

Why Yahweh Detests (by varying degrees) Leaders of Christendom

(Issue date: 03 Oct. 2016)

Rev. 19 Jun 2018

An “**Audit Report**” giving: **Christendom's epitaph at the imminent close of The Gospel Age.**

Assertions by means of “Statements”:

- (1) Yahweh **shall** be seen to be righteous by all intelligent entities of The Universe throughout all time.
- (2) Yahweh **must** be seen to be righteous by all humans over their “2 part life”.
- (3) Iniquitous humans freely **choose** to never understand Yahweh's “Righteousness”.

Statement 1 occurs.

Statement 2 shall occur.

Statement 3 regrettably occurs.

Yahweh (= “I make become who/what I choose to become” or simplified as “I choose [who/what] becomes”). The Almighty God, has put in place “The Most Righteous Plan for Human Salvation” (for every descendent of Adam and Eve) which He has progressively explained in His Master Document (The Bible) for us to carefully digest and upon which to wholly hearken.

Jesus Christ (= “Yahweh is Salvation” “Anointed” = “Yahweh's Anointed Saviour” [for Mankind] = “JC”), Yahweh's beloved son (where “beloved” = “agapao + phileo + storge”) worked closely with Yahweh to ensure this “Most Righteous Plan” was progressively fulfilled throughout all Mankind's Time so that statement (1) and (2) occurs into/unto The Eternity.

Yahweh worked through His “Early Adopters” of “The Word of God” both prior to, and after, JC's ministry and Ransom Sacrifice, Whose purpose was/is to yield people who are demonstrable “Champions” of God's Word by publicly declaring themselves to be:

- (1) Spiritual martyrs and are often
- (2) Physical martyrs away from the present decadent world.

These “**Early Adopters**” prove themselves to The World that Yahweh was/is “Righteous” in selecting these demonstrable “Champions of His Word” to become “The Leaders” of “The New Righteous World Order” that shall operate under JC's Rule, which shall immediately follow “The Present Old Malevolent World Order.

This righteous process was extensively documented in The Tanakh (= The Old Testament), of which JC

- (1) thoroughly explained (Mark.1v22) during his ministry of 3 years and then
- (2) fulfilled by his lifestyle, culminating in his Ransom Sacrifice, to “The Continued Furtherance” of “The Most Righteous Plan of Human Salvation” so that Statement 1 and Statement 2 above occurs.

The Bible specifically exhorts us as individuals to become “The Early Adopters” who take upon ourselves “**Ownership, Accountability and Responsibility**” in small matters (to precisely imitate JC's ministry/lifestyle) so that Yahweh shall give us more “Responsibility” in the 2nd part of our life (Luke.19v16-19)!

This “Responsibility” is to teach “The Resurrected World” “Righteousness” so that all people learn how to imitate JC over what becomes their 2 part physical life – only made possible by JC's Ransom Sacrifice (1John.2v2, 4v14).

That is “The Good News” (= “The Gospel”).

However, “The Bad News” is that during the last some 4000 years:

Professional leaders of “Religion” have generally done their utmost to despoil “Yahweh's Most Righteous Plan for Human Salvation”!

Professional leaders of “Religion” in a wholesale manner have operated against “The Fulfilment” of “Yahweh's Plan for The Salvation of Mankind”. We can and do go into the many examples/reasons as to how/why later, but “The Crux” is that “Worldly Affairs” are championed with far more enthusiasm than “The Progressive Fulfilment of The Salvation of Mankind”, precisely as JC warned in most of his teaching (some examples are Matt.6v24, 22v20-22, hence Luke.16v1-8, 20v16, etc.).

At this stage may I ask the reader: “Do **YOU** personally know ...”

1. **What is** “Yahweh's Plan for Human Salvation”?
2. **How does** “Yahweh's Plan for Human Salvation” righteously operate?
3. **Why** Yahweh requires His “Early Adopters”?
4. **Know and Understand** all the prophecies and allegories throughout The Bible that magnifies Yahweh by underwriting His “Plan for Human Salvation” in a wonderful three-dimensional manner throughout “Time”?

In addition, if **YOU** do not know the answers to these four perfectly valid questions, then we may justifiably ask: “What have our professional leaders of “Religion” been teaching for the last 4000 years?”

And that is precisely “The Problem” Yahweh had/has with both “The 1st Epoch Israel (= Jews) and “The 2nd Epoch Israel” (= Christians), but Yahweh knew this would occur and prophesied accordingly with warnings:

- (1) For our edification and
- (2) To universally demonstrate His “Righteousness” (thereby confirming Statement 1 and 2 at the beginning).

My website “FutureLife.Org” thoroughly answers the four questions and gives the tools to audit YOUR worldly Christian leader to see where he/she lays within “The Normal Gaussian Distribution” of “Competence” to represent Yahweh. Yahweh **only** selects 144000 “Early Adopters” (Rev.14v1-4) over the some 2000 year Gospel Age who

precisely imitate JC, and rejects all other Christian leaders as the majority being “variously delinquent” under “the middle of The Curve”, to the worst, being charlatan Christian leaders at the other side of “The Normal Gaussian Distribution” of any standard population (Matt.20v16, 22v14). It should be noted, the 144000 “Early Adopters” are beloved by Yahweh in the one/same manner as He did of JC (Matt.3v17, 17v5) because they precisely imitate JC's ministry/lifestyle and they are considered as “The Scum of The World” (1Cor.4v9-13) to be “The Last/Least” of The World. Yet by contrast, the charlatan Christian leaders, detested by Yahweh, are beloved by The World, and Christians flock in their millions upon millions to attend these sermons and circus performances orchestrated by “The Ring Masters”. They ignored the warnings given by JC (Matt.24v23-26, Mark.13v21-23), because “naturally” their leaders would not teach of such things in The Bible (of all these given citations)! The separation between these two groupings is further delineated by Paul at Rom.9v13 within its context based upon the prophecy given by Mal.1v2-3; please see my local commentary.

It must be clearly understood worldly Christian leaders are so very good at teaching “Religion” like their counterparts throughout all of “Religion”, but they are absolutely useless at teaching what JC taught some 2000 years ago, of which I call: “**1st Century Christianity**”!

Let us together go through a number of examples to demonstrate precisely what I mean.

Example 1.

Our Christian leaders go out of their way to espouse “Love” in their sermons, almost to such an extent as to presume that “Christians” have a monopoly of “Love” and by implication, all non-Christians (both atheist and those people of other religious) are devoid of “Love”.

That becomes the first complaint regarding “Love”; I have against these leaders of Christendom.

Do these leaders expect atheists and people in other religions not to teach that: “We are to love one another?”

Now we enter my second complaint with these leaders regarding “Love”.

They teach: “We are to love our enemies”, and by implication, we “Christians” are better than “non-Christians”. Then I look around me and see Christian leaders on both sides of a conflict supporting the soldiers of each side to kill each other! Then closer to home, I look at how many Christians behave to their neighbours in a most unloving manner! The first word that comes to my mind when viewing all this is: “Hypocrites”!

Let me now move onto my third complaint with these leaders regarding “Love”.

They only teach of the word “Love”, when actually there are four Greek words for “Love” and other sub-words for “Love”, where “the meanings” for each are so very different.

Because our worldly Christian leaders never explain the difference,

then I assume they do not understand: “**The Difference**” within these various words for “Love”!

Moreover, if these leaders do not know the difference, then certainly their congregational members do not know “The Difference” between these words for “Love”!

In fact as I explain later in this section, I strongly suggest that everyone has precisely “the wrong” understanding for the word: “Love”.

Let me explain the four basic Greek words for “Love”:

Agapao: {Edifying Love}/{Love by Principle}. The Mind is driven “to edify our neighbour to our own hurt”.

Agape: (a subgroup of Agapao): Charity. The Physical Works freely done (for no return) to edify our neighbour.

The above two words are extensively used in The New Testament.

Phileo: {Attractively Loves}. Common attributes causing a natural affinity between likeminded people.

Storge: {Family Love}. An innate bond between brother/sister and/to father/mother ('blood thicker than water').

Eros: {To self-indulge}. Animalistic desires to satisfy “The Immediacy”. One form would be “sexual gratification”.

While “eros” is not used in The New Testament, there are other sub-groups of the above used words.

“*Agapao*” is hardly witnessed within The World (except performed by a very few people).

“*Agape*” is witnessed most publicly by leaders of politics, religion and commerce, in direct contrast to what The Bible teaches (Matt.6v1-4) and thus we deduce this 'gifting' is wholly feigned (precisely examine/audit why modern 'charity' is done in the manner that it is)! Yet many lowly people of The Public give real charity!

“*Phileo*” certainly occurs within likeminded congregations, naturally encouraged by worldly Christian leaders for many reasons that could be discussed here, but critically the common denominator could be “eros” (see below).

“*Storge*” unlikely to occur except by definition, “within families”. It should occur within “The One Spiritual Family” headed-up by Yahweh through JCg (= JC as 'the specific god' of us) as “The Word of God” (Rev.19v13) operating as a presence/parousia within all hearkening members. Yet clearly this does not occur as we witness within and between Christian groupings, and thus we reason that “The Word of God” (= JC) does not operate within these people, – hence more “hypocrisy”!

“*Eros*” profusely operates within “humans”, having an animalistic/carnal mind and this we witness throughout society, people of “Religion” are not excluded, but often are the most proficient in this specific form of “Love”!

What do I mean?

Religious people come together to fraternise their emotions (“emotions” = “operations of an animalistic/carnal mind”). Naturally, it is under the supposed 'worship' of a deity (where religious leaders deliberately and completely confuse what “worship” really means to their deluded devotees, when based upon a definition of “worship” as would be determined by Yahweh).

Therefore, this becomes the fourth complaint within this section, of which I have with worldly Christian leaders (as a

subset of “Religion”).

They spin the yarn that “The Almighty God” likes to receive 'worship' as defined by “leaders of Religion”. This is done in the one/same manner that “leaders of Politics” would like to receive this same form of “worship”! But The Bible teaches us that Yahweh thinks and reasons completely differently to the way men (and women) think and reason, and hence The World (as presently constructed by its leaders throughout society) hates what JC as “The Word of God” represents (John.17v14-16, 18v36, 2Cor.4v4, 1John.5v19, etc.).

Have the devotees who patronise “Religion” actually analysed precisely why they are members of “Religion”?

I strongly suggest: “No!”

Perhaps I could suggest some reasons:

Spiritual ‘atmosphere’ (“I feel good” at the time and afterwards, because of my experience with friends).

See my friends (I like to socialise – ‘get the latest gossip’).

Betting on eternal life (as an insurance policy, give what “**I want**” to God, to get something “**I want**” back).

The leaders 'pat me on the back' and say 'God loves you' (of course they would, they must feed-off people, Matt.7v15, 10v16, Acts.20v29, 1Thes.2v3-6, etc.).

Yet what does “The Almighty God” (“Yahweh”) think of this?

He detests this “orchestration” by leaders of “Religion” (Isa.1v11-16, Amos.5v21-23, etc.)

As the context of those citations tell us, Yahweh Desires us “to fulfil His Desire” as given in “The Word of God”, which is not directly to praise Him, but “to achieve a perfect society”, which itself praises Yahweh’s Attributes!

Which occurs if we personally imitate JC over our 2 part life, noting the two layered assigned responsibilities.

If we do not know “The Word of God”, then we are supposed to meet together, to learn what “His Desire” may be.

Sadly, as I am explaining, that is the very last thing we are taught (if at all) when we come together in “Religion”!

When we learn “Yahweh's Desire” then we understand what “Yahweh Desires in our Worship of Him” is precisely as we are taught in the context of those citations, that I know of which: Christian devotees never realised were in The Bible!

Why?

Because worldly Christian leaders never correctly teach what is: “Yahweh's Desire” (as my “Examples” given later that fill this 27 page document will so very clearly demonstrate).

They only teach what is “The Desire of their devotees” (2Tim.4v3-4) because these leaders “have the appearance of godliness, but proving false to its power (to reform the mind to imitate JC)” as we are told at 2Tim.3v5, Titus.1v16.

Therefore, we forthrightly conclude:

Our leaders of Religion do not really “Love” (= **agapao**) us to deliver “Real Charity” (= **agape**) so that we learn how to truly fulfil Yahweh's Desire.

However, as “professional people” they do “Love” (= **eros**) us to self-indulge upon what they can get out of their compliant clientèle when ‘farmed like cattle’ (Matt.7v12-15), because 'the cattle' “Love” (= **eros**) what they are given “to please their animalistic minds” (taught how “not to personally reform”)!

As we are taught by JC:

“You know The Tree, by examining The Fruitage” (Matt.7v16-20)!

I could give ‘hundreds’ of examples of nonsense teaching that our leaders of “Religion” give regarding “Love”, but first let me explain how Yahweh specifically views “Agapao and Agape”.

Obvious JC was the personification of “Love”.

“Oh dear – I sound like our religious leaders in their drawl!”

Yet the difference is that I am not going to then meander off into a worldly form of “Love”, as would our religious leaders in their abstract manner, within their so very proficient worldly course of silver-tongued mantra!

Let me repeat:

Agapao: {Edifying Love}/{Love by Principle}. The Mind is driven “to edify our neighbour to our own hurt”.

Agape: (subgroup of Agapao): Charity. The Physical Works freely done (for no return) to edify our neighbour. Thus, taking The Christian example “Love your enemy” means we must: “Edify our enemy to our own hurt”.

Now this is a new concept (because it is never taught correctly by our worldly Christian leaders).

This phrase ideally means: “We bring our enemy to understand how they could become a future son of God.”

Because this is never taught correctly by our worldly Christian leaders, either to their neighbour or enemy ‘by virtue’ they have no idea what this concept truly means, then, they clearly do not “agapao us”!

By consequence, they fall afoul on the primary requirement in The New Testament for us to personally aim for “The Goal” to become “Christ” (= “Anointed” noting Gal.4v14, 2Tim.4v6-8, 1Pet.5v4, Rev.1v6, etc.), to which end our worldly Christian leaders completely mess-up in both departments (personally and for their devotees), when they speak: “They are for “the higher calling”!

Do they get anything correct?

Virtually nothing when it comes to what JC specifically taught as “1st Century Christianity”!

Yet they are so very proficient at teaching “Religion” – as are their other “**professional** counterparts”!

Now we know what Yahweh Desires to fulfil His “Prophesied Trigger Threshold” to bring forth The Millennium (Rev.14v1-4), being another concept that is never taught by our worldly Christian leaders in their ‘near-useless’ and so very “worldly” sermons, then we can understand what this phrase: “Love our enemy” means.

Our “enemy” by definition “hurts us”, we are taught by JC not to respond by a “return hurt”, but to walk away from the situation (in the extreme at Matt.5v39, Luke.6v29), we are to defuse the tension. Then hopefully, our

'enemy' will look at us and quietly contemplate upon our 'unusual' actions both to the perpetrator and to The World in general. Ideally, our enemy will come to us and ask us about our actions, what makes us think and act in the manner that we behave (in our desire for "The Goal"). This gives us the opportunity to start teaching "1st Century Christianity" (but certainly **not** "worldly Christianity" that covers the planet today) so the recipient can learn to understand what Yahweh truly desires from us today to achieve "The Future Goal" at two levels, of which are:

1. 144000 future sons of God as elected by Yahweh (Matt.20v23) from out of The Gospel Age.
2. A perfected society made "just so" during The Millennium.

All this could be amplified within a huge book, and I do just this on my website: "FutureLife.Org", consisting of some 4,000,000 words of original material constructed over perhaps 50,000 plus man-hours of work.

A subset of this would concern "**forgiveness**".

Our worldly Christian leaders completely "screw this up" in their very pathetic reasoning to make Yahweh look stupid to the sane/reasoning mind! Perhaps I had better unscramble this and teach us what The Bible really teaches us.

Actually, there are two different words used in The Greek for what is universally considered as "sin", one is "unintentional", and the other is "intentional". When we take everything in Bible context, then we are taught that we are **only** expected to "forgive" hurtful people **if** and **only if**, they sincerely repent of their actions.

We are equally instructed **not** to personally harbour ill-feeling to "hurtful people", so that

- (1) we do not become mentally damaged (having put "the hurt" to one side), nor
- (2) escalate the situation into something more painful (for either side), and
- (3) we become invitingly positioned to truly "forgive" the "hurtful person" **if** they sincerely repent to us.

From (3) above, we become positioned to teach the repentant "hurtful person" about

- (1) why we can forgive them and
- (2) teach them of The Millennium Expectation.

To be able to do this successfully, then we **must** have "accurate knowledge", "assurance" and "fidelity" to what is "The Proven" (by assay/test/examination) "Absolute Truth", hence the next section "Example 2".

And to close off this section then I should comment on "**God loves us**" profusely said by our so deviously deceptive worldly Christian leaders evidently **not** knowing their subject matter (exhibiting their demonstrable "ignorance")!

Let me state: "**Yes and No!**"

But **not** in the manner as implied by our worldly Christian leaders:

Yahweh presently detests us as "humans"!

Because Yahweh does **not** want "humans", but only "people who imitate JC" to live/exist into The Eternity!

Let me unscramble their deliberately deviant sales spiel (to hook-in the hapless victim as prey).

Yes – Yahweh "agapao" us – to edify us to become Christ-like in our future state.

(That is why He and JC have worked so hard to save whosoever will change.)

No – Yahweh does **not** presently "phileo" us to become "storge" because we act "eros".

(Yahweh does **not** like "sin", and "sinful people" cannot become part of His future family.)

If we personally reform over what shall become our "2 part life" (more later) then:-

Yes – Yahweh will "agapao" us because we are Christ-like in our future state (**if** we achieve it).

Yes – Yahweh will "phileo" us to become "storge" because we do **not** act "eros".

This is unintelligible to our worldly Christian leaders, because they never teach it, but a highly distorted and unrighteous form of this! They should be exhorting us to personally improve to become "The Early Adopters" of "The Word of God", thereby enabling "The Trigger Threshold" of "144000" to come more quickly (see later).

However **if** they do know and have deliberately remained silent on this issue then they stand doubly accused before Yahweh's Judgement upon them (James.3v1)!

Please see my commentaries at Mark.3v28-29, Matt.12v31-32, etc. that fully explains what this entirely means.

It must be understood from the implied teaching of "Love" as given by our wholly delinquent and reprobate worldly Christian leaders, then there is no incentive to improve, because we are (supposedly) 'acceptable' as we are!

In fact, within some of their sermons they state precisely that lie (imitating their spiritual Father, John.8v44)!

But this is absolutely **not** true (Rom.3v23)!

We must personally make The Change (to precisely imitate JC over our 2 part life), else "we will fail".

By contrast:

If we think we are "good enough" (Matt.3v7-10, as publicly expressed by leaders of "Religion") and thus not (spiritually) ill (Matt.9v12, Mark.2v17, Luke.5v31), deeming ourselves not to require "The Word of God" to become "The Power" to reform our heathen minds.

Then we shall be annihilated, destined **not** to live in "The Most Perfect Environment" in the 2nd part of our physical life for an eternity.

It cannot be made starker than that!

Can the reader now start to understand "The Righteous Truth" sourced by Yahweh as given in The Bible, and "the unrighteous Fiction" sourced by leaders of "Religion" passing "God's Word" through "The Mincer" of Rev.22v18-19 for a nice self-indulgent worldly return (for 'professional people' making a living out of it)?

Moreover, I have hardly started yet - we have many luminary examples yet to study over the next some twenty pages!

Example 2.

Another word that is repetitively used within “Religion” given without any thought to what it really means is the word: “Faith”.

This word is ‘blindly used’ in the manner, that I suggest is “Blind faith”, upon which atheists justifiably lambast! Perhaps I should first explain what the word “Faith” really means, and why “Religion’s Faith” is “blind faith”.

“Faith” is a composite word comprising of three things, and without any one of these three components, then what the person has is “blind faith”. As we will see, most religious people are lacking at least “two” of the required components!

“**Real Faith**” = {Accurate Knowledge + Assurance + Fidelity}

Let us first define these terms on the right-hand side of the equation and then I would like to give an example of “Real Faith”, being that of “gravity” and then contrast that with the, then demonstrable, “blind faith” that clouds all of “Religion” on this planet.

“**Accurate Knowledge**”. There is either “Knowledge” or “Accurate Knowledge”. In secular “professional” occupations comprising of engineers, doctors, builders, etc. there is both “accurate knowledge” and sadly (inaccurate) “knowledge”. Most importantly these secular occupations “demonstrate the accuracy of their knowledge” over a fairly short period of time, and thus “accurate knowledge” taught and tested yields “assurance”, which is then applied with “fidelity” within certain individuals that readily divides out their core competence within “The Standard Gaussian Distribution”. More shall be given later about this. However, to gain “Accurate Knowledge” then we must go to a reliable and trusted source, in secular occupations there are both good and bad sources for this information. By contrast, in “Religion” there are almost zero sources for “good information” supposedly given by religious “professional” people to yield: “Human Salvation” being Yahweh’s Goal (noting Yahweh’s qualities at Eze.33v11, 2Pet.3v9), more later on this.

“**Assurance**”. For a person to both “understand their subject matter” and be “wholly conversant in its application” then the user must first gain “assurance”. Assurance comes by thoroughly testing/assaying/proving both practically (= works) and within the mind (= spiritually). It is by this method of understanding by trial/test/assay the user becomes fully comfortable/competent with what they know - and if “The Knowledge” is “accurate knowledge” being tested/trialled/assayed then the user becomes fully assured by “The Results” endorsing what is known. But by counter, in “Religion” absolutely nothing is tested/assayed/proven - just a collection of unquestioned “hearsay” comprising of a hocus-pocus mismatch of muses/ruminations from supposed “sages/gurus of old” on an ego trip of self-vanity! I know because I have read much of this in the past. – My educated conclusion is this: “**It is all bogus!**” “**Fidelity**”. This is the third requirement to demonstrate “Real Faith”, else again it becomes “Blind Faith”. We as individuals must put into practise what we (1) accurately know and upon which we (2) have assurance to be competently able to perform to what we know. Clearly if we do not practise what we “confidently know”, then we are hypocrites to what we claim is our “real faith”! Again, we only need witness what occurs within “Religion”, many advocates say one thing and then do another! Need I say anymore – except: “Blind faith”!

Now I have defined: “Real Faith”, then let me give a universal example to understand “faith” in a practical sense.

My example would be “**gravity**”.

When we were a baby having no knowledge of “gravity” – we were protected from it by our parents.

As we aged, we learnt from an accurate source (by personal experience) of an “inviolable law of nature”, physically expressed upon ourselves. We gained “accurate knowledge”.

We were then positioned to test/assay/prove its effects by, walking, jumping, dropping and throwing things, also being the recipient of objects falling upon us. We gained “assurance” in what we knew by trial and error.

Finally when fully mobile, we can encompass The Planet upon which “gravity” operates in a “uniform manner” thereby allowing us to put into practise what we (1) accurately know and upon which we have (2) gained assurance.

We are now positioned to practise with “fidelity” what we know about “gravity”.

We have two options when walking near to a cliff face.

1. We can avoid the edge so that we do not kill ourselves (= real faith).
2. We can walk over the edge because we “believe” ‘we will not die’ (= blind faith).

This can obviously be applied to secular occupations where “Secular Professionals” demonstrate: “Real faith”.

This same reasoning can obviously be applied to “Religion” whose incumbents demonstrate: “Blind faith”!

Where secular people prove what they know, religious people do not care to prove what they know for righteousness!

Let us return to that proven (by the above reasoning) equation:-

“**Real Faith**” = {Accurate Knowledge + Assurance + Fidelity}

When we apply that equation to “Religion” then based upon what I know and witness, then perhaps 99.9% (with suitably applied error bands) of religious people cannot even get onto the first square of “Accurate Knowledge”, let alone having all three requirements to gain “real faith”, and therefore they ALL operate upon “blind faith”.

All “Religion” (excluding “worldly Christianity” just for the moment) is based upon recorded unquestioned “hearsay” (as defined by The Lawyer Profession) within its various ‘master documents’ and thus must be dismissed as non-evidential. Where the supposed ‘Evidence’ is so very planer (two dimensional) having no cross supporting substance (as required in a Court of Law), being just fanciful wishes to supposedly yield “Mankind’s Salvation”, where any sub-component of “Religion” can be spiritually destroyed within 3 or 4 layers of the question: “Why?”. Worldly Christianity on the other hand, has access to “Accurate Knowledge”.

Yet to their shame, its protagonists fail at various levels:

- (1) **not** learning “The Accurate Knowledge” (2Tim.3v15-17),
- (2) **not** personally testing/proving/assaying “The Accurate Knowledge” and finally for those very few people remaining, even fewer of them are prepared to complete The Course (1Cor.9v23-26) to
- (3) act with fidelity (2Tim.2v5) to what he/she “competently knows”, which makes “Christians” “The Worst” of all religious people (when assayed by Yahweh)!

Actually, 144000 people (Rev.14v1-4) from out of some 3 billion Christians throughout The Gospel Age (Matt.20v16, 22v14) operate in “Real faith” and shall achieve “The Goal of Anointing” by Yahweh, made possible by JC.

And by contrast “worldly Christianity” delivers millions of demonstrable “**professional hypocrites**” (Luke.20v16, etc. having falling afoul of Matt.6v24, 22v20-22, etc.), who delude their subjects into believing they are “Children of God”, when actually it is **only** Yahweh who chooses (Matt.20v23) to yield “The Trigger Threshold” and hence (Matt.24v36). However we **are** all to actively aim to become “Children of God” with the most strident vigour, by precisely imitating JC’s ministry/lifestyle and thus ideally be positioned to personally solve: “The Mystery of God”! Which is quite simply stated as being:

“How is it possible for a creation (= us) to be like its creator (= JCg, Gen.1v26, John.1v1-4)?”

The answer is:

“To precisely imitate The Creator.”

And it is “The 3rd Party Assessor” “Yahweh” who “Makes become who/what He chooses to become” judges in “The Special/Greater (1st) Judgement” (James.3v1) those specific people having been “driven by agapao during The Gospel Age to yield agape” in the 1st part of their physical life (Matt.25v31-45 at The Spiritual Level, see my local commentaries). By doing so, they have perfected the 2nd part of their spiritual life upon “The Word of God” to achieve “**The Goal of Anointing**” at “**The 1st Resurrection**” (Rev.20v6) and by consequence, become future “sons/children of God” alongside JCg (Matt.12v48-50, 20v23, etc.). Having demonstrably “become begotten” of Yahweh (via His Word, of/following their template, JC/JCg Psm.2v7, Rev.1v5) and thus truly “Born Again”. It should be noted the above section of some 20 lines is **incomprehensible** to our worldly Christian leaders because they teach **none** of this their ‘near-useless’ sermons (as regards to “The Fulfilment of Yahweh’s Desire”) and if they do know, and have remained silent upon what they know (Luke.16v19-21+) then they stand doubly accused (Luke.12v46-48). In all instances they only operate according to “blind faith”, having no excuse, in contrast to their counterparts in “Religion”; inasmuch non-Christians have the excuse of not being motivated to access “The Accurate Knowledge” to even be in the position to gain it, **because of the shenanigans** of worldly Christian leaders giving such a **poor** representation of God’s Word! Precisely as did the Jews to The Gentiles before JC’s 1st Advent under “The 1st Covenant” (= The Law of Moses). I explain all this to the very lowest detail on “FutureLife.Org”.

Example 3.

My next topic to understand precisely why worldly Christian leaders are detested by Yahweh would be the subject on “Prayers”, both in the content and application thereof!

Let me start with “Content”.

Sadly, we are taught by worldly Christian leaders to pray with an “eros love” inasmuch “I want ...” in direct contrast to what The Bible teaches us at James.4v2-3, 1John.5v14-15, where we understand by extension that we ask for what “we cannot do ourselves” to achieve Yahweh’s Desire, which is to:

“Bring more TCs unto Him in our ministry and lifestyle”.

Where “TCs” = “True Christians” = “The Early Adopters” = “The 144000 people who precisely imitate JC”.

Thus we are “praying in supplication” (= a prayer with a vow), inasmuch we pray for assistance (alongside what we physically cannot personally do within our local neighbourhood) to achieve Yahweh’s Goal for us, in our work to further His “Most Righteous Plan for Human Salvation”. **Absolutely Nothing Else!**

Anything else is for personal vanity to “self-indulge an animalistic/carnal mind”!

Another regular hypocritical “asking” goes along these lines:

“Lord help me to be” “a better/nice/good person”, “more knowledgeable”, “closer to You”, etc., etc., etc. A prayer about anything that sounds so wonderful to our listening peers, and puffs-up the vanity of our pious self!

Why is this hypocritical?

So much so, that Yahweh spurns such vain prayers made by worldly Christian leaders and devotees alike!

It is so very easy to explain; quite simply:

Yahweh has so kindly given us “The Word of God” and we do not read it (but only the ‘nice’ bits)!

JC gave us his ministry and ransom sacrifice and we disrespect all of this because we refuse to imitate him!

The apostles almost broke their backs in working The Ministry free of charge and we ignore their epistles!

So after all this:

Why should Yahweh respond to our demonstrably insincere prayers?

Where “the inductive logic” clearly tells us that we (behaving as spoilt, self-indulgent children) could state:

If we do not become “better/nice/good” or “knowledgeable” or “closer”, **then** we are in our “Human Rights” to ‘blame Yahweh’ for not answering our prayers!

How insulting is that to Yahweh!

This is an abomination!

Because there is, something called: “**Personal Responsibility**” (to society in general).

As shunned by leaders of “Religion” in both their teaching and position to Yahweh as “faithless slaves”.

This attitude shows what we truly think of Him and what He represents to us, if we behave in this manner!

Quite simply:

If we do not personally read all of God's Word, also refuse to precisely imitate JC's ministry/lifestyle, ignore the epistles, and thus not personally fully hearken to this knowledge,

Then we certainly will be ignored by Yahweh in "The 1st Resurrection", irrespective of all the "nonsense" taught by our worldly Christian leaders 'blowing smoke up the arse' of their devotees (for all the self-indulgent worldly return these deluded devotees give to their leaders)!

Does the reader really think Yahweh is listening to these types of prayers made by these type of people?

Please would someone contact me giving Bible citations **IN CONTEXT** to 'support' their errant understanding?

Over a period of some 50,000 man-hours I have generated the most accurate New Testament Translation on this planet, so accurate that it is commutative, to perhaps recreate The Original Greek from my English Translation, a claim that **cannot** be made of any other translation in existence today! Together with the most comprehensive inter-verse commentary available on this planet, proves that I do know much of my Bible very well, almost 'like the back of my hand', but most importantly: "I thoroughly understand it" (unlike our worldly Christian theologians, else they would need to become humble)!

I also heard some prayers made by a lady Chaplin stating: "We think of those people in war torn lands"

How bogus and hypocritical is that – at several levels!

1. It is good for us to think about these people, just in case You Yahweh, are not!
2. I am pleased I remembered them, because that is all I need do and now I can move onto the next subject!
3. I have excused myself in imitating JC to bring forth the next generation of TCs in my local environment!

This is the type of unedifying nonsense our religious leaders teach us!

It excuses us from shortening this pain and suffering, where the only thing that shall stop wars, occurs at Rev.9v16-21, and that **cannot occur until** Yahweh can gain His proven 144000 TCs some 3.5 years earlier at "The 1st Resurrection"!

Yet this religious leader will get a 'pat on the back' from her deluded devotees in a "prayer of excuses" (Jude.v4).

Finally, in this section on "Content", we have our worldly Christian leaders praying for worldly politicians, and for an improvement in world conditions! They really "just do not get it!"

This is **Satan's World** (1John.5v19, 2Cor.4v4) and worldly politicians have **absolutely no intention** to personally fulfil Yahweh's Desire, but only, their "own desire" within this world (John.17v14-16) - that is precisely why they climb to take their position over "us", **to personally gain** out of "us" through what their position gives (as do professional religious leaders). Moreover, "To make The World a better place", Yahweh has given us instruction in The Bible, and yet we do **not** read it in its entirety, to even be positioned to know how to get onto, and then off "The 1st Square" onto the next square! Consequently, Yahweh **wholly ignores** these ridiculous prayer requests that are only made to give a semblance of mutual validity/legitimacy between both religious leader and politician (all working hand-in-glove with each other, as we witness all around The World today). It is cartel between politics and religion! Politicians control the mind of the people today, and the religious leaders control the mind of the people to supposedly achieve 'the next life', from which, they both "Have control over everything!" For which they both suitably charge! In addition, to give some apparent authority, they quote 1Tim.2v2, deliberately ignoring "The All Important Context". The context tells us that we are to be praying in supplication for **all sorts of men** (so that through our ministry work, they can learn "knowledge" and then copy the apostles, who imitate JC, 1Cor.4v16, 11v1, Gal.4v12, 1Thes.1v6, etc.). **Then** Paul makes a differentiation, he speaks of a "**specific grouping** of people" (politicians), for what reason?

"So that we (as the apostles) may go on leading a calm and quiet life ...",

With the crucial all-important last phrase:

"This is fine and acceptable in the sight of our saviour, God."

We must analyse **exactly what** Paul is saying here, noting what was occurring to the apostles (Acts.4v2-3, importantly Acts.4v26-27, 5v18, 6v12, 7v58-60, 8v1, 12v2, 12v5-6, 13v27-28, 13v45, 13v50, 14v19, and **many more** citations).

"The Political Leaders" and "The Jews" (= "Pious Unrepentant Religious leaders") of 1Tim.2v2 were persecuting The Apostles and stopping their ministry to the people of 1Tim.2v1. So Paul suggests that Timothy prays unto Yahweh regarding "The Political Leaders" and "The Pious Religious Leaders" for Him **to intervene and stop** these two groups from persecuting The Apostles (as per my citations above), so that The Apostles **remain unhindered in The Ministry Work to fulfil Yahweh's Desire.**

Fulfilling Yahweh's Desire means:

To gain the next generation of TCs, so that over a period of some 2000 years, Yahweh is then able to gain His 144000 prophesied TCs, to then bring-in The Millennium, for "The Resurrected World" **to be purified!**

After those two verses, then we have **the all-important covering phrase** for Paul's suggestion to Timothy:

"This is fine and acceptable in the sight of our Saviour, Yahweh."

WHY should Paul add this comment of v3 to v2, if he has already stated it about **hearkening recipients** of v1?

That is a rhetorical question, because the answer becomes obvious!

General prayers as given in the manner by our worldly Christian leaders are **absolutely NOT acceptable** to Yahweh. However, the only acceptable form of prayers that can be made regarding our "non-hearkening" worldly leaders is that:

"They keep off our back" so that we (as apostles) can continue in our ministry to progressively move forward Yahweh's "Plan for Human Salvation" being **the entry verse 1** into this subject matter!

Thus, we have:

“The Objective” of v1,
“The Protective Request” of v2,
“The Sanction that v2 is acceptable to Yahweh” of v3.

Where the implication is that any other form of prayer for our political leaders is **not** acceptable, being outside “The Scope/Remit” for The Apostles’ teaching/ministry, inasmuch worldly politicians are {not hearkening}/worldly people who have absolutely **NO real interest** in fulfilling Yahweh’s Desire (hence rejected in verse 1)! All of which, is precisely why JC spoke as he did about The World (made exactly so by its leaders) at John.17v11-19. The whole thrust is that Yahweh is **not** part of The World (and thus **not** part of the leaders “making The World just as it is” presently, John,19v38). He is however, during The Gospel Age concentrating on the “extraction process” of “**The Early Adopters**” for the next stage of His “Plan for Human Salvation” to build “The New World” in The Millennium.

When deciphering The Bible it is essential to keep the holistic understanding “The Same”, we must **not** warp it (and be drawn into The World), else “The Vista of Yahweh’s Plan” becomes unclear!

So we should quite simply ask:

Is there **any** example of JC praying for The Pharisees (religious leaders) whom he called: “Hypocrites” (Luke.12v1, Matt.23v28, etc.), or for Herod (political leaders) whom he called: “That Fox” (Luke.13v32)?

No! Absolutely no example! We too are likewise instructed, “to imitate JC” (1Cor.4v16, 11v1, etc.)!

We understand “The Reason” “why it is done”, because worldly “Religion is ‘hand in glove’ with Politics”!

Covered in the maxim, “You scratch my back and I will scratch your back”!

It is all so very easy to understand.

Especially when I explain everything to its lowest level, “The Context” must always be considered, as we should here, to understand what was in Paul’s mind based upon what was occurring around The Apostles as my earlier citations clearly show!

I have written a large dissertation entitled “Why do we pray” and thus have no need to further expand this section.

Now moving onto the next section: “The Application” thereof.

We have prayers made by the congregations and national day of prayers promoted by our worldly Christian leaders.

Is this what The Bible specifically tells us?

1. Daniel prayed by himself (and not with his three companions) as he regularly did (Dan.6v10).
2. JC gave instruction how we should pray (Matt.6v6-8).
3. JC practised what he taught (first example is to The Wilderness Matt.4v1+ for forty days to scope-out his future 3.5 years ministry with Yahweh, and for a deliberate separation from the crowds at John.6v15). Noting that there is **no** example where JC prayed with the crowds, but only taught them. How do we know this? Because about half way through his ministry, the disciples asked him “How they should pray”, – where the inference is that JC had given no pattern earlier for them to copy!

Can the reader cite examples in The Bible where Mass-Prayer occurs, or is recommended by Yahweh’s representatives on worldly causes? No! The only examples occurred when a miraculous event occurred and all people of like mind, feeling moved, gave “thanks and acknowledgement” to Yahweh. The reason is (1) to stop “manipulation of people’s minds” by word-smiths (as profusely done today), and (2) Yahweh is only interested in what The Individual has personally created to generate The Prayer, inasmuch: What is the “**Real**” motive in generating The Prayer? The only examples are generally, to the contrary; given by Satan’s representatives for worldly return (1Kings18v19+, Dan.6v1+ noting by the exclusion in context, etc.).

Example 4.

“Parables” are useful tools that JC used to explain Yahweh’s “Most Righteous Plan for Human Salvation”, together with warnings for worldly Christian leaders supposedly following JC during the next some 2000 years.

Worldly Christian leaders think they are ‘onto a good thing’ by (supposedly) ‘copying JC’, believing they are as competent as was JC by giving a worldly example as a supposed teaching aid.

Quite simply, they have completely “**missed the point**” and their parables degenerate into promoting “worldly methodology” in direct contrast to publicising Yahweh’s “Plan for Human Salvation”, because they do **not** understand, **nor** recognise Yahweh’s Plan that is presently coming to the very end of its 2nd stage, ready for “The 3rd and Last Sifting Stage” of Mankind!

They give some example of what a worldly person did, and then bend it around to suggest that we are ‘all human’, like the person in their example, to excuse/’explain’ our present worldly nature!

This is all adversarial (= satanic) because it promotes “The Human Nature” and **not** “JC’s Nature”!

This is of a “**New Jesus**” taught (2Cor.11v4), being a “Gospel of **Excuses**” (Jude.v4).

Again, I must state:

“They just do **not** get it!” Yet they claim to represent Yahweh! How so very bogus and fraudulent!

I suggest The Reader read JC’s Parables and carefully reason upon them to understand what JC was really teaching us.

To help you in this, I have written a very detailed explanation to each of JC’s parables and illustrations within my “Most Accurate New Testament Translation” – please see my website: “FutureLife.Org” for this information.

In many instances, my explanations will not be the same as given by our Christian scholars, and in a couple of parables the exact opposite to what they tell us – so how bad is that! Moreover, they clam “to be in the know”! Hardly!

Example 5.

Pampering devotees' ego with lies!

Quite a simple and straightforward statement, and the apostles saw it themselves (1Thes.2v3-6, 1John.2v18-19, etc.).

Where shall we start?

Actually, this is a large section consisting of some eleven pages (which shows just how bad is their "lying")!

"You are all children of God!"

"No!" Only Yahweh can specifically make that Decision, even JC could not make the decision (Matt.20v23), noting what JC stated at Matt.12v48-50 (specifically "The Person doing The Will of my Father ..." [= precisely imitate JC]). However there is nothing wrong to state: "We are fervently aiming to be Children of God" by precisely imitating JC's ministry/lifestyle (1Cor.4v16, 11v1, Gal.4v12, 1Thes.1v6, 1Pet.2v20-24, etc.) so that we become placed upon the short list for Yahweh's ultimate "Selection/Election for Sonship" as a proven "Early Adopter" of "God's Word" (Matt.20v16, 22v14). But the preposterous decision "of certainty" can **never** be made by any presumptuous human thinking they are "God", - else 'we will take our foot of the gas' in this present worldly system and sink back into it! Thereby fulfilling Satan's desire, for Yahweh not to achieve "The Trigger Threshold" of 144000 TCs (Rev.14v1-4), which upon fulfilment, becomes Satan's nemesis (Rev.20v1-3, and by consequence v10, a thousand years later)! The Bible tells us that we must constantly strive by working in The Vineyard for The Father's pleasure; else, we are not following the Father's Will. Does the parable at Matt.20v1-12 instruct us to leave early from The Vineyard? No! All workers worked to the end of The Day (= our life) before we are in the position/place to be paid (with Sonship)! Is this taught by our worldly Christian leaders? Absolutely not!

Apparently: 'We are good enough already!' Because supposedly turn up each week at church and 'believe in Jesus'.

I will let you into a secret: We are **never** "Good enough" **if** we think, "we are good enough"!

Note, there is only one example in The Bible of that quotation used (1John.4v4) and yet importantly notice "The Context" within which it was used, being the recipients who had remained faithful to "1st Century Christianity" and who had not followed after the then newly invasive "Worldly Christianity" that now covers the planet today!

"We have the Holy Spirit (= HS)!"

"No!" This shows that our worldly Christian leaders have not the faintest idea what "HS" means. I have written many dissertations fully cross referenced with Bible citations that fully explain the HS in total, on perhaps a hundred plus pages. Let me explain the HS very briefly to counter the utter nonsense taught by our worldly Christian leaders. "The Word of God" gives "The Knowledge" on how to fulfil Yahweh's Desire (to ultimately yield a perfect society). A humble/hearkening cognitive/reasoning entity wholly imbues this "Knowledge", assays and then operates with fidelity upon it to gain "Real faith" (as described earlier) to then be personally driven by "The Presence/Parousia" of "The Word of God" (= JC), that becomes "The Lord/Master" of our mind (= it is to wholly **control** us).

At this point in time the demonstrably "**humble/hearkening cognitive/reasoning**" entity gains the one/same mind (= spirit/personality/desires/traits) as that of Yahweh and JC (John.14v20, 17v21-26) to "precisely imitate JC".

This one/same mind (= spirit/personality/desires/traits/character) that is precisely the one/same as that of Yahweh which is holy/innocent/pure/blameless/{separate from this world of sin}.

We can further reason that:

Yahweh's Desire is to make His "Plan for Human Salvation" manifest within The Environment (to yield a perfected society into The Eternity).

There we have it! We can put all this inducting reasoning together to generate a: "A Sensible Conclusion"!

The HS is defined as being:

"Yahweh's pure/blameless/innocent/holy Desire/Spirit/Personality/Traits made manifest within The Environment (to bring forth The Salvation of Mankind)".

Where the humble/hearkening cognitive/reasoning entity operates in the one/same mind (= spirit/desire/traits/etc..) as that of Yahweh to bring forth "The Salvation of Mankind" (hence again, 14v20, 17v21-26).

Moreover, it can be clearly understood, the HS becomes personalised within this humble/hearkening cognitive/reasoning entity, because JC as "The Word of God" is operating as "The Master" presence/parousia expressed with the actions given in charity to assist in bringing forth "The Salvation of Mankind".

That has wholly explained "the HS".

And naturally Yahweh works through this humble/hearkening cognitive/reasoning entity (as He did through JC) to righteously make "Mankind's Salvation" possible (because this humble/hearkening entity is not of two minds, James.1v6-8, of [1] worldly methodology competing internally with [2] Yahweh's Methodology).

The difference between this entity operating in "Real Faith", and our worldly Christian leaders (and their devotees) operating in "blind faith" are these words: "**humble/hearkening cognitive/reasoning**".

We therefore realise that the (1) unrighteous nonsense taught and the (2) profaned actions given in feigned charity emanating from our worldly (and worse, charlatan) Christian leaders, then they have zero "holy spirit", but very much "worldly spirit" (Eph.2v2) operating under the present guardian of The World (1John.5v19, 2Cor.4v4).

Finally, I ask the reader to search The New Testament to discover when Yahweh and JC are mentioned as personalities if there is a reference to the HS (as a parsonage), and the answer, there is none! Which is kind of strange if it is supposed to be a 3rd personage! Clearly it is not, but simply the "thought processes" are in union between both Entities as they are with the 144000 TCs (which is to bring forth "The Salvation of Mankind") hence again the references of John's Gospel. The reason why leaders of Christendom have no HS, is because they do not have the one/same thought processes as that of Yahweh, JC and TCs – hence their output to The World for the worldly return!

“Being Christians then you are saved by JC!”

Like their spiritual father (John.8v44, operating as he did at Gen.3v1-5, Matt.4v1-12) then this **is** a luring deceptive half-truth and an easily dismissed half-lie. And worse, that statement flagrantly ignores 1John.2v2, 4v14 which is designed to (1) entrap worldly Christians in a fake ‘word of god’ (hence “a new JC”, 2Cor.11v4) and (2) create an “us and them” to “divide and rule” **cartel** within “Religion”. All of which, allows generation after generation of religious leaders to scam-off their compliant and yet deluded devotees in the most fraudulent manner (I explain precisely why, a little later).

Why is this a half-truth and a half-lie?

Because quite simply: JC has ‘only’ given to us (= **all** humans of The World over the last 6000 years) a “2 part life”, and **absolutely NOT** “everlasting life”, because that event **only** comes with “The Most Important Caveat” which is this (as always ignored by our worldly Christian leaders, of which their sermons testify to my veracity):

We must **personally perfect** our mind to become **entirely** Christ-like over this: “JC given 2 part life”.

If we personally do this, **then** and only then, shall we personally achieve “everlasting life”.

To do this, then we must take upon ourselves “Accountability, Ownership and Responsibility” of our mind.

We must build our mind (= spirit/personality/desires/traits) solely upon “The Word of God” given from an accurate source (certainly **not** from leaders of “Religion”, being an “utter waste of our time” with regard to “Human Salvation”).

No one can do this for us - it is solely: “**Personal**”.

Turning up at church to have a wonderful, uplifting time, ‘once a week’ is not good enough!

Let us move forward to righteously explain all this.

I am forced to do so, because **none** of this is taught by our “wholly spiritually blind” worldly Christian leaders, it is like a foreign language to them: “not given to understand” (Matt.13v11-13), only because they “Choose not to understand”, by “preferring to remain ignorant” (“agnoeo”, Strongs™ = 50) by virtue of its implications to their present existence.

Let me start by asking:

How did JC make this “2 part life” possible during his 1st Advent some 2000 years ago?

It must be clearly understood:

1. JC gave his **Ministry** in both words and lifestyle to get us into the 2nd part of our **spiritual** life.
2. JC gave us **The Ransom Sacrifice** to get us into the 2nd part of our **physical** life.
3. Furthermore, JC **covers us** over The Millennium while we learn how to purify our mind in a perfected world. (Mark.2v27-28, John.19v31, 20v1, 2Pet.3v8, Rev.20v3, 7, etc. I thoroughly explain this on “FutureLife.Org”)

JC’s “Responsibility” **stops there** for us as “Individuals”!

Why/How?

1. Once we have JC’s Word/Lifestyle as a template, then it is: “**Our Responsibility**” to change our mind to exactly imitate JC so that we then fulfil Yahweh’s Desire.
2. Because JC took upon himself “The Responsibility” for his Creation, then he became “The Means” to enable Yahweh to righteously resurrect **only** “The Once” (Heb.6v6, 10v26, 28, 2Pet.2v18-22) **all** humans into the 2nd part of their physical life. There is **no** 3rd part to our life, we **are** personally annihilated at the end of the 1000 year “Millennium” **if** we do not learn how to precisely imitate JC (to be internally, wholly driven by “The Word of God” [Rev.19v13] that is to become “our Lord/Master” [Rev.19v16]).
3. Once in a purified DNA fleshly body (given in trust by Yahweh because of what JC did) then in a perfected environment within a perfected society (made precisely so by Yahweh’s **infinite** authority/capability/power operating through JCg, Rev.19v15-16, 2v27, 12v5, etc.) then we must change our mind to imitate JC else we shall be personally annihilated. This is true, irrespective if we are a “Christian **or** non-Christian” today.

The most important thing for us to do is: “Wholly **ignore** what our leaders of “Religion” tell us about our future!”

They only teach “**unrighteous nonsense**” when they open their mouth regarding “The Salvation of Mankind”!

Now we know of what JC taught, then we can understand why the religious leaders hated JC (John.11v47-53).

Why did they hate JC?

Quite simply:-

The populace became educated to “The Word of God” (Mark.1v22), and realised the “leaders of Religion” were as “**nothing**”, wholly defunct in “The Grand Scheme of Things”! Moreover, as such (as they told us in the given citation, John.11v47-53), they were losing their hold over their devotees, and by consequence would then lose their worldly income of whatever albeit:-

money/glory/leverage/honour/prestige/sex/pension/{debilitating habits}/etc.

Why are leaders of “Religion” ‘as nothing’ to fulfilment of The Almighty God’s “Plan for Human Salvation”?

1. **JC gave us** “The Means” for us to **personally** purify our minds (in the 2nd part of our spiritual life).
2. **JC enabled Yahweh** to righteously give us the 2nd part of our physical life (in The Millennium). (= once only resurrection to **all** people without distinction [Matt.22v16, 1John.2v2, etc.]
3. (1) and (2) gives us “The Experience of a Perfect Environment” for “**us**” as individuals to **personally** make an **educated** decision as to whether “we” as individuals finally chose “**worldly** methodology” or “**Yahweh’s Methodology**” at “The End” of The Millennium.

Therefore, I now ask the reader:

How/Where do our leaders of “Religion” fit into the above scenario, to make this future **a reality**?

Can the reader see “Religious Leader” mentioned anywhere in (1) to (3) above?

They appear absolutely nowhere! And “The Populace” during JC’s 1st Advent, **knew it!**

Especially when JC taught:

Religious leaders will **all** be rejected from a future teaching role (Matt.25v11-12, 25v24-30, 25v41-45, Luke.20v16, 20v17-18, Mark.11v13-14, 19-21) noting “death” means “ending the 1st part of their physical life”, but “annihilation” means “The 2nd Death” (Rev.2v11, 20v6) and is not used in these parables.

All this is unintelligible to our worldly Christian leaders/theologians/scholars until “FutureLife.Org” became live on the internet, hence Matt.24v14. Amen!

That is why leaders of “Religion” detested JC (as “The Word of God”, Rev.19v13) because he exposed them as fraudsters (Matt.21v42-44, Luke.20v17-18, 1Pet.2v6-8) with regard to Yahweh’s “Most Righteous Plan for Human Salvation.”

Moreover, what is different today?

Nothing! They still teach the “**same unrighteous inane nonsense**” (purporting to come from “The Righteous Yahweh”) generation after generation.

The one/same characters fill those positions within “Religion” decade after decade, century after century, but with different names and faces plugging the slots throughout “The Religious Edifice”!

It does not matter what “The Religion” espouses, it could be based upon “Fairies at the bottom of The Garden”, and yet the same type of person would fill those slots within its various levels!

I shall move to the most important exegesis connected with this section, that is **never** taught by our worldly Christian scholars/theologians because the logic is wholly unknown to them (true from about 100 CE to at least 2016/8 CE).

“The 1st and 2nd **Covenants**” (= The Law of Moses [judging the works] and The Law of JC [judging the mind]) of “The 1st and 2nd **Epochs of Israel**” (= The Jews and then The Christians) were terminated by each, respectively yielding JC’s 1st and 2nd Advent. Not the people generally, but rather as “Two Continuums” of “**Knowledge**” within “The 2 Epochs of Israel” yielded Yahweh’s “**Early Adopters**” proven by yielding JC’s two advents, ready for the next incremental stage of Yahweh’s “Most Righteous Plan for Human Salvation”.

It was during this process that Yahweh became able to righteously elect/select “The Early Adopters” (= The Prophets and 144000 TCs) through “The 2 Epochs of Israel”. It righteously operates like this:-

The Prophets gave “The Word of God” to prophesy of JC’s 1st Advent, **to yield** JC’s 1st Advent.

JC fulfilled these prophecies at his 1st Advent.

The 144000 TCs operating upon “The Word of God” were able **to yield** JCg’s 2nd Advent.

The **TCs fulfilled prophecy** to achieve “The Trigger Threshold” (Rev.14v1-4) for JCg’s 2nd Advent.

Where:-

“Israel” means “Persevere with Subjector/God” (it does **not** mean the worldly spin: “Wrestle with God”).

Thus, a grouping of people becomes “The Nation of Israel” **only when**:

They have “The Word of God” to personally fulfil Yahweh’s Desire (applicable to the aims of each epoch).

This grouping of people split into two groupings (Matt.7v12-14, 12v30, 25v32-33, 21v28-32, etc., **no third group**). The two groups comprise of:-

People who: “Persevere **positively** with Yahweh”

People who: “Persevere **negatively** with Yahweh”

Under Satan’s Regime (of some 6000 years) of “The Working Week” (under Satan’s pain/suffering, Heb.4v4+):

The people who persevere **positively** with Yahweh during “The 2 Epochs of Israel” (Jews, then Christians) become “**The Early Adopters**” of “The Word of God” to become “The Heirs” over “**The Resurrected World**” (= “The Inheritance”). These demonstrable “Slaves of Yahweh” prove themselves faithful in small things (Luke.19v16-19) to become faithful in large things, which is to administer “The Resurrected World” in The Millennium.

The people who persevere **negatively** with Yahweh, may be anything from being extremely hurtful, to just apathetic unto “The Word of God”, and thus do **not** have “The Required Internal Drive” to become: “Slaves of Yahweh”, and sadly, these ‘less than entirely righteous’ people are **rejected** by Yahweh for the places of “High Level Administration” in The Millennium. Yet Yahweh needs these “proven in adversary” people for leadership roles in The Millennium to make it successful (to yield spiritual children).

It must be clearly understood, under Yahweh’s Regime/Rest (Heb.4v1+, Rev.20v3-7) of “The Great Sabbath Day”: “The Resurrected World” in The Millennium becomes “The 3rd Epoch Israel” and exactly the same principle of the above holds, but instead of unrighteous people having another “Life” again (because JC only died “The Once”, Heb.6v4-6, 10v26-28, 2Pet.2v18-22) after persevering **negatively** with Yahweh in a perfect environment and society, the outcome is personal “annihilation” (and **not** a 3rd existence).

The Bible calls this “The 2nd Death” (Rev.2v11, 20v6), and JC in his illustrations termed this as “Gehenna” being a transmutation of “Valley of Hinnom” where Jerusalem’s municipal waste and the carcasses of criminals were consumed unto nothing (= the implied “everlasting destruction”), see more on this later.

This is what JC and The Apostles taught as “1st Century Christianity”. Yet this has **NEVER** been taught for the last some 1700+ years, because the leaders of worldly Christianity generation after generation, ensured that they would ‘snuff it out’ as quickly as possible for the very same reasons as did the religious leaders of JC’s 1st Advent behave (John.11v47-53).

“Being a good person is all we need to do”

This is what all religions state, and many atheists rightfully state “the same thing”!
Therefore, this expression is not just the prerogative of “Religion”!

However, that is not exactly how Yahweh sees things!
Furthermore, the majority of religious people publicly claim to be “good people”, yet we should speak to the members of their family and see what they have to say in private about their supposedly ‘good’ relative!
And to make things very much worse, religious leaders throw into ‘The Mix’ many, many wholly worthless customs and idle teachings (Matt.23v23), perhaps because they need to ‘pad-out’ a valueless ministry with regard to “The Salvation of Mankind”!

However this is not what The Bible teaches us at Rom.4v1-5, Heb.11v1-40, and in its general overall thrust. We “who hearken”, are taught, we must “go out on a limb” to fulfil what “He Desires for us as individuals”. When we “go out on a limb” to put our life in jeopardy for “The Word of God”, to actively publicise it, in adversary (John.16v1-4), which is precisely what we read in The Bible about the examples given (as Paul exhorted of us, 1Cor.4v16, 11v1 and we read of what he did/received at 2Cor.11v24-28). Furthermore, we see this persecution of varying degrees received by people during The Gospel Age, some examples would be: William Tyndale and William Whiston.

The point of all this is:

Yahweh is specifically seeking out by election His “Early Adopters” who “spiritually fight” (Eph.6v11-17) for “The Word of God” who also “practise what they preach” by operating with fidelity to specifically how “The Word of God” (= JC as The Master to become the presence/parousia) internally driving The Mind to yield “unfeigned charity”.

These specific people personally purify the 2nd part of their spiritual life that is wholly built upon “The Word of God”. As such, they demonstrably prove themselves as “the faithful slaves” ready for greater responsibility upon their resurrection (Luke.19v16-19).

“The Greater Responsibility” is to be part of “The 1st Resurrection” as “The Heirs” (= “Sons of God”) ruling over “The Inheritance” (= “The Resurrected World”) in The Millennium - to teach the resurrected people “Righteousness”. But we will not be taught any of this by our leaders of “Religion, but some vacuous ‘hope’ of the future, supposedly in heaven (which is absolutely not true), but what do they know? “Nothing useful” for our future benefit!
“**You must love yourself first, before you can love someone else!**”

Yes and no!

I heard this today (during my 1st Revision), said by a Christian Lady Reverend (BBC Radio 2, 15 June 2018, about 09:30 hr) to become “The Point” of her so very public speech – with much applause! I realise this phrase is quite widely used in the last few years, and I am not so ignorant “not to realise” what is being said here, however I will show this to be a “Satanic phrase” put out to “confuse people” with half-truths!

Thus, it becomes a phrase lacking clarity and precision, being against “The Truth” as sourced by The Bible. To start answering this, then it is best to refer the reader to “Example 1” given earlier within these writings. In this example, I go deeply into explaining what “Love” really means, because “The Real Problem” with society is that its members “love themselves too much” in an “eros” manner of “self-indulgence” (especially when most people stop at the first half of her statement)! Therefore, the lady Reverend pushing this as a message of Christendom supposedly endorsed by The Bible becomes “a deceptive Lie”!

Because in reality, The Bible teaches us “The Opposite” to what this Christian Leader is actually telling us!
So there we have that statement again, and again:

Teaching “The Opposite” to what The Bible teaches us, and thus this material given to us by a leader of Christendom must be sourced by Satan to be adversarial to what Yahweh is teaching us in The Bible!

So I ask the reader:

Can you understand this?

If you do, then you do well, because it is unintelligible to our leaders of Christendom, as their output shows! Clearly, this lady, as a leader of Christendom, in her “lack of clarity and precision” is endorsing the practice of “self-indulgence” that must come first, before we can “love someone else”. Where, we know what most people understand by “love” - is “self-indulgent eros” for sexual gratification (as we hear said within songs and all forms of media outlets). Therefore, unless this leader of Christendom puts down some very clear boundaries in what she means first, to succinctly delineate exactly what she means, then she is endorsing “worldly methodology” practised throughout present day society, because this is the first thing that comes into peoples’ minds!

This lady made no clarification in the manner I am doing here, and thus she effectively promoted Satan’s present worldly system (being what we all know) to the exclusion of Yahweh’s future system (being what virtually all people do not know)! Where, by a logical inductive extension, it could be argued in the extreme, she was effectively endorsing certain men overbearing upon women in sexual practices (which we can call “rape” or “mental abuse”). And yet I am sure she would be The First to decry “Rape”, but because she has spoken with “so little precision”, then she has inferred by inductive worldly reasoning that “Rape” is acceptable by loving yourselves first to then be able to love other people. Sex is one example, but others would be any form of “self-indulging ourselves to the hurt of our neighbour” as performed by all leaders within the three bastions of society, Politics, Religion and Commerce, where I heard a very good definition of “intimidation” which is done by a person in power to someone beneath them.

“It is intimidation” when “the perpetrator can affect the future of the recipient”.

I have explained what this lady has taught us is a dangerous lie from a Humanist point of view, now let me use The

Bible to tell us why it is a dangerous lie from Yahweh's point of view.

The first quote that immediately comes to mind is the following:

"Those people who save (hence 'prize/love') their life shall lose it, and those people who lose (hence 'reject/hate') their life shall gain it!"

This quote is found at numerous places Matt.10v39, 16v25, Mark.8v35, Luke.9v24, 17v33, John.12v25, etc.

Other similar quotes would be:

"Love your enemies and bless them" (Matt.5v43), "No greater Love ... lay down one's own life (John.15v13)

"Love me keep my commandments" (John.14v15), "Love me and my Father will love you" (John.14v23),

"Love one another as I have loved you" (John.15v12), "Love your neighbour as yourself" (Mark.12v31),

And there are just so many more that could be used.

Importantly, none of these quotations has any contextual phraseology that states, "we must love ourselves first"! **NOWHERE** in The Bible does it say "we should first love ourselves", except in a sense of condemnation for the person fulfilling self-indulgent desires! I invite the reader to look through a concordance of some 450 entries of "love" (and of its variations) to see **nothing** to support what this lady Reverend instructed us to do, except "**The Opposite**"! The point I am making is that "Leaders of Christendom" "choose not to understand" ("agnoeo" StrongsTM = 50) their subject matter and by so doing, refuse to teach what Yahweh wants to be taught, and therefore they do **not** represent Him, but only represent "The Other Side" - to confuse and misdirect Mankind! Perhaps I should explain "what they do not understand", and **if** they 'intelligently knew their subject matter' then they would **not** state the dangerous waffle that harms our future prospects by being adversarial to Yahweh's Objectives. Let me now explain myself by using the example most closely like the condemned phrase she used, but most importantly it is:

In the **reverse** order to that given in The Bible.

So that we lead/teach by righteous example.

The New Testament most often uses "agapao" which means "edifying love" "to build someone up", that frequently means the giver must "expend effort", which is always more difficult than receiving another person's "effort".

The point by explanation is this:

"We should be edifying ourselves by **fulfilling Yahweh's Desire**" (for the long-term benefit of Mankind).

This means **learn** "God's Word" and express it with fidelity within our own lives (to **take us away from** "worldly methodology" [of which this lady revered was endorsing - see earlier example on "parables"]).

It is in this manner we "{edifying love} ourselves" to **become precisely like JC in his department**.

"We {edifying love} our neighbour like ourselves"

This means **helping** them to understand **why/how** they too need to learn and then practise "The Word of God" within their own lives, as they **learn** from our example "how to behave **precisely** like JC".

This means we lead by setting "The Correct Example".

The problem "Leaders of Christendom" have, is that "they do **not** want to fulfil Yahweh's Desire", because they "choose **not** to understand" ("agnoeo") what it means, so they teach "What The World wants to hear" (2Tim.4v3-4) in the manner as this lady taught us.

In her speech, she gave **no** background, as have I, but only supportive worldly soundbites that thrilled the worldly listening ear. There was nothing about explaining how we should be fulfilling Yahweh's Desire, or "The End Game" which is "to ideally become a future son of God", to then teach "The Resurrected World" "Righteousness" within The Millennium that is so very soon to occur (at some time in the 21st Century CE).

Absolutely **NOTHING** like this was given, being "The **Real** Gospel", but only worldly sounding platitudes, which resulted in "Her Worldly Gospel", to endorse "The Present World" and of its operations that gave **nothing** of which Yahweh wanted to hear!

She received her rapturous applause, of which she was paid with both worldly "money and glory"!

So, she gave her output as a "personal ministry" that was **not** given in "Charity"!

However (and thus), she received **nothing** from Yahweh, - except "condemnation"!

I could expand this example into a book to further amplify what she did wrong and what she should have taught, but I have already done this in "FutureLife.Org" consisting of some 4,000,000 words of original work.

"Christian Leaders should be there for The Community"

Yes and no!

"Yes!" - To guide the people to wholly understand Yahweh's "Most Righteous Plan for Human Salvation."

Of which they seem demonstrably wholly incapable of doing - because they do not know what it is!

(For example, I heard one minister state: We must listen and follow the advice from our parishioners, which can hardly be considered as "guiding", but "following"!)

"No!" - We are not to be a "glorified" social worker saying sweet-nothings of worthless vanity about "God Loves You!" as you presently are!

All of which The World likes to see and hear! Yet this is wholly rejected by Yahweh for "Sonship"!

Let us see by contrast, what The Bible teaches us:

1. Mark.1v38. Our primary responsibility (by imitating JC) is to preach "The 1st Century Gospel" (which is **not** the gospel of "a new Jesus" 2Cor.11v4 that is taught throughout The World today.
2. Acts.6v2-4. Our primary responsibility (when having worked to gain "The Knowledge") is to put it into practise, by actively and accurately spreading "The Word of God" (1Cor.4v16, 11v1, 2Cor.11v24-28).

3. Acts.18v1-3, 2Thes.3v6-12. We physically work to gain our **fleshly** sustenance, and physically work to freely give **spiritual** sustenance to the “spiritually starving” many **billions** of humans on this planet! By analogy this is what JC was teaching us with the widow and her mite (Mark.12v43, Luke.21v3-4) and about the two masters (Matt.6v24, 22v20-22). Noting my important commentaries given at 1Cor.9v9, 1Tim.5v18.
4. Luke.2v46-50, Acts.22v3, 26v3-6. We are to thoroughly learn and understand our subject matter to gain “Real Faith” as I have explained earlier to then be positioned to do (1), (2) and (3) above. All of which in its totality “fulfils Yahweh’s Desire”.
5. Read the whole of 1 and 2 Timothy and Titus to know how to personally behave when representing Yahweh.

That short listing is something to be getting on with in our considerations.

We now analyse what our worldly Christian leaders do – and they do **none** of the listing above.

They only teach what The World wants to hear, pampering The Ego of the recipient and of himself or herself!

“The Person, who pays The Piper, calls the tune”!

Our Christian leaders being “worldly professionals” as they are; deliver what The World is prepared to pay!

The New Testament repeats that warning repeatedly throughout its pages (some that I have given here).

Quite simply:

We **cannot** trust what comes out of their mouth, or within their writings!

As all my thousands of commentaries and published audit reports of their sermons publicly testify.

So after that, perhaps we should ask:

What should they be doing?

Again very simply stated:

They should correctly teach “The Word of God”, instead of doing feigned works of physical charity.

“Get The Mind correct (heading off into the correct direction) and then The Body will follow!”

If we learn and understand “**what we are supposed to be doing**” then there would be:

1. No family break-ups (because the participants would understand that they need to bend together).
2. Social structure would be wholesome (no fall-out from the above, leads to a stronger community).
3. No more crime (because people would understand that they must not be parasites of other people).
4. Not hurting our neighbour as the resultant of our self-indulgence (hence edifying our neighbour)
5. Etc.

All substantiated and underwritten by a logical explanation of “The Word of God” to bring real glory/honour/dignity to Yahweh within an educated mind (and if global, this yields a perfected society) recognising that Yahweh must exist because “The Word of God” has been accurately explained, to become “The Power for Internal Reform”.

This is why we righteously need The Millennium so that all people upon their resurrection have “The Opportunity” to learn “Righteousness” from “The Early Adopters” as “The Heirs to The Inheritance”. (Please read my commentary to Rev.20v5 that explains in some 17,000 words why the first sentence is a copyist addition of “The Worst Kind” in The Bible, by many orders of magnitude over any other copyist addition.)

When educated, then people are able to see the error of their ways against “The Required Standard”, and are thus many are prepared to reform (those people who do not reform, become “iniquitous” and shall ultimately be removed by Yahweh).

But sadly our worldly Christian leaders give a semblance/façade of glorifying God (for “it’s easy worldly return”, being that it is “easier to move the mouth” than “the limbs in real physical work” Luke.16v3), but they internally hold Yahweh in contempt by their worthless spiritual and physical works. This is what The Public can see, and their spiritual filth in “the twisted message” presented, badly reflects upon Yahweh, to make Him look filthy in the mind of The Public, irrespective of the feigned “worldly worship” given! (2Tim.3v5, Titus.1v16, 1Tim.1v6, 2Thes.1v8, 2v3, 7, 11, 2Tim.2v10, 23, Titus.1v10-11 as examples of perhaps hundreds that I could give to fill the next few pages.)

It should **not** be like this!

They absolve themselves and their devotees from adhering to “The Word of God” by creating ‘loop-holes’ (as do politicians) through which to crawl, to return back to “worldly methodology” (only because they are paid by The World to deliver what The World wants to have)! However, they do **not** generate what Yahweh wants to hear, nor what He wants to have operating within The Millennium, to produce that perfect society into The Eternity!

“Religious leaders must be from God, because some can perform miracles”

This sounds like an act of desperation (having nothing else [of supposed value/merit] to offer)!

It is very interesting when we analyse this subject from numerous different angles!

Firstly, what does The Bible tell us?

JC told the early recipients of his physical healing miracles **not** to publicise what occurred (Matt.8v4),

Why? Because JC did not want to become a ringmaster of a circus, where people came to be visually entertained noting specifically what he said at John.2v23-25.

JC was to primarily teach “The Word of God” being “The Power” to reform “The Spiritual Mind” (Mark.1v38) to yield “The Early Adopters”, because “The Physical Body” in its present corruptible DNA composition will die (a sticky-plaster will not suffice). Yet “The Mind” (spirit/personality/desires/traits) will be kept safe as “heaven treasure” (Matt.6v19-20, Luke.12v33) and be placed within a new, perfected, potentially everlasting body at our resurrection made possible by “Yahweh”. Whose Name means, “I make become who/what I chose to become” (Eze.37v1-20, noting the following context).

Obviously when JC was in the position to physically help, then he would, to show what it will be like in The Millennium, “The Perfected Body” given to all humans of “The 2nd Resurrection” (in trust to have an opportunity within which to comprehensively “reform The Mind” to imitate JC). This new perfected DNA fleshly body will not have physical ailments - this is what JC was showing in the miracles over the fleshly body Matt.9v2-7 (please see my important commentaries of that cited event).

This is all underwritten by John's account in his gospel, where all these physical miracles were recorded as having occurred on various “Sabbath Days” because he is trying to convey what “The Great Sabbath Day” will be like.

Secondly, again we can ask: What does The Bible tell us?

(In contrast to what leaders of “Religion” preface their answers: “I believe” [rather than quote what The Bible specifically tells us by stating first “This is what The Bible tells us”].)

JC said: “Do not tempt The Lord your God” (Matt.4v7, and the warning by Paul at 1Cor.10v9).

Effectively JC was telling us:

Never place yourself in a position to demand something from Yahweh!

A slave never demands anything from The Master; if a slave presumptuously thinks they have power over The Master, then The Master shall remove the slave from any position of employment in due course (which we are so very often told in The Bible, Matt.10v24, – after leaders of “Religion” have demonstrably: ‘Had their day’, Rom.1v16-32)!

These charlatan Christian leaders seem to think they can get Yahweh to do their bidding, like a puppet on a string!

I certainly think not!

These charlatan Christian leaders are “Absolute Fraudsters”, silver-tongued and so eloquent in their sales spiel, using illusions (as would professional stage magicians) or technical aids ‘to produce out of the ordinary happenings’.

There is so much documented evidence to show that the supposed healing is transient, operating while the individual is high on beta-endorphins, or stooges placed in the audience. A practice as confirmed by a stagehand at “The O2 Centre” told a relation of mine, seeing the same people coming up to be supposedly healed, night after night (“as stooges” or I musing, ‘showing the previous night's cure was temporary’ and thus not sourced from Yahweh).

Moreover, a scientific follow-up of some 2000 supposed cures had all been shown to be bogus!

Quite simply, “The Audience” comes to these events (Matt.24v23-26, Mark.13v21-23) because they want to be physically entertained, and pay for the experience; the greater “The Experience”, then the more they give in donations!

It is wholly sickening, and we confidently realise that both the performing artists and the entranced audience are not “The Correct Material” to rule “The Resurrected World” in The Millennium as future kings/priests! Obviously, they are rejecting themselves from this future role.

Referring to what The Bible further teaches us on this subject. We are taught not to take any money in our alms giving Matt.6v1-4, 10v8, and notice what occurred to Gehazi (2Kings.5v26-27), also Peter and Paul never took anything for Yahweh freely working through these 1st Century Apostles, where he worked for his fleshly living Acts.18v1-3, 2Thes.3v6-12. Interestingly, Paul states at 2Cor.12v7-8, that he prayed for personal escape from a physical malady (presumed to be very poor eyesight, from Acts.9v8 and his comments in his epistles), and yet Yahweh did not respond by healing – even to “The Most Wonderful Apostle”. And likewise, the many millions of people who have prayed for their maladies to be removed in the utmost sincerity, and yet their prayers were/are not answered, so I hardly think Yahweh will answer the feigned prayers of a leader who wholly disregards what The Bible teaches us as I have substantially shown/cited earlier.

I write like this, not to persuade “the unpersuadable” (being the people who attend these appalling events to fraternise their animalistic/carnal minds lusting after the “emotional immediacy”), but rather, I write these pieces to defend Yahweh's Name/Character/Authority within the minds of sane/reasoning individuals. Being specifically the people who are prepared to hearken to The Bible given “simply” (= “without strings attached, that can be pulled later” by these leaders of “Religion”).

It must be understood:

Yahweh is seeking after “The Purified Mind”, and He will reciprocate by giving a purified/perfected physical body commensurate to “The Mind” status at our death/asleep’, precisely as The Bible states at 1Cor.15v35-55, Gal.6v7, etc.

Nevertheless, a dissenter may counter and argue, because we are told in The Bible that these events did occur, to the prophets and 1st Century Apostles.

To answer this correctly, then we must “Know our Bible”.

Please read my exhaustive translation and commentary of Acts consisting of some 641,000 words.)

(Noting that charlatan Christian leaders need only know just a little bit more than their deluded devotees to construct an aura of supposed authority, but lock them in a room with me for a month and they would be quivering wrecks when I had finished with them!)

Firstly: These miracles were relatively rare events, they did not occur every week, as occurs today when “The Religious Leaders” need some more money to satisfy their (worldly) spending ‘requirements’!

Second and most importantly, they had the correct mind to take “The Last/Least” within society and thus Yahweh was able to work through them, but by contrast, these leaders of “Religion” take “The First/Most” within society and thus Yahweh cannot work through them. This is as we read in The Bible, where Yahweh shall make these people “The Last/Least” within “The New Society” of The Millennium (Matt.19v30, 20v16, Mark.10v31, Luke.13v30).

An argument, used by these fraudsters in a vain attempt to justify their actions would be errantly quoting Acts.2v17 (being a quotation by Peter taken from Joel.2v28-29), given to greatly delight the rapturous and expectant audience!

I give an answer of some 20,000 words in my commentaries to that contextual section of Acts, which should be read, however I quickly answer it here.

Let me untangle all this!

Firstly, completely ignore what our worldly (and worse, charlatan) Christian leaders erroneously 'teach' us. Joel was speaking of "The Lord's Days" (where each day is of 1000 years, 2Pet.3v8), especially in context Joel.2v31-32 to be speaking specifically of "The Lord's Day" (of same units) coming (= The Millennium) that is immediately preceded by "The Great Tribulation" of Dan.12v11-12 and Rev.19v16-21 to deliver Rev.20v1+. Peter quotes this because he is thinking of JC's so very recent successful advent (of ministry/lifestyle/{ransom sacrifice} that becomes "the beginning of the end" to Satan's hold over The World (Luke.10v18). Perhaps at the time, not specifically realising he was speaking in the "Time Domain" by prophecy, but they would understand later, as Paul understood some 20 years later (Heb.4v4). Yahweh was speaking through Peter's exuberance in prophecy to mean The Whole Gospel Age of "The Last Days". Where "Days" is plural, but "plural" often only means "two" (for example "time, times, and half a time = 3.5 years). Paul later, when writing Hebrews, realises this means 6000 years split into about 4000 years pre-JC and about 2000 years post-JC to yield The Gospel Age (Heb.4v1+). Please also read my many inter-verse commentaries to John chapter 11 that expand on this subject by prophecy. It is interesting that our charlatan Christian leaders in citing Acts.2v17 in an attempt to 'justify' their wholly insincere activity have ignored the fact that Peter was speaking about himself (after what JC had just done) – as being part of The Gospel Age including its beginning. He was certainly not specifically implying this would be occurring at "The End" of The Gospel Age, as insinuated by these charlatan Christian leaders 'milking their farmed cattle'! I could greatly expand this section on feigned miracles (of which I have done in a dissertation entitled "faith healing"), but it will make this dissertation become so long, and yet I should have written enough here for "the sensible people" to recognise "a performed scam on a grand scale" that occurs throughout The World today!

"God holds you in the palm of His hand"

I quote what I heard today (plus many other self-indulgent things, given on "Sunday Worship", 25/Sept/2016)!

Quite simply: "No, - He does not!"

Because equally, it can be simply stated "most Christians jumped out of it, years earlier!" (Matt.23v37, Luke.13v34). Yet our leaders will not state "The Disclosing Truth", because it is wholly alien to what internally drives them now! However Yahweh recognises these things, and has not written-off these congregational members to ultimately reform to become "Christ-like" when given some correct and accurate guidance and material by "The Proven Righteous, Early Adopters" in The Millennium. The Bible constantly tells us throughout, it is only "The People wholly fulfilling Yahweh's Desire" that are within "The Palm of Yahweh's Hand". Therefore, the quote given by a worldly Christian leader to beguile his enthralled audience is at present, a self-indulgent nonsensical/bogus claim, made by a fraudster (claiming to represent God)! Yes, he does represent 'the present god of this world' (1John.5v19, 2Cor.4v4) because what he states frustrates/opposes Yahweh from achieving His Goal (firstly, it is 144000 TCs).

"If you do this ... , then something will occur"

"Something" else I heard today espousing the (supposed) benefits of pilgrimages (which is a detestation to Yahweh)! The worldly Christian leaders extolling the supposed virtues of a pilgrimage gave examples that: "They could speak about blisters, learning about each other and singing psalms", seemed to be the summed total of 'the exercise'. He did not state that from Yahweh's point of view it was wholly self-indulgent and thus worse than "a complete waste of time"! Where, The Bible teaches us by allegoric examples not to make pilgrimages, for example (1) not to make idols of anything, (2) The Givers of "The Two Covenants": Moses' and JC's body being never found (noting Jude.v9). The reason is that Yahweh does not want worldly religious leaders bending their devotees' minds away from what Yahweh Desires to yield, which is "The Salvation of Mankind". Some examples we see today: The Turin Shroud, supposed saints' body parts, a presupposed appearance of Mary in some 'arbitrary' location, and so many more completely fallacious and ridiculous claims made by leaders trying to have a mystic hold over the gullible devotees! All this is an abomination to what Yahweh 'is trying to' (actually "shall") achieve over our "2 part life"! The religious leaders who partake in these abominations are abhorred by Yahweh, and closely boarder between worldly and charlatan Christian leaders! I would certainly not want to be in their shoes in their time of judgment! Moreover, those Christian leaders who remain silent on such practices are equally condemned as to be condoning them! As stated here, acting like a clairvoyant in his/her mystic utterances, this religious leader (as do all of them) 'bottle-out' at the crucial position in their sermons with the phrase (or such-like) "something will happen"! To have "the hanging lure" in the air (Eph.2v2) so the anticipating audience can hang whatever personal worldly interpretation upon the "heap of nonsense" that has been just been spoken earlier in the 'sermon'. They never teach what Yahweh: "Really wants people to do", because worldly Christian leaders do not want to lose their meal ticket (see my commentaries located at John.6v60-66)!

Another example would have been a sermon I heard on "Sunday Worship" 11 Sept.2016, BBC Radio 4 entitled "The Power of Peace". They really did not have clue about what they were speaking, talking about people causing pain and suffering within The World (effectively sanctioning this in suggesting this is God's World in their ministry) and that we are to become peacemakers (supposedly to "work at peace" by presumptuously doing Yahweh's job for Him).

To end the sermon with these words:

"It is never enough to talk about peace. It is never enough to believe in peace. The real task, the only task, is to work at peace – As Jesus said; 'Blessed are the peacemakers, for they will be called children of God.'"

(Note this is a fraudulent inference of what I was stating earlier about being called "Children of God".)

To end with that statement as the conclusion of their sermon speaking about the pain and suffering in The World and endorsing political intervention supposedly to stop political activity (yielding pain and suffering) clearly shows these worldly Christian leaders have **not the faintest idea** what is Yahweh's "Plan for Human Salvation" (1Tim.1v7, 6v20)! Neither do they realise that we must **never** be partaking in third party (political) peace-making (see later)! Let me very briefly go through from the vantage point of "1st Century Christianity" teaching, and **not** from the angle of "worldly Christianity" presented in this cited sermon, detested by Yahweh.

1. "Peacemakers" is referenced at Matt.5v9, noting this verse and the whole local context is **not** "physical", but "spiritual", as were **all** JC's parables - because JC always teaches about "The Mind" and **not** "The Physical". Please see my local commentaries for each of the contextual verses.
2. Paul teaches us: "Not to meddle in other people's affairs" (1Tim.5v13), Solomon at Prov.20v3, 26v17. So our worldly Christian leaders ignore Bible instruction and replace it with their own (Rev.22v18-19)!
3. It must be clearly understood that if we are aiming to represent Yahweh, then we must **not** become embroiled in worldly political affairs. Especially true when "The Politicians" on either side will certainly ensure that all information will be "coloured" and given on "a need to know basis" and thus, if we 'stick our nose in' then it will be 'cut off' by one of the parties. Importantly it badly taints what we teach about Yahweh, if we become partisan by appearing to support one side or the other in our supposed 'peace-making'.
4. Yahweh teaches us through his correct agents (and **not worldly** Christian leaders) that we should **not** be embroiled in controversy (1Tim.2v8, 3v3, 6v3-6, Titus.1v7-9, 3v2, 9, noting our exemplar at 1Pet.2v18-24).
5. We realise from (4) that our "peace-making" is twofold (i) "The Word of God" reforms The Mind (both: Ours and the hearkening recipient) and (ii) in our ministry we are moderate and cause no offence in the way we accurately present "The Word of God" [thereby showing that (i) has occurred within our own mind].
6. How can Yahweh achieve his 144000 TCs, if they contaminate their mind with The Machinations that occurs within worldly affairs. We who are aiming for "The Goal" must **not** associate ourselves with worldly affairs, whose leaders have **no** interest in "The Word of God", and as such, we should **not** be identified with them.
7. Let me explain the "fraudulent inference". Firstly, only John (a qualified Apostle by Yahweh) was only speaking to a very select set of recipients who had avoided "the deceptive lures" of "worldly Christianity" and had remain imitating JC as I have explained throughout this dissertation. The out of context quotation "called children of God" (Matt.5v9) was speaking about people who precisely imitated JC's deportment (1Pet.2v18-24) when accurately presenting "The Ministry of God's Word" through both word and deed. However, the recipients of this worldly Christian leader's sermon were **not** precisely imitating JC's ministry/deportment, moreover, they had been taught the opposite, being to meddle within political worldly affairs in the earlier part of the sermon! Therefore, this worldly Christian leader had transposed The Judgement made by Yahweh (as to who should be a peacemaker [imitating JC]) unto a judgement made by Man upon someone who is meddling within worldly affairs at a political level. All of this is condemned and furthermore, contrasted by JC in his ministry and deportment!

Can the reader understand this logical reasoning?

And there we have it, briefly explained in the manner how Yahweh would like a sermon to be given (with suitable supportive citations), and not the "ill-informed nonsense" from a leader giving zero citations (who, like his peers) represents involvement with Satan's present world. A practice that validates worldly operations, by mixing it with "God's World", and by implication Yahweh has 'no power' to reform the situation and 'needs' us to do it for Him, generation after generation! Absolutely not!

Yahweh is standing back and allowing **all** worldly people to expose their "true colours" (so that in The Culmination, Yahweh is seen to be perfect in the final selection He makes for "The Early Adopters").

It is only **when** He gains His 144000 TCs as "The Early Adopters" of "His Methodology", **then** He will move-in with full vigour through JCg and the TCs to remove the pain and suffering witnessed today (Rev.19v16-21). First, Yahweh needs His 144000 TCs, and if they mix themselves in The World then they would be rejected from this position (thus delaying "The Onset" of The Millennium). These leaders of Christendom have **no** Authority, and forfeited their right to represent Yahweh when they choose **not** to read The Bible and **not** to carefully reason upon "The Word of God" as I have very briefly shown here. I go into very much more detail within my inter-verse commentaries to The New Testament.

And my point – with regard to this section, is the sermon "The Ending" left 'in the air', where nothing was explained within the sermon (but was only supporting worldly methodology) and ending on a wholly unexplained quotation - that then becomes associated (from the sermon) within precisely what Yahweh does **not** want us to be involved! The implication from the word construction of The Quote above, is that we must not talk peaceably, not even to believe in peace, But we must work at "peace" by implication physically "Stick our nose into other people's business", being specifically what The Bible tells us **not** to do this! We give "The Word of God" and if rejected, then we walk away (Luke.10v10-11, Acts.13v51, 22v23) so that we do not inflame the situation, and thus remain "holy/blameless". We must realise that it is our ministry in teaching "The Word of God" that is peaceable through our words, where we do this because we believe in The Peace that The Millennium will bring (when Yahweh has His 144000 TCs) of which we work by canvass to make it a reality.

If we understand this, then we realise this worldly Christian leader is again teaching: "The Opposite" to what The Bible tells us! Then to supposedly endorse: "The Opposite to what The Bible teaches us", and as if a height of extraordinary brashness, this leader takes **out of context** a quotation from JC to support "worldly physical" in

contrast to what JC was teaching about “Yahweh's spiritual”!

How so very bad is that!

But this is a **common trait** that runs through **all** Christendom's sermons, **none** of the leaders know nor understand what they should be teaching, because they do **not** study The Bible to the required standard to correctly represent Yahweh, and by misrepresenting Him, then by default, they must represent Satan!

We are either “For Yahweh” or “Against Yahweh”; The Bible teaches us there is no third position!

It makes me cringe, and want to curl-up inside when I hear such dangerous rubbish spoken by people having been ordained by The World to speak worldly things for pleasing the worldly ear (2Tim.4v3-4)! But after curling-up with absolute horror at what I so often hear, then I spring-out fighting (Eph.6v11-17) to combat such irreverence to “The Word of God” and to what JC ‘is trying’ (and “Shall”) achieve in The Environment, but it will not be through the present hordes of worldly (and worse, charlatan) Christian leaders for the last some 2000 years!

It will only be through “The Early Adopters” of “The Word of God” proven in adversary (John.16v1-4, 2Tim.3v11-15) during the previous Gospel Age (of some 2000 years) accurately teaching “God’s Word” in The Millennium!

“Personal ministry”

Now a common occurrence, where a member of the public stands up to give an account of how they became a (worldly) “Christian” (knowing no better at the time) by some route (often through personal self-imposed adversary [either being ignorant, or having **ignored** what The Bible distinctly teaches us as gifts/favours/benefits {= grace} to protect us from The World]). Notwithstanding some people are born into a bad/difficult environment to push them into an onerous lifestyle, which is precisely why we need The Millennium (never taught today)!

Then once giving a 5 minute speech to complete their “personal ministry”, they sit down – often to rapturous applause from fellow members of the congregation (thinking likewise)!

Is this what The Bible means when it speaks about “personal ministry”?

(As proclaimed by our worldly Christian leaders for a worldly return [see later].)

By now based upon previous examples, the reader should know “The Answer” to that question!

No! Absolutely not!

Firstly in the above, replace “Christian” with “Muslim” or “Hindu” and exactly the same account could be written a 'million' times over, but these people of other religions are **absolutely not** representing what “Yahweh Desires”, and thus likewise the “Christian” member of these worldly Christian congregations, equally does **not** represent Yahweh! Yet it is **not** their fault (Rom.16v17-18), but it is the fault of the leaders nurturing this type of 'ignorant' attitude (noting the warning at Luke.12v46-48).

We should analyse what the words “Personal” and “Ministry” in a Bible Context (and **not** in a worldly sense).

“Personal” means, “we take responsibility in what we do as an individual (either good or bad)”.

“Ministry” means, “give an account about something”

(Either a “personal ministry” of ourselves [Man], or a “personal ministry” promoting Yahweh’s Aims.)

Therefore, we now need to reference the above definitions to what The Bible teaches us.

Some useful references as 'headings' for many other citations underneath would be Gal.1v10-12, Heb.5v12-14 with warnings at 1Cor.4v7-8.

Furthermore:

Learning specifically “The Detailed Background” of JC and of The Apostles (which is never taught today), that enabled them to yield an effective “Personal Ministry”, of which Yahweh approved.

It is only when applying the above, does it teach us of the wholly deviant nature of the worldly Christian leaders promoting this kind of “Personal Ministry” which sadly underwrites “worldly methodology”.

Why? Because it “speaks of The World” in the manner as could be said of **any** religion (to support “Religion” in its generic meaning as being adversarial to Yahweh’s Plan). All of which speaks **nothing** of “The Supporting Under-Structure of God's Word” that underwrites Yahweh's “Most Righteous Plan for The Salvation of Mankind” (noting the warning of 1Cor.9v16), which brings **true** glory/honour/worship to Yahweh.

Sadly these people who stand-up to give “Personal Ministry” in the manner initially described, are so misguided as to what Yahweh truly desires, because of the fraudulent activity of their (worldly) Christian “Ministers” spinning God's Word to **minimise** what Yahweh truly desires, which is to yield His “Early Adopters” that brings forth “The Salvation of Mankind”. Sadly, Yahweh cannot achieve His “Early Adopters” either through the sincere “Personal Ministry” (but devoid of any substance pertaining to “The Real Gospel”) given by the deluded devotee, and **certainly not** from the fraudulent “Personal Ministry” given by the worldly Christian Leader that has fraudulently taught this was an acceptable (to Yahweh) “Personal Ministry” given by the deluded devotee.

That should be enough to substantiate this topic, without more explanation (else these explanations become so long), please see other sections in this dissertation (for example “Faith”) to ‘put more flesh on the bones’ regarding this subject.

“Look after your precious soul.”

The word “soul” is a common denominator between all religions, which is not to be unexpected when the common denominator “Satan” is operating through **all** of them, hence JC’s instruction through John at: Rev.18v4 !

Let us get to grips with this one, because it is deliberately given mystic interpretation so that religious leaders can have a self-indulgent hold over their devotees. This mysticism is especially enhanced when our deviant bible translators deliberately switch from “life” to “soul” for the one/same Greek word only to perpetuate and emphasise “The

Mysticism” created by their very **unhelpful** and wholly **unprofessional** efforts!

That completes my whinge, now let us investigate what **The Bible tells us** (something our religious leaders seem unable to do, because they prefer Man’s ruminations and not Yahweh’s Word, as posed by Paul at Gal.1v10-12)!

Where did “The Problem” start?

It started at Gen.3v1-5 in direct counter to what Yahweh stated at Gen.2v17.

Satan (Opposer) gave “The Lie”: “You shall not die”, in direct contrast to Yahweh stating: “You shall die”!

We therefore witness leaders of “Religion” have chosen “Satan’s Lie” in preference to “Yahweh’s Disclosing Truth”! Well they would, would they not? – It sounds better!

They can make more money from speaking “A Fraudulent Lie” than speaking “The Disclosing Truth”!

No one wants to be told:

“You must ultimately, **precisely imitate** JC else you will be annihilated!”

Because, “**very few people**” today want to “**precisely imitate JC’s ministry/lifestyle**”!

Furthermore, “The Required Work Load” freely given, to make that a personal reality!

JC teaches us about “The Truth” at John.8v33-58, noting he was speaking directly to “Leaders of Religion”.

Before we methodically go through a **few** of many Bible citations that underwrite what the word “soul” really means, then I would like to state: “For The Record” precisely what the word “Soul” means:

“**Soul**” = “**Conscious existence**”

Where the (1) spirit/personality/desires/traits/character (being what uniquely defines “us” as an “individual”) operates within a (2) functioning physical body (where that **physical** body can either be [i] fleshly DNA based [human] or [ii] celestial/heavenly [as presently is JCG’s and Satan’s], 1Cor.15v35-55).

Quite “simple” really, - in fact: “**Very simple**”!

Nevertheless, to our leaders of “Religion” it is something they ‘cannot define’ - well obviously they cannot when it seems, based upon present exposure, they appear to be in league with Satan (John.8v44, as stated by JC in the local context of “Religious Leaders”)!

Let us go through the citations in The Old Testament, and then apply them to The New Testament (hence Paul’s comments at 2Tim.3v15-17, but what self-declared “Christian” does that today?).

Gen.2v7.

The first place in The Bible, we immediately have “The Two Parts” precisely described so clearly for us:

“Fleshly Body + The Breath of Life”

= “The Conscious Existence”

= “Fully operational physical body” having “a spirit/personality/desires/traits/character” in it!

Further endorsed by the vision given at Eze.37v1-20.

Lev.5v2, 15, 7v18 (and many more could be given in the same theme).

“If a soul touches something ...” We must realise this describes a “conscious reasoning person” who is able to physically touch an object! It is **not** an ethereal “something” that aimlessly wanders about in the ether of The Universe! Moreover, not like a supposed ghost/phantom that presumably “passes through things”. This is (1) “physical touching” and (2) having the conscious/reasoning ability to make a decision to, or not to, “touch”! Hence, “a conscious existence”!

Judges.16v16.

“... so that his soul was vexed unto death.” This is an account of Delilah repeatedly asking the one/same question of “an alive and well bodied” Samson: “What makes you so strong?”

Obviously, Samson was physically alive and he almost wanted to kill himself, as a possible means to stop being a “Conscious Existence” recipient to Delilah’s incessant nagging about the source of his strength!

Hence, Samson was “a conscious existence”!

1Sam.25v26.

“And now, ... as your soul is living ... with your own hand ...”

We read here that this soul “is living” and has a physical extension called a “hand” that can be moved!

I really must state the obvious (of which worldly Christian leaders cannot mentally understand; the foolish teaching at their seminaries destroys their natural reasoning, they seem to have been turned out: 'brain dead').

The Bible tells us that this: “Conscious existence” has its hand physically restrained.

2Kings.2v2, 4v30.

“But Elisha said: as surely as Yahweh is living and your soul is living, I will not leave you.”

Elisha tells his teacher (Elijah) that he will never leave his teacher while he is still living, inasmuch while Elijah’s “Conscious existence” is still functioning (= living) then Elisha will stay with “a living human” (able to still teach something through both word [out of a physical mouth] and physical works).

Job.10v1.

“My soul loathes my life ... “

Job was experiencing much physical pain and he felt moved to say that his “Conscious existence” detested the “functioning state” of his physical body that was presently operating in agony/suffering.

If it was as our worldly Christian leaders state, being an ethereal thing without a body, then it would not be in a position to feel physical pain/suffering that only a “Conscious existence” can experience, because of the physical nerves endings connected to the brain through the physical spinal cord!

Psm.22v20, 59v3, 63, 86v14 (and many more could be given in the same theme).

“Save me from the sword, my precious soul from the paws of dogs ...”

The other references are very much on a similar theme, of David being very concerned about his enemies taking away his life, by killing him. He would not be worried if it was as falsely taught by our worldly Christian leaders, because they could not physically hurt an 'ethereal thing' by a physical sword!
Hence David was worried about losing his “conscious existence” = “Life”!

Ecc.19v4-5.

“There is more hope for whoever is among the living ... know nothing ... because all memory is forgotten.”
Solomon, the wisest man, effectively says: When we are dead, we are as nothing! Hardly what our worldly Christian leaders state – perhaps they think they are wiser than Solomon! Of course, they errantly do!
Solomon therefore states: “A conscious existence” is better than a dead person, knowing nothing!

Eze.18v4, 20.

“All souls are Mine (= Yahweh) ... The soul who sins is the one who dies.”

Clearly, this person is alive, because if he/she sins then they die! Hardly what our worldly Christian leaders state, when they seem to think that a soul cannot die!

Nevertheless, we know that a “Conscious existence” can die!

Eze.33v13-14.

“... when I resurrect you” ... “I will put my spirit within you ...”

Firstly “The Physical”, and then “The Spiritual”, precisely the same as was stated at Gen.2v7, being the two parts that make a “Soul” the (1) physical and (2) spiritual to make a “Conscious existence”.

Notice it is not “The Spiritual” first, but rather “The Spiritual” requires an “operational physical body” first for the spirit/personality/desires/traits/character within which to operate (therefore nothing ethereal can exist without first “The Physical Body”). Therefore, what does this conclusion state about the religious nonsense that our all our “Leaders of Religion” erroneously state, being demonstrably wholly ignorant on their supposed subject matter!

How many examples do I need to present to validate what I state?

By now the reader should be ‘getting the drift’ of what The Bible is really teaching us, which fully endorses the correct definition of: “Soul” = “Conscious existence” that I gave originally.

Moreover, quite simply “The Question” should be asked:

Why would Yahweh desire any other definition?

How does any other definition righteously fit within “The Grand Scheme” of “Mankind’s Salvation”?

So I ask our (in)competent religious scholars/theologians to righteously suggest an alternative (obviously supported by copious Bible citations, as I am able to give, and to fit a harmonious/righteous scheme to yield “Mankind’s Salvation”, as thoroughly explained/described on “FutureLife.Org”!

If not, then they should “Shut-up” and accept “The Obvious” generated by “The Evidence”!

But most importantly, now educated by “FutureLife.Org” then they should start teaching it with fidelity!

This is precisely “The Procedure” in “The Science Community”, be firstly sceptical and then test/evaluate “The Evidence” for its validity, but that does not seem to work like that in “Religion”!

Generally, as we have and do witness, they:

Ignore “The Evidence” and kill the person presenting “The Evidence”!

Hardly what Yahweh would desire!

So how can they represent: “The Righteous Yahweh”?

They are clearly not “The Spokespersons” of Whom they claim to represent (but are of another entity, having those characteristics, 2Cor.4v4, 1John.5v19, John.8v44)!

Now we have gained “The Knowledge” from The Tanakh (= The Old Testament), as we are instructed by Paul at 2Tim.3v15-17, then we can replace “soul” by “Conscious existence” (or by the word “Life” as do our worldly translators do for precisely the one/same Greek word [in some places]). We can replace “soul” with “life” (or better with “conscious existence”, to exclude “vegetation”) in all the other places within The Bible, both The Old and New Testaments to gain the correct understanding as was within the scribes’ minds.

“Casting out of demons.”

This practice sadly occurs in Africa and within a few other places in The World, where the populace is kept untaught. These rogue (charlatan) Christian leaders charge exorbitant fees for a fraudulent service! They falsely claim the poor unfortunate children passing through their natural growth stages in life have demons within them! These are lies, perpetuated by charlatan Christian leaders to gain much financial wealth, sufficient in some instances to fund their own private jet airplanes to quickly reach their next victims! Not only do they charge the parents, but they put the unfortunate children through significant torture in the false delusion this must be done to remove the demons (where JC and the apostles had never behaved in such manner, Mark.1v24), and in the extreme, they kill the child!
This goes so very far beyond all limits of what is acceptable to Yahweh, and these leaders will never be resurrected into The Millennium, being deemed as charlatans to “The Word of God”, because JC would never behave like this!
Thus, they are “Betrayers to The Word of God” (Rev.19v16) having “Blasphemed against the HS and thus cannot be forgiven’ (Mark.3v28-29, Matt.12v31-32) - it being better they ‘had not been born’ (Matt.26v24).

“Yahweh and JC are the same Entity.”

This is “The Greatest Lie” perpetuated by our worldly Christian leaders, not supported by any text in The Bible, but very much the opposite. We are taught that: Yahweh and JC are wholly separate reasoning Entities, but united by

“The One/Same Cause” of which I state (because our worldly Christian leaders do not know what it is):

“The Most Righteous Plan for The Salvation of Mankind” that is “To ultimately yield a perfected society into The Eternity.”

Which I equally explained to be an expression of the HS (please see my accurate definition given earlier).

“As usual”, we must start with “**What does The Bible tell us?**”

And “as usual”, we must ignore what our worldly Christian leaders tell us (Matt.15v14, Luke.6v39), having previously passed their very sparse Godly 'knowledge' through “The Mincer” of Rev.22v18-19 to yield a ‘wealth’ of “worldly knowledge”, that they then disseminate for a worldly return (thereby reinforcing their worldly spirit, Eph.2v2).

We should start at “The Beginning”:

Gen.1v26: “Then God said: Let us create man”.

We read of plural “Entities” with the word “Us”, being the result of a discussion between two reasoning Entities. Clearly one Entity would not state “us” if the entity had no other partner, unless showing schizophrenia symptoms! Surely our worldly Christian leaders are not suggesting Yahweh is suffering from “schizophrenia”?!

Now let us move to the next supporting evidence:-

John.1v1: “In the beginning was The Word, and The Word was 'the specific god'.”

The observant ‘bible scholar’ will notice the additional word “specific”.

Yes – it is my addition, being an addition I deliberately put into my translation whenever The Greek word “ho theos” (nominative) is used in The New Testament.

Why do I do this?

I now explain something that is wholly unknown (at 2016 CE) by our Greek Scholars and Christian Theologians for the last some 1800+ years (because it has never been taught during this time).

“Ho theos” recognised as “The Nominative Case” always means “god relative to The Context”.

“Theos” of the Genitive, Dative and Accusative always means “Almighty God – Yahweh”.

Thus: Nominative “ho theos” is a “Relative Pointer” based upon context.

And: Genitive, Dative and Accusative “Theos” is an “Absolute Pointer” and always points to “Yahweh”.

This “Understanding” came as a flash to me when working with microprocessor machine code (in about 2003 CE) when I was considering relative and absolute stack pointers. I had for the previous five years or so, tried to understand the apparent inconsistencies within The New Testament in relation to “Theos”, so I was already primed to discover the solution when I did! I then applied the same understanding to “El” within The Old Testament, and precisely the same understanding dropped out - as I explain in my thesis untangling “Isaiah”, equally given on this website.

I then wrote a dissertation where I took every location of “ho theos” in The New Testament and analysed the context, it was like a revelation of a 3-Dimensional vista suddenly jumping out from a 2-Dimensional text!

We now realise from John.1v1 that “the relative pointer” of “ho theos” points to JCg as being “the specific god” of “The World” (being The Context of John.1v1-4), where The Greek word for “World” is “Kosmos” (Strong’s™ = 2889) which means “decoration/adornment”, being precisely what “Life” is, upon what was originally a barren rocky, gaseous and watery planet.

From this knowledge, we understand that JCg took upon himself “the primary responsibility” for “Life” on this planet under the guidance of Yahweh, his Tutor.

Thus, JCg experimented with DNA to create “Life”, where JCg uses the physical laws of Nature created by his Father Yahweh, to create “The Building Blocks of Life”. This is precisely why JC volunteered (and was not “sent”, the Greek word “apostello” Strong’s™ = 649, means “set apart” [“put forth”] which by extension, can be “Facilitated”) to rescue his creation from Yahweh's “inviolable law on sin”, that itself maintains peace, security and harmony within: “Yahweh's Universe”.

It becomes so obvious to an open and reasoning mind, yet “not obvious” to a mind taught to become firmly shut (to reason operating upon “The Evidence”) that occurs in our so many religious seminaries (Matt.23v15), else be excommunicated, or even executed (in days gone by)! What they do is just so bad, behind the ‘wonderful’ charade! Let us continue with “The Evidence” as only given by “The Bible” and not by “Man” (of spiritually blind gurus)!

Matt.4v1-12: We have details of a mental contest between JC and Satan.

If we first carefully examine the details, as I meticulously explain in my inter-verse commentaries at the given citation, these are very subtle suggestions that a person in a weakened physical state could misconstrue within the mind as being very helpful recommendations to ‘fast-track’ “The Plan for Human Salvation”. By contrast, actually when reasoned through, they are flawed at the lowest level. All this is explained elsewhere. The Reason why I give this example is that our worldly Christian leaders (not understanding “ho theos”) state ‘this was God’ on Earth being tested by Satan. What they cannot seem to grasp, is that Yahweh as “The Almighty God” cannot fail because He is “good and perfect” (Luke.18v19, Deut.32v4, 2Sam.22v31-33, Matt.5v48, etc.), and further, He physically cannot die to become “The Ransom Sacrifice” (inasmuch Yahweh is unchanging [actually in a “spiritual” sense, and by implication “physically”], then He cannot die, Mal.3v6, James.1v17). Therefore, Satan obviously knowing Yahweh could never sin, then he would not even bother to test JC (if JC was “God”) because it would be an utter waste of time. However, because he knew that JC was not “The Almighty God” (and like Adam/Eve beforehand, hence 1Cor.15v45, 1Tim.2v13-14) then possibly JC could become enticed (again **Luke.18v19**, showing the two different Entities) by what appears on the surface to be very ‘helpful’ suggestions to supposedly move things forward!

Matt.26v39,42: “... O my Father (Yahweh), if it be possible, let this cup pass from, nevertheless not as I will, but as

thou (= singular Yahweh) will.”

This is clearly “one reasoning entity” being submissive to “a higher Entity”.

Simply the text describes **two different reasoning** Entities, where one entity freely chooses to fulfil “The Will” of another reasoning Entity. It cannot be starker than that!

John.20v17,19: This is the time immediately after JC was resurrected into his heavenly/spiritual/celestial body (not based upon physical DNA, but something that we humans as of yet cannot understand), where importantly, he was **not** in His Father’s Body, but JCg’s own body within which he physically operates in a different body to that of Yahweh.

Thus:

We have a different mind (previous citation) and a different body (this citation), tells me this is a different Entity! And when JC was in his new heavenly/spiritual/celestial body as “the specific god” of us, and **not** “The Almighty God”, because as we are told at Ex.33v20 “any person seeing The Almighty God will die”, and yet the disciples did not die when seeing JCg in his new heavenly/spiritual/celestial body. Clearly JCg was **not** Yahweh, but as we are told: JC is “The Interface/Mediator” between us and Yahweh (Gal.3v20, 1Tim.2v5, again two different Entities), so that we do not die - hence a different entity!

Those are a few obvious examples that teach us about Yahweh and JC operate as two separate reasoning Entities, who are both working together to righteously yield “The Salvation of Mankind” through a 2 part physical and 2 part spiritual life (**never** taught by our worldly Christian leaders – because they just do **not** understand it)!

Interestingly our worldly Christian leaders will point to one place in The Bible (Col.2v9, “theotes”, Strongs™ = 2320) that states “Godhead” to supposedly underwrite the Trinity myth. It actually means nothing of the sort, but rather the correct translation is “Godlike/Divinity/{God Entity}/{Having the character of God}” because:

If that word meant “Godhead”,

Then based upon standard Greek construction it perhaps it would have been an amalgamation of “Theos” and “Kepouros” (Strongs™ = 2776) being ‘God seizing headship’ (supposedly over other entities).

Sadly, we are plagued by errant ‘knowledge’ rolling around the minds of people supposedly claiming to represent Yahweh, and reproducing falsehoods as presumed ‘knowledge’. It is as though we are in “The Dark Ages”, well actually we are with regard to the fulfilment of Yahweh’s Desire today, because our worldly Christian leaders have brought “The Name/Character/Authority of Yahweh” into utter disrepute by their shenanigans. Yet worse, it is their worthless/senseless dribble/ramblings, dragging “Yahweh’s Character/Authority” around in the filth and dirt of their own mind before disseminating it out into The World, where non-Christians look at what is then presented and they justifiably turn away in disgust!

Example 6.

They claim to be “professionals”, yet, unlike their secular counterparts, have **no** precision in what they teach/do! And if self-claiming to be ‘professionals’ in a secular trade, they would be booted-out of a secular job by their employer as being wholly “unprofessional”, which is exactly what Yahweh will do at the end of The Gospel Age! I ask the reader to carefully listen to worldly Christian leaders giving their usual sales spiel of worthless content. They have been trained to answer a question in the following manner:

“I believe:”

They **never** start with:

“The Bible states:”

There are a number of reasons for this religious ‘professionally trained’ response/humbug:

1. They feel protected, because any person can have an opinion, irrespective of how nonsensical it may be!
2. They do not know their subject matter sufficiently well enough to quote anything useful!
3. They do not want to be held to what The Bible states!
4. They do not want to believe “The Contents of The Word of God”, so they ignore it (and thus forget it)!
5. They prefer to be beholden to what “They Think”, in contrast to what Yahweh “Teaches Us”!
6. They want to befriend the paymasters (= The Public), but not to edify “Mankind” to fulfil Yahweh's Desire!
7. They only care about their public image and thus “give to receive” - hardly “agapao”, but “eros”!
8. They feel secure behind paper doctorates to talk with apparent authority, but to Yahweh, they have zero authority!
9. Feeling protected behind “education”, but theirs is fraudulent/worthless (Matt.23v15 in contrast to JC, John.7v15)

That is enough for our consideration!

That is “The Point” - item 9!

They know the members “The Public” do not study The Bible, and these leaders make certain their devotees do not either, to ensure the devotees remain “ignorant and deluded”, so the devotees do **not** become a future threat to these leaders' security of income and prestige! Also they are safe from their peers, being that they are all in the same fraudulent boat together, knowing it is not wise 'to cast the first stone', when 'they are all living in glass houses' (because they can all remember Matt.12v25-26, Mark.3v24-26, Luke.11v17-18)!

Thus feeling safe, they can say anything without rebuke from any quarter!

And that is almost true, except there are a very few people who know The Bible much better than do they, and more importantly, understand it 'infinitely' better than do they, and are not frightened to speak-up for “The Word of God” (Mark.8v38, Luke.9v28). To shout out: “The Emperor has no clothes!” (Recalling to mind one of Aesop’s Fables). When I listen to a worldly (or worse, charlatan) Christian leader give a sermon, then I can detect a scriptural error in

almost every second/third sentence that comes out of their mouth!

Please see my audit reports on some of their sample transcript sermons on this website “FutureLife.Org” (of which I have 100s more to audit when I have the time)!

That is possible, only because I know and understand my subject much better than do they!

Importantly, you the reader could be like me – if you too studied The Scriptures.

Best of all, would be to read The Gospels and Epistles on this website: “FutureLife.Org” to understand precisely what was in The Mind of The Scribes; – you will not get this in its totality from any other source on this planet!

Naturally, they know more than I do about what the spiritually blind gurus/sages since 325 CE have invented to please an animalistic/carnal mind, but who really wants to learn that, if we truly want to fulfil Yahweh’s Desire?

Surely, we should only study The Bible, not Man’s wasted efforts to patronise vain self-indulgence!

Example 7.

They always “**Get the wrong end of the stick**”!

They confuse:

“The Physical with the Spiritual” and “The Spiritual with the Physical” in almost the same breath!

What do I mean?

An example of what they get correct:

JC’s many parables are very obviously to be understood as allegories:

They recognise JC’s Spiritual teaching using physical examples as The Spiritual.

For example: “The Sower”, “The Prodigal Son”, “hiding light under a bushel”, etc.

Therefore, while we agree here at the high level, I wholly disagree with some of their more low-level understandings as to what these specific parables really mean! I direct the reader to those specific sections in The Gospels that explains what JC was really teaching us – because as usual, our leaders of Christendom bend the interpretations into an unrighteous mess!

Let me take a few examples located at Matt.5v2-12 and Matt.25v32-46 where our leaders of Christendom now “**Change the Rules**”, they effectively state: JC is now teaching us at a physical level!

No! JC is only after turning The Mind away from worldly methodology, unto Yahweh’s Methodology that can only come from “The Word of God” rewiring our mind (synapse connections) so that we think like JC, and thus deliver commensurate works to yield new TCs. JC is not launching out at “the physical”; see what he taught about “The Dead burying The Dead” and “You will always have The Poor, but not me”! Again, it was all “Spiritually” aimed! By example then I wish to explain verses v35-36, which is effectively repeated at v42-43.

JC (by allegoric representation of our neighbour) speaks about being:

1. hungry and given food
2. thirsty and given drink
3. stranger and was befriended.
4. naked and was clothed.
5. sick and was visited
6. prison and came

We are taught by our leaders of Christendom this is “The Physical”.

No! JC was teaching “The Spiritual” by using the physical allegory!

I explain in much detail within my commentaries at these citations what JC was really teaching us.

However, here is an overview:

1. **hungry** (= a person not knowing how to precisely imitate JC’s deportment) and given food (= a TC will show a lifestyle that imitates JC).
2. **thirsty** (= a person not having “The Knowledge” as exclusively sourced by Yahweh) and given drink (= a TC will accurately teach “The Word of God”).
3. **stranger** (= a person unknown to “God’s Kingdom” that is operating within the mind of the TC) and was befriended (= a TC invites a neighbour into “The Family of TCs” by teaching God’s Word).
4. **naked** (= a person operating according to worldly methodology) and was clothed (= a TC teaches now the person is to change their spirit/personality/desires/traits).
5. **sick** (= a person made ill by “worldly methodology” controlling their life) and was visited (= A TC will spend time to explain “1st Century Christianity” as a cure to the mind).
6. **prison** (= a person’s mind was confined within the walls of “worldly methodology” - could not escape) and came (= a TC explained Yahweh’s Methodology, the key for release from The World’s Prison).

That explains precisely what JC was teaching us at Matt.25v32-46, and a similar set of allegories is expressed during his teaching of “The Beatitudes” at Matt.5v2-12 of which I thoroughly explain at my local commentaries to a very great depth.

So as with all JC’s parables and illustrations he used “The Physical” to explain “The Spiritual” as I show above.

Likewise, with JC’s teaching on “Gehenna” (being a transmutation of “The Valley of Hinnom”), JC uses The Physical **practice** to teach about The Spiritual **mind** (= “us” as individuals, being what makes “us” as “individuals”).

“The Physical” layer of “The Valley of Hinnom” was a place located outside Jerusalem, where the city’s municipal waste was burnt, and sulphur (brimstone) was used to aid combustion, by increasing the burning temperature. Moreover, and this is what is important, the carcasses of criminals were placed there and burnt

to nothing, their ashes 'being lost for ever' within the general waste of the city.
Thus, JC was using "The Physical" to explain "The Spiritual".

"The Spiritual" teaching was to explain what will occur at "The 2nd Death" (Rev.2v11, 20v6) for all those people who "remain as criminals" outside "The **New** Jerusalem" (Rev.21-14, 22v15-17).

Where "The New Jerusalem" is **not** a physical city of stone, but rather it is "Yahweh's Organisation" consisting of "The Kings/Priests" (2Tim.4v6-8, 1Pet.5v4) ruling over "The Resurrected World", teaching and maintaining "Righteousness" throughout The World (= People's 2nd part of their physical life).

'Spelling this analogy out', then JC is teaching us:

If the resurrected person does not personally reform their mind during The Millennium, by refusing to imbue "The Word of God" and start to precisely imitate JC's deportment,

Then this person shall become an "outlaw" outside "The Rules and Regulations" (= Yahweh's Methodology") as imposed upon "The Resurrected World" by "The New Jerusalem" (= JCg, 144000 TCs, The Prophets and supporting celestial angels) then this person shall be annihilated at "The 2nd Death".

"The Mind" that refused to reform will become "**eradicated**" when the physical body is removed!

Now we understand what JC was really teaching us, then let us analyse how leaders of Christendom perpetually 'grasp the wrong end of the stick', showing them to "hopelessly" "spiritually blind"!

In the 1st Example (Matt.5v2-12 and Matt.25v32-46).

They promote The Physical (because they operate with a "worldly mind") to deluded devotees as "A Show" of supposed charity, when actually (1) They are worldly rewarded for this and often (2) they have jumped in a parasitic manner onto "the efforts" of a genuine member of The Public who has operated in real charity to make the event occur!

In the 2nd Example (Gehenna).

They promote The Example, JC used for "Gehenna", as being a physical reality of our future, namely that of "fire and brimstone" of (supposed) "everlasting torture" of which we must "**pay them now**" - so that we may not be exposed to "torture" in "purgatory".

No - to both these given examples!

JC is **still** using "The Physical Examples" to explain "The Spiritual Requirements"!

They: "Just do **not** get it!"

They "do not get it" because their mind is so bedded down within worldly methodology!

Now the reader can recognise the schizophrenic nature of the mind within our leaders of Christendom (James.1v6-8), Therefore, I ask the reader.

Can you start to see "**the corruption**" percolating out of the efforts, of a bent mind yielding deformed works? They are just so incredibly "spiritually blind" because they have no intrinsic interest in discovering "The Truth" that becomes the reason why they behave in this manner. They intrinsically "do **not** want to reform"!

How can I state so categorically that they have no intrinsic interest in searching for "**The Absolute Truth**"?

Because:

I only required a few decades to write "The Absolute Truth" as freely given to The World on "FutureLife.Org" at what is to become "The Close of The Gospel Age".

By contrast:

Their institutions have had many centuries to discover "The Same" and yet they have not, but by contrast, they have generated "unrighteous nonsense" of which they then impress by force upon The World and charge a fortune for "worthless trash" over "The duration of The Gospel Age" (regarding our "Salvation")!

I hope the reader can understand where I am going with this!

I am only teaching what JC and the "1st Century Apostles" taught as "1st Century Christianity", and by consequence, the reader can understand why "The Leaders of Religion" detested JC and the "1st Century Apostles"!

The Reader can also understand why so many "Early Christians" were persecuted and killed, under the direct orders of "The Religious Leaders", precisely as were The Prophets before JC's 1st Advent (Matt.23v37, Luke.13v34), because they were all teaching exactly "**The One/Same Thing**"!

Every day when I listen to The World's media, I hear a worldly Christian leader spout out a load of "**unrighteous nonsense**" to support "worldly methodology" in the pretence they are promoting Yahweh; it is like "**sweet poison**" and makes me feel quite ill listening to them. It is my internal righteous anger that drives me to write as I do!

I then think again to what JC was teaching us, The World is "**ill**" and confined within "**prison**" made precisely so when listening to them - of which only "The Word of God" (Rev.19v13) wholly imbued by ardent searching (Matt.7v7-8) to become "The Lord/Master of our mind" can "set us free" (John.8v33-36)! Once having this "Knowledge" then it is our personal responsibility to broadcast it and not hide it under a bushel (Matt.5v15, Mark.4v21, Luke.11v33).

Example 8.

Scholars from Universities and Seminaries "**Demonstrably choose not to understand their subject matter**"! As viewed by Yahweh in His assessment of these very worldly and yet intelligent people!

Exhibit A.

I added this example on my Rev.1 (18 Jun 2018) after watching only a small part of a Program on "Quest" last night entitled "Biblical Conspiracies" being a program put out to merely embolden worldly fantasies of Bible relics. The

point of this example I give is what a lady professor stated and then quoted John.11v50 to the television viewers to support her theory (but she had wholly ignored the context of the earlier, but one, verse at John.11v48). To be fair, she mangled the last part of v48 and the last part of v50 (practising Rev.22v18-19) to place a spin on what The Bible teaches to endorse her worldly view. This is a pandemic practice of academics within “Religion” - but much less so in The Science Community, because what is stated in science can be physically tested. By contrast, no one in the religious community has any interest to “Spiritually test anything” for “Righteousness” by witness of their output – of which I now expose!

Her point was flawed at two following levels.

1. Firstly, she stated “JC was handed over to the Romans”, making it seem the Romans demanded to have JC so they could execute him! No! If she knew her Bible (which she must have done to partially quote John.11v47-53) then she must have realised that it was the other way around! The Jewish leaders wanted JC “**Dead**” (Luke.22v2)! By contrast, The Romans tried at least three times to release JC (John.18v31, 18v39-40, {John.18v38, 19v4, v12}). It was only when The Jewish Leaders “held ‘a gun’ to Pilate’s head” did Pilate capitulate to their demands at John.19v12.

2. Secondly, she quoted John.11v47-53 in a manner that Caiaphas was genuinely concerned about The Jewish Nation’s future! She having ignored the facts that JC healed The Centurion’s servant Matt.8v5-13, and further, JC’s teachings at Luke.13v1-5 would have all been relayed back to Pilate (by his spies checking out this new “People’s Leader”).

That is specifically why Pilate could state so quickly “I find no fault in this man”, he had been ‘stalking JC’ for the last 3 years, to ensure that he was not inciting The Public against The Romans!

She had spun about what Caiaphas really stated (being that of a personal self-indulgent interest [as had she])!

What Caiaphas stated in v48 was, these religious leaders would lose their hold over The Nation that is why he stated his main concern first – he (and they) did not want to lose their position of ‘sucking dry’ the people!

Let us ask the question:

Why would the Romans take them away (= **the leaders**) and the people?

We must realise “The Religious Leaders” were supposed to be controlling The People on behalf of The Romans. It was standard practice for The Romans, when having invaded a country, to then find co-supporters within the leaders of The Country to work ‘hand in glove’ with The Romans. Afterwards, The Romans would only have need to provide “The Policing” and extract “The Tax” from the occupied country, and The Native Leaders would then receive “a back-hander” to maintain this cosy relationship (all “worldly leaders” living on the backs of The Populace). The Sadducees at the time, were the domination religious force having ‘got into bed with The Romans’ some 50 years or so earlier when The Pharisees had been kick out of political power, because they would not form this cosy relationship with The Romans (hence sorely grieved, both religious parties hated each other, witness what occurred at Acts.23v10). So if The People had “wised-up” by JC’s teaching then they would reject “The Religious Leaders” for the con-artists of which they were/(are) and hence be replaced by The Romans finding some other person to control the people for them. Importantly, from their worldly perspective, it could perhaps even be JC be used by the Romans to replace them, if he was not prepared to condemn The Romans with his teaching (noting how JC viewed The World at John.6v15, John.18v36, but The Religious Leaders were not to know that)!

Just ensuring the reader shall not be naive:

This occurs today throughout all society in all levels, especially so in ‘non-occupied’ lands!

That correctly explains v48; and the v50 is such an incredible verse of which I carefully explain in my local commentary to John.11v50, and have no need to explain it here.

So we see this scholar and paid to be such, is quite able to ‘duck and dive’ within her subject matter. They can adeptly spin “**Truth**” into a “**half-lie**”, something that all scholars are capable of doing if caught in a corner, thereby forcing their interrogator to thoroughly know “The Same Subject Matter” better than these worldly scholars to extract “The (little) Fact from (much) Fiction”! I know - I have been there and seen it, also had to contend with it in my life!

Exhibit B.

While we are on this subject matter, my mind reflected upon what I saw transmitted by another Television program concerning a male academic with a “Doctorate of Divinity” about ‘8 years’ ago. On this particular episode (of three), he was trying to make the point that “1st Century Christianity” had really morphed from other “local religions”, one such topic concerned a “Super-hero” being born of a virgin, and he proposed this was a ‘common’ theme in “Religion”.

However, I will not be side tracked into that “hearsay”, but wish to move onto something that is more solid with which to ‘beat this religious scholar’.

This “worldly accomplished” scholar then moved onto The Apostle Paul’s teaching.

He went on to explain Paul would take consider other people’s views and thus mould his teaching to suit the recipient’s knowledge (*true*), and thus by consequence, imbued the concepts of foreign religion and morph his Christian knowledge to embrace “Religion” (*false*). He then misquoted 1Cor.9v19-21 to supposedly support his conjecture. By this time, I was seething with righteous anger!

This “Scholar of Religion” and completely twisted “The Truth” into an “Unrighteous Lie”!

1. Firstly to deliberately misquote The Bible to support a wholly errant opinion (just to pad-out a TV program)!
2. To wholly ignore The Context that explained why Paul did this.

Let me very quickly explain what Paul was doing.

Paul would not always go out to thrust “1st Century Christianity” onto people, but often he would listen to what they had to say, to understand how their mind worked. Then he would ask questions about what they thought and

effectively talked them through what they knew and slowly, in the process, he introduced them to “1st Century Christianity”. The classic example of this would be of Paul’s teaching at Athens about “The Shrine to the Unknown God” which he bent round to be The Almighty God, “Yahweh” and used that to start his teaching (Acts.17v23). Thus Paul **never** changed his mind, but rather through this process he was able to use “Strength of Argument” and change the recipient's mind away from “Religion” unto “1st Century Christianity”.

Exhibit C.

This was another television program put out a few years ago, where “The Religious Scholar” was making a sub-claim/point that actually “God” should be a female “God” and then cited Jer.44v17-19 of which he quoted sporadic parts of this citation concerning “burning incense to the queen of the heaven” to supposedly justify his claim! This was an outrageous lie for the following reasons!

1. He ignored the context of these citations (being that The Jews were faithless – because of the action of theirs)!
2. He unrighteously ignored other parts of the citation that told us why they were experiencing hurt/harm/evil!
3. These are easily outweighed by citations to state ‘by counter a hundredfold’!
4. It was a stupid point to make, because Yahweh is a neuter having no need to reproduce!

“He” is only used as “a term of convenience” by The Scribes, to show that “It” has “Character/Authority”.

Thus again we witness a farce as given by “Religious Scholars” trying to make a “fast buck” (being the proceeds from, and supposed kudos as the result of this TV program) by twisting “The Word of God” that makes these type of people a detestation to Yahweh (because their driver/motive is wrong)!

They are using their “learning” to make gain over “The Populace” through supposed sophism. This is termed “worldly wise” in The Bible, as practised by scholars of whom Yahweh repudiates, instead He turns unto “The Babes” (Psm.8v2, Isa.3v4, Matt.11v25, 21v16, Luke.10v21, 1Cor.3v1, 1Pet.2v2) who have **not** been mentally scarred at seminaries (Matt.23v15, noting by contrast John.7v15, Acts.4v13). In the one/same manner as was Saul before JCg intercepted him on the road to Damascus (Acts.9v2-9), to become The Apostle Paul.

Exhibit D.

Bart is another “Scholar of Religion”, now a declared atheist, understandably so, after being so badly burnt by “worldly Christianity” and has a website to publish his views on The Internet.

He laid down a public challenge and made a statement of which I now publicise here.

1. “I would challenge anyone to explain to me how Luke can be right that the disciples saw Jesus in Jerusalem on the day of his resurrection and were told not to leave Jerusalem and **never did leave Jerusalem** until long after Jesus ascended to heaven forty days later, if Matthew is right that the disciples were told to leave Jerusalem to meet Jesus (some hundred miles north) in Galilee and they did leave Jerusalem right away and did see Jesus only in Galilee. Did they stay in town the whole time or not? I don’t see how it can be both.”

2. Jesus was in a “state of despair” at his crucifixion because everything had gone wrong for him!

I have taken each in turn and unequivocally written ten and four pages respectively; citing The Bible in detail to show just how wrong is Bart's understanding of The Bible, all of which is located on “FutureLife.Org”.

As a generalised conclusion, I am able to show through my most detailed writings, our “Scholars of Religion” are so very knowledgeable, and yet their head is filled with “Religion” and “worldly sophism” as sourced by Man, but they have absolutely **no** understanding of how Yahweh's Mind operates!

Quite simply, they have **no intrinsic interest** in understanding how Yahweh's Mind operates!

Because intrinsically, their mind has not “Repented” they have **not** first listened to John the Baptist!

They have not become lowly/humble; their “learning” has made them rebellious to Yahweh’s Requirements!

By consequence, they are **utterly incapable** of representing Yahweh’s Interests, but only of their **own** interests for a worldly return, showing themselves to be driven by a worldly mind, hence a **conflict of interests** (Matt.6v24) and sow themselves as being **incapable of being objective** to represent Yahweh. Then we recall of JC’s warning at Matt.23v13 regarding these (worldly) scholars heading up seminaries (Matt.23v15).

They 'all' demonstrate “**A lack of Precision**” in their output when supposedly speaking about Yahweh, because their mind is biased to “**Destructively** Criticise”, rather than to “**Constructively** Criticise”. Why? Because they want to generate a “Straw-man” that they can burn within their own mind to justify “**Why they should not believe**” because the consequences of “Truly Believing in JC” meaning “to precisely imitate JC’s ministry/lifestyle” would be too personally painful!

Quite simply: “**Nothing** they output can be trusted at face value!” (James.3v11-12.)

Everything that comes out of their mouth or by ‘pen’ must be extensively questioned and interrogated because we demonstrably **cannot** trust them as my **very limited examples** clearly show!

They should do what the science community does with new ideas.

Test and evaluate first, never accept at face value any form of given “hearsay” else, we have “The Unrighteous Shambles” of which we witness within “Religion” today that makes a mockery of Yahweh within a sane/reasoning mind (of the atheist, forced to **sensibly remain** an “atheist” because of what they witness within “Religion”)!

As the reader can see, as I have demonstrably shown throughout all my examples of some 25 pages they “**stealthily slide their ideas in, alongside The Word of God**” to sow confusion within the minds of their hapless recipients.

This is what we are told in The Bible at 2Peter.2v1, I have copy/pasted this verse from my translation of The Greek. 2Pet.2v1:-

And there came to be

(= it occurred in each "Epoch of Israel", by example of old prophets, to then be leading with "The Warning" ...)
 also the spurious prophets
 (= worldly and worse, charlatan Christian leaders yielding the some 42,000+ schisms of "Christianity" we have today)
 within the populace
 (= these leaders take their position over The People in the manner seen by the apostles 1John.2v18-19, Gal.3v1, 1Thes.2v4-6)
 also in that manner they shall be within yourselves
 (= these new leaders will grow-up within The Christian Nation – "to take" like wolves [Matt.7v15, 10v16, Acts.20v29, 1John.2v18-19])
 the spurious teachers
 (to yield "worldly Christianity" from The 2nd Century CE, that wholly covers The World today in some 42,000+ schisms)
 who will {lead alongside}/{introduce surreptitiously}
 (insidious in approach – clandestine in operation, to give an "appealing" Gospel)
 ruinous/destructive disunions/sects
 ("worldly Christianity" of some 42,000+ sects will bring **NO** "Salvation" – that can come in our "2 part life")
 also (these worldly Christian leaders) having personally contradicted
 (being what God's Word really delivers to us, 2Tim.3v5, Titus.1v16)
 the lord/master
 (= JC, who must control our mind and thoughts to become precisely like him - to accurately represent Yahweh's Character)
 having purchased them
 (JC paid for our personal sins during the 1st part of our life – on a precise "like for like", = a direct equivalence)
 inflicting (upon) themselves the impending ruin
 (unless personal reform occurs, these leaders will ultimately be annihilated).

This is what The Bible tells us, and yet our scholars do not like to read this, so they excuse this epistle written by Peter out of their mind by stating "it is not authentic"; they claim "Peter did not write this epistle"!

We can understand why they dismiss what Peter wrote; when Peter was writing **specifically about them**, (it is too close for their comfort)!

They refuse to recognise the thousands of allegoric prophecies throughout The Bible, many of which have been fulfilled, that only Yahweh (= "I make become who/what I choose to become") can make possible throughout millennia. Yet while Yahweh is able to demonstrate this through The Pages of The Bible (and within The Environment today, they then errantly presume Yahweh has not The Authority/Capability to make sure His Word remains Authentic as given by The Respective Scribes and placed within His Handbook for us to read!

Our scholars have **not** "The Wit" to realise in The Culmination that no charge can be made at "Holy Yahweh" by any entity, the accusation shall not be: You had not the ability to keep Your Word intact and by consequence misled us!"

No accusation of "Unrighteousness" can be made against Yahweh throughout "All Time"!

So we can sensibly reason:

- (1) Our "Worldly Religious Scholars" choose not to recognise Yahweh's Sovereignty to make The Above a reality!
- (2) They choose to ignore "The Lattice of Interconnecting Knowledge" that validates Yahweh's Sovereignty.
- (3) Thus, they prove themselves rebellious of mind (Rom.1v16-32) and rejected by Yahweh for rulership,

This has by necessity to be shown to The World - it must be lived out in our lives, else we would state:

"It could never occur!" (Supposedly, because we are 'too perfect' to make mistakes in our life!)

The reason why they behave like this:

It is solely done to "**gain a worldly return**" by giving a perceived semblance of "Authority".

Yet it is all a worldly sophism that has no validity when interrogated by someone who thoroughly understands the subject matter, all of which I carefully explain through some 4,000,000 words as given on "FutureLife.Org".

These scholars could be like me, when they have read the contents on my website and then hearkened unto it.

This is only some 28 pages as a simple start into what could so easily have been 280 pages.

I could have expanded the present contents, also added so many other topics, to expose the delinquencies of our worldly (and worse, charlatan) Christian leaders at "The Very Close" of The Gospel Age, having demonstrated their (**lack of**) credentials to correctly represent Yahweh over the last some 1700+ years. They spin God's Word into a soup of their own creation (Gal.1v10) that becomes a mere subset of "Religion", having none of "The Refined Teaching" as given by JC and "The 1st Century Apostles", that will ultimately and righteously yield "The Salvation of Mankind". That is "**Why Yahweh detests leaders of Christendom**" having proved themselves "**useless**" (Rom.1v16-32), to be "**fraudulent confidence tricksters**", "**rogue traders**" with "The Word of God", acting as "**spiritual paedophiles**" (Matt.18v6, Luke.17v2) "**living as parasites**" off The Populace throughout The Ages (as records show).

They **all** shall be rejected from future office (Luke.20v16) having not even the sense to follow the advice as given in Luke.16v1-8 (excusing it not to mean them), and thus shall personally experience vehement accusations from their resurrected congregational members pointing a finger at their former Christian leaders exclaiming:

"Why did you keep all this knowledge (specifically of "Sonship") away from us in the 1st part of our life!"

These leaders did not care to accurately represent Yahweh, but preferred only to represent themselves, by "**physically** living off God's Word" (as a profession, Matt.6v24) for "filthy lucre" rather than "**spiritually** inculcating God's Word" and becoming "a changed person" to exist into The Eternity!

They choose to understand none of it ("agnoeo")!

Why?

The repercussions of changing The Mind to precisely imitate JC would be personally too painful!

They have a vain "**hope**" of "something", but no "**expectation**" of being "The Heirs" over "The Inheritance".

That is specifically why Yahweh rejects them for future office (Luke.20v16).

This is “**The Charge Sheet**” for “**Christendom in The Dock**”!

This also becomes “**Its Epitaph**” when it is replaced by “**1st Century Christianity**” presently only within the minds of “The Early Adopters” (Luke.17v21), and yet shall cover the entire planet in “The Imminent Millennium”! Amen!

I invite a carefully written response by critique from any brave “soul” to the above, with copious Bible citations to support any counter defence to my observations made during my **Audit** of Christendom’s output!

Let me make this final point by means of some questions:

If the reader witnessed a garage mechanic put water into the car engine and oil into the radiator, would you not warn other people not to go to that specific garage mechanic with their car?

Alternatively, would you remain quiet and allow other people to be hurt by the actions of that “rogue trader”?

What course of action does the reader think I am taking?

That completes my penultimate article explaining as to why we are in such an abysmal mess, and now I shall introduce my final exposition entitled “Whom does Yahweh really want” to become our Goal in life!

25081 words
