from this text. To function as a warning to those people being part of a group, we must look around ourselves - thoroughly test and audit everything for access to “The Real Faith” (= accurate knowledge + assurance + fidelity). Hence JC’s instruction at Matt.10v16.

Most importantly use The Bible and know/understand it well, for personal edification to gain competence and authority.

Beware, a worldly Christian leader will use his/her presumed authority to throw people “aiming to become TCs” out from the congregations - this occurs in numerous worldly organisations (Political/Religious/Commerce) – today, if the person does not fit in to the leader’s cosy arrangement being the comfortable ethos “of the grouping”! Likewise, worldly religious establishments would eject me - only because I accurately know and understand The Bible (with much put into memory for instant recall) enabling me to automatically quote and explain The Bible “freely and simply”!

Consequently I am dangerous to these leaders – for only knowing “The Word of God” and trying to act with fidelity upon it - supposedly makes me a “sinner”! I have actually heard this accusation made by fervent Christian about another grouping of Christians “beware of them, they know their Bible very well”!

How perverse is that reasoning – when assayed by Yahweh!?

We must get behind the painted façade crafted by “The Professional Leaders of Religion” to understand what truly motivates them!

As a professional interrogator once told me

“Never accept at face value what someone says, but always ask Why did they say it!”

Get behind what is said, to understand “The Mind”.

15th Comment – John urges Gaius to not copy worldly Christian leaders hurting their congregational members by feeding them with worldly messages (ultimately leading to destruction) rather than to be imbuing them with “The Word of God”.

14th Instruction – TCs will plead/urge The Brethren (Christians) aiming to become TCs to remain in “The Real Faith” that means (1) gaining accurate knowledge, (2) testing/assaying it to gain assurance and (3) acting with fidelity upon it.

15th Instruction – TCs plead/urge The Brethren (Christians) aiming to be TCs, to imitate TCs (1Cor.4v16, 11v1, etc).

5th Warning – Worldly Christian leaders will {commit sin}/ {be hurtful} against TCs merely to safeguard their present empire within which to indulge themselves by taxing (in whatever/whenever/however) their congregational members.

16th Instruction – TCs plead/urge The Brethren (Christians) aiming to be TCs to/must avoid worldly methodology!

2nd Good News – Those specific individuals exactly copying JC’s ministry/lifestyle for no worldly return are with the one/same “spirit/personality/desires/traits that is separate from this world of sin” and therefore are the one/same with JC and Yahweh (John.14v20, 17v21) – to ensure, “Yahweh’s Desire is made manifest in The Environment” (“HS”).

Warning – repeat - Worldly Christian leaders, are focussed upon worldly returns and any person choosing to fulfil Yahweh’s Desire becomes an obstacle that must be removed out of the congregation by any means. First use character assassination, failing that, then refuse to accept them into the congregation – considered to be “trouble-makers”!

15th Reasoning – It must be clearly understood, humans operating under a worldly methodology to gain from The World do not have Yahweh operating within them. Their fruitage shows themselves to be bereft of the one/same “spirit/personality/desires/traits that is separate from this world of sin” (hence, bereft of the “HS”).

6th Warning – Worldly Christian leaders will state, they are full of the HS – but their words and deeds speak otherwise!

7th Warning – Worldly Christian leaders will state, they are full of the HS and give vain support to this with feigned public acts of charity (naturally having strings attached) – ignoring what is stated at Matt.6v1-8, given for our guidance!

3John v11 og {dearly/well loved}/beloved (vocative) not (you) imitate/follow/copy/ {strive to resemble} [middle voice]

3John v11 og of the God [Yahweh] (he/she) is,

3John v11 og the (person) and (the) {to be a bad-doer}/ {to injure}/ {commit sin}/ {be hurtful}/ {practice evil}

3John v11 og the God [Yahweh].

3John v11 **Beloved!**

Not you personally imitate/copy the worthless/hurtful/harmful (people taking the best/first/most in The World),

but (copy) the {intrinsically good}/ideal (people taking the worse/least/last in The World).

The person {well doer}/ {doing good} he/she is {from out of} of the God (Yahweh),

and the person {bad doer}/ {committing sin}/ {being hurtful}

he/she has not {discerned clearly}/perceived/ {taken heed} the God (Yahweh).

Beloved! (The same declaration Yahweh made to His Son JC [Matt.3v17, 17v5] because JC fulfilled Yahweh’s Desire, likewise Gaius.)

(The instruction ...)

Not you personally copy the worthless/hurtful/harmful (person taking “The First/Most” within The World [this creates the wrong mind]) but (you copy) the intrinsically good/ideal (person taking “The Last/Least” within The World [this creates the correct mind]) (Yahweh is seeking out by election His 144000 TCs to rule “The Resurrected World”, they must have a humble/contrite mind for this position) (By consequence, this is precisely why leaders of the present World cannot be leaders of “The Resurrected World” - entirely wrong mindset) The person doing good is from out of God (Yahweh) (this person is growing the correct mindset to become a possible future “Son of God”) and the person doing bad has not clearly discerned God (this person is ignoring “The Word of God” and is rejected from future “Sonship”).

So as a follow-on to the brethren (Christians) aiming to become TCs -

Do not copy people like Diotrefes who climb up within the religious church to “feather their own nest” on the hard labours of those specific individuals below, who are sincerely trying to fulfil Yahweh’s Desire! Furthermore, in the process, these worldly leaders actively choose to inhibit TC activity because by contrast, it clearly exposes the worldly focussed/driven religious leader’s own “hypocrisy”!

Therefore, John goes on to exhort/urge the brethren (Christians) aiming to become TCs -

Copy people like us - The Apostles (John, Peter, Paul, Cor.4v16, 11v1, Gal.4v12, etc.) who copy JC’s ministry/lifestyle to edify their brother/sister/ neighbour (Matt.12v47-49) so they too might fulfil Yahweh’s Desire and thus, become apostles like ourselves for absolutely no worldly return whatever/wherever/whenever/however.

Obviously -

If the person receives absolutely nothing from The World as it presently stands, then their driver must be for another World!

Even more so, if they are persecuted for only representing/cavassing “The Ideals” of “The New Future World” (under JCg’s rule)!

It is such an evident conclusion, but obviously never taught by people (leaders) whose driver is the present worldly system (of 2Cor.4v4, 1John.5v19) in some form or shape (having clearly not seen “The New World Order” within their mind’s eye – because “The Kingdom of God” = The Millennium is not operating within their mind, – by counter to that which operates in a TC’s mind, Luke.17v21)!

Analyse “The Driver” (being the heart condition), then we can see through the cleverly crafted façade/veneer.

JC gave us the perfect tool to see “The Driver” (only “the specific god” [quote] can read the heart condition, to become the “heart knower” as given in Luke and Acts [same scribe]), JC told us

Examine/Assay/Prove “The Fruitage” of the Christian Leader “Matt.7v16-19).

“The Fruitage” is always “The Congregational Members” and certainly not the feigned/hypocritical acts of “goodness/charity” merely given for a worldly return (a reference to Matt.6v1-7 gives good instruction).

So, we might ask -

What does the examination/assaying/proving “The Fruitage” mean?

It means quite simply -

Is the Christian leader teaching/urging/exhorting the congregational members to precisely emulate JC and The Apostles?

If not, – then the Christian leader is worldly (hence, delinquent, Luke.16v1-8) or worse, a charlatan (spinning “God’s Word” to make “a nice little earner” on the back of it - Luke.16v19-30)!

It really does not need a mind of a genius to understand this reasoning – but obviously worldly Christian leaders will “push this all under the mat” to keep it concealed (keep it hidden in “darkness/obscurity” - as The Bible consistently warns) – again, because they do not believe Luke.12v2-3 will occur when “all will be brought out in to the open” in The Millennium during the 2nd part of our physical lives. This will be the time when the records of our individual lives (and the interaction thereof) will be replayed back to us during our education program unto “Righteousness” in The Millennium. But “Leaders of Religion” do not care – because they believe this will never happen! Else, they would personally change now!

So, just as John teaches us, we conclude -

The people precisely imitating JC’s ministry/lifestyle to bring forth the next generation of TCs “(Truly) Know Yahweh”.

The people not precisely imitating JC’s ministry/lifestyle are unable to bring forth the next generation of TCs are “Not knowing Yahweh”.

Where obviously, JC’s primary aim is to fulfil Yahweh’s Desire that is -

To bring forth the 144000 future “Sons of God” who personally, actively find the solution to “The Mystery of God”.

Then When this has occurred

Yahweh can bring forth The Millennium and initiate “The General Resurrection” – being the time when humans metaphorically sprout above the surface of the soil into “The Light” of “The Word of God” to then be accurately taught by “The Early Adopters” (144000 TCs) to grow together as The Darnel/Tares/Weeds or as The Wheat (please see my commentaries given at Matt.13v24-30 to correctly explain this parable) for the final evaluation at The End of The Millennium (Rev.14v18-20, 20v12-15, etc.).

For this to occur, then Yahweh must be in the position to “gather-in The Firstfruits (The Early Adopters [The Remnants that return to The Lord] during “The Two Epochs of Israel” [The Jewish + Christian Nations]) unto The Lord” (via The Temple, Lev.23v5-25, Num.18v12, etc.) to become The Future (Temple) Priests of The Millennium. All as taught by allegory in the laws given in “The 1st Covenant” to precisely mirror what is to occur in the higher level of “The 2nd Covenant”. This is Yahweh’s Desire and specifically what He needs from those specific individuals who fulfil His Desire during The Gospel Age (being our age/epoch now/today).

Thus it is those very specific individuals who (1) have “The Word of God”, (2) rigorously assay “The Word of God” and finally (3) operate with fidelity to “the Word of God” (JC, Rev.19v13) – becomes JC supping with us (Rev.3v20), and he is “The Presence/Parousia” operating within us, as the one/same “spirit/personality/desires/traits that is separate from this world of sin to make Yahweh’s Desire manifest within The Environment” (“HS”) who actually fulfil Yahweh’s Desire (to gain “future Sons of God”).

This is a virtuous circle of “righteousness exegesis” – not evident within worldly sources as realised when we assay/prove/test worldly Christian doctrine and find it wanting in just about every respect (see Dan.5v25-28)! Naturally, worldly Christian leaders would castigate people stating this, rather than be giving them honour in standing up as “whistle-blowers to corruption”) – that shows where their heart condition is – less repentant than Belshazzar’s (of the given citation) - and this is what we are up against, at the close of The Gospel Age)!

From the above statement it becomes obvious, virtually all people calling themselves “Christians” do not have Yahweh’s HS within them if they are not actively trying to fulfil Yahweh’s Desire (to personally yield the next generation of TCs) - because quite simply, as I have explained elsewhere Yahweh cannot work within them (their activity dishonours Yahweh – makes Him a laughingstock in the same/reasoning minds of atheists. This is one reason why they remain as “atheists” – because of the “Indulgent and hypocritical behaviour” of many self-claimed “Christians” – obviously they are not behaving as JC and The Apostles!

I am not inventing this, – but I only quote and explain The Bible in context.

The difference is, our worldly (and worse, charlatan) Christian leaders “spin God’s Word” (Rev.22v18-19) to “Dumb-it-down” within the recipient’s mind so they cannot fulfil Yahweh’s Desire, and thus are being shown the way that leads to destruction (operate with a mind focussed upon self-indulgence based upon Satan’s methodology) unless personal reform (to edify one’s neighbour) occurs within The Millennium. See Matt.7v12-15, Matt.23v13 onwards, Matt.11v21, Luke.10v13 (just from memory) and there are many others – perhaps I could give a full page of quotes here.

Can the reader understand this exegesis?

Because unto 2011 CE it is wholly unknown to our worldly Christian leaders/theologians/scholars (inasmuch they never teach it) because presently they “choose not to understand” it (“agnoeo” Strong’sTM = 50) - being this knowledge will “cramp their present lifestyle”.

But this is “The Knowledge” Yahweh wants taught to The World (Mark.1v38, Matt.24v14) and then The World in its present disgusting state (Rom.8v22) will end (2Pet.3v7-13, Rev.19v16-21). Amen!

However, before this occurs, it becomes necessary for Yahweh to finally gather the last remaining individual "Firstfruits" (James.1v18) to fulfil "The Prophesied Trigger Threshold" of "144000" (Rev.14v1-4) to prove/assay/validate His Word "Righteous within themselves" and then to bring forth The Millennium. Amen!

Please read "Yahweh's Desire" and "Satan's desire" in my glossary – because it clearly explains precisely what has, and is, occurring in The Gospel Age – our worldly Christian leaders should read this with open minds and start sorting out their own life (before they start controlling other people's lives – noting what Yahweh thinks of humans presumptuously presuming they can "control other people" Jer.10v23, James.4v13-17)!

16th Comment – John states: Demetrius has been seen by all people as being "a truly good person" (with Yahweh).

17th Comment – Demetrius operates in/through Truth (and thus has "The Word of God" within/controlling him).

Instruction – repeat - "The Truth" is "The Word of God" given to Mankind over "Time" to enable "personal reform" by hearkening people away from Worldly methodology unto Yahweh's Methodology being "The Required Route" to yield a perfected society into The Eternity. God's Word comprises of both "part 1 (The Tanakh)" and "part 2 (JC righteously answering part 1 to righteously make possible "The Route" to our personal salvation)".

Reasoning – repeat - JC was/is "The Word of God" delivering The Truth of God's Methodology to The World. Thus, a person who operates in Truth means they operate their lifestyle to precisely imitate JC's ministry/lifestyle driven for the same reasons as was JC during his ministry period. Therefore, because these TCs have truly imbued "The Word of God" then they have the presence/parousia of JC driving them from inside to become an active body member of Christ outside.

3rd Good News – TCs will give accurate witness/testimony of The Facts because they operate in The Truth.

16th Reasoning – Because Yahweh is "The Absolute Truth" and TCs operate likewise in the one/same spirit/personality/desires/traits as that sourced by Yahweh, then the TCs can only operate in "The Absolute Truth".

Prophecy – repeat - If we fully imbue "The Word of God" then our character will change so we operate in "The Truth".

because also you know/understand our report is of the disclosing truth. (We have always proved ourselves trustworthy, so believe us now.)

(You know that we never lie in anything we state - we only "State the Truth", and thus The Truth exposes what we are like internally)

Now John moves onto a personally pleasing subject – speaking about a human pushing himself forward to become a TC.

Demetrius is actively becoming a TC because he has (I quote) -

The Truth (operating within him) that is seen and reported by all people who speak "The Truth"!

So, we have people who know precisely what "The Truth" means ("precisely imitate JC's ministry/lifestyle") because they "do it themselves" and are thus in the position "To recognise The Truth" (see John.8v32-36).

Yet today virtually no one knows what "The Truth" really means (just as the Roman Governor stated some 2000 years ago, John.18v38)!

Therefore, we can rationally state (regarding Yahweh's Plan for Human Salvation) -

Virtually everyone is incompetently placed to recognise "The Real/Absolute/Disclosing Truth" (sourced by Yahweh [to precisely imitate JC]) even if it "touched them on the face"! Please read my commentaries at Matt.11v21, Luke.10v13.

Interestingly, our worldly Christian leaders call all of us "Children of God" supposedly having the one/same spiritual DNA!

Well, we have answered that self-indulgent "nonsense statement" earlier!

As I stated earlier, words have significantly changed in their meaning during the last few decades especially when it comes to "Truth" -

1. "Be economic with the truth"
2. "Best to tell a few white lies"

These are two common expressions out of many regarding "Truth" that really means "not the truth" and society considers this as being acceptable!

No! - Sorry! – This is just not good enough!

If you think this is acceptable, then you are not living in "The Real World" - being "The Real World" that will last for an eternity rather than a false World that shall only last for 6000 years – being like a transient gust of wind!

Thus, we understand, Demetrius was trying to imitate JC's ministry/lifestyle to the very best he was able.

This means accurately publicising and teaching when he could, outside his secular activities of earning money to pay for his physical up-keep.

This secular activity to earn his own keep means, Demetrius had no requirement to be pandering to peoples' indulgent whims in his teaching, but rather, he was focussed on fulfilling Yahweh's Desire (Matt.6v24). Quite simply, if the worldly people are not interested (like those of Chorazin) – then he would "shake the dust off his feet" and then move-on to the next village (Matt.10v14, Luke.10v11).

Most importantly, before he could competently teach with authority over his subject matter, then he must "{absolutely know/understand}" his subject matter (Heb.5v12, Eph.6v16-19) to be in the position to (1) accurately teach and (2) fend off glancing blows, not from atheists, but "corrupt Professional Religious Leaders" who "{walk contrary alongside}" to "The Word of God" (2Pet.2v1, 2John.1v9) "throwing spanners in the works", or "hand grenades at the runners" in Paul's metaphoric race to gain "The Prize for future Sonship" when finishing first.

This is what "Antichrist" really means!

As I state elsewhere, a person must competently know their subject matter to be in the position to extract "fact from fiction" – because there are just too many highly intelligent, but worldly focussed "Rogue Traders" in the present World operating in deceit/seduction by spinning the truth so they might indulge upon the proceeds of their devastating "{occupational efforts}/works/labours}" within the present worldly orientated churches!

Furthermore, I would equally call these religious leaders "Spiritual Paedophiles" grooming their children ready to "have their evil way with them" as JC and Paul warned at Matt.7v15, 24v23-36, Acts.20v29.

Again, I must categorically state

There are a few good Christian leaders (not all are bad) but according to “The Gaussian Distribution of any population”, if Yahweh is creaming off (by election, Matt.20v16, 22v14) only a tiny number (The Remnant) of 144000 TCs (Rev.14v1-4) - then it leaves millions of not so good Christian leaders (who did/do not meet the required standard of “Sonship”) – and the chances are exceedingly likely (almost a probability of “1”) for YOU to have a mediocre, or a worse, a charlatan Christian leader directing you (and you both fall into ditch – Matt.15v14, Luke.6v39)!

As my calculation elsewhere gives by approximation, perhaps, 1 TC in about 30,000 Christians!

18th Comment – John says, he could write much more – but rather wait until he can say it face to face.

17th Reasoning – We understand from this that the verbal communication might be at two levels.

1. Personal address to the ecclesia (or perhaps a personal matter requires resolving at a one-to-one level).
2. Detailed instructional doctrine (new revelation based upon his detailed knowledge of The Tanakh).

18th Reasoning – We must clearly recognise; the apostles knew much more than what was written in their epistles. The epistles were almost notes of “The Absolute Truth” Yahweh allowed to be recorded. The apostles would have explained much more detailed exegesis than the given shortened notes we have recorded in their epistles and thus we must read “between the lines” to gather The Core “1st Century Christian” doctrine taught by word of mouth – and lost, until now.

19th Reasoning – Why? Because quite simply Yahweh has chosen to allow “The Knowledge” to slowly come out through the requisite time period of some 2000 years, to carefully draw out His 144000 TCs over these 2000 years of The Gospel Age thereby allowing The Earth to become full, while allowing deviant worldly Christian leaders to show their delinquency in having no interest to search for “The Disclosing Truth” thereby ignoring Matt.7v7-8.

19th Comment – John speaks as a TC, desires to teach by word of mouth in the accurate ministry to edify his recipients so all The Brethren (including TCs) might cheerfully fulfil Yahweh’s Desire – knowing of “The Wonderful New Future”.

3John v13 og (The) many/much/plenteous (things) (I) held/taken/possessed/obtained/had (to) write/scribe/engrave,

3John v13 og but not (I) determine/{delight in}/desire/{be pleased} through (reason of) (the) ink also (of the) reed/pen

3John v13 og {to thee}/thine/own/thou/thy (to) write/scribe/engrave.

3John v13 The many things I possess/have to write,

but I determine/desire not to write to you through reason of the ink also of the pen.

I have many things to write, but I determine not to write to you through reason of the ink also of the paper.

John is not speaking about “title-tattle” (gossip) of inter ecclesia intercourse – that might be the first thing that comes into the mind of a person living in a time where the media of today seems “saturated” with soap-operas.

By contrast it might be the good news of greater numbers of people coming into “The Real Faith” in a particular locality where some TCs are working, or perhaps the release of some TCs from prison (put there by people/leaders hating their own “hypocrisy” exposed, or some form of income being hurt through “The Word of God” being accurately taught – idol makers [then we only need look at the tat sold on pilgrimages, today])!

I would suggest one or both possibilities -

1. There is a problem arising of which John needs to reconcile - regarding perhaps wayward teaching or maybe personal behaviour problems.
2. Else it could be new revelation and instruction that has come directly to John via the “HS” operating within him to make “Yahweh’s Pure Desire manifest within The Environment” (that is separate from this world of sin). Inasmuch, his continual meditation upon The Tanakh would open within his mind continual reasoned revelation that would need to be communicated into the ecclesia.

John had so much knowledge and understanding to pass onto the people who were/are truly trying to fulfil Yahweh’s Desire – and he is most desirous to give solid instruction to those specific persons who are personally prepared to move from “milk” unto “something more substantial”.

These people will hearken (listen, and then accurately respond to what has been heard) rather than by contrast, to shut their ears to “1st Century Christianity”, as instructed by their leaders to their millions upon millions of worldly Christians who have not searched The Scriptures themselves and thus demonstrably have no interest in proving/assaying/testing by careful personal examination of what is known (as we are specifically instructed to do by The Bible).

Why? - Because they are not instructed to question what their charlatan Christian leaders state!

Well obviously, not” – That is the very last thing a charlatan wants, - is someone questioning his/her deceptive practices!

The Bible says “The Word of God is a Bright Light” and “bright lights” expose the dodgy/questionable motives of “rogue traders”!

TCs are to be luminaries – competently “{absolutely knowing/understanding}” “The Word of God” and accurately teaching it to The World so The World might see the wanton activities of those people who self-indulgently claim to represent (but rape) The Almighty God’s Interests on this planet.

3John v14 og (I am) expecting/confiding/entrusting And directly/{at once}/soon/immediately/shortly

3John v14 og (to) know/understand/{be aware}/see/perceive thee/thy/thou/you,

3John v14 og also (the) {‘gash in face’}/{front/edge of weapon}/mouth/edge/face toward/nearness/{accession to}

3John v14 og (the) {‘gash in face’}/{front/edge of weapon}/mouth/edge/face (we shall) speak/utter/say.

3John v14 And I am expecting/entrusting to see/know you directly/soon,

also we shall speak the mouth towards/near the mouth.

And I am expecting/entrusting to see/know you soon,
also we shall speak mouth towards mouth.

Reinforces the assertion I make in 1John 3v24, much teaching work was carried out by face-to-face meetings and not by the epistles.

The epistles were written more as a series of expanded “bullet points” given as answers to posed questions.

They were given -

- (1) Reinforce the work required (to take upon ourselves Accountability/Ownership/Responsibility of God’s Word within ourselves) and
- (2) The warnings by way of not doing this required work to fulfil Yahweh’s Desire.

(Backsliding into “world methodology” (to find Blame/Excuse/Deny as to why we have no need of God’s Word working within us).

Thus the basic concept of the separate entities of (1) {Yahweh being the Almighty God}, (2) {JC being the earthly entity of JCg – time multiplexed} and “The Linkage” between those two Entities of (3) the {HS being the expressed Desire of Yahweh made manifest within The Environment [and is not a specific personage]} was taken as fact and there was no need to “spell out” this “Knowledge” within the epistles.

Why? Because this was “The Core Faith” – and this understanding comes out within the other subject matter.

However, the future human created “Trinity Doctrine” would then have been one of those future false doctrines appearing some 250 years later about which the apostles were constantly warning their listeners/readers in these Epistles (of which JC warned Matt.12v43-45, Luke.11v24-26).

Why? How?

Because it leads to “mysteries”, but The Bible constantly tells us that “Yahweh” thoroughly explains all, to the people who search (Matt.7v7-8).

False Christian leaders are supposed to “search”, but after this “looking”, they still believe it to be a “mystery”!

I think that speaks volumes about what they understand! – “Zilch!”

They either have not bothered to search or are too frightened to leave the worldly doctrine for financial (worldly support) reasons, enjoy what their worldly position gives them, - or are only too happy to promote “a falsehood” because they just, “do not care”!

In any direction taken to try and understand their “reason for living” – we conclude - what an indictment of the members of this worldly religious organisation!

However, I do passionately care, I can only live with “The Disclosing Truth” – that is precisely why I have ardently searched The Bible and with “all out speaking” boldly/confidently broadcast “the reasoned evidence” to all those people presently (1) “spiritually starving” and (2) who desire this knowledge (freely given with no strings attached).

4th Good News – Paul says “peace/prosperity/rest” being what The Gospel gives to The Mind in this world’s pain.

20th Comment – Paul says, gifts/favours/benefits also peace/prosperity/rest comes from Yahweh and is desirous this should occur in everything The Brethren should do, as their changing circumstances might dictate.

20th Reasoning – JC as The Word of God has given us The Knowledge to explain The Mystery, and The Promise. By understanding this knowledge, gives us peace/prosperity/rest (1) avoid worldly sourced problems, (2) security knowing Yahweh has all things under perfect control (3) amassing heavenly treasure as the TCs refine their synapse construction.

17th Instruction – We must precisely imitate JC to then gain Yahweh’s Name/Character/Authority, then we are in the healthy position to start producing the good fruitage (of next generation TCs) from a good tree (Matt.7v16-19)!

18th Instruction – Just as The Prophets spoke in Yahweh’s Name/Character/Authority, then likewise so are The Brethren (Christians) aiming to become TCs. Sadly, very few Christians can speak in Yahweh’s Name/Character/Authority being obviously being less than 144000 over the last some 2000 years because JCg’s 1st 2nd C has not yet occurred!

3John v15 og (The) Peace/Prosperity/Rest {to thee}/thine/own/thou/thy.

3John v15 og (They) {enfold in the arms}/embrace/salute/greet [middle voice] thee/thy/thou [singular]

3John v15 og the {dear/fond associates}/friends.

3John v15 og (You) {Enfold in the arms}/Embrace/Salute/Greet [middle voice] the {dear/fond associates}/friends

3John v15 og down/accordingly/intensely/against (to) (the) name/character/authority.

3John v15 The Peace/Prosperity/Rest to you (Gaius). The friends, they personally greet you (Gaius).

You personally greet the friends accordingly to the name/character/authority.

Peace/Prosperity/Rest to you (Gaius).

Your friends, they greet you (Gaius).

You greet the friends accordingly in the {1) Name 2) Character 3) Authority} (of JC as “The Word of God”, Rev.19v13)

(Name) Wholly know this person so we can faithfully represent what “The Name” is supposed to represent, – else we are a liar

(Character) Wholly investigate this person so we precisely imitate the way this person thinks and behaves – else we are a hypocrite

(Authority) Wholly learn everything this person knows, so other people can come to us to equally learn – else we are rejected

(How do we personally compare with the above in “The Requirement” given to us?)

(How do we fair in this requirement? Do we really agapao people if we do not truly deliver the agape that Yahweh Desires/Requires?)

Just for completeness I copy from Eph.2v14 the part explaining “peace/prosperity/rest”.

I need to explain “peace/prosperity/rest” because this terminology appears to run against the “trials/tribulations/afflictions” of which we are told will befall TCs from those people of The World feeling threatened by the TC’s righteous lifestyle – that imitates JC’s lifestyle.

The Answer is all to do with The Mind rather than the body.

“Peace” is gained from the accurate Knowledge (as “The Word of God” of which JC was/is). “The Knowledge” releases us hearkening individuals, from the stresses of the present day and of the future demise of human civilization (global warming, rising sea levels, lack of food and clean/pure resources, all forms of pollution, selfish grabbing of the last remaining resources, tribalisation within nations, phishing, social media, software viruses, computer hacking, invasion of personal privacy by either the state or criminals, identity cloning, etc.). This “Knowledge” “releases our stress” because we know Yahweh will step in “before all flesh is destroyed” (Matt.24v22, Mark.13v20) and “save the situation” by replacing this present worldly system with Yahweh’s leaders for The Millennium.

Also “good moral behaviour” personally removes all the present social problems spawned from general immorality, this personally delivers “rest” from the pressures accruing from social misbehaviour. Likewise, if we defraud no person, then we have no need to keep looking over our shoulder to see if we are being followed by a person for some form of retribution.

“Prosperity” does not mean “material prosperity” as stated by charlatan Christian leaders in their “marketing sales spiel” for personal worldly gain! This prosperity is the “heavenly treasure” comprising of the “synapse construction mapping” of The Mind (that precisely defines us as individuals) becoming more Christlike, thus, being worthy to be placed within a heavenly/spiritual/celestial body upon resurrection as a future “Son of God”.

JCg makes TCs become at one with him because of “The Knowledge” given as “The Word of God”, and is accepted by receptive/hearkening people who carefully reason upon “The Knowledge” to realise it is the only way forward for Mankind as a whole. Thus, they freely choose to imitate JC’s ministry/lifestyle and so become the one/same in spirit/personality/desires/traits and in this manner JC has broken down the barrier between us TCs (formally as heathen/foreigners/strangers) but now welcomed by Yahweh to become His future adopted sons (by metaphorically becoming “sons of Abraham”). Moreover, these TCs as the future Bride of Christ become as one at their marriage (Rev.19v4-9, 21v2, 9) to their husband (JCg) at the 1st 2nd C of JCg (= The 1st Resurrection”) being as one metaphoric flesh (Gen.2v24, Eph.5v30-32, and the counter warning given at 1Cor.6v16).

As explained earlier, we have taken upon ourselves JC’s spirit/personality/desires/traits because we have taken upon ourselves his knowledge (as “The Word of God”) and faithfully acted upon it, rather than ignoring it and doing our “own worldly thing” to please our animalistic emotions lusting to please “The Immediacy”. By consequence, Yahweh now judges us upon what we desire to do rather than the accidents of what we might actually do – thus, we are not judged upon The Law of Moses, but rather on what JC did for us (by fulfilling The Law). This occurs, because we truly are trying to imitate him by what we do to others (= to edify our neighbour to our own hurt), and thus, we do not sin/offend, but only “sidestep/trespass”.

“Rest” is gained from the above two, we have separated ourselves away from “The Mental Toil” of The World when its members strive after worthless vanity, both of The Mind and of The Flesh. I am not suggesting we should ignore money and not protect ourselves against a financial “rainy day” but we must not make money the focus of our attentions – else we are always running after the wind - that certainly is not “rest”.

However, I am stating we must not chase after The Lures of The World, certainly of commerce, but also of politics and religion - where all three are “The Three Bastions of Society that prop up The World under Satan’s present tenure (1John.5v19, 2Cor.4v4), do not waste our time supporting them!

Now continuing with explaining “name” - because there is more to this word than generally taught -

As I explain elsewhere, “name” not only means greeting friends by “name” but also it means by “character” and “authority”.

These individuals are united by one thing – not just a name “Christian” but are being instructed by TCs to “absolutely know/understand!” what being a “Christian” really means in deportment! Being what JC (1) did in his deportment and equally important (2) not do in his deportment!

It means we who are friends, are all united to fulfil Yahweh’s Desire that is to precisely imitate JC’s ministry/lifestyle.

It also means by instruction we are **not** to be greeting or accepting into our homes (2John.1v10-11) those individuals who claim to be “Christians”, but actually they behave “{aside contrary}/{side by side violation}/{deviating alongside}” “The Word of God” (2John.1v9, 2Pet.2v1).

The point I make is

Calling ourselves “Christians” does not make us “different” to The World, being of its all-embracing “methodology”.

A person aiming to become a TC shall be nurturing a completely changed mindset (being “The New Spiritual Thing/Creature”, “Cor.5v17, Gal.6v15) growing within us – our metaphoric spiritual DNA being built upon the metaphoric spiritual RNA of “The Word of God” correctly imbued within us shall ultimately yield the HS within us (noting its correct composite definition given at v6 commentary, and certainly **not** what worldly Christian leaders teach us).

If we do not precisely imitate JC, **then** we become a “hypocrite” upon what we publicly claim to “believe”.

Thus “the friends” of The Ecclesia being the flock of JCg will have completely reformed their internal mindset because -

1. Their **Character** is **not** worldly – their methodology is based upon “The Word of God” – and thus, they do **not** contaminate themselves by interacting within The World, being the methodology of “self-indulgence” - either (1) lusting after what The World can source or (2) be found within “worldly politics” to indulge/succeed over one’s neighbour, or (3) blithely thinking we are wonderful “Christians” but are not precisely imitating JC’s ministry/lifestyle (to yield The Future “Sons of God”).
2. The **Authority** comes from accurately (and intimately) knowing/understanding “The Word of God” and be practising it with fidelity.

So - Can we say this of ourselves?

Can our **worldly** (and worse, **charlatan**) Christian leaders even say it of themselves?

Do not glibly read over these lines as given within this verse – these lines were written by an apostle of Yahweh who was utterly focussed on fulfilling Yahweh’s Desire (and thus spoken in “The Disclosing Truth”).

These words were **not** written by an individual presumptuously claiming to represent Yahweh, appointed as such by such-like peers, having to perpetuate a present worldly methodology (for its natural worldly return)!

Please carefully reason upon what is written here – “all is not, as it initially seems”!

Remember – JC taught us While his load is light (being protection from the fallout of following Worldly methodology) it will not be easy (facing persecution from people having their “hypocrisy” exposed). – JC came to shake things up (to **cause reform of The Mind**) and this knowledge would cause pain between family members (Matt.10v35-37, Luke.12v53, because of the required internal reform is too hard for some individuals)!

Hard are these words – who can do them? John.6v60.

Yes, they are presently hard, with an intransigent and recalcitrant mind, but we **are** to personally reform our mind using “The Power” of “The Word of God” and then it shall become “obvious and easy to do” within The Millennium. But Yahweh is most desirous for His “**Firstfruits**” **NOW** to be doing this by means of validating their worthiness for future “Rulership”, so He can achieve His “Prophesied Trigger Threshold” to then bring in The Millennium (Matt.25v1-12, 24v4-44, 1Cor.15v35-55, 1Thes.4v13-18, Rev.11v11-13, 19v4-9, etc.). Amen!
